**Proposing rulemaking related to continuing education
and providing an opportunity for public comment**

The Board of Podiatry hereby proposes to amend Chapter 705, “Continuing Education for Orthotists, Prosthetists, and Pedorthists,” Iowa Administrative Code.

Legal Authority for Rulemaking

This rulemaking is proposed under the authority provided in Iowa Code chapter 148F and section 272C.2.

State or Federal Law Implemented

This rulemaking implements, in whole or in part, Iowa Code chapter 148F and section 272C.2 and 2024 Iowa Acts, House File 2686.

Purpose and Summary

This proposed rulemaking implements 2024 Iowa Acts, House File 2686. Chapter 705 sets forth continuing education and training requirements for prosthetists, orthotists, and pedorthists. The intended benefit of this chapter is to ensure that licensees maintain up-to-date practice standards and, as a result, provide high-quality services to Iowans. The Board reviewed the continuing education requirements in the fall of 2023 pursuant to Executive Order 10. The chapter is being amended to comply with the statutory changes from 2024 Iowa Acts, House File 2686, allowing a licensee to carry over up to 50 percent of excess completed continuing education hours from the previous renewal cycle. This rulemaking would grant prosthetists and orthotists the ability to carry over up to 15 hours of continuing education earned in excess of the 30 hours required every two years. Pedorthists could carry over up to 10 hours of continuing education earned in excess of the 20 hours required every two years.
