Adopted and Filed

Rule making related to food safety and inspection services standards

The Agriculture and Land Stewardship Department hereby amends Chapter 76, “Meat and Poultry Inspection,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 189A.7.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code chapter 189A.

Purpose and Summary

This rule making adopts by reference the most up-to-date federal standards from the Food Safety and Inspection Service (FSIS). In order for Iowa’s Meat and Poultry Bureau to remain compliant, state regulations must be equal to or greater than federal standards. Specifically, these updates address the following:

- Modernization of swine slaughter inspection.
- Preparation of uninspected products outside of the hours of inspectional supervision.
- Eliminating unnecessary requirements for hog carcass cleaning.
- Continuing to implement a requirement that was removed by FSIS to prevent confusion and noncompliance.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on June 2, 2021, as **ARC 5652C**. A public hearing was held on June 23, 2021, at 10 a.m., both virtually and in the Second Floor Conference Room, Wallace State Office Building, Des Moines, Iowa. No one attended the public hearing. No public comments were received. Two changes from the Notice have been made. Item 2 was revised to strike redundant language, and subrule 76.7(3) in Item 4 was revised for clarity.

Adoption of Rule Making

This rule making was adopted by the Department on July 20, 2021.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 21—Chapter 8.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).
