

ACCOUNTANCY EXAMINING BOARD[193A]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 542.4, the Accountancy Examining Board hereby gives Notice of Intended Action to amend Chapter 10, “Continuing Education,” Iowa Administrative Code.

The proposed amendment provides a reinstated licensee or a licensee who changes status from “inactive” to “active” the ability to take advantage of the alternate renewal cycle immediately at the next renewal cycle. Without this amendment, the licensee would not be qualified to use the alternate continuing education cycle until four years after reinstatement or a change of status. The proposed amendment is consistent with how all other licensees are expected to maintain continuing education. The amendment eliminates the four years of progressive educational requirements that a reinstated licensee now has to complete and also removes unnecessary complexity in the renewal process. The Accountancy Examining Board also has the support of the Iowa Society of CPAs in this amendment.

Consideration will be given to all written suggestions or comments on the proposed amendment received no later than 4:30 p.m. on January 28, 2014. Comments should be addressed to Toni Bright, Accountancy Examining Board, 200 E. Grand, Suite 350, Des Moines, Iowa 50309. E-mail may be sent to accountancyboard@iowa.gov.

A public hearing will be held on January 28, 2014, at 9 a.m. in the Board office, 200 E. Grand, Suite 350, Des Moines, Iowa, at which time persons may present their views on the proposed amendment either orally or in writing. At the hearing, any person who wishes to speak will be asked to give the person’s name and address for the record and to confine remarks to the subject of the proposed amendment.

This amendment does not have any fiscal impact to the state of Iowa.

This amendment is subject to waiver or variance pursuant to 193—Chapter 5.

After analysis and review of this rule making, there is a positive impact on jobs. A licensee who reinstates will now be able to take advantage of the alternate renewal cycle effective immediately at the next renewal cycle. The amendment also eliminates the cumbersome tracking of the four years of progressive educational requirements and removes unnecessary complexity in the renewal process.

This amendment is intended to implement Iowa Code chapters 17A, 272C and 546 and Iowa Code section 542.20.

The following amendment is proposed.
