152.2(3) *Provider charges.* A provider cannot charge department clients more than it receives for the same foster care services provided to nondepartment clients. The provider shall agree not to require any fee from department clients unless a fee is required by the department and is consistent with federal regulation and state policy.

152.2(4) *Maintenance of service records.* A provider shall maintain complete and legible records as required in this subrule.

a. For foster group care and shelter care, the provider shall establish and maintain confidential, individual service records for each client receiving foster care services. The service records must adequately support the provision of child welfare services and group care maintenance. The service record shall include, at a minimum, those items identified in rule 441—114.11(237) and 441—Chapter 105 and shall also include all of the following:

(5) Any problem areas or unusual behavior for the child.

b. For supervised apartment living, the provider shall establish and maintain confidential, individual service records for each client receiving supervised apartment living services.

c. Failure to maintain records or failure to make records available to the department or to its authorized representatives upon request may result in a notice of violation and recoupment of payments.

152.2(5) Maintenance of financial and statistical records. The provider shall maintain sufficient financial and statistical records, including program and census data, to document the validity of the reports submitted to the department. The records shall be available for review at any time during normal business hours by department personnel, the department's fiscal consultant, and state or federal audit personnel.

a. At a minimum, financial and statistical records shall include all revenue and expenses supported by a provider's general ledger and documentation on file in the provider's office. These records include, at a minimum:

- (1) Payroll information.
- (2) Capital asset schedules.

152.2(6) Cost report. Providers shall complete the Combined Cost Report Form as required by contract.

a. *Due date.* The cost report shall be submitted to the department no later than three months after the close of the provider's established fiscal year. The provider may request a one-month extension.

b. *Opinion of accountant.* The department may require that an opinion of a certified public accountant or public accountant accompany the report when adjustments made to prior reports indicate noncompliance with reporting instructions.

c. *County reimbursement for child welfare services shelter costs.* If a shelter care provider's actual and allowable costs as set forth in 441—Chapter 156 for a child's shelter care placement exceed the amount the department is authorized to pay and the provider is reimbursed by the child's county of legal settlement for the difference between actual and allowable costs and the amount reimbursed by the department, the amount paid by the county cannot be included by the department in its reimbursement rate determination, as long as the amount paid is not greater than the provider's actual and allowable costs or the statewide average of actual and allowable costs as identified in annual appropriations, whichever is less.

441—152.3(234) Provider reviews. The department may, at its discretion, review any provider at any time. Records generated and maintained by the department or its fiscal agent may be used by reviewers and in all proceedings of the department.

152.3(1) *Review of provider records.* The department has the authority to conduct a scheduled or unannounced visit to evaluate the adequacy of service records in compliance with the policies and procedures for foster care services.

152.3(2) *Purpose.* Upon proper identification, authorized representatives of the department have the right to review the service and fiscal records of the provider to determine whether:

- a. The department has accurately paid claims for services.
- b. The provider has furnished the services.
- c. The provider has retained service records and fiscal records that substantiate claims submitted for payment during the review period.
- d. Expenses reported to the department have been handled as required under subrule 152.2(6).

152.3(3) *Method.* The department will select the appropriate method of conducting a review and will protect the confidential nature of the records being reviewed. The provider may be required to furnish records to the department. The provider may select the method of delivering any requested records to the department. Review procedures may include but are not limited to the following:

- a. Comparing service and fiscal records with each claim.
- b. Interviewing clients and employees of providers.

152.3(4) *Sampling.* The department's procedures for reviewing a provider's service records may include the use of random sampling and extrapolation. When these procedures are used, all sampling will be performed within acceptable statistical methods, yielding not less than a 95 percent confidence level.

a. *Findings.* The review findings generated through the review procedure constitute prima facie evidence in all department proceedings of the number and amount of requests for payment as submitted by the provider.

b. *Extrapolation.* Findings of the sample will be extrapolated for the review period. The total of the payments determined to be in error in the review sample will be divided by the total payments in the reviewed sample to calculate the percentage of dollars paid in error. This percentage will then be multiplied by the total payments in the review sample to determine the extrapolated overpayment.

c. *Disagreement with findings.* When the provider disagrees with the department's review findings and the findings have been generated through sampling and extrapolation, the provider may present evidence to show that the sample was invalid. The burden of proof of compliance rests with the provider. The evidence may include a 100 percent review of the provider records used by the department in the drawing of the department's sample. This review shall:

- (1) Be arranged and paid for by the provider.
- (2) Be conducted by a certified public accountant.
- (3) Demonstrate that bills and records not reviewed in the department's sample complied with program regulations and requirements.
- (4) Be submitted to the department with all supporting documentation.

152.3(5) *Actions based on review findings.*

a. The department will report the results of a review of provider records to concerned parties consistent with the provisions of 441—Chapter 2505.

b. When an overpayment is found, the department may do one or more of the following:

- (1) Request repayment in writing.
- (2) Impose sanctions provided for in rule 441—152.4(234).
- (3) Investigate and refer the matter to an agency empowered to prosecute.

441—152.4(234) Sanctions against providers. Failure to meet the requirements relevant to provider contracting, financial recordkeeping, billing and payment, and client recordkeeping may subject providers to sanctions.

152.4(1) *Grounds for sanction.* The department may impose sanctions against a provider for committing one or more of the following actions:

(2) Failing to correct deficiencies in provider operations after receiving notice of these deficiencies from the department.

(5) Receiving a formal reprimand or censure by an association of the provider's peers for unethical practices.

(6) Being suspended or terminated from participation in another governmental program.

(7) Committing a negligent practice resulting in client death or injury.

b. Failing to disclose or make available to the department or its authorized agent records of services provided to a child and family and records of payments made for those services.

c. Failing to provide accurate and auditable cost report information or engaging in deceptive billing practices, such as:

(1) Presenting or causing to be presented for payment any false or deceptive claim for services.

(2) Submitting or causing to be submitted false information for the purpose of obtaining greater compensation than that to which the provider is legally entitled.

d. Submitting or causing to be submitted false information to meet service authorization requirements.

e. Inducing, furnishing or otherwise causing the child or family to receive foster care services that are not authorized (overutilization of services).

f. Rebating or accepting a fee or portion of a fee or a charge for referrals of a child or family.

g. Failing to repay or arrange for the repayment of identified overpayments or other erroneous payments.

h. Failing to submit the cost report on time or failing to submit complete responses to follow-up questions from the department or its fiscal consultant within 14 days of request without written approval from the department.

152.4(2) *Notice of violation.*

a. Should the department have information that indicates a provider may have done the following, the department will notify the provider of the discrepancies noted.

(1) Submitted bills or been practicing in a manner inconsistent with the program requirements, or

(2) Received payment for which the provider may not be properly entitled.

b. Notification to the provider will set forth:

(1) The nature of the discrepancies or violations.

(2) The known dollar value of the discrepancies or violations.

(3) The method of computing the dollar value.

(4) Further actions to be taken or sanctions to be imposed by the department.

j. Reduction of payment to 75 percent of the current rate for failure to submit the cost report or cost report clarifications timely.

k. Termination of the provider's contract for failure to submit the report within six months of the end of the fiscal year.

152.4(4) *Imposition and extent of sanction.* The department will determine the sanction to impose. The following factors will be considered in determining the sanction or sanctions to be imposed:

- a. Seriousness of the offense.
- b. Extent of violations.
- c. History of prior violations.
- d. Prior imposition of sanctions.
- e. Prior provision of technical assistance.
- f. Pattern of failure to follow program rules.
- g. Whether a lesser sanction will be sufficient to remedy the problem.
- h. Actions taken or recommended by peer review groups or licensing bodies.

152.4(5) *Scope of sanction.*

a. The sanction may be applied to all known affiliates of a provider. Each decision to include an affiliate will be made on a case-by-case basis after giving due regard to all relevant factors and circumstances. The violation, failure, or inadequacy of performance may be imputed to a person with whom the violator is affiliated when the conduct was committed in the course of official duty or was effectuated with the knowledge or approval of that person.

b. When there are grounds for sanction pursuant to subrule 152.4(1) against a provider facility, campus, or site, the department may suspend or terminate the provision of foster care services by:

- (1) The provider; or
- (2) The specific facility, campus, or site; or
- (3) Any individual within the provider's organization who is responsible for the violation.

d. Suspension or termination from provision of foster care services shall preclude the submission of claims to the department for payment for any services provided after suspension or termination, whether submitted personally or through the provider.

152.4(6) *Suspension or withholding of payments pending a final determination.* When the department has notified a provider of a violation and has demanded repayment of an identified overpayment, the department may withhold payments on pending and subsequently received claims in an amount reasonably calculated to approximate the amounts in question or may suspend payments pending a final determination. When the department intends to withhold or suspend payments, it will notify the provider in writing.

152.4(7) *Notice of sanction.* When a provider has been sanctioned, the department will notify, as appropriate, the applicable professional society, board of registration or licensure, and federal or state agencies of the findings made and the sanctions imposed.

441—152.5(234) Adverse actions. Notice of adverse actions shall be given in accordance with 441—Chapter 16. The right to appeal the licensing decision shall be given in accordance with 441—Chapter 2506.

These rules are intended to implement Iowa Code section 234.6.
