

HUMAN SERVICES DEPARTMENT[441]

Notice of Intended Action

**Proposing rule making related to children’s behavioral health services
and providing an opportunity for public comment**

The Human Services Department hereby proposes to amend Chapter 25, “Disability Services Management,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is proposed under the authority provided in Iowa Code chapter 331.

State or Federal Law Implemented

This rule making implements, in whole or in part, 2019 Iowa Acts, chapter 61.

Purpose and Summary

These proposed amendments to Chapter 25 provide the framework for a children’s behavioral health system requiring certain children’s behavioral health core services for children with a serious emotional disturbance. The amendments provide guidance to mental health and disability services (MHDS) regions in developing the new children’s behavioral health core services and include new definitions, provider standards, access standards, and implementation dates. The amendments also make changes in MHDS regional governance structure and reporting requirements and establish eligibility standards for children’s behavioral health services.

Fiscal Impact

These changes are expected to increase costs for both the Medicaid program and MHDS regions. There will be additional Medicaid costs to fund increased access to Medicaid-funded services, such as crisis services. Many MHDS regions fund some services for children, such as crisis services, but they do not fund all of the core services nor does every region fund children’s services or have access to crisis services for children.

Jobs Impact

These amendments are not likely to have any significant impact on private-sector jobs and employment opportunities in Iowa. To the extent there is any impact, it would be the creation of a demand for more mental health professionals and direct support staff.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to rule 441—1.8(17A,217).

Public Comment

Any interested person may submit written comments concerning this proposed rule making. Written comments in response to this rule making must be received by the Department no later than 4:30 p.m. on December 10, 2019. Comments should be directed to:

Public Hearing

No public hearing is scheduled at this time. As provided in Iowa Code section 17A.4(1)“b,” an oral presentation regarding this rule making may be demanded by 25 interested persons, a governmental subdivision, the Administrative Rules Review Committee, an agency, or an association having 25 or more members.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).
