He was born March 6, 1860, in Wisconsin. His marriage to Gora Keckler took place here on June 8, 1893, and she preceded him in death. The only survivors include a niece and a nephew, Mrs. George Morrison of Chicago and Van Pollock, residing in Rhode Island.

Thursday night program was arranged in keeping with the 1955-56 Four Point program of the club planned to benefit the members mentally, physically, socially and spiritually.

Rearranging of Parking Meters To Be Resumed

Further rearrangement of parking meters on Second street for the "skip stall" parking plan approved by the city council, has been postponed until next week, Joseph Maher, police chief, reported today.

Weather permitting, additional meters will be moved and new parking areas painted on paving starting Monday.

Meters were changed and parking stalls repainted on the south side of the 300 block on East Second street Tuesday.

Under the "skip stall" plan, two 18 foot parking spaces are provided adjoining each other, with a 15 foot no parking area between them, permitting the motorist to maneuver a car into a position beside the curb with a minimum of interference to passing traffic. The motorist either pulls forward from the traffic lane using the 15 foot area into a parking space by the curb ahead of the blank spot, or pulls into the blank space and then backs directly into the parking spot.

Additional parking ticket courtesy boxes are also to be erected, Chief Maher said, so that there will be one on each side of the street in each block, eliminating the necessity for any motorist to cross the street to deposit the penalty for overtime parking.
