The letter should include, at a minimum, the name of the corps member, whether the corps member served in a full-time capacity or less than full-time capacity, the dates of service (if the corps member served in a full-time capacity) or the hours of service (if the corps member served in a less than full-time capacity), the name of the sponsor organization, and a contact person at the sponsor organization.

817—14.5(15H) Special consideration. In addition to the standards set forth in rule 817—14.3(15H), the commission may consider other factors to determine approval status to ensure that only high-quality national service corps programs are approved.

14.5(1) *On-site audits.* At the discretion of the commission, on-site audits may be conducted to determine approval.

14.5(2) *Reporting.* Programs that fail to submit required documentation are at risk of decertification and may be deemed ineligible to receive the benefits of approval, including complimentary training registration and inclusion on the commission's website.

817—14.6(15H) Decertification. A national service corps program will be decertified by the commission if it is determined that the program no longer meets the approval standards identified herein for a high-quality national service corps program if program personnel cannot be contacted by the commission, if the program fails to provide documents requested by the commission or if the program fails to complete any required Iowa national service corps annual report.

14.6(1) Written notice of the intent to revoke approval will be provided to a national service corps program when the commission determines that there is reasonable cause to believe the program does not comply with these rules. Notice will be sent at least 30 days before decertification becomes effective.

14.6(2) Decertification procedures may be initiated by the commission, by the program, or following investigation of a complaint filed by the general public. A request for an investigation from the public must be in written form and shall specify the reason(s) why the approved national service corps program no longer meets the approval standards. Supporting documentation may be attached to the request. The identity of the complainant is confidential pursuant to Iowa Code section 22.7(18).

14.6(3) Benefits and designation as an approved national service corps program will continue until the final decision is issued by the commission.

817—14.7(15H) Fraudulent practices in connection with approved national service corps programs. A person is considered to be guilty of a fraudulent practice if the person knowingly falsifies information on an application for the purpose of obtaining approval and any other potential benefits, including those offered through the commission or other state contracts and grants available only to approved national service corps programs. The commission may investigate allegations or complaints of fraudulent practices and will take action to decertify a national service corps program upon concluding that a violation has occurred. A violation under this rule is grounds for decertification of the national service corps program responsible for the violation. Decertification will be in addition to any penalty otherwise authorized.

817—14.10(15H) Program administration. State agencies or political subdivisions of the state may establish Iowa national service corps programs or contract with a third-party vendor to assist the agency or political subdivision in establishing such programs. In the case that a vendor is utilized, the program is still considered a governmental entity for the purposes of intergovernmental agreements pursuant to rule 11—118.4(8A).

817—14.11(15H) Funding priority. State agencies or political subdivisions of the state may give priority to grants or projects funded that utilize Iowa national service corps programs.
