

HUMAN SERVICES DEPARTMENT[441]

Adopted and Filed

Pursuant to the authority of 2009 Iowa Code Supplement section 29C.20A(2), the Department of Human Services amends Chapter 58, “Emergency Assistance,” Iowa Administrative Code.

These amendments add a voucher system for the administration of benefits under the Iowa Disaster Aid Individual Assistance Grant Program as directed by the Iowa General Assembly. Program rules had required that applicants for assistance first purchase the goods or services they need for disaster recovery and then present receipts for reimbursement. This requirement presented a barrier to applicants who have insufficient resources to make the purchases. Issuance of assistance through a purchase voucher to the seller of goods or services enables applicants to replace or repair items without an initial outlay of funds.

These amendments require the county board of supervisors to designate a local administrative entity to administer a voucher system for issuing state individual disaster assistance to county residents. The designated entity must enter into a contract with the Department for determining eligibility of applicants, issuing vouchers to eligible applicants to purchase needed goods and services, and receiving reimbursement from the Department for the voucher purchases. There is no reimbursement for the administrative expenses of the local administrative entity.

These amendments do not provide for waivers in specified situations. Management of a voucher system for residents of a county affected by a disaster is best achieved locally.

These amendments were also Adopted and Filed Emergency and were published in the Iowa Administrative Bulletin on October 6, 2010, as **ARC 9128B**. Notice of Intended Action to solicit comments on the amendments was published on the same date as **ARC 9129B**. The Department received no comments on the Notice of Intended Action during the designated comment period.

The Department has added Items 3 and 5 to make technical changes to:

- Replace the word “reimbursement” with “assistance” to reflect the fact that aid may now be issued through vouchers, and
- Correct the address for submitting an appeal request to the Department.

The Council on Human Services adopted these amendments on December 8, 2010.

These amendments are intended to implement 2009 Iowa Code Supplement section 29C.20A as amended by 2010 Iowa Acts, House File 2294.

These amendments shall become effective on March 1, 2011, at which time the Adopted and Filed Emergency amendments are rescinded.
