

PROFESSIONAL LICENSURE DIVISION[645]

Notice of Intended Action

**Proposing rulemaking related to discipline for social workers
and providing an opportunity for public comment**

The Board of Social Work hereby proposes to rescind Chapter 283, “Discipline for Social Workers,” Iowa Administrative Code, and to adopt a new chapter with the same title.

Legal Authority for Rulemaking

This rulemaking is proposed under the authority provided in Iowa Code chapters 154C, 272C, 147, and 17A.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code chapters 154C, 272C, 147, and 17A.

Purpose and Summary

This proposed rulemaking provides protection to Iowans because the rulemaking publicly defines disciplinary options when a social worker fails to provide the standard of care. This is important to both the public and to the licensee because the rulemaking creates a shared understanding of what is and is not appropriate for certain types of licensed individuals in the state of Iowa. When professional standards are not met, a licensee can be subject to discipline against the licensee’s license. Iowans have the ability to submit a complaint to the licensing board, which can then investigate the allegation. The Board has the ability to seek discipline against the licensee for those items outlined, ensuring that the public is protected.

The 19 boards in the legacy Department of Health and Human Services Bureau of Professional Licensure have similar disciplinary standards for all professions. For this reason, one shared disciplinary chapter has been created that applies to all professions. This proposed chapter contains only those disciplinary grounds that are unique to the Board and are therefore excluded from the general disciplinary chapter.

Fiscal Impact

This rulemaking has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rulemaking, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rulemaking would result in hardship or injustice to that person may petition the Board for a waiver of the discretionary provisions, if any, pursuant to 645—Chapter 18.

Any interested person may submit written or oral comments concerning this proposed rulemaking. Written or oral comments in response to this rulemaking must be received by the Board no later than 4:30 p.m. on March 13, 2024. Comments should be directed to:
