Rulemaking related to autism support program

The Department of Health and Human Services hereby rescinds Chapter 22, “Autism Support Program,” Iowa Administrative Code, and adopts a new Chapter 22 with the same title.

Legal Authority for Rulemaking

This rulemaking is adopted under the authority provided in Iowa Code section 225D.2.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code chapter 225D.

Purpose and Summary

These rules provide definitions, provider qualifications, and appeal procedures related to the Autism Support Program created in Iowa Code chapter 225D. The purpose of the Autism Support Program is to provide funding for applied behavior analysis services and care coordination for children with a diagnosis of autism who meet certain financial and clinical eligibility criteria.

This chapter underwent a Red Tape Review pursuant to Executive Order 10. As a result of the Department’s review, the Department removed restrictive terms, removed references to a program that is sunseting, referred definitions back to the applicable Iowa Code section, and removed redundant language.

Public Comment and Changes to Rulemaking

Notice of Intended Action for this rulemaking was published in the Iowa Administrative Bulletin on March 18, 2026, as **ARC 0128D**. Public hearings were held on the following date:

- April 7, 2026

Public comments were received from the Iowa Association of Behavior Analysts regarding the certification and licensure requirements listed in the rules.

Changes from the Notice have been made. As a result of public comment, the Department has updated the certification and licensure language to reflect current Iowa law. In addition, the Department has clarified that the proper service term is “applied behavior analysis,” as opposed to “applied behavioral analysis” as currently stated in the rules.

Adoption of Rulemaking

This rulemaking was adopted by the Department on April 22, 2026.

Fiscal Impact

This rulemaking has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rulemaking, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rulemaking would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 441—Chapter 6.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rulemaking by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rulemaking at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rulemaking will become effective on July 1, 2026.

The following rulemaking action is adopted:

ITEM 1. Rescind 441—Chapter 22 and adopt the following **new** chapter in lieu thereof:

22.2(10) The department will stop processing applications at the point where available funds are fully obligated for eligible individuals and additional eligible individuals would cause expenditures in

22.6(3) The department is responsible for calculating the cost-sharing amount according to standards established in this chapter.

22.6(4) The autism service provider is responsible for collecting the cost-sharing amount from the eligible individual and will only be reimbursed by the administrator for the balance of the service fee minus the amount of cost sharing.
