**Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.**

Pursuant to the authority of Iowa Code section 272.2, the Board of Educational Examiners hereby gives Notice of Intended Action to amend Chapter 27, “Issuance of Professional Service Licenses,” Iowa Administrative Code.

A waiver provision is not included. The Board has adopted a uniform waiver rule.

Any interested party or persons may present their views either orally or in writing at the public hearing that will be held Wednesday, April 28, 2010, at 1 p.m. in Room 3 Southwest, Third Floor, Grimes State Office Building, East 14th Street and Grand Avenue, Des Moines, Iowa.

At the hearing, persons will be asked to give their names and addresses for the record and to confine their remarks to the subject of the proposed amendment. Any person who intends to attend the public hearing and requires special accommodations for specific needs, such as a sign language interpreter, should contact the office of the Executive Director at (515)281-5849.

This amendment is intended to implement Iowa Code chapter 272.

The following amendment is proposed.

Adopt the following new rule 282—27.6(272):

**282—27.6(272) Specific requirements for a Class B license.** A Class B license, which is valid for two years and which is nonrenewable, may be issued to an individual under the following conditions:

**27.6(1) Endorsement in progress.** The individual has a valid professional service license and one or more professional service endorsements, but is seeking to obtain some other professional service endorsement. A Class B license may be issued if requested by an employer and if the individual seeking to obtain some other professional service endorsement has completed at least two-thirds of the requirements, or one-half of the content requirements in a state-designated shortage area, leading to completion of all requirements for the endorsement.

**27.6(2) Request for exception.** A school district administrator may file a written request with the board for an exception to the minimum content requirements on the basis of documented need and benefit to the instructional program. The board will review the request and provide a written decision either approving or denying the request.

**27.6(3) Expiration.** This license will expire on June 30 of the fiscal year in which it was issued plus one year.
