

**REGENTS BOARD[681]**

**Adopted and Filed**

**Rulemaking related to traffic and parking at universities**

The Board of Regents hereby rescinds Chapter 4, “Traffic and Parking at Universities,” Iowa Administrative Code, and adopts a new Chapter 4 with the same title.

*Legal Authority for Rulemaking*

This rulemaking is adopted under the authority provided in Iowa Code section 262.69.

*State or Federal Law Implemented*

This rulemaking implements, in whole or in part, Iowa Code chapter 262.

*Purpose and Summary*

Iowa Code section 262.69 allows the Board to adopt rules to provide for the policing, control and regulation of traffic and parking of vehicles and bicycles on the property of the University of Iowa, Iowa State University and the University of Northern Iowa. The Regent universities serve approximately 71,914 students, employ approximately 37,076 faculty and staff and receive numerous visitors in a given day. The systems of traffic and parking regulations ensure the campus traffic infrastructure operates in a safe and efficient manner.

In 2021, the Board conducted a comprehensive review of its administrative rules to eliminate outdated rules and those that were no longer required by statute. During this process, the Board consolidated three separate university systems and subchapters governing traffic and parking into a single Regents-wide system contained in Chapter 4. This effort resulted in a word count reduction of 5,086. In response to Executive Order 10, the Board reviewed Chapter 4 to further eliminate outdated and unnecessary language throughout the chapter.

*Public Comment and Changes to Rulemaking*

Notice of Intended Action for this rulemaking was published in the Iowa Administrative Bulletin on April 1, 2026, as **ARC 0161D**. A public hearing was held on the following date(s):

- April 28, 2026
- April 30, 2026

No one attended the public hearings. No public comments were received. No changes from the Notice have been made.

*Adoption of Rulemaking*

This rulemaking was adopted by the Board on June 16, 2026.

*Fiscal Impact*

This rulemaking has no fiscal impact to the State of Iowa.

*Jobs Impact*

After analysis and review of this rulemaking, no impact on jobs has been found.

*Waivers*

Any person who believes that the application of the discretionary provisions of this rulemaking would result in hardship or injustice to that person may petition the Board for a waiver of the discretionary provisions, if any, pursuant to 7—Chapter 2504.

*Review by Administrative Rules Review Committee*

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rulemaking by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rulemaking at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

*Effective Date*

This rulemaking will become effective on August 12, 2026.

The following rulemaking action is adopted:

ITEM 1. Rescind 681—Chapter 4 and adopt the following **new** chapter in lieu thereof:

Bicycles shall be parked only in bicycle racks or other facilities designated for bicycle parking. Bicycles may not be taken inside university buildings except as approved by the appointed authority. Locking devices on improperly or illegally parked and abandoned bicycles may be cut and removed when necessary.

**4.5(9) Abandoned bicycles.** Bicycles considered abandoned may be labeled for impending impoundment by placing impoundment tags on the bicycles. If the bicycles display the proper registration decals, an attempt will be made to contact the owners to remove the bicycles. If the bicycles do not display the proper registration decals, the owners have two weeks to contact the parking and transportation office from the time the bicycles are tagged until the bicycles may be impounded.

**681—4.6(262) Parking privileges.** Students, employees, and visitors may be granted parking privileges on the campus in accordance with these rules and upon such other reasonable terms and conditions as may be established by the university.

**4.6(1) Students.** Students may be granted parking privileges in parking facilities designated for student use. Optional plans and facilities may be offered as determined by the appointed authority. Reasonable classifications may be established on the basis of a student's age, class, college or department, course load, proximity of the student's residence to the campus, disability, employment, the availability of facilities, or any other relevant criterion to determine the eligibility of students for parking privileges or any optional plan or facility.

**4.6(2) *Employees.*** Nonstudent employees may be granted parking privileges in parking facilities designated for employee use. Optional plans and facilities may be offered as determined by the appointed authority. Reasonable classifications may be established on the basis of an employee's job classification, length of service, place of work or the nature thereof, or disability; the availability of facilities; or any other relevant criterion to determine the priority of employees for assignment of parking privileges or any optional plan or facility.

**4.6(3) *Visitors.*** Visitors may be granted parking privileges in parking facilities designated for visitor parking. Optional plans and facilities may be offered as determined by the appointed authority. Reasonable classifications may be established on the basis of the time, duration or purpose of the visit; disability; the availability of facilities; or any other relevant criterion to determine the eligibility of visitors for parking privileges or any optional plan or facility.

**4.6(4) *Persons with disabilities.*** Persons with disabilities will be granted parking privileges in parking facilities designated for use by persons with disabilities.

**4.6(5) *Procedure.*** Applications for parking privileges shall be submitted to the appointed authority in the manner the appointed authority prescribes. No student shall apply for parking privileges for any vehicle owned or maintained by another student. The appointed authority shall determine the eligibility and priority of each applicant for parking privileges within the classifications established in subrules 4.6(1), 4.6(2) and 4.6(3) and shall make all parking assignments. A parking permit or other means of identification may be issued to each applicant who is granted parking privileges, and such permit or other identification must be displayed on the vehicle in the manner prescribed by the appointed authority. Parking permits are not transferable. Parking privileges shall not be granted to a student and to an employee or visitor for the same vehicle, and a student parking permit and an employee or visitor parking permit shall not be displayed on the same vehicle. The unauthorized possession, use, alteration, forging or counterfeiting of a parking permit, or any portion thereof, is prohibited. The appointed authority shall adopt a procedure to replace lost, stolen and destroyed parking permits and controlled access entry cards.

**4.6(6) *Parking fees.*** The university may assess and collect from students, employees, and visitors reasonable fees or charges for parking privileges and the use of parking facilities. The amount of such fees and charges shall be established by the university and approved by the state board of regents, and a schedule of all parking fees and charges shall be published and available for inspection during normal business hours in the office of the appointed authority and in the office of the state board of regents. Parking fees and charges may be assessed and collected on an annual, semester, monthly, daily, or hourly basis. Parking fees and charges may be added to student tuition bills and may by agreement be withheld from the salaries or wages of employees by payroll deduction. Parking fees and charges may be collected by means of parking meters, toll houses, and mobile parking applications. Use of any parking facility constitutes an implied agreement to pay the prescribed fee or charge therefor.

**4.6(7) *University business.*** Special parking privileges may be granted for vehicles being used on official university business on the conditions and in the manner prescribed by the appointed authority.

**4.6(8) *Responsibility.*** Any person who maintains, owns or operates a vehicle that is parked on the campus or in whose name the vehicle is registered or to whom parking privileges have been granted is responsible for the proper parking of the vehicle at all times when it is on the campus and for all parking violations involving the vehicle.

**4.6(9) *Liability.*** Parking privileges granted hereunder constitute a license to use university parking facilities and do not constitute a lease of such facilities or a bailment of the vehicle by the university. Use of university parking facilities is at the owner's or applicant's risk, and the university shall not be liable or responsible for loss of or damage to any vehicle parked on the campus.

**4.6(10) *Revocation.*** Parking privileges on the campus may be revoked by the university for good cause at any time upon five days' written notice and refund of any advance payment of parking fees or charges on a pro rata basis for the revoked period.

**681—4.7(262) Violations.** Sanctions may be imposed for violation of traffic, registration and parking rules as follows.

**4.7(1) *Notice of violations.*** The university shall give written notice of all parking violations. Such notice may be given by means of a notice of parking violation placed conspicuously on the offending vehicle or provided in an alternative manner as determined by the appointed authority, and such notice shall constitute constructive notice of the violation to the owner and operator of the vehicle and to any person in whose name the vehicle is registered or parking privileges have been granted.

**4.7(2) *Sanctions.*** Reasonable monetary sanctions may be imposed upon students, employees, and visitors for violation of university traffic, vehicle registration or parking rules. The amount of such sanctions shall be established by the university and approved by the state board of regents, except sanctions established by statute will be imposed at the current statutory amount. A schedule of all sanctions for traffic violations, improper registration and parking shall be published and available for public inspection during normal business hours in the office of the appointed authority and in the office of the state board of regents. Traffic, registration, and parking sanctions may be assessed against the owner or operator of the vehicle involved in each violation or against any person in whose name the vehicle is registered or parking privileges have been granted and charged to the person's university account. Registration and parking sanctions may be added to student tuition bills or may be deducted from student deposits or from the salaries or wages of employees or from other funds in the possession of the university.

**4.7(3) *Impoundment and immobilization.*** Any vehicle parked on the campus in violation of parking rules may be impounded, removed or immobilized. The university shall give written notice of impoundment to the owner of the vehicle or to the person in whose name the vehicle is registered or parking privileges have been granted, or notice may be provided in an alternative manner as determined by the appointed authority. A reasonable fee may be charged for the cost of impoundment and storage, which fee must be paid prior to the release of the vehicle by the university or by contract with private operators. Impounded vehicles that are not claimed within 60 days will be deemed abandoned property and may be sold under procedures set forth in Iowa Code chapter 579, and the proceeds of the sale will be applied to the payment of the costs of impoundment, storage and sale. The balance, if any, shall be sent to the owner.

*a. Immobilization.* Immobilized bicycles bearing proper registration permits may be claimed by proving ownership and payment of immobilization fees and any fines. Immobilized bicycles not bearing proper registration permits may be claimed by proving ownership, registering the bicycle under a valid name and address, and paying the appropriate fines and immobilization fees. Immobilization fees for first-time offenders may be waived after immobilized bicycles have been registered. Immobilized bicycles not reclaimed after two working days may be impounded.

*b. Impoundment.* Impounded bicycles bearing proper registration permits may be claimed by proving ownership and paying the impoundment fees and any fines. Impounded bicycles not bearing proper registration permits may be claimed by proving ownership, registering the bicycles under a valid name and address, and paying the appropriate fines and impoundment fees. Impoundment fees for first-time offenders may be waived after impounded bicycles have been registered. All impounded bicycles will be held for 60 days, during which time they may be claimed by the owners upon payment of all outstanding fines and charges. After 60 days, all unclaimed impounded bicycles will be deemed abandoned property and sold pursuant to Iowa law, and the proceeds applied to the costs of impoundment, storage and sale. The balance, if any, shall be sent to the owner, if known.

**4.7(4) *Administrative hearing.*** Students and employees may request a hearing and administrative ruling concerning a controversy, based on the imposition of a sanction for a registration or parking violation, or an impoundment procedure, by the appropriate university official or hearing body as set forth in university policy. Visitors may request the appointed authority to conduct a hearing and issue an administrative ruling in such cases.

**4.7(5) *Judicial review.*** Judicial review of an administrative ruling may be sought in an Iowa district court in accordance with the terms of the Iowa administrative procedure Act.

**681—4.8(262) Administration of rules.** The president of the university shall be responsible for the proper administration of these rules. The president is authorized to establish traffic and parking procedures not inconsistent with these rules as may be reasonably necessary and convenient for the

effective administration of presidential duties hereunder, and any procedure so established shall be published and available for public inspection during normal business hours in the office of the appointed authority and in the office of the state board of regents. The president may delegate authority under these rules to the appointed authority or to any other person designated by the president to perform any function or duty hereunder.

**681—4.9(262) Effect of rules.** These rules constitute a condition of registration as a student at the university and a condition of employment as an employee of the university. Registration as a student or acceptance of employment constitutes an acceptance of these rules and an agreement to pay all prescribed fees and monetary fines imposed in accordance with these rules.

These rules are intended to implement Iowa Code section 262.69.
