THE GREAT JOY LECTURES

Large Audiences Listen with Most Intense Interest

The series of lectures, given at the High School in the afternoons and at the M. E. church in the evenings, are a most remarkable demonstration of the drawing power of the presentation of a theme of vital interest when given with intense earnestness by a man who has the ability to inspire others with the same zeal which he himself evidently feels. Ordinarily one would say that people would not come out and listen for two hours each evening to a lecture given by the same person and on different phases of the same subject. But such a prediction would not apply to Dr. Joy's lectures. The large auditorium has been filled to its capacity each evening and though the lectures are very long—really two lectures each evening with a short intermission between—the interest of his hearers never lags for an instant.

His talks to the boys at the high school auditorium each afternoon are even more remarkable and are listened to with the greatest interest by the young men. Before commencing his first talk Monday afternoon he told all who did not care to stay that they might leave, but only fifteen took advantage of the opportunity, the rest staying until a quarter of six and listening with the most evident interest.

Dr. Joy's lectures are really a kind of a "short course" in the best methods of development of the young manhood of our city and he presents the different phases of his theme in such a thoroughly practical way that it cannot help but do good which will be felt for years to come.

Musical numbers by some of our best local talent, including the Jasper county Glee Club, Mrs. Lettie Van Hoesen, Fred Hough, the M. E. choir, the Christian Church Orchestra and others have helped to make the programs attractive. Chester Guthrie leads the congregational singing and his splendid leadership is

C. N. DOANE'S SAD DEATH

After Operation at Osteopathic Hospital in Kirksville

No telegram has brought keener sorrow to the people of this city and the entire community than that from Kirksville, Missouri, Tuesday morning, which told of the death of Charles N. Doane in the hospital there at seven o'clock that morning. His death followed an operation performed on the morning of Monday, March 20th. The trouble was cancer of the liver with serious complications, and from the first his recovery was very doubtful.

The circumstances are peculiarly sad. Mr. Doane had been declining in health for many months and it was finally decided that an operation was imperative. His wife who had also been very feeble for some time, accompanied her husband to the hospital, when she too, submitted to an operation for malignant conditions, on Thursday morning, March 23. She is still in the hospital, but is rapidly recovering. However, she has not yet been informed of her husband's death. Their youngest son, Harry Doane, accompanied the parents to Kirksville and will remain until the mother is able to return home. The death of Mr. Doane and the condition of his faithful companion have cast a shadow of sorrow over this entire community where they have resided for so many years.

Chas. Nelson Doane was born in Bellows Falls, Vermont, July, 1842. He moved with his father to Bristol, Illinois, in 1856, where in 1861 he enlisted in Company E, 36th Illinois Volunteers. He was wounded in the battle of Stone River, Tennessee, and discharged after having served for 18 months. After his discharge he entered the service of the Railroad Bridge Co. whose operations were in the South. In 1869, Mr. Doane moved to Kellogg, and settled on a farm in Richland township, which is still owned by him. In 1879, he was married to Miss Mary F. Dean, who survives him, with their three sons, Albert M., Warren L. and Harry Doane. Warren has but recently returned to his home in Moorcroft, Wyoming, and is unable to be here for the funeral of his father.

vegetables of all kinds going to market am just starting to market to something for dinner. We can cheap ripe strawberries, tomatoes, green peas, lettuce and all kind garden truck. You may be Tommy, we don't get hungry here. Keep the Record coming can't do without it."

Sold Out—Going to Florida

John R. Hall—the old picture—has sold his home to Her Claussen, and has his eye now on "everglades of Florida." He and his wife expect to move to Florida about the first of May or June, when there is perpetual loveliness. "December is as pleasant as May," Mr. and Mrs. Hall have lived in county an awful long while—away before the war, in which he had a part in old Company B, Iowa. They were married on the 1st of July, 1864, and all their married life has been spent in Newton, Monroe—nearly 52 years. They have two daughters and four sons. "grewed up" and with families of their own; Mrs. Lulu Matney, Mrs. Nora Chipps, John R. Jr. of Newton, Fred of Bellingham, Washington, Harry of Avonlea, Canada, and Arthur of near Kellogg, Florida. They take them a good way from all their children and old friends and we believe they'll stay down there more than just a little while. But we think they'll be happy.

The home they sold was one which they bought only a few months ago, expecting to end their days in it. It was built by Col. John A. Garretts good many years ago, and later purchased by the heirs of Dr. H. E. Merrett. John has thoroughly modernized it, making it one of Newton's really attractive homes, and we think they ought to have stuck to it.

Quite a Sly Wedding

Mr. J. S. Holtz and Mrs. E. Clark have just surprised their friends by announcing their marriage which occurred at Atlantic on Tuesday March 16, just two weeks ago. The bride and groom coyly informed us that she had started for a visit to her old home in Colorado, and Mr. Holtz intercepted her at Atlantic where Rev. Elias Handy, the Methodist minister, and a friend of both of them, performed the ceremony which made them husband and wife.

torium has been filled to its capacity each evening and though the lectures are very long—really two lectures each evening with a short intermission between—the interest of his hearers never lags for an instant.

His talks to the boys at the high school auditorium each afternoon are even more remarkable and are listened to with the greatest interest by the young men. Before commencing his first talk Monday afternoon he told all who did not care to stay that they might leave, but only fifteen took advantage of the opportunity, the rest staying until a quarter of six and listening with the most evident interest.

Dr. Joy's lectures are really a kind of a "short course" in the best methods of development of the young manhood of our city and he presents the different phases of his theme in such a thoroughly practical way that it cannot help but do good which will be felt for years to come.

Musical numbers by some of our best local talent, including the Jasper county Glee Club, Mrs. Lettie Van Hoesen, Fred Hough, the M. E. choir, the Christian Church Orchestra and others have helped to make the programs attractive. Chester Guthrie leads the congregational singing and his splendid leadership is an inspiration to the whole audience.

Old Friend Nearly 93

Mrs. Mary Mann, who was a few weeks ago very ill and supposed to be very near the heavenly gates, suddenly took a change for the better, and her son Willis G. Mann of this city, informs us that she is now in perfect health in her home in Des Moines, which will sure be glad tidings to her old friends in Newton. Mother Mann will be 93 years of age if she lives until next September. She and her husband the late John Mann, came to Newton in the early fifties, and for many years were prominent in the business, church and social circles of our little city. Both were members of our local Christian church. Her granddaughter, Mrs. Harry P. Engle, will spend a part of this week with her in Des Moines.

A Pretty Birthday Affair

Miss Irene Hise was most delightfully surprised last Thursday evening, when a dozen or more of her girl friends—all in a bunch—dropped into her home to celebrate with her her nineteenth birthday. The girls had a splendid evening of it, includ-

pital, when she too, submitted to an operation for malignant conditions, on Thursday morning, March 23. She is still in the hospital, but is rapidly recovering. However, she has not yet been informed of her husband's death. Their youngest son, Harry Doane, accompanied the parents to Kirksville and will remain until the mother is able to return home. The death of Mr. Doane and the condition of his faithful companion have cast a shadow of sorrow over this entire community where they have resided for so many years.

Chas. Nelson Doane was born in Bellows Falls, Vermont, July, 1842. He moved with his father to Bristol, Illinois, in 1856, where in 1861 he enlisted in Company E, 36th Illinois Volunteers. He was wounded in the battle of Stone River, Tennessee, and discharged after having served for 18 months. After his discharge he entered the service of the Railroad Bridge Co. whose operations were in the South. In 1869, Mr. Doane moved to Kellogg, and settled on a farm in Richland township, which is still owned by him. In 1870, he was married to Miss Mary F. Dean, who survives him, with their three sons, Albert M., Warren L. and Harry Doane. Warren has but recently returned to his home in Moorcroft, Wyoming, and on account of the illness of his wife is unable to be here for the funeral of his father.

Mr. Doane served as member of the Board of Supervisors for one term back in the 70s. He was also elected for two terms as a member of the Iowa Legislature—in 1892 and 1894. For the past 18 years he has engaged in the insurance business, and has been president of the Mutual Fire and Tornado Association for 15 years. He has been a member of the Soldiers Commission of this county for the last 20 years and its secretary for 12 years. Mr. Doane has been one of our most useful citizens, and enjoyed the esteem of everybody who knew him. For the past 16 years he and his wife have occupied their beautiful home on First Avenue West, which is now suddenly darkened by this great sorrow.

Mr. J. Lindley Coon, who was Mr. Doane's most intimate friend and associate in business, left last night for Kirksville and will return on a late train this Wednesday evening with Mrs. Coon. Funeral services will be held at the home on Friday afternoon at 2 o'clock.

Quite a Sly Wedding

Mr. J. S. Holtz and Mrs. B. Clark have just surprised friends by announcing their marriage which occurred at Atlantic on Tuesday March 16, just two weeks. The bride and groom coyly informed us that she had started for a visit to her old home in Colorado, and Holtz intercepted her at Atlantic where Rev. Elias Handy, the Methodist pastor, and an old friend of both of them, performed the service which made them husband and wife. Mrs. Holtz is a sister of John, George and Frank Whitaker, also Mrs. Henry Aillaud. Mr. Holtz is one of our old-timers but not a very old man, although he served through the Civil War in the Ohio Cavalry. He is a devout Methodist and she an equally devout Methodist—a little difference we will not attempt to fix up; but it will all right. Mr. and Mrs. Holtz are splendid people and we hope their future may be bright and happy. They returned to Newton immediately after their marriage and are now living in his cozy home on North Avenue East.

Served from Ancient Teapot

George W. Shankland spent Sunday in Monroe, making his first visit in his brother Charles' home since his marriage, and of course had a good time, and himself fell into brotherly love with his new sister-in-law who was formerly Miss Agnes Shankland. George reported that he got tea from a teapot which was made in England away back in 1446, be-
