72 16 recognition of the advances in the delivery of health care,  
72 17 the member states of the interstate medical licensure compact  
72 18 have allied in common purpose to develop a comprehensive  
72 19 process that complements the existing licensing and regulatory  
72 20 authority of state medical boards and provides a streamlined  
72 21 process that allows physicians to become licensed in multiple  
72 22 states, thereby enhancing the portability of a medical license  
72 23 and ensuring the safety of patients. The compact creates  
72 24 another pathway for licensure and does not otherwise change  
72 25 a state's existing medical practice act. The compact also  
72 26 adopts the prevailing standard for licensure and affirms that  
72 27 the practice of medicine occurs where the patient is located

72 29 requires the physician to be under the jurisdiction of the  
72 30 state medical board where the patient is located.

72 31 b. State medical boards that participate in the compact  
72 32 retain the jurisdiction to impose an adverse action against

77 27 license issued or renewed through the compact.

77 28 b. The interstate commission is authorized to develop rules  
77 29 regarding fees for expedited licenses.

77 30 7. RENEWAL AND CONTINUED PARTICIPATION.

77 31 a. A physician seeking to renew an expedited license granted  
77 32 in a member state shall complete a renewal process with the

77 33 interstate commission if the physician satisfies the following:  
77 34 (1) Maintains a full and unrestricted license in a state of  
77 35 principal license.  
78 1 (2) Has not been convicted, received adjudication, deferred  
78 2 adjudication, community supervision, or deferred disposition  
78 3 for any offense by a court of appropriate jurisdiction.  
78 4 (3) Has not had a license authorizing the practice of  
78 5 medicine subject to discipline by a licensing agency in any  
78 6 state, federal, or foreign jurisdiction, excluding any action  
78 7 related to nonpayment of fees related to a license.  
78 8 (4) Has not had a controlled substance license or permit  
78 9 suspended or revoked by a state or the United States drug  
78 10 enforcement administration.  
78 11 b. Physicians shall comply with all continuing professional  
78 12 development or continuing medical education requirements for  
78 13 renewal of a license issued by a member state.  
78 14 c. The interstate commission shall collect any renewal fees  
78 15 charged for the renewal of a license and distribute the fees  
78 16 to the applicable member board.  
78 17 d. Upon receipt of any renewal fees collected in paragraph  
78 18 "c", a member board shall renew the physician's license.  
78 19 e. Physician information collected by the interstate  
78 20 commission during the renewal process will be distributed to  
78 21 all member boards.  
78 22 f. The interstate commission is authorized to develop rules  
78 23 to address renewal of licenses obtained through the compact.  
78 24 8. COORDINATED INFORMATION SYSTEM.  
78 25 a. The interstate commission shall establish a database of  
78 26 all physicians licensed, or who have applied for licensure,  
78 27 under subsection 5.  
78 28 b. Notwithstanding any other provision of law, member boards  
78 29 shall report to the interstate commission any public action  
78 30 or complaints against a licensed physician who has applied or  
78 31 received an expedited license through the compact.  
78 32 c. Member boards shall report disciplinary or investigatory  
78 33 information determined as necessary and proper by rule of the  
78 34 interstate commission.  
78 35 d. Member boards may report any nonpublic complaint,  
79 1 disciplinary, or investigatory information not required by  
79 2 paragraph "c" to the interstate commission.  
79 3 e. Member boards shall share complaint or disciplinary  
79 4 information about a physician upon request of another member  
79 5 board.  
79 6 f. All information provided to the interstate commission or  
79 7 distributed by member boards shall be confidential, filed under  
79 8 seal, and used only for investigatory or disciplinary matters.  
79 9 g. The interstate commission is authorized to develop rules  
79 10 for mandated or discretionary sharing of information by member

79 11 boards.

79 12 9. JOINT INVESTIGATIONS.

79 13 a. Licensure and disciplinary records of physicians are

79 14 deemed investigative.

79 15 b. In addition to the authority granted to a member board by

79 16 its respective medical practice Act or other applicable state

79 17 law, a member board may participate with other member boards

79 18 in joint investigations of physicians licensed by the member

79 19 boards.

79 20 c. A subpoena issued by a member state shall be enforceable

79 21 in other member states.

79 22 d. Member boards may share any investigative, litigation, or

79 23 compliance materials in furtherance of any joint or individual

79 24 investigation initiated under the compact.

79 25 e. Any member state may investigate actual or alleged

79 26 violations of the statutes authorizing the practice of medicine

79 27 in any other member state in which a physician holds a license

79 28 to practice medicine.

79 29 10. DISCIPLINARY ACTIONS.

79 30 a. Any disciplinary action taken by any member board against

79 31 a physician licensed through the compact shall be deemed

79 32 unprofessional conduct which may be subject to discipline

79 33 by other member boards, in addition to any violation of the

79 34 medical practice Act or regulations in that state.

79 35 b. If a license granted to a physician by the member board

80 1 in the state of principal license is revoked, surrendered,

80 2 or relinquished in lieu of discipline, or suspended, then

80 3 all licenses issued to the physician by member boards shall

80 4 automatically be placed, without further action necessary by

80 5 any member board, on the same status. If the member board

80 6 in the state of principal license subsequently reinstates

80 7 the physician's license, a license issued to the physician

80 8 by any other member board shall remain encumbered until that

80 9 respective member board takes action to reinstate the license

80 10 in a manner consistent with the medical practice Act of that

80 11 state.

80 12 c. If disciplinary action is taken against a physician by a

80 13 member board not in the state of principal license, any other

80 14 member board may deem the action conclusive as to matter of law

80 15 and fact decided and either:

80 16 (1) Impose the same or lesser sanctions against the

80 17 physician so long as such sanctions are consistent with the

80 18 medical practice Act of that state, or

80 19 (2) Pursue separate disciplinary action against the

80 20 physician under its respective medical practice Act, regardless

80 21 of the action taken in other member states.

80 22 d. If a license granted to a physician by a member board is

80 23 revoked, surrendered, or relinquished in lieu of discipline,

80 24 or suspended, then any licenses issued to the physician by  
80 25 any other member boards shall be suspended, automatically and  
80 26 immediately without further action necessary by the other  
80 27 member boards, for ninety days upon entry of the order by the  
80 28 disciplining board, to permit the member boards to investigate  
80 29 the basis for the action under the medical practice Act of that  
80 30 state. A member board may terminate the automatic suspension  
80 31 of the license it issued prior to the completion of the  
80 32 ninety-day suspension period in a manner consistent with the  
80 33 medical practice Act of that state.

80 34 11. INTERSTATE MEDICAL LICENSURE COMPACT COMMISSION.

80 35 a. The member states hereby create the interstate medical  
81 1 licensure compact commission.

81 2 b. The purpose of the interstate commission is the  
81 3 administration of the interstate medical licensure compact,  
81 4 which is a discretionary state function.

81 5 c. The interstate commission shall be a body corporate  
81 6 and joint agency of the member states and shall have all the  
81 7 responsibilities, powers, and duties set forth in the compact,  
81 8 and such additional powers as may be conferred upon it by a  
81 9 subsequent concurrent action of the respective legislatures of  
81 10 the member states in accordance with the terms of the compact.

81 11 d. The interstate commission shall consist of two voting  
81 12 representatives appointed by each member state who shall serve  
81 13 as commissioners. In states where allopathic and osteopathic  
81 14 physicians are regulated by separate member boards, or if  
81 15 the licensing and disciplinary authority is split between  
81 16 multiple member boards within a member state, the member state  
81 17 shall appoint one representative from each member board. A  
81 18 commissioner shall be one of the following:

81 19 (1) An allopathic or osteopathic physician appointed to a  
81 20 member board.

81 21 (2) An executive director, executive secretary, or similar  
81 22 executive of a member board.

81 23 (3) A member of the public appointed to a member board.

81 24 e. The interstate commission shall meet at least once each  
81 25 calendar year. A portion of this meeting shall be a business  
81 26 meeting to address such matters as may properly come before  
81 27 the commission, including the election of officers. The  
81 28 chairperson may call additional meetings and shall call for a  
81 29 meeting upon the request of a majority of the member states.

81 30 f. The bylaws may provide for meetings of the interstate  
81 31 commission to be conducted by telecommunication or electronic  
81 32 communication.

81 33 g. Each commissioner participating at a meeting of the  
81 34 interstate commission is entitled to one vote. A majority of  
81 35 commissioners shall constitute a quorum for the transaction  
82 1 of business, unless a larger quorum is required by the bylaws

82 2 of the interstate commission. A commissioner shall not  
82 3 delegate a vote to another commissioner. In the absence of its  
82 4 commissioner, a member state may delegate voting authority for  
82 5 a specified meeting to another person from that state who shall  
82 6 meet the requirements of paragraph "d".

82 7 h. The interstate commission shall provide public notice  
82 8 of all meetings and all meetings shall be open to the public.  
82 9 The interstate commission may close a meeting, in full or  
82 10 in portion, where it determines by a two-thirds vote of the  
82 11 commissioners present that an open meeting would be likely to  
82 12 result in one or more of the following:

82 13 (1) Relate solely to the internal personnel practices and  
82 14 procedures of the interstate commission.

82 15 (2) Discuss matters specifically exempted from disclosure  
82 16 by federal statute.

82 17 (3) Discuss trade secrets, commercial, or financial  
82 18 information that is privileged or confidential.

82 19 (4) Involve accusing a person of a crime, or formally  
82 20 censuring a person.

82 21 (5) Discuss information of a personal nature where  
82 22 disclosure would constitute a clearly unwarranted invasion of  
82 23 personal privacy.

82 24 (6) Discuss investigative records compiled for law  
82 25 enforcement purposes.

82 26 (7) Specifically relate to the participation in a civil  
82 27 action or other legal proceeding.

82 28 i. The interstate commission shall keep minutes which shall  
82 29 fully describe all matters discussed in a meeting and shall  
82 30 provide a full and accurate summary of actions taken, including  
82 31 record of any roll call votes.

82 32 j. The interstate commission shall make its information  
82 33 and official records, to the extent not otherwise designated  
82 34 in the compact or by its rules, available to the public for  
82 35 inspection.

83 1 k. The interstate commission shall establish an executive  
83 2 committee, which shall include officers, members, and others as  
83 3 determined by the bylaws. The executive committee shall have  
83 4 the power to act on behalf of the interstate commission, with  
83 5 the exception of rulemaking, during periods when the interstate  
83 6 commission is not in session. When acting on behalf of the  
83 7 interstate commission, the executive committee shall oversee  
83 8 the administration of the compact including enforcement and  
83 9 compliance with the provisions of the compact, its bylaws and  
83 10 rules, and other such duties as necessary.

83 11 l. The interstate commission may establish other committees  
83 12 for governance and administration of the compact.

83 13 12. POWERS AND DUTIES OF THE INTERSTATE COMMISSION. The  
83 14 interstate commission shall have power to perform the following

- 83 15 functions:
- 83 16 a. Oversee and maintain the administration of the compact.
- 83 17 b. Promulgate rules which shall be binding to the extent and  
83 18 in the manner provided for in the compact.
- 83 19 c. Issue, upon the request of a member state or  
83 20 member board, advisory opinions concerning the meaning or  
83 21 interpretation of the compact, its bylaws, rules, and actions.
- 83 22 d. Enforce compliance with compact provisions, the rules  
83 23 promulgated by the interstate commission, and the bylaws, using  
83 24 all necessary and proper means, including but not limited to  
83 25 the use of judicial process.
- 83 26 e. Establish and appoint committees including but not  
83 27 limited to an executive committee as required by subsection 11,  
83 28 which shall have the power to act on behalf of the interstate  
83 29 commission in carrying out its powers and duties.
- 83 30 f. Pay, or provide for the payment of, the expenses related  
83 31 to the establishment, organization, and ongoing activities of  
83 32 the interstate commission.
- 83 33 g. Establish and maintain one or more offices.
- 83 34 h. Borrow, accept, hire, or contract for services of  
83 35 personnel.
- 84 1 i. Purchase and maintain insurance and bonds.
- 84 2 j. Employ an executive director who shall have such  
84 3 powers to employ, select, or appoint employees, agents, or  
84 4 consultants, and to determine their qualifications, define  
84 5 their duties, and fix their compensation.
- 84 6 k. Establish personnel policies and programs relating  
84 7 to conflicts of interest, rates of compensation, and  
84 8 qualifications of personnel.
- 84 9 l. Accept donations and grants of money, equipment,  
84 10 supplies, materials, and services, and to receive, utilize, and  
84 11 dispose of the same in a manner consistent with the conflict of  
84 12 interest policies established by the interstate commission.
- 84 13 m. Lease, purchase, accept contributions or donations of, or  
84 14 otherwise to own, hold, improve, or use, any property, real,  
84 15 personal, or mixed.
- 84 16 n. Sell, convey, mortgage, pledge, lease, exchange, abandon,  
84 17 or otherwise dispose of any property, real, personal, or mixed.
- 84 18 o. Establish a budget and make expenditures.
- 84 19 p. Adopt a seal and bylaws governing the management and  
84 20 operation of the interstate commission.
- 84 21 q. Report annually to the legislatures and governors of  
84 22 the member states concerning the activities of the interstate  
84 23 commission during the preceding year. Such reports shall also  
84 24 include reports of financial audits and any recommendations  
84 25 that may have been adopted by the interstate commission.
- 84 26 r. Coordinate education, training, and public awareness  
84 27 regarding the compact, its implementation, and its operation.

84 28 s. Maintain records in accordance with the bylaws.  
84 29 t. Seek and obtain trademarks, copyrights, and patents.  
84 30 u. Perform such functions as may be necessary or appropriate  
84 31 to achieve the purposes of the compact.  
84 32 13. FINANCE POWERS.  
84 33 a. The interstate commission may levy on and collect an  
84 34 annual assessment from each member state to cover the cost of  
84 35 the operations and activities of the interstate commission and  
85 1 its staff. The total assessment must be sufficient to cover  
85 2 the annual budget approved each year for which revenue is not  
85 3 provided by other sources. The aggregate annual assessment  
85 4 amount shall be allocated upon a formula to be determined  
85 5 by the interstate commission, which shall promulgate a rule  
85 6 binding upon all member states.  
85 7 b. The interstate commission shall not incur obligations of  
85 8 any kind prior to securing the funds adequate to meet the same.  
85 9 c. The interstate commission shall not pledge the credit of  
85 10 any of the member states, except by, and with the authority of,  
85 11 the member state.  
85 12 d. The interstate commission shall be subject to a yearly  
85 13 financial audit conducted by a certified or licensed public  
85 14 accountant and the report of the audit shall be included in the  
85 15 annual report of the interstate commission.  
85 16 14. ORGANIZATION AND OPERATION OF THE INTERSTATE COMMISSION.  
85 17 a. The interstate commission shall, by a majority of  
85 18 commissioners present and voting, adopt bylaws to govern its  
85 19 conduct as may be necessary or appropriate to carry out the  
85 20 purposes of the compact within twelve months of the first  
85 21 interstate commission meeting.  
85 22 b. The interstate commission shall elect or appoint annually  
85 23 from among its commissioners a chairperson, a vice chairperson,  
85 24 and a treasurer, each of whom shall have such authority and  
85 25 duties as may be specified in the bylaws. The chairperson,  
85 26 or in the chairperson's absence or disability, the vice  
85 27 chairperson, shall preside at all meetings of the interstate  
85 28 commission.  
85 29 c. Officers selected in paragraph "b" shall serve without  
85 30 remuneration from the interstate commission.  
85 31 d. The officers and employees of the interstate commission  
85 32 shall be immune from suit and liability, either personally or  
85 33 in their official capacity, for a claim for damage to or loss  
85 34 of property or personal injury or other civil liability caused  
85 35 or arising out of, or relating to, an actual or alleged act,  
86 1 error, or omission that occurred, or that such person had a  
86 2 reasonable basis for believing occurred, within the scope of  
86 3 interstate commission employment, duties, or responsibilities,  
86 4 provided that such person shall not be protected from suit or  
86 5 liability for damage, loss, injury, or liability caused by the

86 6 intentional or willful and wanton misconduct of such person.  
86 7 (1) The liability of the executive director and employees of  
86 8 the interstate commission or representatives of the interstate  
86 9 commission, acting within the scope of such person's employment  
86 10 or duties for acts, errors, or omissions occurring within such  
86 11 person's state, may not exceed the limits of liability set  
86 12 forth under the constitution and laws of that state for state  
86 13 officials, employees, and agents. The interstate commission  
86 14 is considered to be an instrumentality of the states for  
86 15 the purposes of any such action. Nothing in this paragraph  
86 16 "d" shall be construed to protect such person from suit or  
86 17 liability for damage, loss, injury, or liability caused by the  
86 18 intentional or willful and wanton misconduct of such person.  
86 19 (2) The interstate commission shall defend the executive  
86 20 director, its employees, and subject to the approval of  
86 21 the attorney general or other appropriate legal counsel of  
86 22 the member state represented by an interstate commission  
86 23 representative, shall defend such interstate commission  
86 24 representative in any civil action seeking to impose liability  
86 25 arising out of an actual or alleged act, error, or omission  
86 26 that occurred within the scope of interstate commission  
86 27 employment, duties, or responsibilities, or that the defendant  
86 28 had a reasonable basis for believing occurred within the  
86 29 scope of interstate commission employment, duties, or  
86 30 responsibilities, provided that the actual or alleged act,  
86 31 error, or omission did not result from intentional or willful  
86 32 and wanton misconduct on the part of such person.  
86 33 (3) To the extent not covered by the state involved, member  
86 34 state, or the interstate commission, the representatives or  
86 35 employees of the interstate commission shall be held harmless  
87 1 in the amount of a settlement or judgment, including attorney  
87 2 fees and costs, obtained against such persons arising out of  
87 3 an actual or alleged act, error, or omission that occurred  
87 4 within the scope of interstate commission employment, duties,  
87 5 or responsibilities, or that such persons had a reasonable  
87 6 basis for believing occurred within the scope of interstate  
87 7 commission employment, duties, or responsibilities, provided  
87 8 that the actual or alleged act, error, or omission did not  
87 9 result from intentional or willful and wanton misconduct on the  
87 10 part of such persons.  
87 11 15. RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION.  
87 12 a. The interstate commission shall promulgate reasonable  
87 13 rules in order to effectively and efficiently achieve the  
87 14 purposes of the compact. Notwithstanding the foregoing, in  
87 15 the event the interstate commission exercises its rulemaking  
87 16 authority in a manner that is beyond the scope of the purposes  
87 17 of the compact, or the powers granted hereunder, then such an  
87 18 action by the interstate commission shall be invalid and have

87 19 no force or effect.  
87 20 b. Rules deemed appropriate for the operations of the  
87 21 interstate commission shall be made pursuant to a rulemaking  
87 22 process that substantially conforms to the model state  
87 23 administrative procedure Act of 2010, and subsequent amendments  
87 24 thereto.  
87 25 c. Not later than thirty days after a rule is promulgated,  
87 26 any person may file a petition for judicial review of the  
87 27 rule in the United States district court for the District  
87 28 of Columbia or the federal district where the interstate  
87 29 commission has its principal offices, provided that the filing  
87 30 of such a petition shall not stay or otherwise prevent the  
87 31 rule from becoming effective unless the court finds that the  
87 32 petitioner has a substantial likelihood of success. The  
87 33 court shall give deference to the actions of the interstate  
87 34 commission consistent with applicable law and shall not find  
87 35 the rule to be unlawful if the rule represents a reasonable  
88 1 exercise of the authority granted to the interstate commission.  
88 2 16. OVERSIGHT OF INTERSTATE COMPACT.  
88 3 a. The executive, legislative, and judicial branches  
88 4 of state government in each member state shall enforce the  
88 5 compact and shall take all actions necessary and appropriate to  
88 6 effectuate the compact's purposes and intent. The provisions  
88 7 of the compact and the rules promulgated hereunder shall have  
88 8 standing as statutory law but shall not override existing state  
88 9 authority to regulate the practice of medicine.  
88 10 b. All courts shall take judicial notice of the compact and  
88 11 the rules in any judicial or administrative proceeding in a  
88 12 member state pertaining to the subject matter of the compact  
88 13 which may affect the powers, responsibilities, or actions of  
88 14 the interstate commission.  
88 15 c. The interstate commission shall be entitled to receive  
88 16 all service of process in any such proceeding, and shall have  
88 17 standing to intervene in the proceeding for all purposes.  
88 18 Failure to provide service of process to the interstate  
88 19 commission shall render a judgment or order void as to the  
88 20 interstate commission, the compact, or promulgated rules.  
88 21 17. ENFORCEMENT OF INTERSTATE COMPACT.  
88 22 a. The interstate commission, in the reasonable exercise of  
88 23 its discretion, shall enforce the provisions and rules of the  
88 24 compact.  
88 25 b. The interstate commission may, by majority vote of  
88 26 the commissioners, initiate legal action in the United  
88 27 States district court for the District of Columbia, or, at  
88 28 the discretion of the interstate commission, in the federal  
88 29 district where the interstate commission has its principal  
88 30 offices, to enforce compliance with the provisions of the  
88 31 compact, and its promulgated rules and bylaws, against a

88 32 member state in default. The relief sought may include  
88 33 both injunctive relief and damages. In the event judicial  
88 34 enforcement is necessary, the prevailing party shall be awarded  
88 35 all costs of such litigation including reasonable attorney  
89 1 fees.

89 2 c. The remedies herein shall not be the exclusive remedies  
89 3 of the interstate commission. The interstate commission may  
89 4 avail itself of any other remedies available under state law or  
89 5 the regulation of a profession.

89 6 18. DEFAULT PROCEDURES.

89 7 a. The grounds for default include but are not limited  
89 8 to failure of a member state to perform such obligations or  
89 9 responsibilities imposed upon it by the compact, or the rules  
89 10 and bylaws of the interstate commission promulgated under the  
89 11 compact.

89 12 b. If the interstate commission determines that a member  
89 13 state has defaulted in the performance of its obligations  
89 14 or responsibilities under the compact, or the bylaws or  
89 15 promulgated rules, the interstate commission shall do the  
89 16 following:

89 17 (1) Provide written notice to the defaulting state and other  
89 18 member states of the nature of the default, the means of curing  
89 19 the default, and any action taken by the interstate commission.  
89 20 The interstate commission shall specify the conditions by which  
89 21 the defaulting state must cure its default.

89 22 (2) Provide remedial training and specific technical  
89 23 assistance regarding the default.

89 24 c. If the defaulting state fails to cure the default, the  
89 25 defaulting state shall be terminated from the compact upon an  
89 26 affirmative vote of a majority of the commissioners and all  
89 27 rights, privileges, and benefits conferred by the compact shall  
89 28 terminate on the effective date of termination. A cure of the  
89 29 default does not relieve the offending state of obligations or  
89 30 liabilities incurred during the period of the default.

89 31 d. Termination of membership in the compact shall be imposed  
89 32 only after all other means of securing compliance have been  
89 33 exhausted. Notice of intent to terminate shall be given by  
89 34 the interstate commission to the governor, the majority and  
89 35 minority leaders of the defaulting state's legislature, and  
90 1 each of the member states.
