

DENTAL BOARD[650]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 147.34 and 153.21, the Dental Board hereby gives Notice of Intended Action to amend Chapter 12, “Dental and Dental Hygiene Examinations,” Iowa Administrative Code.

The purposes of the proposed amendments are to allow applicants applying for licensure by examination to take the same nationally recognized regional examinations currently accepted for applicants who apply for licensure by credentials; to require applicants to take all parts of the examination offered by each respective testing agency; to refer applicants to the policies and procedures of each respective testing agency; and to strike language that is outdated.

These amendments would allow applicants applying for licensure the ability to show successful completion of any of the nationally recognized regional examinations without regard to the basis for application.

Any interested person may make written comments on the proposed amendments until 2 p.m. on September 21, 2016. Such written materials should be directed to Phil McCollum, Associate Director, Iowa Dental Board, 400 S.W. There will be a public hearing on September 21, 2016, at 2 p.m. in the Board office, 400 S.W. Eighth Street, Suite D, Des Moines, Iowa, at which time persons may present their views orally or in writing.
