Purpose and Summary

Chapter 15 governs hunting, fishing, and trapping license sales, fees, general administration, and a framework for license revocation and suspension. One amendment is proposed to implement 2025 Iowa Acts, Senate File 253, which creates a new lifetime fur harvester permit for disabled veterans.

Analysis of Impact

1. **Persons affected by the proposed rulemaking:**

- **Classes of persons that will bear the costs of the proposed rulemaking:**

Sportspersons who purchase the newly created lifetime fur harvester permit will bear the costs.

- **Classes of persons that will benefit from the proposed rulemaking:**

Sportspersons who purchase the newly created lifetime fur harvester permit will benefit.

2. **Impact of the proposed rulemaking, economic or otherwise, including the nature and amount of all the different kinds of costs that would be incurred:**

- **Quantitative description of impact:**

There is no economic impact or cost beyond what was anticipated by the Iowa Code change.

- **Qualitative description of impact:**

There is no qualitative impact beyond what was anticipated by the Iowa Code change.

3. **Costs to the State:**

- **Implementation and enforcement costs borne by the agency or any other agency:**

The Department currently provides management and oversight of fur harvesting in Iowa, and those services will not change due to the proposed rulemaking.

- **Anticipated effect on State revenues:**

The proposed rulemaking does not have any effect on State revenues beyond what was anticipated by the Iowa Code.

4. **Comparison of the costs and benefits of the proposed rulemaking to the costs and benefits of inaction:**

The public will benefit by including the cost of this newly created license in the list of other license fees. Inaction would be contrary to the Iowa Code and lack transparency to the public.

5. **Determination whether less costly methods or less intrusive methods exist for achieving the purpose of the proposed rulemaking:**

No less costly or less intrusive methods exist.

6. **Alternative methods considered by the agency:**

- **Description of any alternative methods that were seriously considered by the agency:**

No alternative methods were seriously considered by the agency.

- **Reasons why alternative methods were rejected in favor of the proposed rulemaking:**

Not applicable.

Small Business Impact

If the rulemaking will have a substantial impact on small business, include a discussion of whether it would be feasible and practicable to do any of the following to reduce the impact of the rulemaking on small business:

- Establish less stringent compliance or reporting requirements in the rulemaking for small business.
- Establish less stringent schedules or deadlines in the rulemaking for compliance or reporting requirements for small business.
- Consolidate or simplify the rulemaking's compliance or reporting requirements for small business.
- Establish performance standards to replace design or operational standards in the rulemaking for small business.
- Exempt small business from any or all requirements of the rulemaking.

If legal and feasible, how does the rulemaking use a method discussed above to reduce the substantial impact on small business?

The proposed rulemaking does not have any impact on small business.
