

**TRANSPORTATION DEPARTMENT[761]**

**Notice of Intended Action**

**Proposing rule making related to driver’s license issuance and examination  
and providing an opportunity for public comment**

The Department of Transportation hereby proposes to amend Chapter 602, “Classes of Driver’s Licenses,” Chapter 604, “License Examination,” Chapter 605, “License Issuance,” and Chapter 607, “Commercial Driver Licensing,” Iowa Administrative Code.

*Legal Authority for Rule Making*

This rule making is proposed under the authority provided in Iowa Code sections 307.12, 321.180B, 321.188, 321.189 and 321.196.

*State or Federal Law Implemented*

This rule making implements, in whole or in part, Iowa Code sections 321.180B, 321.186, 321.188, 321.189, 321.194 and 321.196.

*Purpose and Summary*

This proposed rule making implements several efficiencies regarding the driver’s license issuance and examination process and aligns with existing legal authority and Department practice.

The proposed amendments conform the Department’s rules to 2020 Iowa Acts, House File 2360, section 1, which amended Iowa Code section 321.196 to increase the driver’s license expiration dates for customers aged 66 and older, thus allowing an eight-year credential to be issued, provided that it does not expire past the customer’s 80th birthday. Once a person reaches the age of 78, the person is eligible for a driver’s license that is effective for a period of two years. The amendments also align with Iowa Code section 321.186 to provide that a special reexamination may consist of the requirement to provide a medical report or a vision report or screening, in addition to or instead of the other testing and screening requirements.

A new subrule is proposed to address license extensions authorized under Iowa Code section 321.196 to specify that the six-month driver’s license extension period applies to a noncommercial driver’s license. However, federal regulation 49 CFR Section 383.153 allows for a 60-day extension if the person is a commercial driver’s license (CDL) holder. A person whose Iowa driver’s license expires is automatically afforded a 60-day grace period under Iowa Code section 321.196, but the Iowa grace period is not always recognized by other states, which can make the driver’s license extension an important option for customers, especially for CDL holders traveling across state lines.

The proposed amendments implement an online license upgrade process for persons subject to the graduated driver’s license (GDL) requirements under Iowa Code section 321.180B. The GDL program covers drivers younger than 18 years of age and requires them to progress through a series of license class privileges before being issued a full driver’s license. Currently, even though progressing to the next license class privilege under the GDL program is an upgrade, and is not a new license issuance or renewal, the upgrade to an intermediate license or full license still requires an in-person visit. However, with this rule change, the upgrade will be able to occur online if the applicant meets the eligibility criteria, including that the applicant was issued an intermediate license or minor’s school license in person. To comply with federal REAL ID regulations, if the person upgrades the license under the online process to a full driver’s license with an eight-year expiration date, the person will not be eligible to electronically renew the driver’s license at the next renewal period because the federal regulations require an in-person renewal and a new driver’s license photograph at least once every 16 years. Finally, the proposed amendments provide that if the person is upgrading from a minor’s school license and

the person has a secondary address on the driver's license because the person's parents are separated or divorced, the person will not be prevented from using the online system.

*Fiscal Impact*

This rule making has no fiscal impact to the State of Iowa beyond the impact estimated by the Legislative Services Agency for 2020 Iowa Acts, House File 2360.

*Jobs Impact*

After analysis and review of this rule making, no impact on jobs has been found.

*Waivers*

Any person who believes that the person's circumstances meet the statutory criteria for a waiver may petition the Department for a waiver under 761—Chapter 11.

*Public Comment*

Any interested person may submit written comments concerning this proposed rule making or may submit a written request to make an oral presentation at a public hearing. Written comments or requests to present oral comments in response to this rule making must be received by the Department no later than 4:30 p.m. on February 2, 2021. Comments should be directed to:
