Pursuant to the authority of Iowa Code section 231C.3, the Department of Inspections and Appeals hereby gives Notice of Intended Action to adopt new Chapter 69, "Assisted Living Programs," Iowa Administrative Code.

These rules are proposed pursuant to 2007 Iowa Acts, Senate File 601, which transferred the regulatory authority for the elder group homes, assisted living programs, and adult day services from the Department of Elder Affairs to the Department of Inspections and Appeals. Since that time, the Department has been working with stakeholder groups to develop the new chapter included in this Notice of Intended Action. The work with stakeholder groups has included written comments on two draft versions of the proposed rules, collaboration sessions across Iowa with over 200 participants, and presentations on the draft rules to industry groups. The Department has also submitted a Notice of Intended Action published herein as **ARC 7877B** that contains general provisions for elder group homes, assisted living programs, and adult day services.

The rules in Chapter 69 relate specifically to assisted living programs and will supersede the Department of Elder Affairs' current chapter on assisted living programs, 321—Chapter 25.

Any interested person may make written suggestions or comments on these proposed rules on or before July 7, 2009. Such written materials should be sent to Steven Mandernach, Administrative Rules Coordinator, Department of Inspections and Appeals, 321 E. 12th Street, Third Floor, Lucas State Office Building, Des Moines, Iowa 50319. Comments may be sent by fax to (515)242-6863 or by E-mail to [steven.mandernach@dia.iowa.gov](mailto:steven.mandernach@dia.iowa.gov).

Also, a joint public hearing regarding these proposed rules and the rules proposed in **ARC 7877B** will be held on July 10, 2009, at 3 p.m., at which time persons may present their views either orally or in writing. The hearing will be conducted over the Iowa Communications Network (ICN) at the following locations:

- ICN Room, Sixth Floor, Lucas State Office Building, 321 E. 12th Street, Des Moines
- Room 118, Iowa Lakes Community College, 1900 N. Grand Avenue, Spencer
- Room 024, Looft Hall, Iowa Western Community College, 2700 College Road, Council Bluffs
- Room 110, Tama Hall, Hawkeye Community College, 1501 E. Orange Road, Waterloo
- Meeting Room D, Iowa City Public Library, 123 S. Linn Street, Iowa City

At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed rules.

Any person who intends to attend the public hearing and who has special requirements, such as those relating to hearing or mobility impairments, should contact the Department to advise of specific needs.

These rules are intended to implement Iowa Code chapter 231C.

The following amendment is proposed.

**69.23(2)** *Disclosure of additional occupancy and transfer criteria.* A program may have additional occupancy or transfer criteria if the criteria are disclosed in the written occupancy agreement prior to the tenant's occupancy.

**69.23(3)** *Assistance with transfer from the program.* A program shall provide assistance to a tenant and the tenant's legal representative, if applicable, to ensure a safe and orderly transfer from the program when the tenant exceeds the program's criteria for admission and retention.

**481—69.24(231C) Involuntary transfer from the program.**

**69.24(1)** *Program initiation of transfer.* If a program initiates the involuntary transfer of a tenant and the action is not the result of a monitoring, including a complaint investigation or program-reported incident investigation, by the department and if the tenant or tenant's legal representative contests the transfer, the following procedures shall apply:

a. The program shall notify the tenant or tenant's legal representative, in accordance with the occupancy agreement, of the need to transfer the tenant, the reason for the transfer, and the contact information for the tenant advocate.

b. The program shall immediately provide to the tenant advocate, by certified mail, a copy of the notification.

c. Pursuant to statute, the tenant advocate shall offer the notified tenant or tenant's legal representative assistance with the program's internal appeal process. The tenant or tenant's legal representative is not required to accept the assistance of the tenant advocate.

d. If, following the internal appeal process, the program upholds the transfer decision, the tenant or tenant's legal representative may utilize other remedies authorized by law to contest the transfer.

**69.24(2)** *Transfer pursuant to results of monitoring or complaint or program-reported incident investigation by the department.* If one or more tenants are identified as exceeding the admission and retention criteria for tenants and need to be transferred as a result of a monitoring or a complaint or incident investigation conducted by the department, the following procedures shall apply:

a. *Notification of the program.* Within 20 working days of the monitoring or complaint or program-reported incident investigation, the department shall notify the program, in writing, of the identification of any tenant who exceeds admission and retention criteria.

b. *Notification of others.* Each identified tenant, the tenant's legal representative, if applicable, and other providers of services to the tenant shall be notified of their opportunity to provide responses including: specific input, written comment, information and documentation directly addressing any agreement or disagreement with the identification. All responses shall be provided to the department within 10 days of receipt of the notice.

c. *Program agreement with the department's finding.* If the program agrees with the department's findings and the program begins involuntary transfer proceedings, the program's internal appeal process in subrule 69.24(1) shall be utilized for appeals.

d. *Program disagreement with the department's finding.* If the program does not agree with the department's finding that the tenant exceeds admission and retention criteria, the program may collect and submit all responses to the department, including those from other interested parties. In the program's response, the program shall identify the tenant, list the known responses from others, and note the program's agreement or disagreement with the responses from others. The program's response shall be submitted to the department within 10 working days of the receipt of the notice. Submission of a response does not eliminate the applicable requirements including submission of a plan of correction under 481—subrule 67.10(5). Other persons may also submit information directly to the department.

(1) Consideration of response. Within 10 working days of receipt of the program's response for each identified tenant, the department shall consider the response and make a final finding regarding the continued retention of a tenant.

(2) Amending the regulatory insufficiency. If the department's determination is to amend the regulatory insufficiency based on the response, the department shall modify the report of findings.

(3) Retaining regulatory insufficiency. If the department retains the regulatory insufficiency, the department shall review the plan of correction in accordance with this chapter and 481—Chapter 67. The department shall notify the program of the opportunity to appeal the report findings as they relate to the admission and retention decision. In addition, the department shall provide to the tenant or the tenant's legal representative the contact information for the tenant advocate. A copy of the final report shall also be sent to the tenant advocate.

(4) Effect of the filing of an appeal. If an appeal is filed, the tenant who exceeds admission and retention criteria shall be allowed to continue living at the program until all administrative appeals have been exhausted. Appeals filed that relate to the tenant's exceeding admission and retention criteria shall be heard within 30 days of receipt, and appropriate services to meet the tenant's needs shall be provided during that period of time.

(5) Request for waiver of criteria for retention of a tenant in a program. To allow a tenant to remain in the program, the program may request a waiver of criteria for retention of a tenant pursuant to rule 481—67.7(231B,231C,231D) from the department within 10 working days of the receipt of the report.

**481—69.25(231C) Tenant documents.**
