## Please Sign Your Name to Items

Each week we receive a number of letters containing news items with no name signed to tell us who is responsible for sending them to us. This causes us considerable trouble as we must call several different persons to make sure the information is correct.

We appreciate very much the interest that prompts our subscribers to send us news items. We would appreciate it much if we could know who sends them to us.

When sending us a news item, please sign your name at the bottom of the sheet. It will not be necessary but it is merely an evidence of good faith. Your name attached to a news item is just a way of letting us know that the information is alright.

A part of the crew that will rebuild all transmission lines in Lenox for the Iowa Southern Utilities company has arrived in town and is at work. The rest of the crew will be here in a few days and the work will then get away under full steam. It is expected that the job will last about six weeks. In the meantime there will be quite a demand for rooms for the members

## School Opens With Record Enrollment

### High School Congested More Than Grades

School opened Monday and for the first time in the history of the Lenox school the high school enrollment is more than the combined total of the various lower grades.

The total enrollment is 365, which 181 are in the grades and 184 in high school. As there are only seats for 170 in the high school, that part of the school is very much crowded.

Figures for each of the grades are:

1st, Mrs. Emma Barton	1
2nd, Elizabeth Beymer	2
3rd, Martha Hulén	2
4th, Nellie Lewis	3
5th, Helen Shipps	1
6th, Grace Harland	2
7th	2

Total for grades ..... 18
