Notice of Intended Action

Proposing rule making related to testing imported poultry
and providing an opportunity for public comment

The Agriculture and Land Stewardship Department hereby proposes to amend Chapter 65, “Animal and Livestock Importation,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is proposed under the authority provided in Iowa Code section 163.1.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 163.1.

Purpose and Summary

Currently, the Department relies on National Poultry Improvement Plan (NPIP) testing standards to control certain poultry diseases to protect flocks in the state.

This proposed rule making allows the Department to recognize other programs that are equivalent to the NPIP as meeting the Pullorum-Typhoid and Mycoplasma gallisepticum testing requirements for international imports.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 21—Chapter 8.

Public Comment

Any interested person may submit written comments concerning this proposed rule making. Written comments in response to this rule making must be received by the Department no later than 4:30 p.m. on March 29, 2022. Comments should be directed to:

Colin Tadlock
Iowa Department of Agriculture and Land Stewardship
Wallace State Office Building
502 East 9th Street
Des Moines, Iowa 50319
Phone: 515.281.7808
Email: colin.tadlock@iowaagriculture.gov

Public Hearing

No public hearing is scheduled at this time. As provided in Iowa Code section 17A.4(1)“b,” an oral presentation regarding this rule making may be demanded by 25 interested persons, a governmental
subdivision, the Administrative Rules Review Committee, an agency, or an association having 25 or more members.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

The following rule-making action is proposed:

Amend subrule 65.11(3) as follows:

65.11(3) Testing.
   a. Pullorum-typhoid test.
      (1) An official negative test for pullorum-typhoid is required within 30 days of importation for domestic fowl or live poultry or for the flock from which hatching eggs originate unless exempted pursuant to 65.11(3)”a”(2).
      (2) Exemptions to the test requirements. No test is required for the following:
         1. Imported domestic fowl, live poultry or hatching eggs originating from flocks classified under provisions of the NPIP, or an equivalent program as determined by the department, as pullorum-typhoid clean.
         2. Exotic birds or other pet birds.
         3. Poultry consigned directly to a recognized slaughter establishment.
   b. Mycoplasma gallisepticum test—turkeys. Live turkeys or turkey hatching eggs for importation must originate from a flock that has been tested annually and can be classified as U.S. mycoplasma gallisepticum clean as provided by the NPIP or an equivalent program as determined by the department. Turkeys consigned directly to a recognized slaughter establishment are not affected by this subrule.

**Fiscal Impact**

**Jobs Impact**

NATURAL RESOURCE COMMISSION[571]

Notice of Intended Action

Proposing rule making related to deer hunting
and providing an opportunity for public comment

Legal Authority for Rule Making

This rule making is proposed under the authority provided in Iowa Code sections 455A.5(6)“a,” 481A.39 and 481A.48.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 481A.38, 481A.39 and 481A.48.
Purpose and Summary

Chapters 94 and 106 govern deer hunting by nonresidents and residents in the state of Iowa. Collectively, these chapters regulate deer hunting and set forth season dates, bag limits, possession limits, shooting hours, areas open to hunting, licensing procedures, means and methods of take, and transportation and reporting requirements.

This rule making proposes one amendment to Chapter 94 and three amendments to Chapter 106. First, license requirements for nonresident hunters under the age of 16 are clarified in Chapter 94 by directly citing Iowa Code section 483A.24(8). This statute allows persons under the age of 16 to have only a nonresident deer hunting license for deer hunting. Other nonresidents must purchase a deer hunting license along with a general hunting license and pay the wildlife habitat fee. Second, Monroe County is added to Chapter 106’s list of counties eligible for a January antlerless-deer-only season. Third, antlerless-deer-only county quotas are modified to increase harvest in central and southern Iowa, where the wild herd is above population goals. Conversely, quotas are modified for far western Iowa to decrease harvest where populations are below goals and hunter effort is waning. Lastly, centerfire rifles .240 to .350 are added to the list of approved rifles for the January antlerless-deer-only season.

Fiscal Impact

This rule making has no negative fiscal impact to the State of Iowa. A copy of the fiscal impact statement is available from the Department of Natural Resources (Department) upon request.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found. A copy of the jobs impact statement is available from the Department upon request.

Waivers

This rule is subject to the waiver provisions of 571—Chapter 11. Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Commission for a waiver of the discretionary provisions, if any.

Public Comment

Any interested person may submit written comments concerning this proposed rule making. Written comments in response to this rule making must be received by the Department no later than 4:30 p.m. on March 29, 2022. Comments should be directed to:

Every hunter, except as authorized by Iowa Code section 483A.24(8), must have in possession a valid nonresident deer license, a valid nonresident hunting license, and proof that the hunter has paid the current year’s wildlife habitat fee when hunting, possessing, or transporting deer. No person, while hunting deer, shall carry or have in possession any license or transportation tag issued to another person. No one who is issued a deer hunting license and transportation tag shall allow another person to use or possess that license or transportation tag while deer hunting or tagging a deer.

**ITEM 2.** Amend subrule 106.1(6) as follows:

106.1(6) January antlerless-deer-only licenses. EDUCATIONAL EXAMINERS BOARD[282]

Adopted and Filed Emergency

Rule making related to paraeducator substitute authorization

The Educational Examiners Board hereby amends Chapter 24, “Paraeducator Certificates,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 272.2.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 272.2.

Purpose and Summary

This amendment will allow the Director of the Board to grant permission for a paraeducator to serve as a substitute teacher outside of the paraeducator’s assigned special education classroom based on documented need.

Reason for Adoption of Rule Making Without
Prior Notice and Opportunity for Public Participation

Pursuant to Iowa Code section 17A.4(3), the Board finds that notice and public participation are unnecessary or impractical because emergency adoption was approved by the Administrative Rules Review Committee. This emergency adoption also provides a benefit, since it will have a positive impact on schools that are currently utilizing paraeducators in this manner under the public emergency proclamation.

In compliance with Iowa Code section 17A.4(3)“a,” the Administrative Rules Review Committee at its February 15, 2022, meeting reviewed the Board’s determination and this rule making and approved the emergency adoption.

Reason for Waiver of Normal Effective Date

Pursuant to Iowa Code section 17A.5(2)“b”(1)(b), the Board also finds that the normal effective date of this rule making, 35 days after publication, should be waived and the rule making made effective on February 16, 2022, because the Governor’s Emergency Proclamation expires and the new rule confers a benefit, since it will have a positive impact on schools that are currently utilizing paraeducators in this manner under the public emergency proclamation.

Adoption of Rule Making

This rule making was adopted by the Board on February 14, 2022. This rule making was adopted by the Board to be effective upon the expiration of the Governor’s Emergency Proclamation on February 16, 2022, and after approval of the Administrative Rules Review Committee.

Concurrent Publication of Notice of Intended Action

In addition to its adoption on an emergency basis, this rule making has been initiated through the normal rule-making process and is published herein under Notice of Intended Action as ARC 6228C to allow for public comment.
This rule making has no fiscal impact to the State of Iowa.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Board for a waiver of the discretionary provisions, if any, pursuant to 282—Chapter 6.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rule making became effective on February 16, 2022.

The following rule-making action is adopted:

Amend subrule 24.4(9) as follows:

24.4(9) Paraeducator substitute authorization. An individual who holds a paraeducator certificate and completes the substitute authorization requirements set forth in rule 282—22.2(272) but who does not meet the degree requirement in 282—subparagraph 22.2(1)”a”(2) is authorized to substitute only in the special education classroom in which the individual paraeducator is employed, unless emergency permission is granted by the executive director or designee based on documented need provided by the employer.

Adopt the following new 61—Chapter 38:

CHAPTER 38
ASSURANCE OF VOLUNTARY COMPLIANCE

61—38.1(714) Assurance of voluntary compliance. In any case where the attorney general has authority to institute a civil action or proceeding pursuant to Iowa Code section 714.16(7), in lieu thereof, the attorney general may accept an assurance of voluntary compliance with respect to any method, act or practice deemed to be in violation of the Iowa consumer fraud Act from any person who has engaged in, is engaging in, or was about to engage in such method, act or practice. Such assurance may, among other terms, include a stipulation for the voluntary payment by such person of the costs of investigation, the voluntary payment of a civil penalty, or an amount to be held in escrow pending the outcome of an action or as restitution to aggrieved consumers, or both. Matters thus closed may at any time be reopened by the attorney general for further proceedings in the public interest.

An assurance entered into pursuant to this rule shall not be considered an admission of a violation, provided that violation of such an assurance shall be treated as a violation of Iowa Code section 714.16, and shall be subjected to all the penalties and remedies provided therefor. A finding by a court that a violation of such assurance of voluntary compliance has occurred shall establish a prima facie case that the person subject thereto knows, or in the exercise of due care should know, that the person has in the past violated or is intentionally violating the provisions of this chapter.

ECONOMIC DEVELOPMENT AUTHORITY[261]

Adopted and Filed

Rule making related to angel investor tax credits

The Economic Development Authority hereby amends Chapter 115, “Tax Credits for Investments in Qualifying Businesses and Community-Based Seed Capital Funds,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 15.106A and 15E.43.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 15E.43 and 15E.44.

Purpose and Summary

Tax credits for investments in qualifying businesses and community-based seed capital funds, also known as angel investor tax credits, are administered by the Authority pursuant to Iowa Code chapter 15E, subchapter V. A taxpayer may receive a tax credit of 25 percent of the taxpayer’s equity investment in Iowa businesses that meet criteria established in Iowa Code section 15E.44.

This rule making clarifies the processes for businesses and investors to participate in the program and eliminates references to provisions related to community-based seed capital funds that were repealed in 2015. These amendments set a cut-off date for the waitlist maintained by the Authority for applications received in excess of the $2 million-per-year aggregate allocation for the program. Only applications received on or before March 31, 2022, will be placed on a waitlist. After that date, applicants may
submit applications only during designated periods established by the Authority for fiscal years in which tax credits are available. These amendments also address applications received in excess of calendar year caps for investments in one qualifying business or by a natural person and that person’s spouse or dependents.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on January 12, 2022, as ARC 6140C. No public comments were received. No changes from the Notice have been made.

Adoption of Rule Making

This rule making was adopted by the Authority Board on February 18, 2022.

Fiscal Impact

A fiscal impact cannot be determined. It is unknown what impact eliminating the waitlist will have on utilization of the program.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Authority for a waiver of the discretionary provisions, if any, pursuant to 261—Chapter 199.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

a. In the case of investments made on or after July 1, 2011, and before July 2, 2015, the amount of tax credit available to a taxpayer under this rule is equal to 20 percent of the taxpayer’s equity investment in either a qualifying business or community-based seed capital fund. In the case of investments made on or after July 2, 2015, the amount of tax credit available to a taxpayer under this rule is equal to 25 percent of the taxpayer’s equity investment in a qualifying business.

b. In the case of investments made on or after July 1, 2011, and before July 2, 2015, the maximum amount of a tax credit for an investment by an investor in any one qualifying business shall be $50,000. Each year, an investor, and all affiliates of that investor, shall not claim tax credits under this rule for more than five different investments in five different qualifying businesses. In the case of investments made on or after July 2, 2015, the maximum amount of tax credit that may be issued per calendar year to a natural person and the person’s spouse or dependent shall not exceed $100,000 combined. For purposes of this paragraph, a tax credit issued to a partnership, limited liability company, S corporation, estate, or trust electing to have income taxed directly to the individual shall be deemed to be issued to the individual owners based upon the pro rata share of the individual’s earnings from the entity. For purposes of this paragraph, “dependent” has the same meaning as provided by the Internal Revenue Code. Applications received by the authority that exceed the maximum amount of tax credits per calendar year to a natural person and the person’s spouse or dependent will be denied by the board, regardless of whether the investment was otherwise eligible to receive a tax credit award. Any application that can be partially approved without exceeding the maximum amount in this paragraph will be approved as to the portion less than the maximum amount and denied as to the portion greater than the maximum amount. For example, if an application is eligible for $50,000 of tax credits, but there is only $30,000 of the household maximum amount available, the application will be approved for $30,000 and denied for $20,000.

e. Investments in community-based seed capital funds.

(1) An investor in a community-based seed capital fund shall receive a tax credit pursuant to this rule only for the investor’s investment in the community-based seed capital fund and shall not receive any additional tax credit for the investor’s share of investments in a qualifying business made by the community-based seed capital fund or in an Iowa-based seed capital fund which has at least 40 percent of its committed capital subscribed by community-based seed capital funds. However, an investor in a community-based seed capital fund may receive a tax credit under this rule with respect to a separate direct investment made by the investor in the same qualifying business in which the community-based seed capital fund invests.

(2) Paragraph “e.” only applies to investments in community-based seed capital funds made on or after July 1, 2011, and before July 2, 2015.
The maximum amount of tax credits that may be issued per calendar year for equity investments in any one qualifying business shall not exceed $500,000. Applications received by the authority that exceed the maximum amount of tax credits per calendar year in any one qualifying business will be denied by the board, regardless of whether the investment was otherwise eligible to receive a tax credit award. Any application that can be partially approved without exceeding the maximum amount in this paragraph will be approved as to the portion less than the maximum amount and denied as to the portion greater than the maximum amount. For example, if an application is eligible for $50,000 of tax credits, but there is only $30,000 of the business maximum amount available, the application will be approved for $30,000 and denied for $20,000.

115.1(5) 115.1(4) Claiming an investment tax credit. A taxpayer that makes an investment in a qualifying business or community-based seed capital fund and that otherwise meets the requirements of this chapter will receive a board-approved tax credit certificate from the authority. To claim the credit, the taxpayer must attach include the certificate to with a tax return filed with the department of revenue. For more information on claiming the tax credit, see department of revenue rules 701—42.22(15E,422), 701—52.21(15E,422), and 701—58.11(15E,422). See also 2015 Iowa Acts, chapter 138, division XX.

115.1(6) Tax credits for pass-through entities. If the taxpayer that is entitled to a tax credit for an investment in a community-based seed capital fund or a qualifying business is a pass-through entity electing to have its income taxed directly to its individual owners, such as a partnership, limited liability company, S corporation, estate or trust, the pass-through entity must allocate the allowable credit to each of the individual owners of the entity on the basis of each owner’s pro-rata share of the earnings of the entity, and the individual owners may claim their respective credits on their individual income tax returns.

115.1(7) Refundability for certain tax credits. For a tax credit claimed against the taxes imposed in Iowa Code chapter 422, division II, any tax credit in excess of the tax liability is refundable. In lieu of claiming a refund, the taxpayer may elect to have the overpayment shown on the taxpayer’s final, completed return credited to the tax liability for the following tax year.

115.1(8) Carryforward period for certain tax credits. For a tax credit claimed against the taxes imposed in Iowa Code chapter 422, divisions III and V, and in Iowa Code chapter 432, and against the money and credits tax imposed in Iowa Code section 533.329, any tax credit in excess of the taxpayer’s liability for the tax year may be credited to the tax liability for the following three years or until depleted, whichever is earlier.

115.1(9) Carryback of credits prohibited. A tax credit shall not be carried back to a tax year prior to the tax year in which the taxpayer redeems the tax credit.

ITEM 6. Rescind rule 261—115.5(15E) and adopt the following new rule in lieu thereof:

261—115.5(15E) Certification of qualifying businesses.

115.5(1) Application for certification. Within 120 days from the first date on which the equity investments qualifying for investment tax credits have been made, a qualifying business shall apply to the authority for certification as a qualifying business as prescribed by the authority. Investments made more than 120 days prior to receipt by the authority of a substantially complete application for certification shall not be eligible for a tax credit. The application for certification will include the following information:

a. A description of the general nature of the business’s operations, the location of the principal business operations, the date on which the business was formed, and the date on which the business commenced operations;

b. A balance sheet that reflects the qualifying business’s assets, liabilities and owner’s equity as of the close of the most recent month or quarter;

d. The names, addresses, shares or equity interests issued, consideration paid for the shares or equity interests, and amounts of any tax credits of all shareholders or equity holders who may initially qualify for the tax credits and the date on which the investment was made. The application shall contain a commitment by the qualifying business to amend its list of investors as may be necessary from time to time to reflect new equity interests or transfers in equity among current equity holders or as any other information on the list may change. Applications for tax credits for investments that are not reflected on
the most recent listing of investors provided to the authority shall not be eligible for tax credits until an amended list is provided by the qualifying business;

e. A signed statement from an officer, director, manager, member, or general partner of the qualifying business certifying the accuracy of the information provided; and

f. Any other information as the authority may reasonably require to determine the business’s eligibility for certification as a qualifying business and its investors’ eligibility to receive tax credits.

115.5(2) Eligibility for certification as a qualifying business. A business shall meet all of the following criteria to be eligible for certification as a qualifying business:

a. The principal business operations of the business are located in the state of Iowa;

b. The business has been in operation for six years or less, as measured from the date of the investment for which a credit is claimed;

c. The business is participating in an entrepreneurial assistance program. The authority may waive this requirement if a business establishes that its owners, directors, officers, and employees have an appropriate level of experience such that participation in an entrepreneurial assistance program would not materially change the prospects of the business. The authority may consult with outside service providers in consideration of such a waiver;

d. The business is not a business engaged primarily in retail sales, real estate, or the provision of health care services or other services requiring a professional license. In determining whether a business is primarily engaged in retail sales, factors the authority will consider include, but are not limited to, the sources of the business’s revenue, whether the business manufactures a product it sells, and whether the business owns intellectual property associated with a product it sells;

e. The business does not have a net worth that exceeds $10 million as of the date of the investment for which the credit is claimed; and

f. The business shall have secured all of the following at the time of application for tax credits:

(1) At least two investors.

(2) Total equity financing, binding equity investment commitments, or some combination thereof, equal to at least $500,000 from investors. For purposes of paragraph 115.5(2) “'investor’ includes a person that executes a binding investment commitment to a business.

115.5(3) Authority review and notice of certification.

a. Upon the authority’s receipt of the information and documentation necessary to demonstrate satisfaction of the criteria set forth in subrule 115.5(2), the authority shall, within a reasonable period of time, determine whether a business shall be certified as a qualifying business and, if applicable, issue written notification to the qualifying business that such business has been certified with the authority for the purpose of issuing investment tax credits. The notice shall indicate that such certification is subject to revocation or expiration pursuant to subrule 115.5(4). The authority will indicate in its written notice the first date investments are eligible for a tax credit based on the date of application for certification and the date the authority expects the certification to expire based on the date the business began operations.

b. The authority will only accept applications for investment tax credits from investors in qualifying businesses that have received a written notice of certification.

115.5(4) Revocation and expiration of certification.

d. A certified qualifying business must notify the authority as soon as it becomes aware of any changes in its eligibility as a qualifying business or in the eligibility of its investors to receive tax credits. A certified qualifying business shall provide any information as the authority may reasonably request to confirm the business’s continued eligibility for certification as a qualifying business and the eligibility of its investors to receive tax credits.

b. If a qualifying business fails to meet or maintain any requirement set forth in this chapter, the authority shall revoke the business’s certification as a qualifying business by issuing written notification of revocation to the business. If applicable, the notification shall identify the last date on which the
business was eligible to be certified as a qualifying business. Investments made after the identified date will not be eligible for a tax credit.

c. If a business continues to satisfy all eligibility requirements until it has been in operations for more than six years, the business’s certification will expire on the date identified as the expected date of expiration pursuant to paragraph 115.5(2)“a.” Investments made after the identified date will not be eligible for a tax credit.

ITEM 7. Amend rule 261—115.6(15E) as follows:

261—115.6(15E) Approval, issuance and distribution of investment tax credits.

115.6(1) Approval by the board. Upon verification and registration certification by the authority of a qualifying business or community-based seed capital fund and approval of the taxpayer’s application, the board will approve the issuance of a tax credit certificate to the taxpayer applying for the tax credit.

115.6(2) Issuance by the authority. Upon approval by the board, the authority shall issue a tax credit certificate to the applicant, provided, however, that such tax credit certificate shall be subject to rescission pursuant to rule 261—115.9(15E). In the case of investments made on or after July 2, 2015, the authority will not issue a tax credit certificate prior to July 1, 2016.

115.6(3) Preparation of certificate. The tax credit certificate shall be prepared by the authority in a form approved by the board and shall contain the taxpayer’s name, address, and tax identification number, the amount of credit, the name of the qualifying business or community-based seed capital fund, the year in which the credit may be redeemed and any other information that may be required by the department of revenue. In addition, the tax credit certificate shall contain the following statement:

Neither the authority nor the board has recommended or approved this investment or passed on the merits or risks of such investment. Investors should rely solely on their own investigation and analysis and seek investment, financial, legal and tax advice before making their own decision regarding investment in this enterprise.

115.6(4) Tax credit amount limitations. The aggregate amount of tax credits issued per fiscal year pursuant to this chapter shall not exceed the amount allocated by the board pursuant to Iowa Code section 15.119, subsection 2. For fiscal year 2012 and all subsequent fiscal years, that amount is $2 million. In any one calendar year, the amount of tax credits issued for any one qualifying business shall not exceed $500,000.

If, during any fiscal year during which tax credits are to be issued under this chapter, applications totaling more than the maximum amounts are received and approved, the applications will be carried forward and prioritized to receive tax credit certificates on a first-come, first-served basis in subsequent fiscal years.

When carrying forward and prioritizing such applications, the authority shall (1) issue tax credit certificates to the taxpayers for such carryover tax credits before issuing any new tax credits to later applicants, and (2) apply the aggregate amount of the credits carried over against the total amount of tax credits to be issued during the subsequent fiscal year before approving or issuing additional tax credits.

115.6(5) Waitlist for applications received on or before March 31, 2022.

a. If the maximum aggregate amount of tax credits is awarded in a given fiscal year, investors who are determined eligible for a tax credit but were not awarded a tax credit shall be placed on a waitlist in the order the applications are received. Applications that are placed on a waitlist shall be given priority for receiving tax credits in succeeding fiscal years. Placement on a waitlist pursuant to this paragraph shall not constitute a promise binding the state. The availability of a tax credit and issuance of a tax credit certificate pursuant to this rule in a future fiscal year is contingent upon the availability of tax credits in that particular fiscal year or years. This subrule shall apply only to applications received on or before March 31, 2022.

b. Any application that can be partially approved without exceeding the maximum aggregate amount of tax credits will be approved as to the portion less than the maximum aggregate amount and placed on a waitlist as to the portion greater than the maximum aggregate amount. For example, if an
application is eligible for $50,000 of tax credits, but there is only $30,000 of the maximum aggregate amount available, the application will be approved for $30,000 and placed on a waitlist for $20,000.

115.6(6) Applications received on or after April 1, 2022.

a. Applications for tax credits received on or after April 1, 2022, will not be placed on a waitlist if the maximum aggregate amount of tax credits is awarded in a given fiscal year.

b. Beginning on or after April 1, 2022, the authority will identify an application period, or periods, on the authority’s Internet site at www.iowaeda.com for each fiscal year in which an allocation of tax credits is available and has not been fully utilized by applications previously placed on a waitlist pursuant to subrule 115.6(5). Only applications submitted during the established filing window will be reviewed for eligibility by the authority. Each identified application period will remain open until the date indicated by the authority for that fiscal year.

c. Applications received on or after April 1, 2022, in excess of the maximum aggregate amount of tax credits for the fiscal year in which they are received will be denied by the board, regardless of whether the investment was otherwise eligible to receive a tax credit award.

d. Any application that can be partially approved without exceeding the maximum aggregate amount of tax credits will be approved as to the portion less than the maximum aggregate amount and denied as to the portion greater than the maximum aggregate amount. For example, if an application is eligible for $50,000 of tax credits, but there is only $30,000 of the maximum aggregate amount available, the application will be approved for $30,000 and denied for $20,000.

ITEM 8. Amend rule 261—115.7(15E) as follows:

261—115.7(15E) Claiming the tax credits. To claim a tax credit under this chapter, a taxpayer must attach to include with that taxpayer’s tax return a certificate issued pursuant to this chapter when the return is filed with the department of revenue. For more information on claiming tax credits, see department of revenue rule rules 701—42.22(15E,422), 701—52.21(15E,422), and 701—58.11(15E,422). In the case of tax credits issued for investments made on or after July 2, 2015, a taxpayer shall not claim a tax credit at the department of revenue prior to September 1, 2016.

ITEM 9. Amend rule 261—115.8(15E) as follows:

261—115.8(15E) Notification to the department of revenue. Upon the issuance and distribution of investment tax credits for a tax year, the authority shall promptly notify the department of revenue by providing copies of the tax credit certificates issued for such tax year to the department of revenue. Such notification shall also include, but not be limited to, the aggregate number and amount of tax credits issued for the tax year.

ITEM 10. Amend rule 261—115.9(15E) as follows:

261—115.9(15E) Rescinding tax credits. In the event that a qualifying business fails to meet or maintain any requirement set forth in this chapter, the authority, upon action by the board, shall rescind any tax credit certificates issued to taxpayers for investments made after the date as of which the business’s certification was revoked or expired and shall notify the department of revenue that it has done so. A tax credit certificate that has been rescinded by the authority shall be null and void, and the department of revenue will not accept the tax credit certificate.

115.9(1) Rescission of credits for investments in qualifying businesses.

a. In the case of investments made on or after January 1, 2014, within the 24 months from the first date on which the equity investments qualifying for investment tax credits have been made, a qualifying business shall have secured total equity or near equity financing equal to at least $250,000. The business shall provide to the authority information and documentation sufficient to demonstrate that the business has secured total equity or near equity financing equal to at least $250,000 and that such financing was secured within the 24 months required by this rule and shall do so by the equity deadline. For purposes of this subrule, “equity deadline” shall be the next June 30 following the end of the calendar year in which the qualifying business is required to have secured total equity
or near-equity financing equal to at least $250,000. For example, a qualifying business in which equity investments qualifying for investment tax credits were made in 2011 shall have an equity deadline of June 30, 2014. Examples of sufficient information and documentation include, but are not limited to, the following:

(1) Corporate, partnership or limited liability company-certified resolutions setting forth the names of individuals or entities making capital contributions and the amounts of such capital contributions;

(2) Certified corporate, partnership, or limited liability company minutes reflecting the names of individuals or entities making capital contributions and the amounts of such capital contributions.

b. On or by the equity deadline, a qualifying business shall certify to the authority, by a statement signed by an officer, director, member, manager, or general partner of the qualifying business, that it secured the requisite amount of equity financing required by this rule within 24 months from the date on which the equity investments qualifying for investment tax credits were made and shall recertify to the authority that the qualifying business continues to meet the requirements set forth in subrule 115.5(1).

c. In the event that a qualifying business fails to meet or maintain any requirement set forth in this rule, including, without limitation, timely filing of the certifications described in paragraph 115.9(1) “b.” the authority, upon action by the board, shall rescind any tax credit certificates issued to those taxpayers and shall notify the department of revenue that it has done so. A tax credit certificate that has been rescinded by the authority shall be null and void, and the department of revenue will not accept the tax credit certificate. In addition, the authority shall remove the qualifying business from the registry and shall issue written notification of such removal to the qualifying business and the applicants.

115.9(2) Rescission of credits for investments in community-based seed capital funds.

a. A community-based seed capital fund shall have invested at least 33 percent of its invested capital in one or more separate qualifying businesses on or by the last day of the 48-month period that commences with the fund’s investing activities.

b. On or by the last day of the 48-month period described in paragraph 115.9(2) “a.” a community-based seed capital fund shall certify to the board, by a statement signed by an officer, director, member, manager, or general partner of the community-based seed capital fund, that it has met the requirements of this rule within the time period prescribed by this subrule and shall recertify to the board that the community-based seed capital fund continues to meet the requirements set forth in subrule 115.5(2).

c. In the event that a community-based seed capital fund fails to meet or maintain any requirement set forth in this subrule, including, without limitation, timely filing of the certifications described in paragraph 115.9(2) “b.” the authority, upon action of the board, shall rescind any tax credit certificates issued to limited partners or members and shall notify the department of revenue that it has done so. A tax credit certificate that has been rescinded by the authority shall be null and void, and the department of revenue will not accept the tax credit certificate. In addition, the authority shall remove such community-based seed capital fund from the registry and shall issue written notification of such removal to the community-based seed capital fund and the applicants.

d. Notwithstanding paragraphs 115.9(2) “a” to “c.” a community-based seed capital fund may apply to the authority for a one-year waiver from the requirements of this rule. The authority shall, upon review of a community-based seed capital fund’s application for waiver, exercise reasonable discretion in granting or denying such waiver. In the event that the authority grants to a community-based seed capital fund a one-year waiver from the requirements of this rule, the authority shall defer any rescission of the tax credit certificates until the expiration of such one-year waiver period. If the community-based seed capital fund meets the requirements of this rule by the expiration of such one-year waiver period, the tax credit certificates shall not be rescinded. However, the tax credit certificates shall be rescinded at the end of such one-year waiver period if such requirements have not been met.

ITEM 11. Amend subrule 115.10(1) as follows:

115.10(1) Additional information. The authority may at any time request additional information and documentation from a qualifying business or community-based seed capital fund regarding the operations, job creation and economic impact of such qualifying business or community-based seed

Rule making related to mental health and disability services regional service fund

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 225C.6 and 225C.7A.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 225C.7A.

Purpose and Summary

2021 Iowa Acts, Senate File 619, division XXV, section 106, created a General Fund standing appropriation to the Department for distribution to the mental health and disability services (MHDS) regions through performance-based contracts and created a regional incentive fund. The Department will make quarterly regional service system payments to an MHDS region combined account.

This rule making amends MHDS regional finance rules to describe the requirements and process for regions to certify with the Department the amount of the ending fund balance from the previous year. Ending balance limitations and supplemental payment withholdings are defined. These amendments also implement the criteria and reporting instructions for eligible financial encumbrances. Revisions are made to the regional incentive fund rules to include linkages to performance-based contract criteria. These amendments also outline the requirements and goals for performance-based contracts between the Department and the MHDS regions.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on December 29, 2021, as ARC 6115C. No public comments were received. No changes from the Notice have been made.

Adoption of Rule Making

This rule making was adopted by the MHDS Commission on February 17, 2022.

Fiscal Impact

Payments from the mental health and disability services regional service fund will be based on the per capita funding levels authorized in 2021 Iowa Acts, Senate File 619. Senate File 619 appropriated $3 million to the regional incentive fund for state fiscal year 2022. Future incentive fund revenues cannot be estimated at this time due to the uncertainty of future county fund balances and the amounts that counties will be required to send back to the fund.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.
Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to rule 441—1.8(17A,217).

Rule making related to diabetic education programs

The Human Services Department hereby amends Chapter 78, “Amount, Duration and Scope of Medical and Remedial Services,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 249A.4.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 249A.4.

Purpose and Summary

This rule making eliminates the “once per lifetime” policy for diabetic education for Medicaid members. This change will allow a Medicaid member to receive additional timely education in order to manage the Medicaid member’s diabetes. In many cases, once-in-a-lifetime education is not adequate for treatment, especially with the prevalence of diabetes in the national population. The Department has already been paying for more than one education series for some members, and this change will allow the rule to match the current practice. Members will continue to need a provider’s referral for the education.

Rule making related to decrease in minimum occupancy limitation used for reimbursement calculation

The Human Services Department hereby amends Chapter 81, “Nursing Facilities,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 249A.4.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 249A.4 and 2021 Iowa Acts, House File 891, division VII, section 39.

Purpose and Summary

The current rule requires that patient days in nursing facilities for purposes of the calculation of per diem for administrative, environmental, and property expenses shall be the greater of actual patient days or 85 percent of the licensed capacity of the facility. In accordance with 2021 Iowa Acts, House File 891, division VII, section 39, these amendments decrease the minimum occupancy limitation to 70 percent because of concerns that providers will continue to experience a decrease in nursing facility occupancy due to the public health emergency. The cost reports for 2022 fiscal year ending (FYE) will be used in the rebase for state fiscal year (SFY) 2024 rates.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on December 15, 2021, as ARC 6097C. No public comments were received. No changes from the Notice have been made.

Fiscal Impact

These amendments are for SFY 2024 and SFY 2025, and the cost report data are not yet available. Therefore, the fiscal impact cannot be determined. There will be no impact in SFY 2022 or SFY 2023.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

REVENUE DEPARTMENT[701]

Adopted and Filed

Rule making related to tuition and textbook tax credit

The Revenue Department hereby amends Chapter 42, “Adjustments to Computed Tax and Tax Credits,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code section 422.68.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 422.12 as amended by 2021 Iowa Acts, House File 847, sections 7 and 8.

Purpose and Summary

This rule making implements statutory changes related to eligibility for the tuition and textbook tax credit and the rate of the credit. 2021 Iowa Acts, House File 847, increased the tax credit rate to 25 percent of the first $2,000 of eligible expenses from 25 percent of the first $1,000 of eligible expenses for tax years beginning on or after January 1, 2021. The legislation also expanded eligibility for the credit to taxpayers whose dependents receive private instruction. Previously, the credit was limited to taxpayers whose dependents attend a public or private elementary or secondary school in Iowa.

The rule making clarifies that a tuition or textbook expense must be required for attendance by an elementary or secondary school in Iowa or for attendance for dependents receiving private instruction to be eligible for the credit. The rule making provides a list of examples of tuition items that may be eligible for the credit. The rule making also adds examples of extracurricular expenses that will or will not qualify for the credit.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on October 20, 2021, as ARC 5990C. A public hearing was held on November 15, 2021, via videoconference.

The Department received four public comments. The comments all stated that the Department’s proposed amendments were contrary to the intent of the statutory change, were not practical to administer, and may have been confusing to taxpayers.

Several changes from the Notice have been made. Language specifically requiring tuition or textbook expenses to be those required by an accredited elementary or secondary school in subrules 42.4(1) and 42.4(2) has been removed. Also, language was added in subrule 42.4(3) to clarify that expenses in the enumerated examples will qualify for the credit both for taxpayers whose dependents attend school and for taxpayers whose dependents receive private instruction. Additionally, two references to 2021 Iowa Acts, House File 847, have been removed since the amendments in the legislation have been codified in the 2022 Iowa Code.

Adoption of Rule Making

This rule making was adopted by the Department on February 16, 2022.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa beyond that of the legislation it is intended to implement.

**Jobs Impact**

After analysis and review of this rule making, no impact on jobs has been found.

**Waivers**

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to rule 701—7.28(17A).

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting. meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rule making will become effective on April 13, 2022.

The following rule-making action is adopted:

Amend rule 701—42.49(422) as follows:

701—42.49(422) Volunteer fire fighter, volunteer emergency medical services personnel member, and reserve peace officer tax credit. Effective for tax years beginning on or after January 1, 2013, a tax credit is available for individual income tax for volunteer fire fighters and volunteer emergency medical services (EMS) personnel. Effective for tax years beginning on or after January 1, 2014, a tax credit is available for individual income tax for volunteer fire fighters, volunteer emergency medical services (EMS) personnel members, and reserve peace officers.

42.49(1) Definitions. The following definitions are applicable to this rule:

“Emergency medical services personnel member” or “EMS personnel member” means an emergency medical care provider, as defined in Iowa Code section 147A.1, who is certified as a first responder in accordance with Iowa Code chapter 147A. For tax years beginning on or after January 1, 2014, “emergency medical services personnel member” or “EMS personnel member” also includes an individual who is a paid employee of an emergency medical services program and who is also a volunteer emergency medical services personnel member in a city, county, or area governed by an agreement pursuant to Iowa Code chapter 28E.

“Reserve peace officer” means a reserve peace officer as defined in Iowa Code section 80D.1A who has met the minimum state training standards established by the Iowa law enforcement academy in accordance with Iowa Code chapter 80D.

“Volunteer fire fighter” means a volunteer fire fighter, as defined in Iowa Code section 85.61, who has met the minimum training standards established by the fire service training bureau pursuant to Iowa Code chapter 100B. For tax years beginning on or after January 1, 2014, “volunteer fire fighter” means an individual who is an active member of an organized volunteer fire department in Iowa or is performing services as a volunteer fire fighter for a municipality, township, or benefited fire district at the request of the chief or other person in command and who has met the minimum training standards established by the fire service training bureau pursuant to Iowa Code chapter 100B. For tax years beginning on or after January 1, 2014, a volunteer fire fighter also includes an individual who is a paid employee of a fire department and who is also a volunteer fire fighter in a city, county, or area governed by an agreement pursuant to Iowa Code chapter 28E.

42.49(2) Calculation of the credit.

a. The credit is equal to $50 for the tax year beginning January 1, 2013, if the volunteer fire fighter or volunteer EMS personnel was a volunteer for the entire year. The credit is equal to $100 for tax years beginning on or after January 1, 2014, if the volunteer fire fighter, volunteer EMS personnel or reserve peace officer was a volunteer for the entire year. $250 for tax years beginning on or after January 1, 2021, if the volunteer fire fighter, volunteer EMS personnel member, or reserve peace officer was a volunteer for the entire year. The credit is equal to $50 for tax year 2013 and $100 for tax years 2014 through 2020.

b. If the individual was not a volunteer fire fighter or volunteer EMS personnel for the entire 2013 calendar year, the $50 credit is prorated based on the number of months the individual was a volunteer. Beginning in the 2014 calendar year, if the individual was not a volunteer fire fighter, volunteer EMS personnel or reserve peace officer for the entire year, the $100 credit is prorated based on the number of months the individual was a volunteer. Fire fighter, volunteer EMS personnel member, or reserve peace officer for the entire calendar year, the credit is prorated based on the number of months the individual was a volunteer. If the individual was a volunteer during any part of a month, the individual will be considered a volunteer for the entire month. The amount of credit will be rounded to the nearest dollar.
REVENUE DEPARTMENT[701](cont’d)

EXAMPLE: An individual became a volunteer fire fighter on April 15, 2021, and remained a volunteer for the rest of calendar year 2021. The individual is considered a volunteer for nine months of 2021. The tax credit for 2021 is equal to $38 $188 (\$50 - \$250 multiplied by 9/12 equals \$37.50 = \$187.50; rounding to the nearest dollar results in a \$38 \$188 credit).

- If an individual holds more than one volunteer position as a volunteer fire fighter, and a volunteer EMS personnel member, or a reserve peace officer during the same month, a credit can be claimed for only one volunteer position for that month. Therefore For example, if an individual was both a volunteer fire fighter and volunteer EMS personnel member for all of 2021, the tax credit will equal \$50 - \$250. In addition, beginning in calendar year 2014, if a reserve peace officer is also either a volunteer fire fighter or a volunteer EMS personnel, a credit can be claimed for only one volunteer position for that month.

42.49(3) Verification of eligibility for the tax credit. An individual is required to have a written statement from the fire chief or other appropriate supervisor verifying that the individual was a volunteer fire fighter or volunteer EMS personnel member for the months for which the tax credit is being claimed. Beginning with the 2014 tax year, an individual who is a reserve peace officer must have a written statement from the chief of police, sheriff, commissioner of public safety, or other appropriate supervisor verifying that the individual was a reserve peace officer for the months for which the tax credit is being claimed. The written statement does not have to be attached to a tax return claiming the credit. However, the individual department may be requested to request that the individual provide the written statement upon request by the department.

This rule is intended to implement Iowa Code section 422.12 as amended by 2014 Iowa Acts, House File 2459.

The amendments incorporate legislative changes to the vehicle registration and titling process, as well as to motor vehicle equipment requirements. 2021 Iowa Acts, Senate File 173, section 1, amended Iowa Code section 633A.4604 by clarifying the required contents of a certification of trust, which is created for the purpose of demonstrating the existence of a trust and can be used by the Department when registering or
titling a vehicle subject to a trust. 2021 Iowa Acts, Senate File 444, section 4, amended Iowa Code section 322.19A by eliminating a provision from the Iowa Code that would have reduced by $25 the documentary fee a person pays when purchasing a vehicle from a dealer upon the Department’s implementation of the Electronic Registration and Titling (ERT) system. 2021 Iowa Acts, Senate File 342, section 53, amended Iowa Code section 321.438 by exempting persons operating motor vehicles owned or leased by federal, state or local law enforcement agencies from Iowa’s window tinting laws.

Rule making related to salvage titles

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 307.12 and 321.52 as amended by 2021 Iowa Acts, Senate File 230, section 1.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 321.52 as amended by 2021 Iowa Acts, Senate File 230, section 1.

Purpose and Summary

This rule making updates Chapters 400 and 405 to conform these rules with 2021 Iowa Acts, Senate File 230, section 1. This legislation increased the threshold for issuing a salvage title designation if the cost of repair of a wrecked or salvage motor vehicle exceeds 50 percent of the fair market value of the vehicle to instead require the cost of repair to exceed 70 percent of the fair market value. The amendments preserve the “damage over 50 percent” standard in Chapter 405 for wrecked or salvage vehicles that were transferred prior to July 1, 2021, and also clarify the process for when a damage disclosure statement that is separate from the damage disclosure on the assignment of title will be accepted from a transferor or transferee of the vehicle.

The amendments also update parenthetical implementation statutes and remove bureau names.
TRANSPORTATION DEPARTMENT[761](cont’d)

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on December 1, 2021, as ARC 6066C. The public comment period ended on December 21, 2021. The Department received comments from Copart and Insurance Auto Auctions, Inc., and met with them to discuss their concerns.

The amendments published in the Notice of Intended Action provided that the Department would confirm the damage level through the National Motor Vehicle Title Information System (NMVTIS). However, this wording was not entirely accurate because while NMVTIS may provide information about the damage history, it is not the source used to directly determine the vehicle’s damage level. Rather, the damage level of the vehicle is confirmed by using data obtained from the entity with direct knowledge of the damage, which can include the insurance provider or motor vehicle repair facility. For this reason, the Department did not adopt paragraph 400.55(3)“c” and revised paragraph 400.55(3)“b” to remove the previous references to using NMVTIS to confirm the damage level of a vehicle and to instead state that the damage level will be confirmed by reaching out to the entity with direct knowledge of the damage. The Department also added language to clarify that prior Iowa titles or foreign titles issued or designated as salvage, rebuilt or flood are not subject to review under paragraph 400.53(3)“b” because further review or confirmation of damage is not necessary for these designated titles.

The reference to 2021 Iowa Acts, Senate File 230, section 1, in Item 1 has been removed because this legislation has been codified since publication of the Notice. Similarly, Item 8 of the Notice has been removed because it amended the chapter implementation sentence for Chapter 405 by adding a reference to 2021 Iowa Acts, Senate File 230, section 1. Now that this legislation has been codified, there is no need to amend the chapter implementation sentence.

Adoption of Rule Making

This rule making was adopted by the Department on February 8, 2022.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa beyond any impact anticipated by the legislation.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to 761—Chapter 11.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its regular monthly meeting or at a special meeting. The Committee’s meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

Effective Date

This rule making will become effective on April 13, 2022.

The following rule-making actions are adopted:
ITEM 1. Amend rule 761—400.55(321) as follows:

761—400.55(321) Damage disclosure statement.

400.55(1) and 400.55(2) No change.

400.55(3) If the transferor completes the damage disclosure on the assignment of title at the time of application for title, a transferor or transferee of a vehicle may submit a separate damage disclosure statement, Form 411108, indicating the damage level of the vehicle and whether the damage level exceeds 70 percent.

a. If the transferor signs both the damage disclosure on the assignment of title and the separate damage disclosure statement, Form 411108, the county treasurer shall accept the separate damage disclosure statement.

b. If the transferee signs the separate damage disclosure statement, Form 411108, the county treasurer shall accept the separate damage disclosure statement only if the separate damage disclosure statement indicates the damage level exceeds 70 percent. If the transferee’s statement indicates the damage level is less than 70 percent, and there is no evidence that a prior Iowa title or foreign title was issued or designated as salvage, rebuilt or flood, the department shall review the transaction to confirm the damage level using data obtained from the insurance provider, motor vehicle repair facility, or other entity with direct knowledge of the damage.

This rule is intended to implement Iowa Code section sections 321.52 and 321.69.

ITEM 2. Amend rule 761—405.2(321), parenthetical implementation statute, as follows:

761—405.2(321) Definitions.

ITEM 3. Amend subparagraph 405.6(1)“a”(1) as follows:

(1) Has repair costs exceeding 50 70 percent of its fair market value before it became damaged, and

ITEM 4. Amend paragraph 405.6(1)“b” as follows:

b. Fair market value is the average retail value found in the National Automobile Dealers Association (NADA) Official Used Car Guide. If there is no value available, the motor vehicle and carrier services division shall determine the fair market value upon request. The address is: Motor Vehicle and Carrier Services Bureau Division, Iowa Department of Transportation, P.O. Box 9278, Des Moines, Iowa 50306-9278.

ITEM 5. Amend subrule 405.8(5) as follows:

405.8(5) Desination carried forward. If a vehicle leaves Iowa with a regular Iowa title and reenters Iowa with a regular foreign title, and if the foreign title does not indicate that the vehicle was rebuilt and if a records check indicates that the vehicle had a designation listed in paragraphs 405.10(1) “a” to “e,” through “f,” that designation shall be carried forward to the Iowa title and registration receipt issued from the foreign title.

ITEM 6. Amend subrule 405.9(1) as follows:

405.9(1) Determine if the vehicle ever had or should have had a “prior salvage,” “rebuilt,” “damage over 50 percent,” “damage over 70 percent,” “flood,” “fire,” “vandalism,” “theft,” “lemon buy-back,” or equivalent designation(s) on a previous title. If such a designation is or should have been on a previous title, the Iowa title to be issued shall contain the designation required by this chapter.

ITEM 7. Amend rule 761—405.10(321) as follows:

761—405.10(321) Designations.

405.10(1) The following designations for a vehicle shall be used on Iowa titles and registrations receipts and shall be carried forward to all subsequent Iowa titles and registration receipts issued for the vehicle, unless otherwise specified:

a. and b. No change.
c. Damage over 50 percent. The designation shall be used for applicable vehicle transfers occurring prior to July 1, 2021, and shall be carried forward for applicable vehicle transfers occurring prior to July 1, 2021.

d. Damage over 70 percent. As required by Iowa Code section 321.69, a designation of “damage over 70 percent” shall be used when the seller or the buyer indicates on the damage disclosure statement that the person has knowledge that the motor vehicle sustained damage for which the cost of the repair exceeded 70 percent of the fair market value before the motor vehicle became damaged. This designation replaces any other designation except “rebuilt.”

e. Flood, fire, vandalism or theft. The most recent designation applies. Unless superseded by a “REBUILT-IA,” “rebuilt,” “damage over 50 percent” or “damage over 70 percent” designation, a designation of “flood,” “fire,” “vandalism” or “theft” shall be used as specified in subrule 405.8(6) and supersedes a “lemon buy-back” designation.

f. Lemon buy-back. Unless superseded by a “REBUILT-IA,” “rebuilt,” “damage over 50 percent,” “damage over 70 percent,” “flood,” “fire,” “vandalism” or “theft” designation, a designation of “lemon buy-back” shall be used:

(1) and (2) No change.

405.10(2) No change.

Rule making related to persons with disabilities parking permits

The Transportation Department hereby amends Chapter 411, “Persons with Disabilities Parking Permits,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 307.12 and 321L.8.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code chapter 321L.

Purpose and Summary

This rule making relates to persons with disabilities (PWD) parking permits and aligns with existing legal authority and Department practice and eliminates outdated or irrelevant requirements or options.

The rule defining a medical provider’s statement of disability is amended to align with Iowa Code section 321L.2, which requires a medical provider’s statement of disability to be on the medical provider’s stationery. The amendments clarify that stationery can include any communication, electronic or otherwise, that the Department can reasonably identify as originating from the applicant’s medical provider, which aligns with current Department practice and streamlines PWD parking permit application processing.

The rule outlining the requirements for a PWD parking sticker is amended to clarify that a PWD sticker is not intended to be placed on a PWD license plate because placing a PWD sticker on a PWD license plate would be redundant.
The amendments to the PWD parking permit application requirements align with Iowa Code requirements. These amendments allow the Department to accept a PWD parking permit application without the social security number, driver’s license number, or nonoperator’s identification card number of a person with a disability if the application is made on behalf of a person less than one year old. They also require a PWD parking permit application submitted by an organization to include both the name of the organization and the name of the authorized representative of the organization on the application, and they clarify that a PWD parking permit that is no longer being used may be returned to the Department, any driver’s license service center, or any law enforcement office.
