ITEM 2. Amend rule 193A—3.2(542) as follows:

193A—3.2(542) Colleges or universities recognized by the board. Iowa Code section 542.5, in providing for educational qualifications for a certificate as a certified public accountant, refers to colleges or universities “recognized by the board.” For such purpose, the board recognizes the following educational accrediting institutions: accredited by the Association to Advance Collegiate Schools of Business and the regional accrediting bodies listed in the current publication of the Accredited Institutions of Post Secondary Education, which listing is made a part of these rules by reference:
1. Middle States Commission on Higher Education (MSCHE);

c. Experience in the planning of the program of audit attest work including the selection of the procedures to be followed.

d. and e. No change.

ITEM 9. Amend subrule 9.5(2) as follows:

**9.5(2)** A person who holds in good standing a certificate, license or designation from a foreign authority that is substantially equivalent to an Iowa CPA certificate shall be deemed qualified for an Iowa CPA certificate if the person satisfies all of the provisions of Iowa Code section 542.19(3). The burden is on the applicant to demonstrate that such certificate, license or foreign designation is in full force and effect and that the requirements for that certificate, license or foreign designation are comparable or superior to those required for a CPA certificate in this state. Original verification from the foreign authority which issued the certificate, license or designation shall be required to demonstrate that such certificate, license or designation is valid and in good standing. If the applicant cannot establish comparable or superior qualifications, the board shall require that the applicant pass the uniform certified public accountant examination designed to test the applicant’s knowledge of practice in this state and country. If the applicant is a Canadian Chartered Accountant, Australian Chartered Accountant, Hong Kong CPA, Ireland Chartered Accountant, Mexico Contador Público Certificado (CPC), New Zealand Chartered Accountant, or Scottish Chartered Accountant, or South African Chartered Accountant, the applicant may be required to take the International Uniform CPA Qualification Examination (IQËX) in lieu of the uniform certified public accountant examination.

ITEM 10. Amend subrule 10.5(6) as follows:

**10.5(6)** The board shall have authority to make exceptions for reasons of individual hardship including health, certified by a medical doctor, military service, foreign residency, retirement, or other good cause. No exceptions shall be made solely because of age. Applicants entitled to a full or partial exception under the provisions of Iowa Code section 272C.2, subsection 4, 272C.2(4) for active military service or government service outside of the United States may request an exception by submitting acceptable documentation as applicable to the exception requested. Applicants seeking an exception on other grounds of undue hardship must submit an application for waiver or variance as provided in 193—Chapter 5.

ITEM 11. Amend subrule 18.2(2) as follows:

**18.2(2)** When a licensee is a party to an adverse judgment resulting from a professional malpractice action or is a party to a settlement of a claim resulting from an allegation of malpractice, the licensee shall file a report in writing forwarded to the board office, setting forth the name and address of the client,
the date the claim was originally made, a brief description of the circumstances precipitating the claim and a copy of the judgment or settlement agreement resulting from the claim. It is the intent of this rule to require the reporting of all judgments or settlements resulting from claims that were initiated by court action and not claims of malpractice that are made against a licensee that are not filed in a court of law.
