UNIFORM WAIVER RULES

801—1.7(17A,35D) Uniform waiver rule.

1.7(1) To the extent a waiver is consistent with applicable statute, constitutional provision, or other provision of law, the commission or commandant, as applicable, may issue an order, in response to the timely filing of a completed petition, granting a waiver, in whole or in part, from the requirements of a rule under the jurisdiction of said commission or department, as applicable, as applied to the circumstances of a specified person, if the commission or commandant, as applicable, finds clear and convincing evidence of all four factors set out in Iowa Code section 17A.9A(2). The decision on whether the circumstances justify the granting of a waiver is made at the discretion of the chairperson or the commandant, as applicable, based on the unique, individual circumstances set out in the petition and upon consideration of all relevant factors.

1.7(2) A waiver, if granted, is drafted by the commission to provide the narrowest exception possible to the provisions of the rule. The commission may place any condition on a waiver that the commission finds desirable to protect the public health, safety and welfare. A waiver may not be permanent unless the petitioner shows that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the agency, a waiver may be renewed if the agency finds that all of the factors set out in 801—subrule 4.14(1) remain valid.

1.7(3) The burden of persuasion rests with the person who petitions the commission for the waiver of a rule.

1.7(4) This uniform waiver rule does not preclude the commission from granting waivers in other contexts or on the basis of other standards if the statute or other rules authorize it to do so and the commission deems it appropriate to do so.

801—1.8(17A,35D) Procedures for granting waivers.

1.8(1) Any person may file a petition requesting a waiver, in whole or in part, of a commission or department rule on the grounds that the application of the rule to the particular circumstances of that

person justifies a waiver under this uniform waiver rule. The chairperson or commandant, as applicable, receives written petitions.

1.8(2) A petition for a waiver shall include the following information where applicable and known to the person requesting the waiver:

a. The name, address, and case number or state identification number of the entity or person for whom a waiver is requested.

b. A description and citation of the specific rule from which a waiver is requested.

c. The specific waiver requested, including the precise scope and operative period that the waiver will extend.

d. The relevant facts that the petitioner believes would justify a waiver with a signature from the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver.

e. A history of the commission's action relative to the petitioner.

f. Any information regarding the commission's treatment of similar cases, if known.

g. The name, address, and telephone number of any person inside or outside state government who would be adversely affected by the granting of the petition or who otherwise possesses knowledge of the matter with respect to the waiver request.

h. Signed releases of information authorizing persons with knowledge regarding the request to furnish the commission with information pertaining to the waiver.

1.8(3) Petitions under this rule will comply with the form, filing, timing, and content requirements of Iowa Code chapter 17A.

1.8(4) The commission or commandant, as applicable, shall acknowledge a petition upon receipt. The petitioner shall serve notice on all persons to whom notice is required by any provision of law and provide a written statement to the commission attesting that notice has been served.

1.8(5) Prior to issuing an order granting or denying a waiver request, the commission or commandant, as applicable, may request additional information from the petitioner relative to the application and surrounding circumstances.

1.8(6) An order granting or denying a request for waiver will be in writing and contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which that action is based, and a description of the precise scope and operative period of the waiver if one is issued. A waiver shall be granted or denied for all or a portion of a rule as soon as practicable but, in any event, within 120 days of its receipt unless the petitioner agrees to a later date. However, if a waiver petition has been filed in a contested case proceeding, the agency shall grant or deny the petition no later than the time at which the final decision in that contested case is issued. Failure of the commission or commandant, as applicable, to grant or deny such a petition within the required time period constitutes a denial of that petition.

1.8(7) Within seven days of its issuance, any order issued under the uniform waiver rule shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of law.

1.8(8) Subject to the provisions of Iowa Code section 17A.3(1)"a," the commission and commandant, as applicable, shall maintain a record of all orders granting and denying requests for waivers under this uniform waiver rule. The records shall be indexed by rule and available for public inspection.

1.8(9) Within 60 days of granting or denying a waiver, the commission or commandant, as applicable, shall make a submission on the Internet site established pursuant to Iowa Code section 17A.9A for the submission of waiver information. The submission shall identify the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the commission's actions on the waiver requests and, to the extent practicable, detailing the extent to which the granting of a waiver has affected the general applicability of the rule itself and established a precedent for additional waivers.

1.8(10) The provisions of rules 801—1.7(17A,35D) and this rule do not apply to rules that define the meaning of a statute or other provisions of law or precedent if the commission does not possess delegated authority to bind the courts to any extent with its definition and do not authorize the commission to waive any requirement created or duty imposed by statute.

1.8(11) After the commission issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is invoked.

These rules are intended to implement Iowa Code sections 17A.4 and 17A.9A and chapter 35D and Executive Order 11.

FINAL AGENCY ACTION

801—1.9(17A,35,35A) Final agency action. Except as otherwise provided by law or by rule, and to the extent consistent with due process, any decision of the commission or the department affecting the rights, privileges, or entitlements of any person as provided in 801—Chapters 1 through 17 constitutes final agency action. Any person aggrieved by such final agency action may pursue judicial review pursuant to Iowa Code section 17A.19.

These rules are intended to implement Iowa Code chapters 35 and 35A and sections 35B.6, 35B.11, 35D.1, and 35D.17.
