## CHAPTER 1139

### FARMLAND IMPROVEMENTS NEAR PIPELINES

S.F. 2213

**AN ACT** relating to on-site presence of a pipeline company representative during farmland improvements near pipelines.

*Be It Enacted by the General Assembly of the State of Iowa:*

Section 1. Section 479.48, subsection 5, Code Supplement 1999, is amended to read as follows:

5. If Unless otherwise agreed to in writing by the landowner and the pipeline company, if a pipeline right-of-way is abandoned for pipeline use, but the pipe is not removed from the right-of-way, the pipeline company shall remain subject to section 479.49, shall remain responsible for the additional costs of subsequent tiling as provided for in section 479.47, shall mark the location of the line in response to a notice of proposed excavation in accordance with chapter 480, and shall remain subject to the damage provisions of this chapter in the event access to or excavation relating to the pipe is required. The landowner shall provide reasonable access to the pipeline in order to carry out the responsibilities of this subsection.

Sec. 2. NEW SECTION. 479.49 FARMLAND IMPROVEMENTS.

A landowner or contractor may require a representative of the pipeline company to be present on-site, at no charge to the landowner, at all times during each phase and separate activity related to a farmland improvement within fifty feet of either side of a pipeline. If the pipeline company and the landowner or contractor constructing the farmland improvement mutually agree that a representative of the pipeline company is not required to be present, the requirements of this section are waived in relation to the farmland improvement which would have otherwise made the requirements of this section applicable. A farmland improvement includes, but is not limited to, the terracing of farmland and tiling.

Sec. 3. Section 479A.27, subsection 5, Code Supplement 1999, is amended to read as follows:

5. If Unless otherwise agreed to in writing by the landowner and the pipeline company, if a pipeline right-of-way is abandoned for pipeline use, but the pipe is not removed from the right-of-way, the pipeline company shall remain subject to section 479A.28, shall remain responsible for the additional costs of subsequent tiling as provided for in section 479A.26, shall mark the location of the line in response to a notice of proposed excavation in accordance with chapter 480, and shall remain subject to the damage provisions of this chapter in the event access to or excavation relating to the pipe is required. The landowner shall provide reasonable access to the pipeline in order to carry out the responsibilities of this subsection.

Sec. 4. NEW SECTION. 479A.28 FARMLAND IMPROVEMENTS.

A landowner or contractor may require a representative of the pipeline company to be present on-site, at no charge to the landowner, at all times during each phase and separate activity related to a farmland improvement within fifty feet of either side of a pipeline. If the pipeline company and the landowner or contractor constructing the farmland improvement mutually agree that a representative of the pipeline company is not required to be present, the requirements of this section are waived in relation to the farmland improvement which would have otherwise made the requirements of this section applicable. A farmland improvement includes, but is not limited to, the terracing of farmland and tiling.

Sec. 5. Section 479B.32, subsection 5, Code Supplement 1999, is amended to read as follows:

5. If Unless otherwise agreed to in writing by the landowner and the pipeline company, if a pipeline right-of-way is abandoned for pipeline use, but the pipe is not removed from the right-of-way, the pipeline company shall remain subject to section 479B.33, shall remain responsible for the additional costs of subsequent tiling as provided for in section 479B.31, shall mark the location of the line in response to a notice of proposed excavation in accordance with chapter 480, and shall remain subject to the damage provisions of this chapter in the event access to or excavation relating to the pipe is required. The landowner shall provide reasonable access to the pipeline in order to carry out the responsibilities of this subsection.

Sec. 6. NEW SECTION. 479B.33 FARMLAND IMPROVEMENTS.

A landowner or contractor may require a representative of the pipeline company to be present on-site, at no charge to the landowner, at all times during each phase and separate activity related to a farmland improvement within fifty feet of either side of a pipeline. If the pipeline company and the landowner or contractor constructing the farmland improvement mutually agree that a representative of the pipeline company is not required to be present, the requirements of this section are waived in relation to the farmland improvement which would have otherwise made the requirements of this section applicable. A farmland improvement includes, but is not limited to, the terracing of farmland and tiling.
