Purpose and Summary

This proposed rulemaking adds a reporting requirement enacted by 2026 Iowa Acts, House File 2754 and makes a technical terminology change.

Analysis of Impact

1. Persons affected by the proposed rulemaking:

• **Classes of persons that will bear the costs of the proposed rulemaking:**

There are no known costs of this proposed rulemaking. There were no Fiscal Notes provided for the relevant portions of the underlying Iowa Acts.

• **Classes of persons that will benefit from the proposed rulemaking:**

Students, teachers, and parents will benefit from the transparency concerning open enrollment decision making that the proposed rulemaking provides.

2. Impact of the proposed rulemaking, economic or otherwise, including the nature and amount of all the different kinds of costs that would be incurred:

• **Quantitative description of impact:**

There is no known quantitative impact.

- **Qualitative description of impact:**

The proposed rulemaking will align with underlying statutory requirements.

3. **Costs to the State:**

- **Implementation and enforcement costs borne by the agency or any other agency:**

Implementation costs are expected to be minimal and absorbed within existing agency resources.

- **Anticipated effect on State revenues:**

The proposed rulemaking is not anticipated to have a direct effect on State revenues.

4. **Comparison of the costs and benefits of the proposed rulemaking to the costs and benefits of inaction:**

The underlying legislation requires rulemaking.

5. **Determination whether less costly methods or less intrusive methods exist for achieving the purpose of the proposed rulemaking:**

The underlying legislation requires rulemaking.

6. **Alternative methods considered by the agency:**

- **Description of any alternative methods that were seriously considered by the agency:**

No other methods were seriously considered by the Department since the underlying legislation requires rulemaking.

- **Reasons why alternative methods were rejected in favor of the proposed rulemaking:**

Alternative methods were rejected. The underlying legislation requires rulemaking.

Small Business Impact

If the rulemaking will have a substantial impact on small business, include a discussion of whether it would be feasible and practicable to do any of the following to reduce the impact of the rulemaking on small business:

- Establish less stringent compliance or reporting requirements in the rulemaking for small business.
- Establish less stringent schedules or deadlines in the rulemaking for compliance or reporting requirements for small business.
- Consolidate or simplify the rulemaking's compliance or reporting requirements for small business.
- Establish performance standards to replace design or operational standards in the rulemaking for small business.
- Exempt small business from any or all requirements of the rulemaking.

If legal and feasible, how does the rulemaking use a method discussed above to reduce the substantial impact on small business?

The proposed rulemaking is not expected to have an impact on small business.
