

HUMAN SERVICES DEPARTMENT[441]

Adopted and Filed

Pursuant to the authority of Iowa Code section 217.6 and 2016 Iowa Acts, Senate File 2258, the Department of Human Services hereby amends Chapter 105, “Juvenile Detention and Shelter Care Homes,” Chapter 113, “Licensing and Regulation of Foster Family Homes,” Chapter 114, “Licensing and Regulation of All Group Living Foster Care Facilities for Children,” and Chapter 202, “Foster Care Placement and Services,” Iowa Administrative Code.

These amendments implement the federal Preventing Sex Trafficking and Strengthening Families Act. These amendments update the description of reasonable supervision of foster children. These amendments also update language regarding liability of foster parents and add new requirements regarding annual fire inspections and building codes. Finally, these amendments change the requirement for provision of transition plan documents to any child leaving foster care at the age of 18 or older.

These amendments will provide better transition services for youths 14 years of age or older in foster care who are expected to age out of care when the youths reach 18 years of age.

Notice of Intended Action was published in the Iowa Administrative Bulletin as **ARC 2652C** on August 3, 2016. The Department received no comments during the public comment period. These amendments are identical to those published under Notice of Intended Action.

The Council on Human Services adopted these amendments on September 14, 2016.

These amendments do not provide for waivers in specified situations because requests for the waiver of any rule may be submitted under the Department’s general rule on exceptions at 441—1.8(17A,217).

After analysis and review of this rule making, no impact on jobs has been found.
