**Adopted and Filed**

**Rule making related to minor’s school licenses  
and chauffeur’s and commercial driver’s licenses**

The Transportation Department hereby amends Chapter 602, “Classes of Driver’s Licenses,” Chapter 604, “License Examination,” Chapter 605, “License Issuance,” and Chapter 607, “Commercial Driver Licensing,” Iowa Administrative Code.

*Legal Authority for Rule Making*

This rule making is adopted under the authority provided in Iowa Code sections 307.12, 321.182, 321.188 and 321.196.

*State or Federal Law Implemented*

This rule making implements, in whole or in part, Iowa Code sections 321.1 as amended by 2021 Iowa Acts, House File 389; 321.188 as amended by 2021 Iowa Acts, House File 280, section 1; 321.194 as amended by 2021 Iowa Acts, Senate File 231, sections 1 and 2; and 321.196 as amended by 2021 Iowa Acts, House File 280, section 2.

*Purpose and Summary*

This rule making amends Chapters 602, 604, 605 and 607. The following paragraphs explain the amendments.

**Minor’s school license for farm work.** These amendments update Chapter 602 to conform the rules with 2021 Iowa Acts, Senate File 231, sections 1 and 2, which amend the permitted operations of a minor’s school license to include driving for farm-related purposes if the person resides on or is employed by a farm, provided that the driving distance between the point of origin and destination is no greater than 50 miles. Prior to the 2021 legislation, driving for farm-related purposes was not a permitted operation of a minor’s school license.

**Chauffeur’s driver’s license.** These amendments update Chapters 602, 604, 605 and 607 to conform the rules with 2021 Iowa Acts, House File 389, which amends the definition of “chauffeur” within Iowa Code section 321.1(8). This legislation eliminates the need for a person to obtain a Class D-1 or D-2 chauffeur’s license. A noncommercial Class C license will now be sufficient to operate commercial driver’s license (CDL)-exempt truck-tractor semitrailer combination vehicles for farm work and large noncommercial straight trucks (26,000 pounds gross vehicle weight rating or less). A person still needs a Class D-3 chauffeur’s license if that person operates a motor vehicle to transport 15 or fewer persons (including the driver) for wages, compensation, or hire and does not meet one of the exemptions in Iowa Code section 321.1(8).

**Online commercial driver’s license renewal.** These amendments update Chapter 605 to conform the rules with 2021 Iowa Acts, House File 280, sections 1 and 2. This legislation authorizes the Department to renew CDLs electronically. Prior to the 2021 legislation, holders of CDLs were prohibited from renewing their driver’s licenses electronically even though online renewal has been an option for holders of noncommercial driver’s licenses for several years. These amendments align the online CDL renewal rules with the existing online renewal rule for noncommercial driver’s licenses and add a few additional requirements that are specific to CDLs. Namely, a person who holds a CDL with a hazardous material or combination hazardous material and tank endorsement will not be permitted to renew the CDL online. This is because federal regulations require a person with a CDL hazardous material or combination hazardous material and tank endorsement to retake the hazardous materials knowledge test at each renewal. These amendments also prevent a person holding a commercial

learner's permit (CLP) from renewing a CLP online. This is because CLPs are already issued for the federally authorized maximum validity period of one year and therefore cannot be renewed. Rather, if a CLP holder needs the CLP beyond one year, a new CLP must be issued.

#### *Public Comment and Changes to Rule Making*

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on July 28, 2021, as **ARC 5804C**.

The Department received written comments from the Iowa Farm Bureau Federation concerning the inability of some minors who are homeschooled to receive a minor's school license that includes driving for farm-related purposes. The Department is unable to make any changes to the rules or waive existing rules based on these comments because of language included in Iowa Code section 321.194 that requires the person's school of enrollment to complete a certificate of need for the minor's school license and requires the signature of a specified school official. The Department will continue to accept a certificate of need for homeschooled students who are dual-enrolled and who do obtain a certificate of need from the public or accredited nonpublic school with which they are dual-enrolled.

No changes from the Notice have been made.

#### *Adoption of Rule Making*

This rule making was adopted by the Department on September 15, 2021.

#### *Fiscal Impact*

This rule making has no fiscal impact to the State of Iowa beyond any impact anticipated by the legislation.

#### *Jobs Impact*

After analysis and review of this rule making, no impact on jobs has been found beyond any anticipated by the statutory change within 2021 Iowa Acts, Senate File 231.

#### *Waivers*

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 761—Chapter 11.

#### *Review by Administrative Rules Review Committee*

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

This rule making will become effective on November 10, 2021.
