Purpose and Summary

This proposed rulemaking rescinds Chapter 80 in accordance with the goals and directives of Executive Order 10 and adopts a new Chapter 80. Proposed Chapter 80 describes the authority and conduct of the Boiler and Pressure Vessel Board.

Analysis of Impact

1. Persons affected by the proposed rulemaking:

- Classes of persons that will bear the costs of the proposed rulemaking:

The Boiler and Pressure Vessel Board runs at minimal cost to anyone.

- Classes of persons that will benefit from the proposed rulemaking:

The public benefits from safe boilers and pressure vessels and from being able to request waivers and other relief from the Board.

2. Impact of the proposed rulemaking, economic or otherwise, including the nature and amount of all the different kinds of costs that would be incurred:

- Quantitative description of impact:

The Board frequently hears waiver requests.

- Qualitative description of impact:

No qualitative impact is discerned.

3. Costs to the State:

- Implementation and enforcement costs borne by the agency or any other agency:

The Board is a small cost for the agency.

- Anticipated effect on state revenues:

The is no anticipated effect on state revenues.

4. Comparison of the costs and benefits of the proposed rulemaking to the costs and benefits of inaction:

Inaction would result in less expertise and longer waits for necessary rule changes and waivers.

5. Determination whether less costly methods or less intrusive methods exist for achieving the purpose of the proposed rulemaking:

No less costly or less intrusive methods are known.

6. Alternative methods considered by the agency:

- Description of any alternative methods that were seriously considered by the agency:

No alternative methods were seriously considered.

- Reasons why alternative methods were rejected in favor of the proposed rulemaking:

Not applicable.

Small Business Impact

If the rulemaking will have a substantial impact on small business, include a discussion of whether it would be feasible and practicable to do any of the following to reduce the impact of the rulemaking on small business:

- Establish less stringent compliance or reporting requirements in the rulemaking for small business.
- Establish less stringent schedules or deadlines in the rulemaking for compliance or reporting requirements for small business.
- Consolidate or simplify the rulemaking's compliance or reporting requirements for small business.
- Establish performance standards to replace design or operational standards in the rulemaking for small business.
- Exempt small business from any or all requirements of the rulemaking.

If legal and feasible, how does the rulemaking use a method discussed above to reduce the substantial impact on small business?

The Board has no negative impact on small business.

Text of Proposed Rulemaking

ITEM 1. Rescind 875—Chapter 80 and adopt the following **new** chapter in lieu thereof:

BOILERS AND PRESSURE VESSELS

CHAPTER 80
BOILER AND PRESSURE VESSEL BOARD
ADMINISTRATIVE AND REGULATORY AUTHORITY

875—80.1(89) Definitions. The definitions contained in this rule apply to 875—Chapters 80 through 96.

"Board" means the boiler and pressure vessel board.

"Board office" means the offices of the department of inspections, appeals, and licensing.

"Department" means the department of inspections, appeals, and licensing.

"Director" means the director of the department of inspections, appeals, and licensing or the director's designee.

875—80.2(89) Authority of the board. The authority and responsibilities of the board include but are not limited to the following:

80.2(1) Adopting rules necessary to protect public safety and health and to administer the duties of the board.

80.2(2) Hearing and deciding appeals concerning boiler and pressure vessel inspection reports.

80.2(3) Establishing fees.

80.2(4) Establishing committees of the board.

875—80.3(89) Organization of board officers. The board shall elect a chairperson, vice chairperson, and secretary from its membership at the first meeting after July 1 of each year. Neither the commissioner nor the commissioner's designee may serve as chairperson. The chairperson presides at meetings, appoints committees, and performs all duties and exercises all powers of the chairperson. The vice chairperson, in the absence or incapacity of the chairperson, performs all duties and exercises all powers of the chairperson.

875—80.4(21,89) Public meetings.

80.4(1) The board shall hold at least one meeting each calendar quarter.

80.4(2) Board meetings are governed in accordance with Iowa Code chapter 21, and the board's proceedings are conducted in accordance with Robert's Rules of Order.

80.4(3) The chairperson or the chairperson's designee will prepare an agenda listing all matters to be discussed at the meeting.

80.4(4) A majority of the members of the board constitute a quorum, and all final motions and actions must receive a majority of a quorum vote.

80.4(5) Members of the public may be present during board meetings unless the board votes to hold a closed session in accordance with Iowa Code chapter 21. The dates and locations of board meetings may be obtained from the board's website or the board office.

80.4(6) At every regularly scheduled board meeting, time will be designated for public comment. During the public comment period, any person may speak for up to two minutes. Requests to speak for two minutes per person when a particular topic comes before the board may be granted at the discretion of the chairperson. The chairperson may limit total public comment time to ten minutes.

80.4(7) The person presiding at a meeting of the board may exclude a person from an open meeting for behavior that obstructs the meeting.

875—80.5(89) Official communications. All official communications, including submissions and requests, go to the Boiler and Pressure Vessel Board, Department of Inspections, Appeals, and Licensing, 6200 Park Avenue, Suite 100, Des Moines, Iowa 50321.

These rules are intended to implement Iowa Code chapters 21 and 89.
