Purpose and Summary

This proposed chapter provides procedures for the issuance of evaluator licenses. The Board proposes removing duplicative statutory language.

Analysis of Impact

1. Persons affected by the proposed rulemaking:
- Classes of persons that will bear the costs of the proposed rulemaking:

Required fees are paid by applicants.
- Classes of persons that will benefit from the proposed rulemaking:

Iowans in general will benefit from the proposed rulemaking.

2. Impact of the proposed rulemaking, economic or otherwise, including the nature and amount of all the different kinds of costs that would be incurred:
- Quantitative description of impact:

Required fees are paid by applicants. Fees are required for all Board operations.
- Qualitative description of impact:

The Board discerns no qualitative impact.

3. Costs to the State:
- Implementation and enforcement costs borne by the agency or any other agency:

The Board bears the cost of compliance.
- Anticipated effect on state revenues:

There is no effect on state revenues.

4. Comparison of the costs and benefits of the proposed rulemaking to the costs and benefits of inaction:

This chapter provides required procedures for the issuance of evaluator licenses.

5. Determination whether less costly methods or less intrusive methods exist for achieving the purpose of the proposed rulemaking:

The Board bears the cost of compliance. Rules for licensure are required.

6. Alternative methods considered by the agency:

- Description of any alternative methods that were seriously considered by the agency:

The Board determined that the chapter is required but that the language could be significantly reduced.

- Reasons why alternative methods were rejected in favor of the proposed rulemaking:

There is a benefit to the public of having information about licensure requirements.

Small Business Impact

If the rulemaking will have a substantial impact on small business, include a discussion of whether it would be feasible and practicable to do any of the following to reduce the impact of the rulemaking on small business:

- Establish less stringent compliance or reporting requirements in the rulemaking for small business.
- Establish less stringent schedules or deadlines in the rulemaking for compliance or reporting requirements for small business.
- Consolidate or simplify the rulemaking's compliance or reporting requirements for small business.
- Establish performance standards to replace design or operational standards in the rulemaking for small business.
- Exempt small business from any or all requirements of the rulemaking.

If legal and feasible, how does the rulemaking use a method discussed above to reduce the substantial impact on small business?

There is no effect on small business.

Text of Proposed Rulemaking

ITEM 1. Rescind 282—Chapter 19 and adopt the following **new** chapter in lieu thereof:

CHAPTER 19
EVALUATOR ENDORSEMENT AND LICENSE

282—19.1(256) Evaluator endorsement and license. This endorsement or this license authorizes services as required by Iowa Code section 284.10.

282—19.2(256) Evaluator endorsement. To obtain this authorization as an endorsement on an administrator or evaluator license, an applicant will complete the requirements as specified in rule 281—83.4(284).

282—19.3(256) Evaluator license. Applicants may apply for the five-year evaluator license upon completion of the evaluator training required in Iowa Code section 284.10. An individual holding the evaluator license may convert this license to an endorsement on an administrator license. The fee for this conversion process will equal the fee for license renewal.

282—19.4(256) Holder of permanent professional certificate. The holder of the permanent professional certificate with an administrator endorsement will also hold a valid evaluator license if the person serves as an administrator who evaluates licensed personnel.

These rules are intended to implement Iowa Code chapters 256 and 284.
