

ECONOMIC DEVELOPMENT AUTHORITY[261]

Adopted and Filed

Pursuant to the authority of 2011 Iowa Acts, House File 590, section 7, the Economic Development Authority hereby adopts Chapter 115, “Tax Credits for Investments in Qualifying Businesses and Community-Based Seed Capital Funds,” and Chapter 116, “Tax Credits for Investments in Certified Innovation Funds,” Iowa Administrative Code.

Chapter 115 incorporates changes to Iowa Code provisions that provide tax credits for investments in qualifying businesses and community-based seed capital funds. Previously, these credits were administered by the Iowa Capital Investment Board. The Legislature, in 2011 Iowa Acts, Senate File 517, transferred the administration of these credits to the Authority and authorized the Authority to allocate \$2 million in tax credits from the Authority’s maximum aggregate tax credit limit in Iowa Code section 15.119 for these tax credits.

Chapter 116 provides rules for the administration of innovation fund investment tax credits. These credits were created by the Legislature in 2011 Iowa Acts, Senate File 517, and the Authority was authorized to allocate \$8 million of the maximum aggregate tax credit limit in Iowa Code section 15.119 for purposes of the credits.

The rules are intended to work in conjunction with the Department of Revenue’s Adopted and Filed rules published in the Iowa Administrative Bulletin on January 11, 2012, as **ARC 9966B**.

Notice of Intended Action was published in the Iowa Administrative Bulletin on November 16, 2011, as **ARC 9845B**. The Authority held a public hearing on December 6, 2011, to receive comments on these rules. Representatives from the Technology Association of Iowa commented on the equity investment requirements and the application deadlines for the program. Additionally, written comments were received from members of the Iowa Taxpayers Association, the Iowa Innovation Corporation, and others. In response, the Authority has revised the rules for Chapters 115 and 116 to include definitions of “equity.” The Authority has also removed the requirement in subrule 116.3(3) that an innovation fund reinvest profits to fund further investments. In addition, the Authority has changed the word “may” to “will” in the portion of subrules 115.6(4) and 116.5(2) governing the carrying forward of tax credits in excess of the annual aggregate limitation. Finally, the deadlines for the application process in Chapter 115 have been changed.

The Economic Development Authority Board adopted these rules on January 20, 2012.

After analysis and review of this rule making, no adverse impact on jobs has been found. This rule making implements economic development policy in the state by means of a collaboration between government and the private sector. The collaboration allows the Economic Development Authority and the Iowa Innovation Corporation to further economic development policy. This rule making allows Iowa to create a business environment which is competitive with other states in order to ensure job growth and retention.

The rules will become effective on March 14, 2012.

These rules are intended to implement Iowa Code chapter 15E, division V, and 2011 Iowa Acts, Senate File 517.

The following rules are adopted.

ITEM 1. Adopt the following **new** 261—Chapter 115:

Each year, an investor, and all affiliates of that investor, shall not claim tax credits under this rule for more than five different investments in five different qualifying businesses.

c. An investor in a community-based seed capital fund shall receive a tax credit pursuant to this rule only for the investor's investment in the community-based seed capital fund and shall not receive any additional tax credit for the investor's share of investments in a qualifying business made by the community-based seed capital fund or in an Iowa-based seed capital fund which has at least 40 percent of its committed capital subscribed by community-based seed capital funds. However, an investor in a community-based seed capital fund may receive a tax credit under this rule with respect to a separate direct investment made by the investor in the same qualifying business in which the community-based seed capital fund invests.

115.1(5) *Claiming an investment tax credit.* A taxpayer that makes an investment in a qualifying business or community-based seed capital fund and that otherwise meets the requirements of this chapter will receive a board-approved tax credit certificate from the authority. If the authority verifies that the business is a qualifying business, the authority shall register the qualifying business on a registry of such qualifying businesses. The authority shall maintain the registry and use it to authorize the issuance of further investment tax credits to taxpayers who make equity investments in qualifying businesses registered with the authority. The authority shall issue written notification to the qualifying business and the applicant that such business has been registered as a qualifying business with the authority for the purpose of issuing investment tax credits but that such registration is subject to removal and rescission under rule 261—115.9(84GA,SF517) for any failure of the business to continuously satisfy the requirements necessary for verification and registration as a qualifying business.

The statement shall also contain a commitment by the fund to amend its statement as may be necessary from time to time to reflect new

equity interests or transfers in equity among current equity holders or as any other information on the list may change.

b. Upon the authority's receipt of the information and documentation necessary to demonstrate a community-based seed capital fund's satisfaction of the criteria set forth herein, the board shall, within a reasonable period of time, determine whether a fund is a community-based seed capital fund. If the authority verifies that the fund is a community-based seed capital fund, the authority shall register the community-based seed capital fund on a registry of such community-based seed capital funds. The authority shall maintain the registry and use it to authorize the issuance of further investment tax credits to taxpayers that make equity investments in the community-based seed capital funds registered with the authority. 115.6(1) *Approval by the board.* Upon verification and registration by the authority of a qualifying business or community-based seed capital fund and approval of the taxpayer's application, the board will approve the issuance of a tax credit certificate to the taxpayer applying for the tax credit.

115.6(2) *Issuance by the authority.* Upon approval by the board, the authority shall issue a tax credit certificate to the applicant, provided, however, that such tax credit certificate shall be subject to rescission pursuant to rule 261—115.9(84GA,SF517).

115.6(3) *Preparation of certificate.* The tax credit certificate shall be prepared by the authority in a form approved by the board and shall contain the taxpayer's name, address, and tax identification number, the amount of credit, the name of the qualifying business or community-based seed capital fund, the year in which the credit may be redeemed and any other information that may be required by the department of revenue. In addition, the tax credit certificate shall contain the following statement:

Neither the authority nor the board has recommended or approved this investment or passed on the merits or risks of such investment. Investors should rely solely on their own investigation and analysis and seek investment, financial, legal and tax advice before making their own decision regarding investment in this enterprise.

115.6(4) *Maximum aggregate limitation.* The aggregate amount of tax credits issued pursuant to this chapter shall not exceed the amount allocated by the board pursuant to Iowa Code section 15.119, subsection 2. For fiscal year 2012 and all subsequent fiscal years, that amount is \$2 million.

If, during any fiscal year during which tax credits are to be issued under this chapter, applications totaling more than the maximum aggregate amount are received and approved, the applications will be carried forward and prioritized to receive tax credit certificates on a first-come, first-served basis in subsequent fiscal years.

When carrying forward and prioritizing such applications, the authority shall (1) issue tax credit certificates to the taxpayers for such carryover tax credits before issuing any new tax credits to later applicants, and (2) apply the aggregate amount of the credits carried over against the total amount of tax credits to be issued during the subsequent fiscal year before approving or issuing additional tax credits.

261—115.7(84GA,SF517) Claiming the tax credits. To claim a tax credit under this chapter, a taxpayer must attach to that taxpayer's tax return a certificate issued pursuant to this chapter when the return is filed with the department of revenue. For more information on claiming tax credits, see department of revenue rule 701—42.22(15E,422).

261—115.8(84GA,SF517) Notification to the department of revenue. Upon the issuance and distribution of investment tax credits for a tax year, the authority shall promptly notify the department of revenue by providing copies of the tax credit certificates issued for such tax year to the department of

revenue. Such notification shall also include, but not be limited to, the aggregate number and amount of tax credits issued for the tax year.

261—115.9(84GA,SF517) Rescinding tax credits.

115.9(1) Rescission of credits for investments in qualifying businesses.

a. Within 24 months from the first date on which the equity investments qualifying for investment tax credits have been made, a qualifying business shall provide to the authority information and documentation sufficient to demonstrate that the business has secured total equity or near equity financing equal to at least \$250,000. Examples of sufficient information and documentation include, but are not limited to, the following:

(1) Corporate, partnership or limited liability company-certified resolutions setting forth the names of individuals or entities making capital contributions and the amounts of such capital contributions;

(2) Certified corporate, partnership, or limited liability company minutes reflecting the names of individuals or entities making capital contributions and the amounts of such capital contributions.

b. On or by the last day of the 24-month period described in paragraph 115.9(1)“*a*,” a qualifying business shall certify to the authority, by a statement signed by an officer, director, member, manager, or general partner of the qualifying business, that it has secured the requisite amount of equity financing required by this rule within the time period prescribed in paragraph 115.9(1)“*a*” and shall recertify to the authority that the qualifying business continues to meet the requirements set forth in subrule 115.5(1).

c. In the event that a qualifying business fails to meet or maintain any requirement set forth in this rule, including, without limitation, timely filing of the certifications described in paragraph 115.9(1)“*b*,” the authority, upon action by the board, shall rescind any tax credit certificates issued to those taxpayers and shall notify the department of revenue that it has done so. A tax credit certificate that has been rescinded by the authority shall be null and void, and the department of revenue will not accept the tax credit certificate. In addition, the authority shall remove the qualifying business from the registry and shall issue written notification of such removal to the qualifying business and the applicants.

115.9(2) Rescission of credits for investments in community-based seed capital funds.

a. A community-based seed capital fund shall have invested at least 33 percent of its invested capital in one or more separate qualifying businesses on or by the last day of the 48-month period that commences with the fund’s investing activities.

b. On or by the last day of the 48-month period described in paragraph 115.9(2)“*a*,” a community-based seed capital fund shall certify to the board, by a statement signed by an officer, director, member, manager, or general partner of the community-based seed capital fund, that it has met the requirements of this rule within the time period prescribed by this subrule and shall recertify to the board that the community-based seed capital fund continues to meet the requirements set forth in subrule 115.5(2).

c. In the event that a community-based seed capital fund fails to meet or maintain any requirement set forth in this subrule, including, without limitation, timely filing of the certifications described in paragraph 115.9(2)“*b*,” the authority, upon action of the board, shall rescind any tax credit certificates issued to limited partners or members and shall notify the department of revenue that it has done so. A tax credit certificate that has been rescinded by the authority shall be null and void, and the department of revenue will not accept the tax credit certificate. In addition, the authority shall remove such community-based seed capital fund from the registry and shall issue written notification of such removal to the community-based seed capital fund and the applicants.

d. Notwithstanding paragraphs 115.9(2)“*a*” to “*c*,” a community-based seed capital fund may apply to the authority for a one-year waiver from the requirements of this rule. The authority shall, upon review of a community-based seed capital fund’s application for waiver, exercise reasonable discretion in granting or denying such waiver. In the event that the authority grants to a community-based seed capital fund a one-year waiver from the requirements of this rule, the authority shall defer any rescission of the tax credit certificates until the expiration of such one-year waiver period. If the community-based seed capital fund meets the requirements of this rule by the expiration of such one-year waiver period,

the tax credit certificates shall not be rescinded. However, the tax credit certificates shall be rescinded at the end of such one-year waiver period if such requirements have not been met.

261—115.10(84GA,SF517) Additional information. The authority may at any time request additional information and documentation from a qualifying business or community-based seed capital fund regarding the operations, job creation and economic impact of such qualifying business or community-based seed capital fund, and the authority may use such information in preparing and publishing any reports to be provided to the governor and the general assembly.

These rules are intended to implement Iowa Code chapter 15E, division V, and 2011 Iowa Acts, Senate File 517.

116.5(1) *Approval and issuance.* Upon verification and registration by the authority of an innovation fund, the authority, upon approval by the board, shall issue a tax credit certificate to the applicant. Applicants shall receive tax credit certificates on a first-come, first-served basis until the maximum aggregate amount of credits authorized for issuance has been reached for any fiscal year.

116.5(2) *Carry forward.* If, during any fiscal year during which tax credits are to be issued under this chapter, applications totaling more than the maximum aggregate amount are received and approved,

In addition, the tax credit certificate shall contain the following statement:

Neither the authority nor the board has recommended or approved this investment or passed on the merits or risks of such investment. Investors should rely solely on their own investigation and analysis and seek investment, financial, legal and tax advice before making their own decision regarding investment in this enterprise.

116.5(4) *Credit amount.* A tax credit for investment in an innovation fund is equal to 20 percent of the taxpayer's equity investment in the fund.

116.5(5) *Maximum aggregate limitation.* The maximum aggregate amount of tax credits issued pursuant to this chapter shall not exceed the amount allocated by the board pursuant to Iowa Code section 15.119, subsection 2. 261—116.8(84GA,SF517) *Additional information.* The authority may at any time request additional information and documentation from an innovation fund regarding the operations, job creation and economic impact of the fund, and the authority may use such information in preparing and publishing any reports to be provided to the governor and the general assembly.
