Approved program standards include Head Start Program Performance Standards, Iowa Quality Preschool Program Standards and Criteria, or the NAEYC Program Standards and Accreditation Criteria. All approved local preschool programs adopt preschool program standards and meet the following criteria:

16.2(1) Personnel. A minimum of one teacher is present with eligible children during the voluntary preschool program instructional time.

16.2(2) Ratio of staff to children. At least one teacher is present in a classroom during the instructional time described in subrule 16.2(4). A minimum of one staff member and one teacher are present when 11 to 20 children are present. Staff members and teachers have reasonable line-of-sight supervision of all children.

16.2(3) Maximum class size. There are no more than 20 children per classroom.

16.2(4) Instructional time. Eligible children receive instructional time as established by Iowa Code section 256C.3(3) “f” that meets the needs of the child and is directly related to the program’s curriculum, such time to be exclusive of recess.

16.2(5) Child learning standards. The preschool program demonstrates how the curriculum, assessment, staff development, and instructional strategies are aligned to the Iowa Early Learning Standards. The teacher provides instruction on the skills and knowledge included in the Iowa Early Learning Standards.

16.2(6) Curriculum. The preschool program adopts a research-based or evidence-based curriculum.

16.2(10) Materials. The preschool program provides instructional materials and supplies consistent with the program standards and Iowa Early Learning Standards.

16.2(13) Integration of other preschool programs. The preschool program complies with Iowa Code section 256C.3(3)“d.”

Preschool programs collaborate to ensure that children receiving care from other approved child care arrangements can participate in the voluntary preschool program with minimal disruptions to the child.

16.3(3) Districts. The school district complies with Iowa Code section 256C.3(4)“a” and “b.”

281—16.4(256C) Applications for funding. All applications are submitted in a manner directed by the department; address the standards found in rules 281—16.2(256C), 281—16.3(256C), and 281—16.9(256C); and contain a plan describing how they will fully meet the program standards within one year of the funding award. Points are awarded based on the applicant’s provision of the following information:

1. Preschool program summary;
2. Research documentation;
3. Identification and documentation of local population;
4. Needs assessment of local programs providing services;
5. Evidence of collaboration with local agencies to provide comprehensive services; and
6. Letters of community support.

281—16.5(256C) Application process.

16.5(1) Request for applications.

a. The department announces the commencement of the application period through public notice on the department’s website and the department’s relevant regular electronic publications.

b. Applications for preschool program funding are available on the department’s website and otherwise distributed by the department upon request.

c. All applications are to be submitted to the department in accordance with instructions accompanying the applications.

16.5(2) Application process.

a. Applications that do not contain the specified information or that are not received by the specified date will not be considered.

b. The department has the final discretion to award funds.

16.5(3) Notification of applicants. The department notifies all applicants within 45 days following the due date for receipt of applications whether their requests are funded. The department is to provide to each successful applicant a contract to be signed by an official with authority to bind the applicant and to be returned to the department prior to the distribution of any funds under this program.

281—16.6(256C) Removal of approval.

16.6(1) Removal by agreement. The contract may be terminated in whole or in part when both parties agree that the continuation of the project would not produce beneficial results commensurate with the future expenditure of funds. The parties shall agree upon the termination conditions, including the effective date and, in the case of partial terminations, the portion to be terminated. The applicant does not incur new obligations for the terminated portion after the effective date and will cancel as many outstanding obligations as possible.

16.6(2) Department removal for cause.

a. The department may remove approval in whole or in part at any time before the date of completion whenever it is determined by the department that the applicant has failed to comply substantially with the conditions of the contract. The applicant will be notified in writing by the department of the reasons for the removal of approval and the effective date. The applicant does not incur new obligations for the portion for which approval is removed after the effective date of removal and will cancel as many outstanding obligations as possible.

b. The department may remove approval in whole or in part by June 30 of the current fiscal year in the event that the applicant has not attained the program standards.

16.6(3) Responsibility of applicant after removal of approval. Within 45 days of the removal of approval, the applicant will supply the department with a financial statement detailing all costs incurred up to the effective date of the removal. If the applicant expends moneys for other than specified budget items approved by the department, the applicant will return moneys for unapproved expenditures.

281—16.7(256C) Appeal of application denial, termination, or removal of approval. Any applicant may appeal to the director of the department the denial of a properly submitted preschool program funding application or the unilateral termination or removal of an approval. The jurisdictional criteria and procedures found in 281—Chapter 7 apply to any appeal of denial.

281—16.8(256C) Finance.

16.8(1) General. The department implements Iowa Code sections 256C.4 and 256C.5.

16.8(2) Aid payments. Preschool foundation aid is paid as part of the state aid payments made to school districts in accordance with Iowa Code section 257.16, except that it is not necessary that an eligible child be a resident of the district in which the child is enrolled voluntarily in the approved local program.

16.8(3) Separate accounting. All state funding received under this program is accounted for by the applicant district separately from other state aid payments.

16.8(4) Restriction on supplanting. State funding received under this program is used to supplement, not supplant, other public funding received by the applicant district as the result of the participation of any eligible children in other state or federal funded preschool programs. This restriction is applicable only for costs related to instructional time as described in subrule 16.2(4).

16.8(5) Transportation. Children participating in preschool in an approved local program under Iowa Code chapter 256C may be provided transportation services. However, transportation services provided to such children are not eligible for reimbursement under this chapter.

16.8(6) Open enrollment not applicable. Iowa's open enrollment statute (Iowa Code section 282.18) is not applicable for the parent or guardian of an eligible child who desires to access an approved program in a school district not of the child's residence. Approved programs are open to all eligible Iowa children, regardless of a child's district of residence. Accordingly, it is neither necessary for a parent or guardian to file an open enrollment application, nor will open enrollment applications for approved preschool

programs be allowed. Participation in an approved program in a school district not of the child's residence does not create an entitlement to continuous open enrollment under Iowa Code section 282.18.

281—16.9(256C) Accountability. An approved local program meets the minimum program specifications in this chapter. The department encourages approved local programs to exceed the minimum standards as programs work toward ongoing improvement. The department monitors each local program's compliance with this rule.

16.9(1) Annual reports. Each approved local program provides, on forms provided by the department, an annual report to the department regarding program specifications. Failure to submit an annual report by the date specified therein results in suspension of financial payments to the applicant until such time as the report is received by the department.

16.9(2) Performance measures. The approved local program collects data on all of the following:

- a. The number of eligible children participating in the preschool program.
- b. The number of eligible children participating in a program that meets the criteria of NAEYC, Head Start, or QPPS Standards and Criteria.
- c. The curriculum.
- d. The assessment as defined in rule 281—16.1(256C).
- e. The number of teachers.
- f. The kindergarten literacy assessment as defined in Iowa Code section 279.60.

16.9(3) Noncompliance with program specifications. If the department determines that a participating district does not meet one or more of the accountability specifications provided in rule 281—16.2(256C), the department informs the school district of appropriate actions to be taken by the school district. The school district submits an action plan that is approved by the department and contains reasonable timelines for coming into compliance. The department will facilitate technical assistance when requested. If the department determines that the school district is not taking the necessary actions in a timely manner, the director removes approval and terminates the school district's contract as provided in subrule 16.6(2). Until such time as the school district's contract is terminated, the school district may continue to participate in the statewide voluntary preschool program.

16.9(4) Monitoring. The department develops a monitoring system based on the annual reporting and performance measures described in this rule to be implemented no later than one year after funding is first provided under this chapter. The monitoring system ensures that programs meet the provisions herein requiring a properly licensed teacher and adoption of program standards and is designed to follow the academic progress of children who voluntarily participate in the statewide preschool program as the children progress through elementary and secondary grade levels. If feasible, it is the intent of the department to include postsecondary monitoring of such children.

These rules are intended to implement Iowa Code chapter 256C.
