Rule making related to mandatory reporter training

The Board of Massage Therapy hereby amends Chapter 131, “Licensure of Massage Therapists,” and Chapter 133, “Continuing Education for Massage Therapists,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 152C.3 and 2022 Iowa Acts, House File 2168.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 152C.3, 232.69 and 235B.16 and 2022 Iowa Acts, House File 2168.

Purpose and Summary

This rule making amends the Board’s rules regarding mandatory reporter training in response to 2022 Iowa Acts, House File 2168. House File 2168 provides that massage therapists who treat children or dependent adults must complete mandatory reporter training, as opposed to only those therapists who work in certain settings, and further provides that mandatory reporter training shall count toward a licensed massage therapist’s continuing education requirements. This rule making updates the Board’s rules regarding mandatory reporter training to reflect these changes. Although the Board’s rules already allow massage therapists to count mandatory reporter training toward their continuing education hours, the amendments update the rules to align with the specific language of House File 2168.

This rule making was adopted by the Board on December 6, 2022.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting.
