

devices to a physician assistant licensed pursuant to chapter 148C. When delegated prescribing occurs, the supervising physician's name shall be used, recorded, or otherwise indicated in connection with each individual prescription so that the individual who dispenses or administers the prescription knows under whose delegated authority the physician assistant is prescribing. Rules relating to the authority of physician assistants to prescribe drugs, controlled substances, and medical devices pursuant to this subsection shall be adopted by the board of physician assistant examiners, after consultation with the board of medical examiners and the board of pharmacy examiners. However, the rules shall prohibit the prescribing of schedule II controlled substances which are listed as stimulants or depressants pursuant to chapter 124.

CHAPTER 1095

ENERGY CONSERVATION STANDARDS FOR NEW RESIDENTIAL CONSTRUCTION

H.F. 2361

AN ACT relating to energy conservation standards included in the state building code for new single-family or two-family residential construction.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 103A.8A, Code 2005, is amended to read as follows:
103A.8A MINIMUM ENERGY EFFICIENCY STANDARD.

The state building code commissioner shall adopt as a part of the state building code a requirement that new single-family or two-family residential construction shall ~~meet an established minimum energy efficiency standard. The standard shall be stated in terms of the home heating index developed by the physics department at Iowa state university of science and technology. The minimum standard shall be the average energy consumption of new single-family or two-family residential construction as determined by a survey conducted by the department of natural resources of the average actual energy consumption, as expressed in terms of the home heating index comply with energy conservation requirements. The requirements adopted by the commissioner shall be based upon a nationally recognized standard or code for energy conservation.~~ The minimum standard requirements shall only apply to single-family or two-family residential construction commenced after the adoption of the standard requirements. This chapter shall not be construed to prohibit a governmental subdivision from adopting or enacting a minimum energy standard which is substantially in accordance and consistent with ~~model~~ energy codes and standards developed by a nationally recognized organization in effect on or after July 1, 2002. A governmental subdivision that adopts or enacts a minimum energy standard which is substantially in accordance and consistent with ~~model~~ energy codes and standards developed by a nationally recognized organization shall adopt or enact any update or revision to the ~~model~~ energy codes and standards.
