Proposing rule making related to licensure fees and requirements and providing an opportunity for public comment

Legal Authority for Rule Making

This rule making is proposed under the authority provided in Iowa Code section 147.76.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 147.10, 147.11 and 147.80.

Purpose and Summary

The proposed amendments reduce the requirements and fees necessary to reinstate a lapsed or inactive license, registration or qualification. The proposed amendments are intended to simplify the options related to renewal and streamline the process for reinstatement of a lapsed license, registration or qualification.

Fiscal Impact

This rule making will have minimal fiscal impact to the State of Iowa. Currently, the Board receives approximately $10,000 in revenue from past due reinstatement fees per fiscal year. This amount would be reduced since the maximum past due renewal fees will be reduced to a single renewal fee as opposed to the currently allowed maximums.

Jobs Impact

After analysis and review of this rule making, there will be a positive impact on jobs in Iowa as the rule making lowers the fees and requirements for the purposes of reinstating a lapsed license, registration or qualification.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Board for a waiver of the discretionary provisions, if any, pursuant to rule 650—7.4(17A,147,153).

The amendments to Chapter 15 are not subject to request for waiver.

Public Comment

Any interested person may submit written or oral comments concerning this proposed rule making. Written or oral comments in response to this rule making must be received by the Board no later than 4:30 p.m. on March 15, 2022. Comments should be directed to:

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting.
