The proposed amendments in Items 3 and 4 of **ARC 0159C** had not yet been voted on by the Board. After analysis and review of this rule making, no adverse impact on jobs has been found. Although there should be no impact on jobs, the Board will continue to work with stakeholders to minimize any negative impact and maximize any positive impact toward jobs.

These amendments are intended to implement Iowa Code section 542B.2.

The following amendments are proposed.

ITEM 1. Amend subparagraph **8.2(6)“a”(4)** as follows:

(4) Licensees shall not solicit or accept an engineering or land surveying contract from a governmental body when a principal or officer of ~~the~~ the licensee’s organization serves as an elected, appointed, voting or nonvoting member of that governmental body.

ITEM 2. Adopt the following **new** subparagraph **8.2(6)“a”(7)**:

(7) When a licensee’s organization or a principal, officer, other member, or employee of the licensee’s organization has review authority over the engineering or land surveying projects performed by private contractors within the jurisdiction of a governmental body, the licensee shall not solicit or accept a private engineering or land surveying contract that falls under the review services performed for that governmental body. The purpose of this paragraph is to avoid a circumstance in which a licensee may be called upon to review on behalf of a governmental body the engineering or land surveying services performed by the licensee’s own organization.
