

**HUMAN SERVICES DEPARTMENT[441]**

**Adopted and Filed**

**Rulemaking related to special supplemental nutrition program  
for women, infants, and children**

The Department of Health and Human Services hereby adopts new Chapter 67, “Special Supplemental Nutrition Program for Women, Infants, and Children (WIC),” Iowa Administrative Code.

*Legal Authority for Rulemaking*

This rulemaking is adopted under the authority provided in Iowa Code section 234.6(1)“f.”

*State or Federal Law Implemented*

This rulemaking implements, in whole or in part, 2023 Iowa Acts, Senate File 514; 42 U.S.C. Section 1786; and 7 CFR Part 246.

*Purpose and Summary*

This rulemaking was undertaken in response to Executive Order 10. The rules are also being moved from agency number [641] to agency number [441] pursuant to 2023 Iowa Acts, Senate File 514. The WIC program must follow United States Department of Agriculture (USDA) regulations. States do have some flexibility in how some of the federal regulations are implemented—the Iowa Administrative Code can provide more Iowa-specific practices; however, the USDA regulations would take precedence.

*Public Comment and Changes to Rulemaking*

Notice of Intended Action for this rulemaking was published in the Iowa Administrative Bulletin on December 11, 2024, as **ARC 8537C**. A public hearing was held on the following date(s):

- January 14, 2025
- January 17, 2025

No one attended the public hearings. No public comments were received.

Slight changes from the Notice have been made. The Department replaced the term “food” with the term “benefits” in two instances within a table to be consistent with other terminology used within the table. In addition, the Department added reference to its standard notice provision in 441—Chapter 16. In addition, minor punctuation and numbering changes were made.

*Adoption of Rulemaking*

This rulemaking was adopted by the Department on April 4, 2025.

*Fiscal Impact*

This rulemaking has no fiscal impact to the State of Iowa.

*Jobs Impact*

After analysis and review of this rulemaking, no impact on jobs has been found.

*Waivers*

Any person who believes that the application of the discretionary provisions of this rulemaking would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 441—Chapter 6.

*Review by Administrative Rules Review Committee*

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rulemaking by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rulemaking at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

*Effective Date*

This rulemaking will become effective on July 1, 2025.

The following rulemaking action is adopted:

ITEM 1. Adopt the following **new** 441—Chapter 67:

CHAPTER 67

*a.* A product shall meet the federal regulations governing the WIC food package.

b. If a vendor offers specialty eggs for retail sale, the vendor shall maintain an inventory of conventional eggs for retail sale sufficient to meet federal and state requirements for participation in the WIC program.

c. Products will be evaluated for use in the Iowa WIC program based on nutrient content, packaging, container size, labeling, availability to wholesale distributors, cost, and participant preference. The state reserves the right to limit the number of foods, infant formulas, exempt infant formulas, and WIC-eligible nutritionals for the WIC-approved food list based on accessibility, availability, retail value of product, USDA recommendations, increased number of WIC participants, changes in appropriation of funds and administrative efficiency.

d. The approved food list provides more specifics on what is allowed or not allowed for each of the WIC-approved foods.

e. In addition to the criteria specified above, the department reserves the right to make changes to the criteria or further restrict the number and types of brands of any products in order to contain the cost of the food package through competitive procurement of rebate contracts or other similar means.

f. The department reserves the right to discontinue specific brand names and products if the cost is administratively burdensome for that particular product.

g. The department reserves the right to add or delete products pursuant to federal regulations.

#### **441—67.5(135) Education.**

**67.5(1)** Participants who are high risk, as defined in the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024) shall be seen by a licensed dietitian as described in the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024) with a care plan developed as described in the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024).

**441—67.9(135) State monitoring of contract agencies.** At minimum, one of the persons from the department responsible for reviewing a contract agency shall be a licensed dietitian.

**441—67.10(135) Civil rights.** The Iowa WIC program shall operate in compliance with state and federal regulations and FNS Instruction 113-1 (as amended to August 1, 2024) to ensure the rights of all individuals under the WIC program.

g. When a participant improperly received benefits as a result of intentionally making a false or misleading statement(s) or intentionally misrepresenting, concealing, or withholding facts or sells or attempts to sell benefits the participant received from the WIC program and is disqualified from the WIC program, the participant may be required to make restitution of the cash value of the improperly received or used WIC benefits. (2) If the participant chooses a repayment plan for claims, the department will assist in developing a payment schedule. If the participant has not paid the department directly within 30 days of the notice of restitution and disqualification, the department will pursue collection of the dollar amount owed and benefits will be discontinued until the claim is paid.

i. When a disqualification period has ended, the individual disqualified may be reinstated if the individual's certification period is still current. If the individual's certification period is not current, the individual will need to complete a certification appointment.

**67.11(2) Vendor violations.** There are five types of sanctions that are applied to vendors for violations of WIC program regulations: nonpayment of food instruments, issuance of violation points, temporary disqualification, permanent disqualification, and civil money penalties (CMPs).

a. Nonpayment of food instruments. If the vendor has been terminated from the WIC program and submits a claim, it will be fully denied.

b. Administrative and procedural violation points. Administrative and procedural violations are offenses to the provisions of the Iowa WIC Vendor Agreement and Handbook (as amended to August 1, 2024) that do not rise to the level of fraud against the WIC program or its participants.

(1) These violations are an indication of a vendor's inattention to or disregard of the requirements of the WIC vendor agreement. It is in the department's interest to record and consider these violations when considering whether to continue its contractual relationship with the vendor.

(2) One or more transactions prior to notification of the vendor constitute only one violation if they contain the same error.

(3) The assignment of violation points does not limit the department’s right to effect stronger penalties and sanctions in cases in which there is evidence of an intentional or systematic practice of abusing or defrauding the Iowa WIC program.

e. A vendor will be disqualified from being a WIC vendor for six years pursuant to 7 CFR Section 246.12(l)(1)(ii) (as amended to August 1, 2024).

f. The department will impose mandatory vendor sanctions pursuant to 7 CFR Section 246.12(l)(1)(i) (as amended to August 1, 2024).

g. The following does not have a point value but shall result in or extend a disqualification period:

For each month in which a vendor accepts WIC food instruments during a disqualification period, the disqualification period shall be extended by 30 days.

h. The above sanctions notwithstanding, the state of Iowa reserves the right to seek civil and criminal prosecution of WIC vendors for any and all instances of dealing in stolen or lost food instruments, trading cash and other inappropriate commodities for food instruments, or cases in which there exists evidence of a clear business practice to improperly obtain WIC funds or other practices meeting the definition of fraud as defined in 7 CFR Part 246 (as amended to August 1, 2024) or the Iowa Code.

*i.* A vendor shall not be entitled to receive any compensation for revenues lost as a result of any temporary or permanent disqualification.

When the department determines that an offense has occurred, a disqualification letter with supporting documentation is prepared for the WIC director's signature. The disqualification letter identifies the specific offenses that the vendor is charged with and the procedures for filing an appeal. Voluntary withdrawal from the Iowa WIC Program Vendor Agreement and Handbook to avoid a sanction is not allowed.

*k.* The department is responsible for issuing all warning and disqualification letters. Contract agencies are informed of all vendor correspondence regarding violations. In situations where participant violations are also involved, the contract agency is responsible for follow-up, as detailed in subrule 73.19(1).

*l.* Disqualification from the WIC program may result in disqualification as a retailer in SNAP pursuant to 7 CFR Section 246.12(h)(3)(xxvi) (as amended to August 1, 2024), 7 CFR Section 246.18(b)(1) (as amended to August 1, 2024), and 7 CFR Section 246.12(l)(1)(xi) (as amended to August 1, 2024).

*m.* The department will disqualify a vendor who has been disqualified from SNAP pursuant to 7 CFR Section 246.12(l)(1)(vii) (as amended to August 1, 2024) and 7 CFR Section 246.12(l)(1)(ix) (as amended to August 1, 2024).

*n.* CMPs.

(1) When the department determines that a CMP shall be imposed in lieu of disqualification for reasons specified under paragraph 73.19(2)“*f*” or “*m*,” it shall use the civil money penalty formula in accordance with 7 CFR Section 246.12(k)(1)(x) (as amended to August 1, 2024) to determine the CMP.

(2) If a vendor does not pay, only partially pays, or fails to timely pay a CMP, the department will disqualify the vendor for the length of the disqualification corresponding to the violation for which the CMP was assessed. “Failure to timely pay a CMP” includes the failure to pay a CMP in accordance with an installment plan approved by the department.

(3) Money received by the state WIC agency as a result of CMPs or fines assessed against a vendor and any interest charged in the collection of these penalties and fines shall be considered as WIC program income.

These rules are intended to implement 42 U.S.C. Section 1786 and Iowa Code section 234.6(1).
