Rule making related to mental health institutes

The Human Services Department hereby amends Chapter 29, “Mental Health Institutes,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 218.4.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code chapter 226.

Purpose and Summary

The Department is updating the administrative rules for mental health institutes in Chapter 29 to bring the rules into alignment with current practices. References to four catchment areas are removed. Administrative rules listing specific visiting hours are revised to say that visiting hours shall be posted in each facility. References to the central point of coordination are removed because that terminology is no longer in use. References to a separate application for voluntary admission for substance abuse treatment are removed because that application is no longer used.
