Specific employability services include:

a. Employment services, which include such activities as the development of a family self-sufficiency plan, individual employability plan, world-of-work and job orientation, job clubs, job workshops, job development, referral to job opportunities, job search, and job placement and follow-up.

b. Employability assessment services, which include such activities as aptitude and skills testing.

e. Vocational training, which includes referrals to driver education and training when provided as part of an individual employability plan.

f. Skills recertification, which includes referrals to training that meets the criteria for appropriate training. If an individual is a professional in need of professional refresher training and other recertification services in order to qualify to practice the individual's profession in the United States, the training may consist of full-time attendance in a college or professional training program, provided that such training:

(1) Is approved as part of the individual's employability plan by the state agency, or its designee;

(2) Does not exceed one year's duration (including any time enrolled in such program in the United States prior to the refugee's application for assistance);

(3) Is specifically intended to assist the professional in becoming relicensed in the professional's profession; and

(4) If completed, can realistically be expected to result in such relicensing. This training may only be made available to individuals who are employed.

g. Child care, which includes referrals to child care necessary for participation in an employability service or for the acceptance or retention of employment.

h. Transportation when necessary for participation in an employability service or for the acceptance or retention of employment.

61.5(10) Outreach services. These services include activities designed to familiarize refugees with available services, to explain the purpose of these services, and to facilitate access to these services.

61.5(11) Referral. These services enable referral of refugee clients to mainstream service systems.

441—61.6(217) Provision of services.

a. Refugees who are receiving cash assistance.

b. Unemployed refugees who are not receiving cash assistance.

c. Employed refugees in need of services to retain employment or to attain economic independence.

d. All newly arriving refugees in the United States who apply for services during the five-year period from their date of arrival.

61.6(2) Limitations on eligibility. Services as described in rule 441—61.5(217) may be provided in the first 60 months of resettlement unless the Office of Refugee Resettlement grants an exception to the 60-month limit. Referral, interpretation, citizenship, and naturalization services may be provided to the extent feasible past 60 months of resettlement for refugees, except that refugees who are receiving

employability services, as defined in subrule 61.5(11), as part of an employability plan, as of September 30, 1995, may continue to receive those services through September 30, 1996, or until the services are completed, whichever occurs first, regardless of their length of residence in the United States, pursuant to 45 CFR 400 (June 7, 2022). In any case, services will first be provided for those refugees who are in the first two years of resettlement and who are in need of assistance in securing self-sufficiency.

61.6(3) Service requirements.

a. Services provided will be refugee-specific services that are designed specifically to meet refugee needs, except that vocational or job skills training, on-the-job training, or English language training need not be refugee specific.

b. Services will be provided, to the maximum extent feasible, in a manner that is culturally and linguistically compatible with a refugee's language and cultural background.

c. Services will be provided, to the maximum extent feasible, in a manner that includes the use of bilingual or bicultural women on service agency staffs to ensure adequate service access by refugee women.

d. The department will use its social service grants primarily for employability services designed to enable refugees to obtain jobs within one year of becoming enrolled in services in order to achieve economic self-sufficiency as soon as possible.

e. Social services may continue to be provided after a refugee has entered a job to help the refugee retain employment or move to a better job.

f. Social service grant funds may not be used for long-term training programs such as vocational training that last for more than a year or educational programs that are not intended to lead to employment within a year.

g. In planning and providing services, the department will take into account those services that a resettlement agency is required to provide for a refugee whom it sponsors in order to ensure the provision of coordinated services to refugees that are not duplicative.

h. To avoid interference with refugee employment, English language instruction and vocational training must be provided to the fullest extent feasible outside normal working hours.

i. English language instruction must be provided in a concurrent, rather than sequential, time period with employment or with other employment-related services.

441—61.7(217) Application for services. Any person will have an opportunity to apply for services by contacting the department or any of its affiliated offices either in person, by telephone, by fax, in writing, or by contacting any department staff members. The department will determine the eligibility of each person for services. Applicants for refugee cash assistance will automatically be considered as applicants for services. The department will ensure that refugee women have the same opportunities as refugee men to participate in all services, including job placement services.

441—61.8(217) Adverse service actions.

61.8(1) Denial. Services will be denied when the department determines any of the following apply:

a. The client is not in need of the service.

b. The client is not legally eligible.

c. The service is not covered in the state refugee program plan.

d. There is another community resource available to provide the services or a similar service free of charge to the client that will meet the client's needs.

e. The service for which the client is eligible is currently not available.

f. Funding is not available to provide the service.

g. The client refuses to allow documentation of eligibility.

h. The services requested are those for which other resettlement agencies are contractually responsible.

i. The person requesting service has been in the United States more than 60 months and the services requested do not include referral, interpretation, citizenship, or naturalization services.

61.8(2) Termination. A service may be terminated when the department determines any of the following apply:

- a. The need to attain the goals to which the service was directed has been achieved.
- b. After repeated assessment, it is evident that the family or individual is unable to achieve or maintain goals set forth in the family self-sufficiency or individual employability plan.
- c. After repeated efforts, it is evident that the client is unwilling to accept further service.
- d. The service is no longer available in the Iowa state refugee program plan.
- e. There is another community resource available to provide the services or a similar service free of charge to the client that will meet the client's needs.
- f. Funding is not available to provide the service.
- g. The person receiving service has been in the United States more than 60 months and the services the person is receiving do not include referral or interpretation services.

61.8(3) Reduction. A service may be reduced when the department determines any of the following apply:

- a. Continued provision of service at its current level is not necessary. The department will determine the level to which the service may be reduced without jeopardizing the client's continued progress toward achieving or maintaining the goal.
- b. Another community resource is available to provide the same or similar service to the client, at no financial cost to the client, that will meet the client's need.
- c. Funding is not available to continue the service at the current level. The client will be reassessed to determine the level of service to be provided.

61.8(4) Notice of adverse action. In case of an action to terminate, reduce, or deny services, the department will give timely or adequate notice to the person or persons affected pursuant to 441—Chapter 16.

441—61.10(217) Refugee resettlement moneys. Money that is made available to the refugee sponsor for financial assistance in resettling the refugee unit must be spent in accordance with financial requirements and approved expenditures of the department, United States Department of State, and the state of Iowa comptroller and must go toward the benefit of the refugee unit.

441—61.11(217) Unaccompanied refugee minors program. The department administers the unaccompanied refugee minors program under 441—Chapters 156, 112 through 116, and 202 and by federal guidelines provided by the United States Department of Health and Human Services (August 1, 2024). In consultation with other resettlement agencies, the director of the ORR determines the number of unaccompanied minors to be resettled in Iowa pursuant to 45 CFR 400 (June 7, 2022). Resettlement agencies will not bring unaccompanied minors into Iowa without the authorization of the director.

441—61.12(217) Targeted assistance grants. “Targeted assistance grants” means United States Department of Health and Human Services formula allocation funding granted to the department for assistance to counties where, because of factors such as unusually large refugee populations (including secondary migration), high refugee concentrations, and high use of public assistance by refugees, there exists and can be demonstrated a specific need for supplementation of available resources for services to refugees.

61.12(1) Administration of targeted assistance grants. The department will make 95 percent of the total award available to the designated county except when the designated county has agreed to let the department administer the targeted assistance grant in its stead.

61.12(2) Eligibility for services under targeted assistance grants. Services funded by targeted assistance grants are limited to refugees who reside in the designated county.

61.12(3) *Services and limitations for services funded by targeted assistance grants.* Rules of 441—Chapter 61 are applicable to services funded by targeted assistance grants, except for subrules 61.5(5) and 61.6(1).

- (1) Cash assistance recipients, particularly long-term recipients.
- (2) Unemployed refugees who are not receiving cash assistance.

These rules are intended to implement Iowa Code sections 217.6 and 217.41 and chapter 622A.
