

5. CARE AND PLACEMENT. The council shall work with the department of human services to expand appropriate placement options for chemically exposed infants and children who have been abandoned by their parents or cannot safely be returned home. As part of this responsibility, the council shall do all of the following:

- a. Assist the department of human services in developing rules to establish specialized foster care services that can attract foster parents to care for chemically exposed infants and children.
- b. Identify additional services, such as therapeutic day care services, that may be needed to effectively care for chemically exposed infants and children.
- c. Review the need for residential programs designed to meet the needs of chemically exposed infants and children.

As an additional part of the responsibility, the council shall determine whether a problem exists with respect to substance abuse treatment providers and physicians discriminating against pregnant women in providing treatment or prenatal care.
