

**PUBLIC HEALTH DEPARTMENT[641]**

**Adopted and Filed**

Pursuant to the authority of Iowa Code section 105.4, the Iowa Plumbing and Mechanical Systems Board hereby rescinds Chapter 36, “Plumbing and Mechanical Systems Board—Petitions for Rule Making,” Iowa Administrative Code, and adopts new Chapter 36 with the same title.

The rules in Chapter 36 describe the process that the Iowa Plumbing and Mechanical Systems Board will follow when receiving and responding to a petition for rule making. The rules do not change the process; they simply provide the Uniform Rules on Agency Procedure language for Petitions for Rule Making in its entirety, with the amendments previously adopted incorporated into the rules. The intent is to make it easier for the general public to locate the rules and understand the process.

Notice of Intended Action was published in the September 5, 2012, Iowa Administrative Bulletin as **ARC 0314C**. No comments were received. The adopted amendment is identical to the one published under Notice.

The Iowa Plumbing and Mechanical Systems Board adopted this amendment on October 16, 2012.

After analysis and review of this rule making, no impact on jobs has been found.

These rules are intended to implement Iowa Code sections 17A.7 and 105.4.

This amendment will become effective on December 19, 2012.

EDITOR’S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these rules [Ch 36] is being omitted. These rules are identical to those published under Notice as **ARC 0314C**, IAB 9/5/12.
