DIVISION 1
GAMING REPRESENTATIVE, GAMING BOARD, AND BOARD OF STEWARDS

4.4(1) The gaming representative shall make decisions whether to approve applications for occupational licenses, in accordance with the rules and statutes.

a. Each decision denying a license for an occupational license shall be in writing. The decision must contain a brief explanation of the reason for the decision, including a reference to the statute or rule serving as the basis for the decision.

b. Rescinded IAB 2/5/03, effective 3/12/03.

d. Upon the filing of a timely and perfected appeal, the applicant has the right to a contested case proceeding, as set forth supra in these rules.

4.4(2) The gaming representative or the administrator’s designee shall monitor, supervise, and regulate the activities of occupational, pari-mutuel racetrack, sports wagering, fantasy sports contest, gambling game, excursion gambling boat, and gambling structure licensees. A gaming representative or the administrator’s designee may investigate any questionable conduct by a licensee for any violation of the rules or statutes. A gaming representative or the administrator’s designee may refer an investigation to the gaming board upon suspicion that a licensee or nonlicensee has committed a violation of the rules or statutes.

a. A gaming representative shall make a referral to the gaming board in writing. The referral shall make reference to rules or statutory provisions at issue and provide a factual basis supporting the violation.

b. The gaming representative making the referral to the gaming board, or a designee of the gaming board, shall appear before the gaming board at the hearing to provide any information requested by the board.

4.4(3) A gaming representative or the administrator’s designee shall summarily suspend an occupational license when a licensee has been formally arrested or charged with a crime that would disqualify the licensee, if convicted, from holding a license and the gaming representative or the administrator’s designee determines that the licensee poses an immediate danger to the public health, safety, or welfare of the patrons, participants, or animals associated with a facility licensed under Iowa Code chapter 99D, 99E or 99F. Upon proof of resolution of a disqualifying criminal charge or formal arrest, regardless of summary suspension of a license, the gaming representative shall take one of the following courses of action:

a. If the license was summarily suspended and the charges are dismissed or the licensee is acquitted of the charges, the gaming representative shall reinstate the license.

b. If the licensee is convicted of the charges, the gaming representative shall deny the license.

c. If the licensee is convicted of a lesser charge, it is at the discretion of the gaming representative whether to reinstate or deny the license pursuant to 491—Chapter 6.

4.4(4) The gaming representative shall revoke the license of a person reported to the commission as having refused drug testing or as having a confirmed positive drug test result for a controlled substance, for a drug test conducted pursuant to Iowa Code section 730.5 or 99F.4(20).

491—4.5(99D,99E,99F) Gaming board—duties. The gaming board conducts informal hearings whenever the board has reasonable cause to believe that a licensee, an occupational licensee, or other persons have committed an act or engaged in conduct which is in violation of statute or commission rules. The hearings precede a contested case hearing and are investigative in nature. The following procedures will apply:

4.5(1) The gaming board shall consist of three gaming representatives, as assigned by the administrator. The administrator has the discretion to create more than one gaming board, to set terms for gaming board members, to assign alternates, and to make any decisions necessary for the efficient and effective operation of the gaming board. A gaming representative who has made a referral to the gaming board shall not sit on the board that makes a decision on the referral.

4.5(2) The administrator may designate an employee to act as gaming board coordinator. The gaming board coordinator shall have the power to assist and advise the gaming board through all aspects of the gaming board hearing process. The gaming board coordinator may review any referral from gaming representatives prior to setting the matter for hearing before the gaming board. The gaming board coordinator, in consultation with the administrator or the administrator’s designee, may return the referral to the initiating gaming representative if the information provided appears insufficient to establish a violation. The gaming board coordinator shall otherwise assist the gaming board in setting the matter for hearing.

4.5(3) The gaming board, upon receipt of a referral, may review the referral prior to the hearing. The gaming board may return a referral to the initiating gaming representative on its own motion prior to hearing if the information provided appears insufficient to establish a violation.

4.5(4) Upon finding of reasonable cause, the board shall schedule a hearing to which the license holder shall be summoned for the purpose of investigating suspected or alleged misconduct by the license holder, at which all board members or their appointed representatives shall be present in person or by teleconference. The license holder may request a continuance for good cause in writing not less than 24 hours prior to the hearing except in cases of unanticipated emergencies. The continuance need not necessarily stay any intermediate sanctions.

4.5(5) The notice of hearing given to the license holder shall give adequate notice of the time, place and purpose of the board’s hearing and shall specify by number the statutes or rules allegedly violated. If a license holder, after receiving adequate notice of a board meeting, fails to appear as summoned, the license holder will be deemed to have waived any right to appear and present evidence to the board.

4.5(6) The gaming board has complete and total authority to decide all issues concerning the process of the hearing. The gaming board shall recognize witnesses and either question the witnesses or allow them to give a narrative account of the facts relevant to the case. The gaming board has the right to request witnesses or additional documents that have not been submitted by the initiating gaming representative. The licensee has no right to present testimony, cross-examine witnesses, make objections, or present argument, unless specifically authorized by the gaming board.

4.5(7) It is the duty and obligation of every licensee to make full disclosure at a hearing before the board of any knowledge possessed regarding the violation of any rule, regulation or law concerning racing and gaming in Iowa. No person may refuse to testify before the board at any hearing on any relevant matter within the authority of the board, except in the proper exercise of a legal privilege. No person shall falsely testify before the board.

4.5(8) Persons who are not holders of a license or occupational license and who have allegedly violated commission rules or statute, or whose presence at a licensed facility is allegedly undesirable, are subject to the authority of the board and to any penalties, as set forth in rule 491—4.7(99D,99F).

4.5(9) The gaming board has the power to interpret the rules and to decide all questions not specifically covered by them. The board has the power to determine all questions arising with reference to the conduct of gaming, and the authority to decide any question or dispute relating to racing or gaming in compliance with rules promulgated by the commission or policies approved for licensees, and persons participating in licensed racing or gaming agree in so doing to recognize and accept that authority. The board may also suspend the license of any license holder when the board has reasonable
cause to believe that a violation of law or rule has been committed and that the continued performance of that individual in a licensed capacity would be injurious to the best interests of racing or gaming.

4.5(10) The gaming board shall enter a written decision after each hearing. The decision shall find whether there is a violation of the rules or statutes and, if so, shall briefly set forth the legal and factual basis for the finding. The decision shall also establish a penalty for any violation. The gaming board has the authority to impose any penalty as set forth in these rules.

4.5(12) Upon the filing of a timely and perfected appeal, the licensee has the right to a contested case proceeding, as set forth supra in these rules.

4.5(13) Informal settlements. A licensee may enter into a written stipulation representing an informed mutual consent with a gaming representative. This stipulation must specifically outline the violation and the penalty imposed. Stipulations must be approved by the gaming board. Stipulations are considered final agency action and cannot be appealed.

491—4.6(99D,99F) Stewards—licensing and regulatory duties.

4.6(1) The stewards shall make decisions whether to approve applications for occupational licenses, in accordance with the rules and statutes.

a. Each decision denying an application for an occupational license shall be in writing. The decision must contain a brief explanation of the reason for the decision, including a reference to the statute or rule serving as the basis for the decision.

b. Rescinded IAB 2/5/03, effective 3/12/03.

c. An applicant for an occupational license may appeal a decision denying the application. An appeal must be made in writing to the office of the stewards or the commission’s office in Des Moines. The appeal must be received within 72 hours of service of the decision. The appeal must contain numbered paragraphs and set forth the name of the person seeking review, the decision to be reviewed, separate assignments of error, clear and concise statement of relevant facts, reference to applicable statutes, rules or other authority, prayer setting forth relief sought and signature, name, address, and telephone number of the person seeking review or that person’s representative, or shall be on a form prescribed by the commission.

d. Upon the filing of a timely and perfected appeal, the applicant has the right to a contested case proceeding, as set forth supra in these rules.

4.6(2) The stewards shall monitor, supervise, and regulate the activities of occupational and pari-mutuel racetrack licensees. A steward may investigate any questionable conduct by a licensee for any violation of the rules or statutes. Any steward may refer an investigation to the board of stewards upon suspicion that a licensee or nonlicensee has committed a violation of the rules or statutes.

4.6(3) A steward shall summarily suspend an occupational license when a licensee has been formally arrested or charged with a crime that would disqualify the licensee, if convicted, from holding a license and the steward determines that the licensee poses an immediate danger to the public health, safety, or welfare of the patrons, participants, or animals associated with a facility licensed under Iowa Code chapter 99D or 99F. Upon proof of resolution of a disqualifying criminal charge or formal arrest, regardless of summary suspension of a license, the stewards shall take one of the following courses of action:

a. If the license was summarily suspended and the charges are dismissed or the licensee is acquitted of the charges, the stewards shall reinstate the license.

b. If the licensee is convicted of the charges, the stewards shall deny the license.

c. If the licensee is convicted of a lesser charge, it is at the discretion of the stewards whether to reinstate or deny the license pursuant to 491—Chapter 6.

4.6(4) The stewards may summarily suspend an occupational license in accordance with rule 491—4.47(17A).

4.6(5) Hearings before the board of stewards intended to implement Iowa Code section 99D.7(13) shall be conducted under the following parameters:
a. Upon finding of reasonable cause, the board shall schedule a hearing to which the license holder shall be summoned for the purpose of investigating suspected or alleged misconduct by the license holder. The license holder may request a continuance in writing for good cause not less than 24 hours prior to the hearing except in cases of unanticipated emergencies. The continuance need not necessarily stay any intermediate sanctions.

b. The notice of hearing given to the license holder shall give adequate notice of the time, place and purpose of the board’s hearing and shall specify by number the statutes or rules allegedly violated. If a license holder, after receiving adequate notice of a board meeting, fails to appear as summoned, the license holder will be deemed to have waived any right to appear and present evidence to the board.

c. The board has complete and total authority to decide the process of the hearing. The administrator may designate an employee to assist and advise the board of stewards through all aspects of the hearing process. The board shall recognize witnesses and either question the witnesses or allow them to give a narrative account of the facts relevant to the case. The board may request additional documents or witnesses before making a decision. The licensee has no right to present testimony, cross-examine witnesses, make objections, or present argument, unless specifically authorized by the board.

d. It is the duty and obligation of every licensee to make full disclosure at a hearing before the board of any knowledge possessed regarding the violation of any rule, regulation or law concerning racing and gaming in Iowa. No person may refuse to testify before the board at any hearing on any relevant matter within the authority of the board, except in the proper exercise of a legal privilege. No person shall falsely testify before the board.

e. Persons who are not holders of a license or occupational license and who have allegedly violated commission rules or statute, or whose presence at a track is allegedly undesirable, are subject to the authority of the board and to any penalties, as set forth in rule 491—4.7(99D,99F).

f. The board of stewards has the power to interpret the rules and to decide all questions not specifically covered by them. The board of stewards has the power to determine all questions arising with reference to the conduct of racing, and the authority to decide any question or dispute relating to racing in compliance with rules promulgated by the commission or policies approved for licensees, and persons participating in licensed racing or gaming agree in so doing to recognize and accept that authority. The board may also suspend the license of any license holder when the board has reasonable cause to believe that a violation of law or rule has been committed and that the continued performance of that individual in a licensed capacity would be injurious to the best interests of racing or gaming.

g. The board of stewards shall enter a written decision after each hearing. The decision shall state whether there is a violation of the rules or statutes and, if so, shall briefly set forth the legal and factual basis for the finding. The decision shall also establish a penalty for any violation. The board of stewards has the authority to impose any penalty, as set forth in these rules.

i. Upon the filing of a timely and perfected appeal, the licensee has the right to a contested case proceeding, as set forth supra in these rules.

4.6(6) A steward may eject and exclude any person from the premises of a pari-mutuel racetrack, excursion gambling boat, or gambling structure for any reason justified by the rules or statutes. The steward may provide notice of ejection or exclusion orally or in writing. The steward may define the scope of the exclusion to any degree necessary to protect the integrity of racing and gaming in Iowa. The steward may exclude the person for a certain or indefinite period of time.

4.6(7) The stewards shall have other powers and duties set forth in the statutes and rules, and as assigned by the administrator.

4.6(8) Informal settlements. A licensee may enter into a written stipulation representing an informed mutual consent with the stewards. This stipulation must specifically outline the violation and the penalty imposed. Stipulations must be approved by the board of stewards. Stipulations are considered final agency action and cannot be appealed.

491—4.7(99D,99E,99F) Penalties (gaming board and board of stewards). All penalties imposed will be promptly reported to the commission and facility or other licensed entity in writing. The board may impose one or more of the following penalties: eject and exclude an individual from a facility; revoke a license; suspend a license for up to five years from the date of the original suspension; place a license on probation; deny a license; impose a fine of up to $1000; or order a redistribution of a racing purse or the payment of or the withholding of a gaming payout. The board may set the dates for which the suspension must be served. The board may also suspend the license of any person currently under suspension or in bad standing in any other state or jurisdiction by a state racing or gaming commission. If the punishment so imposed is not sufficient, in the opinion of the board, the board shall so report to the commission.

4.7(1) Fines shall be paid within ten calendar days of receipt of the ruling, by the end of business hours, at any commission office. Nonpayment or late payment of a fine may result in an immediate license suspension. All fines are to be paid by the individual assessed the fine.

4.7(2) If the fine is appealed to the board, the appeals process will not stay the fine. The fine will be due as defined in subrule 4.7(1).

4.7(3) If the party is successful in the appeal, the amount of the fine will be refunded to the party as soon as possible after the date the decision is rendered.

4.7(4) Refunds due under subrule 4.7(3) will be mailed to the party’s current address on record.

4.7(5) When a racing animal or the holder of an occupational license is suspended by the board at one location, the suspension shall immediately become effective at all other facilities under the jurisdiction of the commission.

491—4.8(99D,99E,99F) Effect of another jurisdiction’s order. The commission or board may take appropriate action against a license holder or other person who has been excluded from a track or gaming establishment in another jurisdiction to exclude that person from any track or gaming establishment under the commission’s jurisdiction. Proceedings shall be conducted in the same manner as prescribed by these rules for determining misconduct on Iowa tracks or in gaming establishments and shall be subject to the same appeal procedures.

The commission and stewards shall have discretion to honor rulings from other jurisdictions regarding license suspension or revocation or the eligibility of contestants. Whenever the commission decides to honor an order from another jurisdiction, the commission representatives shall schedule a hearing at which the licensee shall be required to show cause as to why the license should not be suspended or revoked.

[ARC 4618C, IAB 8/28/19, effective 7/31/19]

491—4.9(99D,99E,99F) Service of administrative actions. Any administrative action taken against an applicant or occupational licensee shall be served on the applicant or occupational licensee by personal service or by certified mail with return receipt requested to the last-known address on the application.

4.9(1) If the applicant or licensee is represented by legal counsel, a copy of the written decision shall also be provided to legal counsel by regular mail. However, the applicant or licensee must still be served in accordance with this rule.

4.9(2) If the administrative action involves an alleged medication violation that could result in disqualification of a contestant, the stewards shall provide by regular mail notice of the hearing and all subsequent rulings to the owner of the contestant.

[ARC 4618C, IAB 8/28/19, effective 7/31/19]

491—4.10(99D,99E,99F) Appeals of administrative actions. A license applicant or an occupational licensee may appeal a denial, suspension or ruling. An appeal must be made in writing to the office of the gaming representative or the commission office in Des Moines. An appeal may also be filed by facsimile, electronic mail, or any other method as determined by the administrator. The appeal must be received within 72 hours of service of the decision and is not considered filed until received by the commission. For any appeal of a decision rendered pursuant to 491—paragraph 10.4(4)“d”(3)*1,” the appeal must
be received within 72 hours of any such decision and the standard of review will be abuse of discretion.
The appeal must contain numbered paragraphs and set forth the name of the person seeking review; the
decision to be reviewed; separate assignments of error; clear and concise statement of relevant facts;
reference to applicable statutes, rules or other authority; prayer setting forth relief sought; and signature,
name, address, and telephone number of the person seeking review or that person’s representative; or
shall be on a form prescribed by the commission. If a licensee is granted a stay of a suspension pursuant
to 491—4.45(17A) and the ruling is upheld in a contested case proceeding, the board of stewards may
reassign the dates of suspension so that the suspension dates are served in the state of Iowa.

i. Notification of the time period in which a party may request, pursuant to Iowa Code section
17A.11(1) “a” and rule 491—4.22(17A), that the presiding officer be an administrative law judge.

491—4.22(17A) Presiding officer. Contested case hearings may be heard directly by the commission.
The commission, or the administrator, shall decide whether it will hear the appeal or whether the appeal
will be heard by an administrative law judge who shall serve as the presiding officer. When the appeal is heard by an administrative law judge, the administrative law judge is authorized to issue a proposed decision.

4.22(1) Any party who wishes to request that the presiding officer assigned to render a proposed decision be an administrative law judge employed by the department of inspections and appeals must file a written request within 20 days after service of a notice of hearing which identifies or describes the presiding officer as the commission chair, members of the commission or commission employees.

4.22(2) The administrator may deny the request only upon a finding that one or more of the following apply:
   a. Neither the administrator nor any officer of the commission under whose authority the contested case is to take place is a named party to the proceeding or a real party in interest to that proceeding.
   b. There is a compelling need to expedite issuance of a final decision in order to protect the public health, safety, or welfare.
   c. The case involves significant policy issues of first impression that are inextricably intertwined with the factual issues presented.
   d. The demeanor of the witnesses is likely to be dispositive in resolving the disputed factual issues.
   e. Funds are unavailable to pay the costs of an administrative law judge and an interagency appeal.
   f. The request was not timely filed.
   g. The request is not consistent with a specified statute.

4.22(3) The administrator shall issue a written ruling specifying the grounds for the decision within 20 days after a request for an administrative law judge is filed.

4.22(4) An administrative law judge assigned to act as presiding officer in a contested case shall have a Juris Doctorate degree unless waived by the agency.

4.22(5) Except as provided otherwise by rules 491—4.41(17A) and 491—4.42(17A), all rulings by an administrative law judge acting as presiding officer are subject to appeal to the commission. A party must seek any available intra-agency appeal in order to exhaust adequate administrative remedies.

4.22(6) Unless otherwise provided by law, the commission, when reviewing a proposed decision upon intra-agency appeal, shall have the powers of and shall comply with the provisions of this chapter which apply to presiding officers.

491—4.23(17A) Waiver of procedures. Unless otherwise precluded by law, the parties in a contested case proceeding may waive any provision of this chapter. However, the commission in its discretion may refuse to give effect to such a waiver when it deems the waiver to be inconsistent with the public interest.

491—4.24(17A) Telephone proceedings. The presiding officer may resolve preliminary procedural motions by telephone conference in which all parties have an opportunity to participate. Other telephone proceedings may be held with the consent of all parties. The presiding officer will determine the location of the parties and witnesses for telephone hearings. The convenience of the witnesses or parties, as well as the nature of the case, will be considered when location is chosen.

491—4.25(17A) Disqualification.

4.25(1) A presiding officer or other person shall withdraw from participation in the making of any proposed or final decision in a contested case if that person:
   a. Has a personal bias or prejudice concerning a party or a representative of a party;
   b. Has personally investigated, prosecuted or advocated in connection with that case, the specific controversy underlying that case, another pending factually related contested case, or a pending factually related controversy that may culminate in a contested case involving the same parties;
   c. Is subject to the authority, direction or discretion of any person who has personally investigated, prosecuted or advocated in connection with that contested case, the specific controversy underlying that contested case, or a pending factually related contested case or controversy involving the same parties;
d. Has acted as counsel to any person who is a private party to that proceeding within the past two years;

e. Has a personal financial interest in the outcome of the case or any other significant personal interest that could be substantially affected by the outcome of the case;

f. Has a spouse or relative within the third degree of relationship that:
   (1) Is a party to the case, or an officer, director or trustee of a party;
   (2) Is a lawyer in the case;
   (3) Is known to have an interest that could be substantially affected by the outcome of the case; or
   (4) Is likely to be a material witness in the case;

g. Has any other legally sufficient cause to withdraw from participation in the decision making in that case.

4.25(2) The term “personally investigated” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term “personally investigated” does not include general direction and supervision of assigned investigators, unsolicited receipt of information which is relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other commission functions, including fact gathering for purposes other than investigation of the matter which culminates in a contested case. Factual information relevant to the merits of a contested case received by a person who later serves as presiding officer in that case shall be disclosed if required by Iowa Code section 17A.17 and subrules 4.25(3) and 4.39(9).

4.25(3) In a situation where a presiding officer or other person knows of information which might reasonably be deemed to be a basis for disqualification and decides voluntary withdrawal is unnecessary, that person shall submit the relevant information for the record by affidavit and shall provide for the record a statement of the reasons for the determination that withdrawal is unnecessary.

4.25(4) If a party asserts disqualification on any appropriate ground, including those listed in subrule 4.25(1), the party shall file a motion supported by an affidavit pursuant to Iowa Code section 17A.17(7). The motion must be filed as soon as practicable after the reason alleged in the motion becomes known to the party. If, during the course of the hearing, a party first becomes aware of evidence of bias or other grounds for disqualification, the party may move for disqualification but must establish the grounds by the introduction of evidence into the record.

If the presiding officer determines that disqualification is appropriate, the presiding officer or other person shall withdraw. If the presiding officer determines that withdrawal is not required, the presiding officer shall enter an order to that effect. A party asserting disqualification may seek an interlocutory appeal under rule 491—4.41(17A) and seek a stay under rule 491—4.45(17A).

491—4.26(17A) Consolidation—severance.

4.26(1) Consolidation. The presiding officer may consolidate any or all matters at issue in two or more contested case proceedings where (a) the matters at issue involve common parties or common questions of fact or law; (b) consolidation would expedite and simplify consideration of the issues involved; and (c) consolidation would not adversely affect the rights of any of the parties to those proceedings.

4.26(2) Severance. The presiding officer may, for good cause shown, order any contested case proceedings or portions thereof severed.

491—4.27(17A) Pleadings.

4.27(1) Pleadings, other than the notice of appeal, will not be required in appeals from a licensing decision by a gaming representative, gaming board, or board of stewards. However, pleadings may be required in other contested cases or as ordered by the presiding officer.

4.27(2) Petition.
   a. Any petition required in a contested case proceeding shall be filed within 20 days of delivery of the notice of hearing or subsequent order of the presiding officer, unless otherwise ordered.
   b. A petition shall state in separately numbered paragraphs the following:
(1) The persons or entities on whose behalf the petition is filed;
(2) The particular provisions of statutes and rules involved;
(3) The relief demanded and the facts and law relied upon for such relief; and
(4) The name, address and telephone number of the petitioner and the petitioner’s attorney, if any.

4.27(3) Answer. An answer shall be filed within 20 days of service of the petition unless otherwise ordered. A party may move to dismiss or apply for a more definite and detailed statement when appropriate.

An answer shall show on whose behalf it is filed and specifically admit, deny, or otherwise answer all material allegations of the pleading to which it responds. It shall state any facts deemed to show an affirmative defense and contain as many additional defenses as the pleader may claim.

An answer shall state the name, address and telephone number of the person filing the answer, the person or entity on whose behalf it is filed, and the attorney representing that person, if any.

Any allegation in the petition not denied in the answer is considered admitted. The presiding officer may refuse to consider any defense not raised in the answer that could have been raised on the basis of facts known when the answer was filed if any party would be prejudiced.

4.27(4) Amendment. Any notice of appeal, notice of hearing, petition, or other charging document may be amended before a responsive pleading has been filed. Amendments to pleadings after a responsive pleading has been filed and to an answer may be allowed with the consent of the other parties or in the discretion of the presiding officer who may impose terms or grant a continuance.

491—4.28(17A) Service and filing of pleadings and other papers.

4.28(1) When service required. Except where otherwise provided by law, every pleading, motion, document, or other paper filed in a contested case proceeding and every paper relating to discovery in such a proceeding shall be served upon each of the parties of record to the proceeding, including the person designated as advocate or prosecutor for the state or the commission, simultaneously with their filing. Except for the original notice of hearing and an application for rehearing as provided in Iowa Code section 17A.16(2), the party filing a document is responsible for service on all parties.

4.28(2) Service—how made. Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by delivery or by mailing a copy to the person’s last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

4.28(3) Filing—when required. After the notice of hearing, all pleadings, motions, documents or other papers in a contested case proceeding shall be filed with the commission at 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309. All pleadings, motions, documents or other papers that are required to be served upon a party shall be filed simultaneously with the commission.

4.28(4) Filing—when made. Except where otherwise provided by law, a document is deemed filed at the time it is delivered to the commission office at 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309, delivered to an established courier service for immediate delivery to that office, or mailed by first-class mail or state interoffice mail to that office, so long as there is proof of mailing.

4.28(5) Proof of mailing. Proof of mailing includes either: a legible United States Postal Service postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing),
I mailed copies of (describe document) addressed to the (agency office and address) and to the
names and addresses of the parties listed below by depositing the same in (a United States post
office mailbox with correct postage properly affixed or state interoffice mail).

491—4.29(17A) Discovery.
4.29(1) Discovery procedures applicable in civil actions are applicable in contested cases. Unless lengthened or shortened by these rules or by order of the presiding officer, time periods for compliance with discovery shall be as provided in the Iowa Rules of Civil Procedure.

4.29(2) Any motion relating to discovery shall allege that the moving party has previously made a good-faith attempt to resolve the discovery issues involved with the opposing party. Motions in regard to discovery shall be ruled upon by the presiding officer. Opposing parties shall be afforded the opportunity to respond within ten days of the filing of the motion unless the time is shortened as provided in subrule 4.29(1). The presiding officer may rule on the basis of the written motion and any response, or may order argument on the motion.

4.29(3) Evidence obtained in discovery may be used in the contested case proceeding if that evidence would otherwise be admissible in that proceeding.

491—4.30(17A) Subpoenas.

4.30(1) Issuance.

a. A commission subpoena shall be issued to a party on request. Such a request must be in writing. In the absence of good cause for permitting later action, a request for a subpoena must be received at least three days before the scheduled hearing. The request shall include the name, address, and telephone number of the requesting party.

b. Except to the extent otherwise provided by law, parties are responsible for service of their own subpoenas and payment of witness fees and mileage expenses.

4.30(2) Motion to quash or modify. The presiding officer may quash or modify a subpoena for any lawful reason upon motion in accordance with the Iowa Rules of Civil Procedure. A motion to quash or modify a subpoena shall be set for argument promptly.

491—4.31(17A) Motions.

4.31(1) No technical form for motions is required. However, prehearing motions must be in writing, state the grounds for relief, and state the relief sought.

4.31(2) Any party may file a written response to a motion within ten days after the motion is served, unless the time period is extended or shortened by rules of the commission or the presiding officer. The presiding officer may consider a failure to respond within the required time period in ruling on a motion.

4.31(3) The presiding officer may schedule oral argument on any motion.

4.31(4) Motions pertaining to the hearing, except motions for summary judgment, must be filed and served at least ten days prior to the date of hearing unless there is good cause for permitting later action or the time for such action is lengthened or shortened by rule of the commission or an order of the presiding officer.

4.31(5) Motions for summary judgment shall comply with the requirements of Iowa Rule of Civil Procedure 1.981 and shall be subject to disposition according to the requirements of that rule to the extent such requirements are not inconsistent with the provisions of this rule or any other provision of law governing the procedure in contested cases.

Motions for summary judgment must be filed and served at least 45 days prior to the scheduled hearing date, or other time period determined by the presiding officer. Any party resisting the motion shall file and serve a response within 15 days, unless otherwise ordered by the presiding officer, from the date a copy of the motion was served. The time fixed for hearing or nonoral submission shall be not less than 20 days after the filing of the motion, unless a shorter time is ordered by the presiding officer. A summary judgment order rendered on all issues in a contested case is subject to rehearing pursuant to rule 491—4.44(17A) and appeal pursuant to rule 491—4.43(17A).

491—4.32(17A) Prehearing conference.

4.32(1) Any party may request a prehearing conference. A written request for prehearing conference or an order for prehearing conference on the presiding officer’s own motion shall be filed not less than seven days prior to the hearing date. A prehearing conference shall be scheduled not less than three business days prior to the hearing date.
Written notice of the prehearing conference shall be given by the commission to all parties. For good cause the presiding officer may permit variances from this rule.

4.32(2) Each party shall bring to the prehearing conference:
   a. A final list of the witnesses who the party anticipates will testify at hearing. Witnesses not listed may be excluded from testifying unless there was good cause for the failure to include their names.
   b. A final list of exhibits which the party anticipates will be introduced at hearing. Exhibits other than rebuttal exhibits that are not listed may be excluded from admission into evidence unless there was good cause for the failure to include them.
   c. Witness or exhibit lists may be amended subsequent to the prehearing conference within the time limits established by the presiding officer at the prehearing conference. Any such amendments must be served on all parties.

4.32(3) In addition to the requirements of subrule 4.32(2), the parties at a prehearing conference may:
   a. Enter into stipulations of law or fact;
   b. Enter into stipulations on the admissibility of exhibits;
   c. Identify matters that the parties intend to request be officially noticed;
   d. Enter into stipulations for waiver of any provision of law; and
   e. Consider any additional matters that will expedite the hearing.

4.32(4) Prehearing conferences shall be conducted by telephone unless otherwise ordered. Parties shall exchange and receive witness and exhibit lists in advance of a telephone prehearing conference.

491—4.33(17A) Continuances. Unless otherwise provided, applications for continuances shall be made to the presiding officer.

4.33(1) A written application for a continuance shall:
   a. Be made at the earliest possible time and no less than seven days before the hearing except in case of unanticipated emergencies;
   b. State the specific reasons for the request; and
   c. Be signed by the requesting party or the party’s representative.

An oral application for a continuance may be made if the presiding officer waives the requirement for a written motion. However, a party making such an oral application for a continuance must confirm that request by written application within five days after the oral request unless that requirement is waived by the presiding officer. No application for continuance shall be made or granted without notice to all parties except in an emergency where notice is not feasible. The commission may waive notice of such requests for a particular case or an entire class of cases.

4.33(2) In determining whether to grant a continuance, the presiding officer may consider:
   a. Prior continuances;
   b. The interests of all parties;
   c. The likelihood of informal settlement;
   d. The existence of an emergency;
   e. Any objection;
   f. Any applicable time requirements;
   g. The existence of a conflict in the schedules of counsel, parties, or witnesses;
   h. The timeliness of the request; and
   i. Other relevant factors.

The presiding officer may require documentation of any grounds for continuance.

4.34(17A) Withdrawals. A party requesting a contested case proceeding may withdraw that request prior to the hearing only in accordance with commission rules. Unless otherwise provided, a withdrawal shall be with prejudice.

491—4.35(17A) Intervention.
4.35(1) Motion. A motion for leave to intervene in a contested case proceeding shall state the
grounds for the proposed intervention, the position and interest of the proposed intervenor, and
the possible impact of intervention on the proceeding. A proposed answer or petition in intervention shall
be attached to the motion. Any party may file a response within 14 days of service of the motion to
intervene unless the time period is extended or shortened by the presiding officer.
4.35(2) When filed. Motion for leave to intervene shall be filed as early in the proceeding as possible
to avoid adverse impact on existing parties or the conduct of the proceeding. Unless otherwise ordered,
a motion for leave to intervene shall be filed before the prehearing conference, if any, or at least 20 days
before the date scheduled for hearing. Any later motion must contain a statement of good cause for
the failure to file in a timely manner. Unless inequitable or unjust, an intervenor shall be bound by any
agreement, arrangement, or other matter previously raised in the case. Requests by untimely intervenors
for continuances which would delay the proceeding will ordinarily be denied.
4.35(3) Grounds for intervention. The movant shall demonstrate that (a) intervention would not
unduly prolong the proceedings or otherwise prejudice the rights of existing parties; (b) the movant
is likely to be aggrieved or adversely affected by a final order in the proceeding; and (c) the interests of
the movant are not adequately represented by existing parties.
4.35(4) Effect of intervention. If appropriate, the presiding officer may order consolidation of the
petitions and briefs of different parties whose interests are aligned with each other and limit the number
of representatives allowed to participate actively in the proceedings. A person granted leave to intervene
is a party to the proceeding. The order granting intervention may restrict the issues that may be raised
by the intervenor or otherwise condition the intervenor’s participation in the proceeding.

491—4.36(17A) Hearing procedures.

4.36(1) The presiding officer presides at the hearing, and may rule on motions, require briefs,
issue a proposed decision, and issue such orders and rulings as will ensure the orderly conduct of the
proceedings.
4.36(2) All objections shall be timely made and stated on the record.
4.36(3) Parties have the right to participate or to be represented in all hearings or prehearing
conferences related to their case. Partnerships, corporations, or associations may be represented by any
member, officer, director, or duly authorized agent. Any party may be represented by an attorney or
another person authorized by law.
4.36(4) Subject to terms and conditions prescribed by the presiding officer, parties have the right to
introduce evidence on issues of material fact, cross-examine witnesses present at the hearing as necessary
for a full and true disclosure of the facts, present evidence in rebuttal, and submit briefs and engage in
oral argument.
4.36(5) The presiding officer shall maintain the decorum of the hearing and may refuse to admit or
may expel anyone whose conduct is disorderly.
4.36(6) Witnesses may be sequestered during the hearing.
4.36(7) The presiding officer shall conduct the hearing in the following manner:
   a. The presiding officer shall give an opening statement briefly describing the nature of the
proceedings;
   b. The parties shall be given an opportunity to present opening statements;
   c. Parties shall present their cases in the sequence determined by the presiding officer;
   d. Each witness shall be sworn or affirmed by the presiding officer or the court reporter, and be
subject to examination and cross-examination. The presiding officer may limit questioning in a manner
consistent with law;
   e. When all parties and witnesses have been heard, parties may be given the opportunity to present
final arguments.

491—4.37(17A) Evidence.

4.37(1) The presiding officer shall rule on admissibility of evidence and may, where appropriate,
take official notice of facts in accordance with all applicable requirements of law.
4.37(2) Stipulation of facts is encouraged. The presiding officer may make a decision based on stipulated facts.

4.37(3) Evidence in the proceeding shall be confined to the issues as to which the parties received notice prior to the hearing unless the parties waive their right to such notice or the presiding officer determines that good cause justifies expansion of the issues. If the presiding officer decides to admit evidence on issues outside the scope of the notice over the objection of a party who did not have actual notice of those issues, that party, upon timely request, shall receive a continuance sufficient to amend pleadings and to prepare on the additional issue.

4.37(4) The party seeking admission of an exhibit must provide opposing parties with an opportunity to examine the exhibit prior to the ruling on its admissibility. Copies of documents should normally be provided to opposing parties.

All exhibits admitted into evidence shall be appropriately marked and be made part of the record.

4.37(5) Any party may object to specific evidence or may request limits on the scope of any examination or cross-examination. Such an objection shall be accompanied by a brief statement of the grounds upon which it is based. The objection, the ruling on the objection, and the reasons for the ruling shall be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve a ruling until the written decision.

4.37(6) Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony shall briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.

491—4.38(17A) Default.

4.38(1) If a party fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing and render a decision in the absence of the party.

4.38(2) Where appropriate and not contrary to law, any party may move for default against a party who has requested the contested case proceeding and has failed to file a required pleading or has failed to appear after proper service.

4.38(3) Default decisions or decisions rendered on the merits after a party has failed to appear or participate in a contested case proceeding become final commission action unless, within 15 days after the date of notification or mailing of the decision, a motion to vacate is filed and served on all parties or an appeal of a decision on the merits is timely initiated within the time provided by rule 491—4.43(17A). A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for that party’s failure to appear or participate at the contested case proceeding. Each fact so stated must be substantiated by at least one sworn affidavit of a person with personal knowledge of each such fact, which affidavit(s) must be attached to the motion.

4.38(4) The time for further appeal of a decision for which a timely motion to vacate has been filed is stayed pending a decision on the motion to vacate.

4.38(5) Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party. Adverse parties shall have ten days to respond to a motion to vacate. Adverse parties shall be allowed to conduct discovery as to the issue of good cause and to present evidence on the issue prior to a decision on the motion, if a request to do so is included in that party’s response.

4.38(6) “Good cause” for purposes of this rule shall have the same meaning as “good cause” for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

4.38(7) A decision denying a motion to vacate is subject to further appeal within the time limit allowed for further appeal of a decision on the merits in the contested case proceeding. A decision granting a motion to vacate is subject to interlocutory appeal by the adverse party pursuant to rule 491—4.41(17A).
4.38(8) If a motion to vacate is granted and no timely interlocutory appeal has been taken, the presiding officer shall issue another notice of hearing and the contested case shall proceed accordingly.

4.38(9) A default decision may award any relief consistent with the request for relief made in the petition and embraced in its issues (but, unless the defaulting party has appeared, it cannot exceed the relief demanded).

4.38(10) A default decision may provide either that the default decision is to be stayed pending a timely motion to vacate or that the default decision is to take effect immediately, subject to a request for stay under rule 491—4.45(17A).

491—4.39(17A) Ex parte communication.

4.39(1) Prohibited communications. Unless required for the disposition of ex parte matters specifically authorized by statute, following issuance of the notice of hearing, there shall be no communication, directly or indirectly, between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in such case in connection with any issue of fact or law in the case except upon notice and opportunity for all parties to participate. This does not prohibit persons jointly assigned such tasks from communicating with each other. Nothing in this provision is intended to preclude the presiding officer from communicating with members of the commission or seeking the advice or help of persons other than those with a personal interest in, or those engaged in personally investigating as defined in subrule 4.25(2), prosecuting, or advocating in, either the case under consideration or a pending factually related case involving the same parties as long as those persons do not directly or indirectly communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

4.39(2) Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending.

4.39(3) Written, oral or other forms of communication are “ex parte” if made without notice and opportunity for all parties to participate.

4.39(4) To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Notice of written communication shall be provided in compliance with rule 491—4.28(17A) and may be supplemented by telephone, facsimile, E-mail or other means of notification. Where permitted, oral communications may be initiated through conference telephone call including all parties or their representatives.

4.39(5) Persons who jointly act as presiding officer in a pending contested case may communicate with each other without notice or opportunity for parties to participate.

4.39(6) The administrator or other persons may be present in deliberations or otherwise advise the presiding officer without notice or opportunity for parties to participate as long as they are not disqualified from participating in the making of a proposed or final decision under subrule 4.25(1) or other law and they comply with subrule 4.39(1).

4.39(7) Communications with the presiding officer involving scheduling or procedural matters uncontested do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines pursuant to rule 491—4.33(17A).

4.39(8) Disclosure of prohibited communications. A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be submitted for inclusion in the record under seal by protective order (or disclosed). If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and
served on all parties. Any party desiring to rebut the prohibited communication must be allowed
the opportunity to do so upon written request filed within ten days after notice of the communication.

4.39(9) Promptly after being assigned to serve as presiding officer on a hearing panel, as a member
of a full board hearing, on an intra-agency appeal, or other basis, a presiding officer shall disclose to all
parties material factual information received through ex parte communication prior to such assignment
unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section
17A.13(2) or through discovery. Factual information contained in an investigatory report or similar
document need not be separately disclosed by the presiding officer as long as such documents have been
or will shortly be provided to the parties.

4.39(10) The presiding officer may render a proposed or final decision imposing appropriate
sanctions for violations of this rule including default, a decision against the offending party, censure,
or suspension, or revocation of the privilege to practice before the commission. Violation of ex parte
communication prohibitions by commission personnel shall be reported to the administrator for possible
sanctions including censure, suspension, dismissal, or other disciplinary action.

491—4.40(17A) Recording costs. Upon request, the commission shall provide a copy of the whole or
any portion of the record at cost. The cost of preparing a copy of the record or of transcribing the hearing
record shall be paid by the requesting party.

Parties who request that a hearing be recorded by certified shorthand reporters rather than by
electronic means shall bear the cost of that recordation, unless otherwise provided by law.

491—4.41(17A) Interlocutory appeals. Upon written request of a party or on its own motion, the
commission may review an interlocutory order of the presiding officer. In determining whether to do
so, the commission shall weigh the extent to which its granting the interlocutory appeal would expedite
final resolution of the case and the extent to which review of that interlocutory order by the commission
at the time it renders the proposed decision of the presiding officer would provide an adequate remedy.
Any request for interlocutory review must be filed within 14 days of issuance of the challenged order,
but no later than the time for compliance with the order or the date of hearing, whichever is first.

491—4.42(17A) Final decision.

4.42(1) When the commission presides over the reception of evidence at the hearing, its decision is
a final decision.

4.42(2) When the commission does not preside at the reception of evidence, the presiding officer
shall make a proposed decision. The proposed decision becomes the final decision of the commission
without further proceedings unless there is an appeal to, or review on motion of, the commission within
the time provided in rule 491—4.43(17A).

4.42(3) The commission has the authority to deny, suspend, or revoke any license applied for or
issued by the commission or to fine a licensee or a holder of an occupational license.

491—4.43(17A) Appeals and review.

4.43(1) Appeal by party. Any adversely affected party may appeal a proposed decision to the
commission within 10 days after issuance of the proposed decision.

4.43(2) Review. The commission may initiate review of a proposed decision on its own motion at
any time within 30 days following the issuance of such a decision.

4.43(3) Notice of appeal. An appeal of a proposed decision is initiated by filing a timely notice
of appeal with the commission. The notice of appeal must be signed by the appealing party or a
representative of that party and contain a certificate of service. The notice shall specify:

a. The parties initiating the appeal;

b. The proposed decision or order appealed from;

c. The specific findings or conclusions to which exception is taken and any other exceptions to
the decision or order;

d. The relief sought;
e. The grounds for relief.

4.43(4) Requests to present additional evidence. A party may request the taking of additional evidence only by establishing that the evidence is material, that good cause existed for the failure to present the evidence at the hearing, and that the party has not waived the right to present the evidence.

A written request to present additional evidence must be filed with the notice of appeal or, by a nonappealing party, within 14 days of service of the notice of appeal. The commission may remand a case to the presiding officer for further hearing or may itself preside at the taking of additional evidence.

4.43(5) Scheduling. The commission shall issue a schedule for consideration of the appeal.

4.43(6) Briefs and arguments. Unless otherwise ordered, briefs, if any, must be filed within five days of meeting.

491—4.44(17A) Applications for rehearing.

4.44(1) By whom filed. Any party to a contested case proceeding may file an application for rehearing from a final order.

4.44(2) Content of application. The application for rehearing shall state on whose behalf it is filed, the specific grounds for rehearing, and the relief sought. In addition, the application shall state whether the applicant desires reconsideration of all or part of the agency decision on the existing record and whether, on the basis of the grounds enumerated in subrule 4.43(4), the applicant requests an opportunity to submit additional evidence.

4.44(3) Time of filing. The application shall be filed with the commission within 20 days after issuance of the final decision.

4.44(4) Notice to other parties. A copy of the application shall be timely mailed by the applicant to all parties of record not joining therein. If the application does not contain a certificate of service, the commission shall serve copies on all parties.

4.44(5) Disposition. Any application for a rehearing shall be deemed denied unless the commission grants the application within 20 days after its filing.

491—4.45(17A) Stays of commission actions.

4.45(1) When available.

a. Any party to a contested case proceeding may petition the commission for a stay of an order issued in that proceeding or for other temporary remedies, pending review by the commission. The petition for a stay shall be filed with the notice of appeal and shall state the reasons justifying a stay or other temporary remedy. The administrator may rule on the stay or authorize the presiding officer to do so.

b. Any party to a contested case proceeding may petition the commission for a stay or other temporary remedies pending judicial review, of all or part of that proceeding. The petition for a stay shall state the reasons justifying a stay or other temporary remedy.

4.45(2) When granted. In determining whether to grant a stay, the presiding officer or administrator shall consider the factors listed in Iowa Code section 17A.19(5).

4.45(3) Vacation. A stay may be vacated by the issuing authority upon application by the commission or any other party. When a stay has been vacated, the commission or the commission’s designee shall implement the original order or sanction which had been stayed. The commission or the commission’s designee shall have full authority to determine how the original order or sanction is to be implemented.

491—4.46(17A) No factual dispute contested cases. If the parties agree that no dispute of material fact exists as to a matter that would be a contested case if such a dispute of fact existed, the parties may present all relevant admissible evidence either by stipulation or otherwise as agreed by the parties without necessity for the production of evidence at an evidentiary hearing. If such agreement is reached, a jointly submitted schedule detailing the method and timetable for submission of the record, briefs and oral argument should be submitted to the presiding officer for approval as soon as practicable. If the
parties cannot agree, any party may file and serve a motion for summary judgment pursuant to the rules governing such motions.

491—4.47(17A) Emergency adjudicative proceedings.

4.47(1) Necessary emergency action. To the extent necessary to prevent or avoid immediate danger to the public health, safety, or welfare, the commission, gaming representatives, or stewards may issue a written order in compliance with Iowa Code section 17A.18 to suspend a license in whole or in part, order the cessation of any continuing activity, order affirmative action, or take other action within the jurisdiction of the commission by emergency adjudicative order. Before the issuing of an emergency adjudicative order the commission shall consider factors including, but not limited to, the following:

a. Whether there has been a sufficient factual investigation to ensure that the commission is proceeding on the basis of reliable information;

b. Whether the specific circumstances which pose immediate danger to the public health, safety or welfare have been identified and determined to be continuing;

c. Whether the person required to comply with the emergency adjudicative order may continue to engage in other activities without posing immediate danger to the public health, safety or welfare;

d. Whether imposition of monitoring requirements or other interim safeguards would be sufficient to protect the public health, safety or welfare; and

e. Whether the specific action contemplated by the commission is necessary to avoid the immediate danger.

4.47(2) Issuance.

a. The written emergency adjudicative order shall be immediately delivered to persons who are required to comply with the order by utilizing one or more of the following procedures:

   (1) Personal delivery;
   (2) Certified mail, return receipt requested, to the last address on file with the commission;
   (3) Certified mail to the last address on file with the commission;
   (4) First-class mail to the last address on file with the commission; or
   (5) Fax. Fax may be used as the sole method of delivery if the person required to comply with the order has filed a written request that commission orders be sent by fax and has provided a fax number for that purpose.

b. To the degree practicable, the commission shall select the procedure for providing written notice that best ensures prompt, reliable delivery.

4.47(3) Oral notice. Unless the written emergency adjudicative order is provided by personal delivery on the same day that the order issues, the commission shall make reasonable immediate efforts to contact by telephone the persons who are required to comply with the order.

4.47(4) Completion of proceedings. Issuance of a written emergency adjudicative order shall include notification of the date on which commission proceedings are scheduled for completion. After issuance of an emergency adjudicative order, continuance of further commission proceedings to a later date will be granted only in compelling circumstances upon application in writing.

491—4.48(17A) Contested case hearings before the commission. The commission may initiate a hearing upon its own motion, pursuant to any matter within its jurisdiction.

These rules are intended to implement Iowa Code chapters 17A, 99D and 99F.
