DIVISION I
STATE BOND REPAYMENT FUND

1. Notwithstanding section 8.55, subsection 2, paragraph "b", if the Iowa economic emergency fund reaches its maximum balance in the fiscal year beginning July 1, 2014, after the designated portion of the excess moneys is transferred to the taxpayers trust fund pursuant to section 8.55, subsection 2, paragraph "a", the next $60,050,000 is transferred to the state bond repayment fund created in section 8.57F.

2. If the treasurer of state determines that the amount transferred pursuant to subsection 1 is not sufficient to defease or redeem the bonds specified in section 8.57F, subsection 2A, as enacted by this division of this Act, and to pay the costs relating to the defeasance or redemption, to the entire extent that the bonds may be defeased or redeemed, the treasurer of state may submit a written request to the department of management that the department certify the amount of the insufficiency as determined by the treasurer of state. The request shall detail the information needed by the department of management to determine whether the department concurs with the treasurer of state's determination. Upon issuance of the department of management's written certification of the insufficiency amount, there is transferred from the Iowa economic emergency fund, after the transfer made pursuant to subsection 1 to the state bond repayment fund, an amount equal to the insufficiency amount certified by the department of management. The treasurer of state's request, any documents relating to the request, and the department of management's certification shall also be submitted to the chairpersons and ranking members of the Senate and House appropriations standing committees.

3. To the extent the Vision Iowa program bonds issued pursuant to section 12.71 are defeased or redeemed by moneys transferred or credited to the state bond repayment fund created in section 8.57F, there is transferred to the rebuild Iowa infrastructure fund from the revenue source otherwise designated by law or existing practice for payment of the vision Iowa program bonds, an amount equal to that which otherwise would have been paid in connection with the vision Iowa program bonds issued pursuant to section 12.71 from such funds. Requires the annual State Wagering Tax allocation of $15,000,000 currently transferred to the Vision Iowa Fund for debt service payments, to be transferred to the Rebuild Iowa Infrastructure Fund (RIIF) after the Vision Iowa bonds are defeased.

FISCAL IMPACT: Beginning in FY 2015, the $15,000,000 State Wagering Tax allocation will be transferred to the RIIF.
revenue source for the fiscal year beginning July 1, 2014, and each fiscal year thereafter as provided in section 8.57, subsection 5, paragraph "e".

Sec. 2. Section 8.57F, Code 2014, is amended by adding the following new subsection:

NEW SUBSECTION  2A. The moneys credited to and available in the fund for the fiscal year beginning July 1, 2014, are appropriated to the treasurer of state for the defeasance or redemption of the Vision Iowa program bonds issued pursuant to section 12.71 and for the costs relating to the defeasance or redemption, to the extent the bonds can be defeased or redeemed and costs paid within the amount appropriated.

Sec. 3. Section 8.57F, subsection 3, Code 2014, is amended to read as follows:

3. Any bonds listed in subsections 2 and 2A that are not defeased or redeemed in accordance with this section shall continue to be payable from their original payment source.

Sec. 4. EFFECTIVE UPON ENACTMENT. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

Sec. 5. APPLICABILITY. The section of this division of this Act providing for transfer of moneys from the Iowa economic emergency fund to the state bond repayment fund instead of the general fund of the state applies to transfers made from the Iowa economic emergency fund after the effective date of this division of this Act.

DIVISION II
MISCELLANEOUS APPROPRIATIONS

Sec. 6. GENERAL FUND APPROPRIATIONS —— FY 2013-2014. DETAIL: Iowa is hosting the 46th Annual MWJA Conference September 7-9, 2014, in Des Moines. This is a one-time appropriation and will support the IEDA in the logistics and hosting of the meeting. The last time Iowa hosted this conference was in 1994, and the General Assembly allocated $100,000 from a General Fund appropriation to the Department of Economic Development.

General Fund supplemental appropriation for FY 2014 to the IEDA for the Strategic Infrastructure Program if enacted by HF 2445 or SF 2359.

DETAIL: The Iowa Strategic Infrastructure Program in SF 2359 allows the IEDA to provide financial assistance for strategic infrastructure projects that are intended to lead to relocation or expansion projects for existing businesses, as well as financial assistance for new businesses.

The Iowa Innovation Council will be responsible for reviewing applications for the Program and making recommendations to the IEDA Board.

Senate File 2359 defines "Strategic Infrastructure" as "projects that develop commonly utilized assets that provide an advantage to one or
c. For the Home Base Iowa initiative:

Moneys appropriated in this lettered paragraph shall be used to conduct a professional and occupational licensure analysis for connecting military occupations with Iowa’s professional and occupational licensure rules. The analysis shall assist licensing boards in developing policies providing veterans with credit in the licensing process for military education, training, and service and shall identify military occupations that are most closely aligned with Iowa’s professional and occupational licensures.

Moneys appropriated in this lettered paragraph shall be used to mitigate costs incurred by licensing boards in implementing policies providing veterans with credit in the licensing process for military education, training, and service.

Moneys appropriated in this lettered paragraph shall be used to support increased workforce-
used to support increased workforce-related data capabilities for veterans in Iowa. The data capabilities shall allow the department to effectively track the progress of assisting veterans with workforce issues.

4. DEPARTMENT OF EDUCATION

For purposes of providing reimbursement to public school districts that conduct radon testing pursuant to section 280.30, as enacted in this Act:

- $1,000,000

5. DEPARTMENT OF HUMAN RIGHTS

To supplement the appropriation made for the low-income home energy assistance program in 2013 Iowa Acts, chapter 136, section 10:

- $2,000,000

6. DEPARTMENT OF HUMAN SERVICES

a. For the costs of compensatory education to address the reviews of special education of certain children placed at the Iowa juvenile home conducted by the department of education in fall 2013 and reported to the department of human services on October 7 and December 20, 2013:

- $1,220,000

b. For a study to assess placement of sex offenders or other hard-to-place persons in the state requiring the type of personal and medical care provided by a nursing facility, including salaries, support, maintenance, and miscellaneous purposes:

- $100,000

(1) From the moneys appropriated in this lettered paragraph, the department of human services shall utilize a request for proposals process to select a private entity to study the implementation of facilities in other states that provide care for sex offenders and other hard-to-place persons needing the type of care provided by a nursing facility, to develop projections of the need for this type of facility in the state over the next twenty years, and to develop related data capabilities related to assisting veterans in Iowa. The IEDA may contract with another department to better track progress in assisting veterans with workforce issues to implement this provision.

General Fund supplemental appropriation for FY 2014 to the Department of Education to reimburse public school districts for radon testing.

DETAIL: Division III of this Bill establishes a voluntary radon testing program to be jointly administered by the Department of Education and the Department of Public Health.

General Fund supplemental appropriation for FY 2014 to the Department of Human Rights to supplement the Low-Income Home Energy Assistance Program (LIHEAP).

General Fund supplemental appropriation for FY 2014 to the Department of Human Services (DHS) for education costs to address special education reviews of children at the Iowa Juvenile Home.

DETAIL: This compensatory education is for the youth placed in private placements during the 2013 closure period of the Juvenile Home and Training School. These education services are elective to the eligible youth and are intended to complete any interrupted education the youth may have experienced.

Requires the DHS to issue a request for proposals (RFP) to select a private entity to study implementation of facilities in other states related to nursing care for sex offenders and other hard-to-place individuals. The RFP is to be issued within 30 days of enactment of this Bill.
projections and financing considerations for facility options in the state. The department of human services shall issue a request for proposals within thirty days after the date of enactment of this division of this Act.

(2) The study and report following the conclusion of the study shall include all of the following information:
   (a) A summary of long-term care facilities operated in other states for the purpose of caring for sex offenders or other hard-to-place persons, whether the facility is operated by a governmental entity or through a contract with a private entity. The summary of the facilities shall include an overview of ownership and operations, populations served, financing sources and average costs per patient, public financing limitations, security or staff training policies, and other considerations deemed appropriate. The summary shall focus on models that may be adaptable to Iowa.
   (b) A projection of the number of persons in the state who, in the next twenty years, would require the services of such a facility due to sex offender status, a history of abusive or violent behavior in previous nursing facility placements, or other unmet psychiatric needs.
   (c) An analysis of options for the state based on the research of out-of-state models and projected need. The analysis shall identify potential ownership structures and public or private facility options, including an identification of state-owned facilities that may be underutilized and could be reconfigured. The analysis shall also include management structures, whether public or private, potential sources of revenue and limitations on those sources, the need for enhanced security or staff training for safety, and other considerations deemed appropriate.

(3) A report on the results of the study produced pursuant to this lettered paragraph shall be submitted to the governor, the general assembly, and the department of human services by November 1, 2014.

(4) The departments of human services, corrections, inspections and appeals, and aging, the state public defender, the office of ombudsman, the office of the state long-term care ombudsman, and the judicial branch shall provide information for purposes of the study as requested by the private entity conducting the study. However, any information which is confidential shall continue to be maintained as confidential.

(5) Notwithstanding section 8.33, moneys appropriated in this lettered paragraph that remain unencumbered or unobligated

Specifies the requirements of the study and final report.

Requires a report to be submitted by the private entity to the Governor, the General Assembly, and the DHS by November 1, 2014.

at the close of the fiscal year for which appropriated shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

c. For the public purpose of providing grants to community mental health centers in accordance with this lettered paragraph:

$800,000

The appropriation made in this lettered paragraph shall be distributed as grants of up to $100,000 to those nonprofit community mental health centers designated by the department under chapter 230A as of January 1, 2014. The grants shall be used by the centers for the costs of implementing an electronic health record system. The electronic health record systems implemented pursuant to a grant shall comply with the electronic health information provisions implemented pursuant to section 135.156 and with the mental health and disabilities services system central data repository implemented pursuant to section 225C.6A and other data requirements under chapter 225C. Each recipient of a grant shall have the electronic health record system fully operational on or before July 1, 2018. Notwithstanding section 8.33, moneys appropriated in this lettered paragraph that remain unencumbered or unobligated at the close of the fiscal year for which appropriated shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

d. To be used for payment of verified costs for previously uncompensated medical and surgical treatment provided during the period beginning July 1, 2013, and ending December 31, 2013, to individuals who met the eligibility requirements pursuant to chapter 249J, Code 2013, but were not members of the expansion population pursuant to chapter 249J, Code 2013, during such period:

$10,900,000

(1) Applicants for moneys appropriated in this lettered paragraph include a publicly owned acute care teaching hospital located in a county with a population over 350,000, and the university of Iowa hospitals and clinics. All applicants shall receive moneys appropriated under this lettered paragraph in an amount to be determined by the department.

(2) In order to receive moneys under this lettered paragraph, an applicant must submit claim documentation to the department verifying the costs for previously uncompensated medical and surgical treatment provided during the period.
beginning July 1, 2013, and ending December 31, 2013, to the
dividuals specified in this lettered paragraph.

e. For use by an Iowa-based nonprofit organization that is a
grantee of the department for expanding the usage of the earned
income tax credit to evaluate the need to assist low-income
Iowans in preparing tax returns for electronic filing:

f. For implementation costs to contract with a third-party
vendor to establish an asset, income, and identity eligibility
verification system for the purposes of determining or
redetermining eligibility of an individual who is an applicant
for or recipient of medical assistance under the Medicaid
program state plan on the basis of being aged, blind, or
disabled in accordance with 42 U.S.C. §1396w, as provided in
2014 Iowa Acts, House File 2463, if enacted:

(1) In developing the requirements for procurement of the
system, the department of human services shall engage the
group of magistrates and hospital personnel that assisted the
department in developing the hospital bed tracking system
report submitted to the general assembly in December 2013,
pursuant to 2013 Iowa Acts, chapter 130, section 56. The
department shall also engage representatives of other portions
of the mental health system, including representatives of the
regional mental health and disability services system, the
state mental health institutes, the Iowa behavioral health
association, and the Iowa association of community providers.
The procedural issues addressed by the group shall include
but are not limited to the responsibility for data entry
and verification, timeliness of data entry, confidentiality
requirements associated with the data needed to ensure the
usefulness of the system, and key characteristics and capacity
information about the beds in the system.

(2) The department shall base the procurement requirements
on the recommendation option contained in the December 2013
report that projected the lowest annual maintenance and

General Fund supplemental appropriation for FY 2014 to the Board of Regents for the purchase of cancer-related equipment for the Veterinary Diagnostic Laboratory at Iowa State University.

General Fund supplemental appropriation for FY 2014 to the Board of Regents for construction costs associated with the bioscience facility at Iowa State University.

DETAIL: Section 8 of this Bill deappropriates an $18,600,000 Rebuild Iowa Infrastructure Fund (RIIF) appropriation that was previously appropriated for FY 2015.
e. For the renovation and related improvements to the dental science building at the state university of Iowa including but not limited to renovation of clinical spaces and development of a multidisciplinary clinical area:
   $8,000,000

f. For renovation and related improvements for Bartlett hall at the university of northern Iowa including providing faculty offices, seminar rooms, and laboratories in the building and the associated demolition of Baker hall:
   $1,947,000

Sec. 7. REAP. Notwithstanding the amount of the standing appropriation from the general fund of the state to the Iowa resources enhancement and protection fund as provided in section 455A.18, and in addition to moneys appropriated in 2014 Iowa Acts, House File 2458, and 2014 Iowa Acts, Senate File 2349, there is appropriated from the general fund of the state to the Iowa resources enhancement and protection fund for the fiscal year beginning July 1, 2013, and ending June 30, 2014, the following amount, to be allocated as provided in section 455A.19:
   $5,000,000

Sec. 8. 2011 Iowa Acts, chapter 133, section 1, subsection 10, paragraphs d through f, as amended by 2012 Iowa Acts, chapter 1140, section 15, are amended to read as follows:

d. For construction, renovation, and related improvements for phase II of the agricultural and biosystems engineering complex, including classrooms, laboratories, and offices at Iowa state university of science and technology:
   FY 2011-2012 $1,000,000
   FY 2012-2013 $19,050,000
   FY 2013-2014 $21,750,000
   FY 2014-2015 $18,600,000
   FY 2014-2015 $8,000,000

General Fund supplemental appropriation for FY 2014 to the Board of Regents for construction costs associated with the Dental Science Building at the University of Iowa.

DETAIL: Section 8 of this Bill deappropriates an $8,000,000 RIIF appropriation that was previously appropriated for FY 2015.

General Fund supplemental appropriation for FY 2014 to the Board of Regents for renovation costs associated with improvements to Bartlett Hall at the University of Northern Iowa.

DETAIL: Section 8 of this Bill deappropriates a $1,947,000 RIIF appropriation that was previously appropriated for FY 2015.

General Fund supplemental appropriation for FY 2014 to the Iowa Resources Enhancement and Protection (REAP) Fund.

DETAIL: In addition to the $5,000,000 supplemental appropriation in this Bill, HF 2458 (Agriculture and Natural Resources Appropriations Bill) appropriated $16,000,000 and SF 2349 (Infrastructure Appropriations Bill) appropriated $4,000,000 for the REAP Fund for FY 2015. The REAP Fund will have a total of $25,000,000 available for expenditure in FY 2015.

CODE: This Section deappropriates a total of $28,547,000 of FY 2015 RIIF appropriations from the Board of Regents. These RIIF appropriations are replaced with General Fund supplemental appropriations in Section 6 of this Bill.
f. For renovation and related improvements for Bartlett hall at the university of northern Iowa including providing faculty offices, seminar rooms, and laboratories in the building and the associated demolition of Baker hall:

Sec. 9. REPORTING.

1. On or before January 15 of each year, a state agency that received an appropriation in this division of this Act shall report to the legislative services agency and the department of management the status of all projects completed or in progress. The report shall include a description of the project, the progress of work completed, the total estimated cost of the project, a list of all revenue sources being used to fund the project, the amount of funds expended, the amount of funds obligated, and the date the project was completed or an estimated completion date of the project, where applicable.

2. On or before December 31 of each year, a recipient of moneys appropriated in this division of this Act for any purpose shall report to the state agency to which the moneys are appropriated the status of all projects completed or in progress. The report shall include a description of the project, the progress of work completed, the total estimated cost of the project, a list of all revenue sources being used to fund the project, the amount of funds expended, the amount of funds obligated, and the date the project was completed or an estimated completion date of the project, where applicable.

Sec. 10. REVERSION. For purposes of section 8.33, unless specifically provided otherwise, unencumbered or unobligated moneys from an appropriation made or amended in this division of this Act shall not revert but shall remain available for expenditure for the purposes designated until the close of the fiscal year beginning July 1, 2017. However, if the project or projects for which such appropriation was made or amended are completed in an earlier fiscal year, unencumbered or unobligated moneys shall revert at the close of that same fiscal year.

Sec. 11. EFFECTIVE UPON ENACTMENT. This division of this Act, being deemed of immediate importance, takes effect upon enactment.

Requires agencies receiving an appropriation in Division II to report annually to the Legislative Services Agency and the Department of Management by January 15. Requires any recipient of moneys appropriated in Division II to report to the agency that provides the pass-through funding by December 31, in order for the agency to include the information in the report due by January 15.

DETAIL: These reporting requirements are consistent with State reporting requirements for appropriations from other State infrastructure, technology, and bonding-related funds. The LSA will include the infrastructure-related appropriations in its annual compilation of the Infrastructure Status Reports that is available on the General Assembly website.

Requires nonreversion of the supplemental appropriations in Division II, unless otherwise specified, until the close of FY 2018.

Division II of this Bill is effective on enactment.
DIVISION III

RADON CONTROL IN SCHOOLS

Sec. 12. NEW SECTION 280.30 RADON TESTING.

1. For purposes of this section, “short-term test” means a test approved by the department of public health in which a testing device remains in an area for not less than two days and not more than ninety days to determine the amount of radon in the air that is acceptable for human inhalation.

2. The board of directors of each public school district may provide for short-term testing and retesting for radon gas to be performed at each attendance center under its control and following any new construction of an attendance center or additions, renovations, or repairs to an attendance center.

3. a. The department of public health and the department of education shall each adopt rules to jointly administer this section.

   b. In consultation with appropriate stakeholders, the department of public health shall adopt rules establishing standards for radon testing at attendance centers. Such standards shall include but are not limited to training requirements for persons to conduct such testing and best practices for conducting such testing.

CODE: Defines short-term test for purposes of radon testing in public school buildings.

CODE: Allows school districts to conduct short-term radon testing at school facilities.

CODE: Requires the Department of Public Health and the Department of Education to adopt rules to administer radon testing in public schools.
