Sec. 113. [Section 125.75, subsection 1](#), Code 2023, is amended to read as follows:

Sec. 114. [Section 125.75, subsection 2](#), paragraph a, subparagraph (1), Code 2023, is amended to read as follows:

(1) A ~~substance-related~~ substance use disorder as defined in [section 125.2](#).

Sec. 115. [Section 125.80, subsections 3 and 4](#), Code 2023, are amended to read as follows:

3. If the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional is to the effect that the respondent is not a person with a ~~substance-related~~ substance use disorder, the court, without taking further action, shall terminate the proceeding and dismiss the application on its own motion and without notice.

4. If the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional is to the effect that the respondent is a person with a ~~substance-related~~ substance use disorder, the court shall schedule a commitment hearing as soon as possible. The hearing shall be held not more than forty-eight hours after the report is filed, excluding Saturdays, Sundays, and holidays, unless an extension for good cause is requested by the respondent, or as soon thereafter as possible if the court considers that sufficient grounds exist for delaying the hearing.

Sec. 116. [Section 125.81, subsection 1](#), Code 2023, is amended to read as follows:

1. If a person filing an application requests that a respondent be taken into immediate custody, and the court upon reviewing the application and accompanying documentation, finds probable cause to believe that the respondent is a person with a ~~substance-related~~ substance use disorder who is likely to injure the person or other persons if allowed to remain at liberty, the court may enter a written order directing that the respondent be taken into immediate custody by the sheriff, and be detained until the commitment hearing, which shall be held no more than five days after the date of the order, except that if the fifth day after the date of the order is a Saturday, Sunday, or a holiday, the hearing may be held on the next business day. The court may order the respondent detained for the period of time until the hearing is held, and no longer except as provided in [section 125.88](#), in accordance with [subsection 2](#), paragraph “a”, if possible, and if not, then in accordance with [subsection 2](#), paragraph “b”, or, only if neither of these alternatives is available in accordance with [subsection 2](#), paragraph “c”.

Sec. 117. [Section 125.81, subsection 2](#), paragraph c, Code 2023, is amended to read as follows:

c. In the nearest facility which is licensed to care for persons with mental illness or ~~substance abuse~~ substance use disorder, provided that detention in a jail or other facility intended for confinement of those accused or convicted of a crime shall not be ordered.

Sec. 118. [Section 125.82, subsections 3 and 4](#), Code 2023, are amended to read as follows:

3. The person who filed the application and a licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor certified by the nongovernmental Iowa board of ~~substance abuse~~ certification who has examined the respondent in connection with the commitment hearing shall be present at the hearing, unless the court for good cause finds that their presence or testimony is not necessary. The applicant, respondent, and the respondent’s attorney may waive the presence or telephonic appearance of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor who examined the respondent and agree to submit as evidence the written report of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor. The respondent’s attorney shall inform the court if the respondent’s attorney reasonably believes that the respondent, due to diminished capacity, cannot make an adequately considered waiver decision. “Good cause” for finding that the testimony of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor who examined the respondent is not necessary may include, but is not limited to, such a waiver. If the court determines that the testimony of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor is necessary, the court may allow the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor to testify by telephone. The respondent shall be present at the hearing unless prior to the hearing

the respondent's attorney stipulates in writing that the attorney has conversed with the respondent, and that in the attorney's judgment the respondent cannot make a meaningful contribution to the hearing, or that the respondent has waived the right to be present, and the basis for the attorney's conclusions. A stipulation to the respondent's absence shall be reviewed by the court before the hearing, and may be rejected if it appears that insufficient grounds are stated or that the respondent's interests would not be served by the respondent's absence.

4. The respondent's welfare is paramount, and the hearing shall be tried as a civil matter and conducted in as informal a manner as is consistent with orderly procedure. The hearing may be held by video conference at the discretion of the court. Discovery as permitted under the Iowa rules of civil procedure is available to the respondent. The court shall receive all relevant and material evidence, but the court is not bound by the rules of evidence. A presumption in favor of the respondent exists, and the burden of evidence and support of the contentions made in the application shall be upon the person who filed the application. If upon completion of the hearing the court finds that the contention that the respondent is a person with a ~~substance-related~~ substance use disorder has not been sustained by clear and convincing evidence, the court shall deny the application and terminate the proceeding.

Sec. 119. [Section 125.83](#), Code 2023, is amended to read as follows:

125.83 Placement for evaluation.

If upon completion of the commitment hearing, the court finds that the contention that the respondent is a person with a ~~substance-related~~ substance use disorder has been sustained by clear and convincing evidence, the court shall order the respondent placed at a facility or under the care of a suitable facility on an outpatient basis as expeditiously as possible for a complete evaluation and appropriate treatment. The court shall furnish to the facility at the time of admission or outpatient placement, a written statement of facts setting forth the evidence on which the finding is based. The administrator of the facility shall report to the court no more than fifteen days after the individual is admitted to or placed under the care of the facility, which shall include the chief medical officer's recommendation concerning treatment of a ~~substance-related~~ substance use disorder. An extension of time may be granted for a period not to exceed seven days upon a showing of good cause. A copy of the report shall be sent to the respondent's attorney who may contest the need for an extension of time if one is requested. If the request is contested, the court shall make an inquiry as it deems appropriate and may either order the respondent released from the facility or grant an extension of time for further evaluation. If the administrator fails to report to the court within fifteen days after the individual is admitted to the facility, and no extension of time has been requested, the administrator is guilty of contempt and shall be punished under [chapter 665](#). The court shall order a rehearing on the application to determine whether the respondent should continue to be held at the facility.

Sec. 120. [Section 125.83A, subsection 1](#), Code 2023, is amended to read as follows:

1. If upon completion of the commitment hearing, the court finds that the contention that the respondent is a person with a ~~substance-related~~ substance use disorder has been sustained by clear and convincing evidence, and the court is furnished evidence that the respondent is eligible for care and treatment in a facility operated by the United States department of veterans affairs or another agency of the United States government and that the facility is willing to receive the respondent, the court may so order. The respondent, when so placed in a facility operated by the United States department of veterans affairs or another agency of the United States government within or outside of this state, shall be subject to the rules of the United States department of veterans affairs or other agency, but shall not lose any procedural rights afforded the respondent by [this chapter](#). The chief officer of the facility shall have, with respect to the respondent so placed, the same powers and duties as the chief medical officer of a hospital in this state would have in regard to submission of reports to the court, retention of custody, transfer, convalescent leave, or discharge. Jurisdiction is retained in the court to maintain surveillance of the respondent's treatment and care, and at any time to inquire into the respondent's condition and the need for continued care and custody.

Sec. 121. [Section 125.84](#), Code 2023, is amended to read as follows:

125.84 Evaluation report.

The facility administrator's report to the court of the chief medical officer's substance ~~abuse~~ use disorder evaluation of the respondent shall be made no later than the expiration of the time specified in [section 125.83](#). At least two copies of the report shall be filed with the clerk, who shall distribute the copies in the manner described by [section 125.80, subsection 2](#). The report shall state one of the four following alternative findings:

1. That the respondent does not, as of the date of the report, require further treatment for substance ~~abuse~~ use disorder. If the report so states, the court shall order the respondent's immediate release from involuntary commitment and terminate the proceedings.

2. That the respondent is a person with a ~~substance-related~~ substance use disorder who is in need of full-time custody, care, and treatment in a facility, and is considered likely to benefit from treatment. If the report so states, the court shall enter an order which may require the respondent's continued placement and commitment to a facility for appropriate treatment.

3. That the respondent is a person with a ~~substance-related~~ substance use disorder who is in need of treatment, but does not require full-time placement in a facility. If the report so states, the report shall include the chief medical officer's recommendation for treatment of the respondent on an outpatient or other appropriate basis, and the court shall enter an order which may direct the respondent to submit to the recommended treatment. The order shall provide that if the respondent fails or refuses to submit to treatment, as directed by the court's order, the court may order that the respondent be taken into immediate custody as provided by [section 125.81](#) and, following notice and hearing held in accordance with the procedures of [sections 125.77](#) and [125.82](#), may order the respondent treated as a patient requiring full-time custody, care, and treatment as provided in [subsection 2](#), and may order the respondent involuntarily committed to a facility.

4. That the respondent is a person with a ~~substance-related~~ substance use disorder who is in need of treatment, but in the opinion of the chief medical officer is not responding to the treatment provided. If the report so states, the report shall include the facility administrator's recommendation for alternative placement, and the court shall enter an order which may direct the respondent's transfer to the recommended placement or to another placement after consultation with the respondent's attorney and the facility administrator who made the report under [this subsection](#).

Sec. 122. [Section 125.85, subsection 1](#), Code 2023, is amended to read as follows:

1. A respondent committed under [section 125.84, subsection 2](#), shall remain in the custody of a facility for treatment for a period of thirty days, unless sooner discharged. The department is not required to pay the cost of any medication or procedure provided to the respondent during that period which is not necessary or appropriate to the specific objectives of detoxification and treatment of substance ~~abuse~~ use disorder. At the end of the thirty-day period, the respondent shall be discharged automatically unless the administrator of the facility, before expiration of the period, obtains a court order for the respondent's recommitment pursuant to an application under [section 125.75](#), for a further period not to exceed ninety days.

Sec. 123. [Section 125.91](#), Code 2023, is amended to read as follows:

125.91 Emergency detention.

1. The procedure prescribed by [this section](#) shall only be used for a person with a ~~substance-related~~ substance use disorder due to intoxication or substance-induced incapacitation who has threatened, attempted, or inflicted physical self-harm or harm on another, and is likely to inflict physical self-harm or harm on another unless immediately detained, or who is incapacitated by a substance, if an application has not been filed naming the person as the respondent pursuant to [section 125.75](#) and the person cannot be ordered into immediate custody and detained pursuant to [section 125.81](#).

2. *a.* A peace officer who has reasonable grounds to believe that the circumstances described in [subsection 1](#) are applicable may, without a warrant, take or cause that person to be taken to the nearest available facility referred to in [section 125.81, subsection 2](#), paragraph "b" or "c". Such a person with a ~~substance-related~~ substance use disorder due

to intoxication or substance-induced incapacitation who also demonstrates a significant degree of distress or dysfunction may also be delivered to a facility by someone other than a peace officer upon a showing of reasonable grounds. Upon delivery of the person to a facility under [this section](#), the attending physician and surgeon or osteopathic physician and surgeon may order treatment of the person, but only to the extent necessary to preserve the person's life or to appropriately control the person's behavior if the behavior is likely to result in physical injury to the person or others if allowed to continue. The peace officer or other person who delivered the person to the facility shall describe the circumstances of the matter to the attending physician and surgeon or osteopathic physician and surgeon. If the person is a peace officer, the peace officer may do so either in person or by written report.

b. If the attending physician and surgeon or osteopathic physician and surgeon has reasonable grounds to believe that the circumstances in [subsection 1](#) are applicable, the facility shall have the authority to detain the person for a period of no longer than twelve hours. Within twelve hours of detaining a person pursuant to [this section](#), the attending physician shall communicate with the nearest available magistrate.

c. Once contacted pursuant to paragraph "b", the magistrate shall, based upon the circumstances described by the attending physician and surgeon or osteopathic physician and surgeon, give the attending physician and surgeon or osteopathic physician and surgeon oral instructions either directing that the person be released forthwith, or authorizing the person's detention in an appropriate facility. The magistrate may also give oral instructions and order that the detained person be transported to an appropriate facility.

d. If the magistrate orders that the person be detained, the magistrate shall, by the close of business on the next working day, file a written order with the clerk in the county where it is anticipated that an application may be filed under [section 125.75](#). The order may be filed by facsimile if necessary. The order shall state the circumstances under which the person was taken into custody or otherwise brought to a facility and the grounds supporting the finding of probable cause to believe that the person is a person with a ~~substance-related~~ substance use disorder likely to result in physical injury to the person or others if not detained. The order shall confirm the oral order authorizing the person's detention including any order given to transport the person to an appropriate facility. The clerk shall provide a copy of that order to the attending physician and surgeon or osteopathic physician and surgeon at the facility to which the person was originally taken, any subsequent facility to which the person was transported, and to any law enforcement department or ambulance service that transported the person pursuant to the magistrate's order.

3. The attending physician and surgeon or osteopathic physician and surgeon shall examine and may detain the person pursuant to the magistrate's order for a period not to exceed forty-eight hours from the time the order is dated, excluding Saturdays, Sundays, and holidays, unless the order is dismissed by a magistrate. The facility may provide treatment which is necessary to preserve the person's life or to appropriately control the person's behavior if the behavior is likely to result in physical injury to the person or others if allowed to continue or is otherwise deemed medically necessary by the attending physician and surgeon or osteopathic physician and surgeon or mental health professional, but shall not otherwise provide treatment to the person without the person's consent. The person shall be discharged from the facility and released from detention no later than the expiration of the forty-eight-hour period, unless an application for involuntary commitment is filed with the clerk pursuant to [section 125.75](#). The detention of a person by the procedure in [this section](#), and not in excess of the period of time prescribed by [this section](#), shall not render the peace officer, attending physician and surgeon or osteopathic physician and surgeon, or facility detaining the person liable in a criminal or civil action for false arrest or false imprisonment if the peace officer, attending physician and surgeon or osteopathic physician and surgeon, mental health professional, or facility had reasonable grounds to believe that the circumstances described in [subsection 1](#) were applicable.

(c) If the hospital has requested an evaluation in accordance with [subsection 2](#), paragraph “a”, to determine whether the crime warrants prohibition of the person’s employment in the hospital.

(2) The provisional employment under this paragraph “b” may continue until such time as the required record checks through the single contact repository and the evaluation by the ~~department of human services~~ record check evaluation system, as applicable, are completed.

c. A hospital shall inform all persons prior to employment regarding the performance of the record checks and shall obtain, from the persons, a signed acknowledgment of the receipt of the information. A hospital shall include the following inquiry in an application for employment:

Do you have a record of founded child or dependent adult abuse
or have you ever been convicted of a crime, in this state or any other

2. a. If it is determined that a person being considered for employment in a hospital has committed a crime, the department of public safety shall notify the hospital that upon the request of the hospital the ~~department of human services~~ record check evaluation system will perform an evaluation to determine whether the crime warrants prohibition of the person’s employment in the hospital.

b. (1) If a person being considered for employment, other than employment involving the operation of a motor vehicle, has been convicted of a crime listed in subparagraph (2) but does not have a record of founded child or dependent adult abuse and the hospital has requested an evaluation in accordance with paragraph “a” to determine whether the crime warrants prohibition of the person’s employment, the hospital may employ the person for not more than sixty calendar days pending completion of the evaluation.

(2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under [section 123.47](#), and to a crime that is a first offense of operating a motor vehicle while intoxicated under [section 321J.2, subsection 1](#).

c. If a ~~department of human services record check evaluation system~~ child or dependent adult abuse record check shows that the person has a record of founded child or dependent adult abuse, the ~~department of human services record check evaluation system~~ shall notify the hospital that upon the request of the hospital the ~~department of human services record check evaluation system~~ will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of the person's employment in the hospital.

d. An evaluation performed under [this subsection](#) shall be performed in accordance with procedures adopted for this purpose by the department of health and human services.

e. (1) If a person owns or operates more than one hospital, and an employee of one of such hospitals is transferred to another such hospital without a lapse in employment, the hospital is not required to request additional criminal and child and dependent adult abuse record checks of that employee.

(2) If the ownership of a hospital is transferred, at the time of transfer the record checks required by [this section](#) shall be performed for each employee for whom there is no documentation that such record checks have been performed. The hospital may continue to employ such employee pending the performance of the record checks and any related evaluation.

3. In an evaluation, the ~~department of human services record check evaluation system~~ shall consider the nature and seriousness of the crime or founded child or dependent adult abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child or dependent adult abuse, the circumstances under which the crime or founded child or dependent adult abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child or dependent adult abuse again, and the number of crimes or founded child or dependent adult abuses committed by the person involved. If the ~~department of human services record check evaluation system~~ performs an evaluation for the purposes of [this section](#), the ~~department of human services record check evaluation system~~ has final authority in determining whether prohibition of the person's employment is warranted.

4. a. Except as provided in [subsection 1](#), paragraph "b", [subsection 2](#), and paragraph "b" of [this subsection](#), a person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a hospital licensed under [this chapter](#) unless an evaluation has been performed by the ~~department of human services record check evaluation system~~.

Otherwise, the requirements of paragraph "a" remain applicable to the person's employment. Authorization of an exemption under this paragraph "b" from requirements for reevaluation of the latest record checks by the ~~department of human services record check evaluation system~~ is subject to all of the following provisions:

(4) Although an exemption under this lettered paragraph "b" may be authorized, the subsequent employer may instead request a reevaluation of the record checks and may employ the person while the reevaluation is being performed.

5. a. If a person employed by a hospital that is subject to [this section](#) is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the hospital of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The hospital shall act to verify the information within seven calendar days of notification. If the information is verified, the requirements of [subsections 2, 3, and 4](#) regarding employability and evaluations shall be applied by the hospital to determine whether or not the person's employment is continued. The hospital may continue to employ the person pending the performance of an evaluation by the ~~department of human services~~ record check evaluation system to determine whether prohibition of the person's employment is warranted. A person who is required by [this subsection](#) to inform the person's employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor.

b. If a hospital receives credible information, as determined by the hospital, that a person employed by the hospital has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment from a person other than the employee and the employee has not informed the hospital of such information within the period required under paragraph "a", the hospital shall act to verify the credible information within seven calendar days of receipt of the credible information. If the information is verified, the requirements of [subsections 2, 3, and 4](#) regarding employability and evaluations shall be applied by the hospital to determine whether or not the person's employment is continued.

c. The hospital may notify the county attorney for the county where the hospital is located of any violation or failure by an employee to notify the hospital of a criminal conviction or entry of an abuse record within the period required under paragraph "a".

Sec. 618. [Section 232.97, subsection 1](#), Code 2023, is amended to read as follows:

Sec. 620. [Section 232.100](#), Code 2023, is amended to read as follows:

232.100 Suspended judgment.

After the dispositional hearing the court may enter an order suspending judgment and continuing the proceedings subject to terms and conditions imposed to assure the proper care and protection of the child. Such terms and conditions may include the supervision of the child and of the parent, guardian, or custodian by the department of human services, juvenile court office, or other appropriate agency designated by the court. The maximum duration of any term or condition of a suspended judgment shall be twelve months unless the court finds at a hearing held during the last month of that period that exceptional circumstances require an extension of the term or condition for an additional six months.

Sec. 621. [Section 232.101, subsection 1](#), Code 2023, is amended to read as follows:

1. After the dispositional hearing, the court may enter an order permitting the child's parent, guardian, or custodian at the time of the filing of the petition to retain custody of the child subject to terms and conditions which the court prescribes to assure the proper care and protection of the child. Such terms and conditions may include supervision of the child and the parent, guardian, or custodian by the department of human services, juvenile court office, or other appropriate agency which the court designates. Such terms and conditions may also include the provision or acceptance by the parent, guardian, or custodian of special treatment or care which the child needs for the child's physical or mental health. If the parent, guardian, or custodian fails to provide the treatment or care, the court may order the department of human services or some other appropriate state agency to provide such care or treatment.

4. a. Whenever possible the court should permit the child to remain at home with the child's parent, guardian, or custodian. Custody of the child should not be transferred unless the court finds there is clear and convincing evidence that of any of the following:

(1) The child cannot be protected from physical abuse without transfer of custody; or

(2) The child cannot be protected from some harm which would justify the adjudication of the child as a child in need of assistance and an adequate placement is available.

b. In order to transfer custody of the child under [this subsection](#), the court must make a determination that continuation of the child in the child's home would be contrary to the welfare of the child, and shall identify the reasonable efforts that have been made. The court's determination regarding continuation of the child in the child's home, and regarding reasonable efforts, including those made to prevent removal and those made to finalize any permanency plan in effect, as well as any determination by the court that reasonable efforts are not required, must be made on a case-by-case basis. The grounds for each determination must be explicitly documented and stated in the court order. However, preserving the safety of the child is the paramount consideration. If imminent danger to the child's life or health exists at the time of the court's consideration, the determinations otherwise required under this paragraph shall not be a prerequisite for an order for removal of the child. If the court transfers custody of the child, unless the court waives the requirement for making reasonable efforts or otherwise makes a determination that reasonable efforts are not required, reasonable efforts shall be made to make it possible for the child to safely return to the family's home.

6. In any order transferring custody to the department or an agency, or in orders pursuant to a custody order, the court shall specify the nature and category of disposition which will serve the best interests of the child, and shall prescribe the means by which the placement shall be monitored by the court. If the court orders the transfer of the custody of the child to the department of human services or other agency for placement, the department or agency

shall submit a case permanency plan to the court and shall make every reasonable effort to return the child to the child's home as quickly as possible consistent with the best interests of the child. When the child is not returned to the child's home and if the child has been previously placed in a licensed foster care facility, the department or agency shall consider placing the child in the same licensed foster care facility. If the court orders the transfer of custody to a parent who does not have physical care of the child, other relative, or other suitable person, the court may direct the department or other agency to provide services to the child's parent, guardian, or custodian in order to enable them to resume custody of the child. If the court orders the transfer of custody to the department of human services or to another agency for placement in group foster care, the department or agency shall make every reasonable effort to place the child in the least restrictive, most family-like, and most appropriate setting available, and in close proximity to the parents' home, consistent with the child's best interests and special needs, and shall consider the placement's proximity to the school in which the child is enrolled at the time of placement.

All other matters, including child support, shall be filed by separate petition or by action of the child support ~~recovery unit services~~, and shall be subject to existing applicable statutory provisions.

5. The district court shall take judicial notice of the juvenile file in any hearing related to the case. 1. The court finds that all of the following have occurred:

(1) The child has been adjudicated a child in need of assistance pursuant to [section 232.96](#) and custody has been transferred from the child's parents for placement pursuant to [section 232.102](#).

(2) The parent has a severe ~~substance-related~~ substance use disorder as described by either of the following:

(a) The severe ~~substance-related~~ substance use disorder meets the definition for that term as defined in the most current edition of the diagnostic and statistical manual prepared by the American psychiatric association, and the parent presents a danger to self or others as evidenced by prior acts.

(b) The disorder is evidenced by continued and repeated use through the case, the parent's refusal to obtain a substance abuse use disorder evaluation or treatment after given the opportunity to do so, and the parent presents a danger to self or others as evidenced by prior acts.

(3) There is clear and convincing evidence that the parent's prognosis indicates that the child will not be able to be returned to the custody of the parent within a reasonable period of time considering the child's age and need for a permanent home.

Sec. 639. [Section 232.171, subsection 4](#), Code 2023, is amended to read as follows:

4. *Article IV — Return of runaways.*

a. (1) That the parent, guardian, or person or agency entitled to legal custody of a juvenile who has not been adjudged delinquent but who has run away without the consent of such parent, guardian, or person or agency may petition the appropriate court in the demanding state for the issuance of a requisition for the juvenile’s return. The petition shall state the name and age of the juvenile, the name of the petitioner and the basis of entitlement to the juvenile’s custody, the circumstances of the juvenile’s running away, the juvenile’s location if known at the time application is made, and such other facts as may tend to show that the juvenile who has run away is endangering the juvenile’s own welfare or the welfare of others and is not an emancipated minor. The petition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the document or documents on which the petitioner’s entitlement to the juvenile’s custody is based, such as birth certificates, letters of guardianship, or custody decrees. Such further affidavits and other documents as may be deemed proper may be submitted with such petition. The judge of the court to which this application is made may hold a hearing thereon to determine whether for the purposes of this compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not the juvenile is an emancipated minor, and whether or not it is in the best interest of the juvenile to compel the juvenile’s return to the state. If the judge determines, either with or without a hearing, that the juvenile should be returned, the judge shall present to the appropriate court or to the executive authority of the state where the juvenile is alleged to be located a written requisition for the return of such juvenile. Such requisition shall set forth the name and age of the juvenile, the determination of the court that the juvenile has run away without the consent of a parent, guardian, or person or agency entitled to the juvenile’s legal custody, and that it is in the best interest and for the protection of such juvenile that the juvenile be returned. In the event that a proceeding for the adjudication of the juvenile as a delinquent, neglected or dependent juvenile is pending in the court at the time when such juvenile runs away, the court may issue a requisition for the return of such juvenile upon its own motion, regardless of the consent of the parent, guardian, or person or agency entitled to

legal custody, reciting therein the nature and circumstances of the pending proceeding. The requisition shall in every case be executed in duplicate and shall be signed by the judge. One copy of the requisition shall be filed with the compact administrator of the demanding state, there to remain on file subject to the provisions of law governing records of such court. Upon the receipt of a requisition demanding the return of a juvenile who has run away, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing the officer or person to take into custody and detain such juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No juvenile detained upon such order shall be delivered over to the officer whom the court demanding the juvenile shall have appointed to receive the juvenile, unless the juvenile shall first be taken forthwith before a judge of a court in the state, who shall inform the juvenile of the demand made for the juvenile's return, and who may appoint counsel or guardian ad litem for the juvenile. If the judge of such court shall find that the requisition is in order, the judge shall deliver such juvenile over to the officer whom the court demanding the juvenile shall have appointed to receive the juvenile. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

(2) Upon reasonable information that a person is a juvenile who has run away from another state party to this compact without the consent of a parent, guardian, or person or agency entitled to the juvenile's legal custody, such juvenile may be taken into custody without a requisition and brought forthwith before a judge of the appropriate court who may appoint counsel or guardian ad litem for such juvenile and who shall determine after a hearing whether sufficient cause exists to hold the person, subject to the order of the court, for the person's own protection and welfare, for such a time not exceeding ninety days as will enable the person's return to another state party to this compact pursuant to a requisition for the person's return from a court of that state. If, at the time when a state seeks the return of a juvenile who has run away, there is pending in the state wherein the juvenile is found any criminal charge, or any proceeding to have the juvenile adjudicated a delinquent juvenile for an act committed in such state, or if the juvenile is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, the juvenile shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this compact, upon the establishment of their authority and the identity of the juvenile being returned, shall be permitted to transport such juvenile through any and all states party to this compact, without interference. Upon the juvenile's return to the state from which the juvenile ran away, the juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

b. That the state to which a juvenile is returned under this article shall be responsible for payment of the transportation costs of such return.

c. That "juvenile" as used in this article means any person who is a minor under the law of the state of residence of the parent, guardian, or person or agency entitled to the legal custody of such minor.

Sec. 640. [Section 232.171, subsection 7](#), paragraph a, Code 2023, is amended to read as follows:

That the duly constituted judicial and administrative authorities of a state party to this compact, herein called "*sending state*", may permit any delinquent juvenile within such state, placed on probation or parole, to reside in any other state party to this compact, herein called "*receiving state*", while on probation or parole, and the receiving state shall accept such delinquent juvenile, if the parent, guardian, or person entitled to the legal custody of such delinquent juvenile is residing or undertakes to reside within the receiving state. Before granting such permission, opportunity shall be given to the receiving state to make such investigations as it deems necessary. The authorities of the sending state shall send to the authorities of the receiving state copies of pertinent court orders, social case studies and all other available information which may be of value to and assist the receiving state in supervising a probationer or parolee under this compact. A receiving state, in its discretion,

may agree to accept supervision of a probationer or parolee in cases where the parent, guardian, or person entitled to the legal custody of the delinquent juvenile is not a resident of the receiving state, and if so accepted the sending state may transfer supervision accordingly.

The purposes of the decategorization initiative include but are not limited to redirecting child welfare and juvenile justice funding to services which are more preventive, family-centered, and community-based in order to reduce use of restrictive approaches which rely upon institutional, out-of-home, and out-of-community services.

3. *Implementation.*

a. Implementation of the initiative shall be through creation of decategorization projects. A project shall consist of either a single county or a group of counties interested in jointly implementing the initiative. c. The decategorization initiative shall not be implemented in a manner that limits the legal rights of children and families to receive services.

4. *Governance board.*

a. In partnership with an interested county or group of counties which has demonstrated the commitment and involvement of the affected county department, or departments, of human services, the juvenile justice system within the project area, and board, or boards, of supervisors in order to form a decategorization project, the department shall develop a process for combining specific state and state-federal funding categories into a decategorization services funding pool for that project. a. The governance board for a decategorization project has authority over the project's decategorization services funding pool and shall manage the pool to provide more flexible, individualized, family-centered, preventive, community-based, comprehensive, and coordinated service systems for children and families served in that project area. A funding pool shall also be used for child welfare and juvenile justice systems enhancements.

b. Notwithstanding [section 8.33](#), moneys designated for a project's decategorization services funding pool that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure as directed by the project's governance board for child welfare and juvenile justice systems enhancements and other purposes of the project for the next three succeeding fiscal years. A decategorization governance board shall involve community representatives and county organizations in the development of the plan for that project's funding pool. In addition, the governance board shall coordinate efforts through communication with the ~~appropriate departmental service area manager~~ department regarding budget planning and decategorization service decisions.

d. A decategorization governance board is responsible for ensuring that decategorization services expenditures from that project's funding pool do not exceed the amount of funding available. If necessary, the governance board shall reduce expenditures or discontinue specific services as necessary to manage within the funding pool resources available for a fiscal year.

e. The annual child welfare and juvenile justice decategorization services plan developed for use of the funding pool by a decategorization governance board shall be submitted to the ~~department administrator of child welfare services~~ and the early childhood Iowa state board. b. If an individual person subject to a record check is being considered for employment by a child care facility or child care home provider, in lieu of requesting a record check in this state to be conducted by the department record check evaluation system under paragraph “*c*”, the child care facility or child care home may access the single contact repository established pursuant to [section 135C.33](#) as necessary to conduct a criminal and child abuse record check of the individual in this state. A copy of the results of the record check conducted through the single contact repository shall also be provided to the department record check evaluation system. If the record check indicates the individual is a person subject to an evaluation, the child care facility or child care home may request that the department record check evaluation system perform an evaluation as provided in [this subsection](#). Otherwise, the individual shall not be employed by the child care facility or child care home.

c. Unless a record check has already been conducted in accordance with paragraph “*b*”, the department record check evaluation system shall conduct a criminal and child abuse record check in this state for a person who is subject to a record check and may conduct such a check in other states. In addition, the department record check evaluation system may conduct a dependent adult abuse, sex offender registry, or other public or civil offense record check in this state or in other states for a person who is subject to a record check.

d. (1) For a person subject to a record check, in addition to any other record check conducted pursuant to [this subsection](#), the person’s fingerprints shall be provided to the department of public safety for submission through the state criminal history repository to the United States department of justice, federal bureau of investigation for a national criminal history check. The department is

responsible for the cost of such checks conducted in connection with a person's involvement with a child development home or child care home.

(3) If record checks under paragraph "b" or "c" have been conducted on a person subject to a record check and the results do not warrant prohibition of the person's involvement with child care or otherwise present protective concerns, the person may be involved with child care on a provisional basis until the record check under subparagraph (1) has been completed.

(4) If a person subject to a record check refuses to consent to a record check or if the person makes what the person knows to be a false statement of material fact in connection with a record check, the person shall be prohibited from involvement with child care.

e. (1) If a record check performed pursuant to [this subsection](#) identifies an individual as a person subject to an evaluation, an evaluation shall be performed to determine whether prohibition of the person's involvement with child care is warranted. The evaluation shall be performed in accordance with procedures adopted for this purpose by the department.

(2) Prior to performing an evaluation, the department record check evaluation system shall notify the affected person, licensee, registrant, or child care home applying for or receiving public funding for providing child care, that an evaluation will be conducted to determine whether prohibition of the person's involvement with child care is warranted.

f. If a record check performed in accordance with paragraph "b" or "c" identifies that an individual is a person subject to an evaluation, the department record check evaluation system shall perform the evaluation in accordance with [this subsection](#), even if the application which made the person subject to the record check is withdrawn or the circumstances which made the person subject to the record check are no longer applicable. If the department's record check evaluation system's evaluation determines that prohibition of the person's involvement with child care is warranted, the provisions of [this subsection](#) regarding such a prohibition shall apply.

g. A person subject to a record check who is or was employed by a child care facility or child care home provider and is hired by another child care facility or child care home provider shall be subject to a record check in accordance with [this subsection](#). However, if the person was subject to an evaluation because of a transgression in the person's record and the evaluation determined that the transgression did not warrant prohibition of the person's involvement with child care and the latest record checks do not indicate there is a transgression that was committed subsequent to that evaluation, the person may commence employment with the other child care facility or provider in accordance with the department's evaluation and an exemption from any requirements for reevaluation of the latest record checks is authorized. Authorization of an exemption under this paragraph "g" from requirements for reevaluation of the latest record checks by the department record check evaluation system is subject to all of the following provisions:

(1) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed.

(2) Any restrictions placed on the person's employment in the previous evaluation by the department record check evaluation system shall remain applicable in the person's subsequent employment.

(3) The person subject to the record checks has maintained a copy of the previous evaluation and provides the evaluation to the subsequent employer or the previous employer provides the previous evaluation from the person's personnel file pursuant to the person's authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, the record checks shall be reevaluated.

(4) Although an exemption under this paragraph "g" may be authorized, the subsequent employer may instead request a reevaluation of the record checks and may employ the person while the reevaluation is being performed.

h. In an evaluation, the department record check evaluation system shall consider the nature and seriousness of the transgression in relation to the position sought or held, the time elapsed since the commission of the transgression, the circumstances under which the transgression was committed, the degree of rehabilitation, the likelihood that the person will commit the transgression again, and the number of transgressions committed by the person involved. In addition to record check information, the department record check evaluation system may utilize information from the department's record check evaluation

system's case records in performing the evaluation. The department record check evaluation system may permit a person who is evaluated to maintain involvement with child care, if the person complies with the department's record check evaluation system's conditions and corrective action plan relating to the person's involvement with child care. The department record check evaluation system has final authority in determining whether prohibition of the person's involvement with child care is warranted and in developing any conditional requirements and corrective action plan under this paragraph.

i. (1) A person subject to an evaluation shall be prohibited from involvement with child care under any of the following circumstances:

(a) The person has a record of founded child abuse or dependent adult abuse that was determined to be sexual abuse.

After the five-year prohibition period, the person may submit an application for registration or licensure under [this chapter](#), or to receive public funding for providing child care, or may request an evaluation, and the department record check evaluation system shall perform an evaluation and, based upon the criteria in paragraph "h", shall determine whether prohibition of the person's involvement with child care continues to be warranted.

j. If the department record check evaluation system determines, through an evaluation of a person's transgression, that the person's prohibition of involvement with child care is warranted, the person shall be prohibited from involvement with child care. The department record check evaluation system may identify a period of time after which the person may request that another record check and evaluation be performed. A person who continues involvement with child care in violation of [this subsection](#) is subject to penalty under [section 237A.19](#) or injunction under [section 237A.20](#).

k. If it has been determined that a child receiving child care from a child care facility or a child care home is the victim of founded child abuse committed by an employee, license or registration holder, child care home provider, or resident of the child care facility or child care home for which a report is placed in the central registry pursuant to [section 232.71D](#), the administrator department shall provide notification at the time of the determination to the parents, guardians, and custodians of children receiving care from the child care facility or child care home. ~~2- 3.~~ a. “Transfer of assets” means any transfer or assignment of a legal or equitable interest in property, as defined in [section 702.14](#), from a transferor to a transferee for less than fair consideration, made while the transferor is receiving medical assistance or within five years prior to application for medical assistance by the transferor. Any such transfer or assignment is presumed to be made with the intent, on the part of the transferee; transferor; or another person acting on behalf of a transferor who is an actual or implied agent, guardian, attorney-in-fact, or person acting as a fiduciary, of enabling the transferor to obtain or maintain eligibility for medical assistance or of impacting the recovery or payment of a medical assistance debt. This presumption is rebuttable only by clear and convincing evidence that the transferor’s eligibility or potential eligibility for medical assistance or the impact on the recovery or payment of a medical assistance debt was no part of the reason of the transferee; transferor; or other person acting on behalf of a transferor who is an actual or implied agent, guardian, attorney-in-fact, or person acting as a fiduciary for making or accepting the transfer or assignment. A transfer of assets includes a transfer of an interest in the transferor’s home, domicile, or land appertaining to such home or domicile while the transferor is receiving medical assistance, unless otherwise exempt under paragraph “b”.

(5) Transfers of less than two thousand dollars. However, all transfers by the same transferor during the five-year period prior to application for medical assistance by the transferor shall be aggregated. If a transferor transfers property to more than one transferee during the five-year period prior to application for medical assistance by the transferor, the two thousand dollar exemption shall be divided equally between the transferees.

(6) Transfers of assets that would, at the time of the transferor's application for medical assistance, have been exempt from consideration as a resource if retained by the transferor, pursuant to 42 U.S.C. §1382b(a), as implemented by regulations adopted by the secretary of the United States department of health and human services, excluding the home and land appertaining to the home.

The issuance of notice to the obligor is the equivalent of a court order requiring the obligor to direct payment to the collection services center for disbursement.

3. Once the responsibility for receiving and disbursing support payments has been transferred from a clerk of the district court to the collection services center, the responsibility shall remain with the collection services center even if ~~the child support recovery unit services~~ is no longer providing enforcement services, unless redirected by court order. Such reproduction, when satisfactorily identified, is as admissible in evidence as the original itself in any judicial or administrative proceeding whether the original is in existence or not and an enlargement or facsimile of such reproduction is likewise admissible in evidence if the original recording, copy, or reproduction is in existence and available for inspection. The introduction of a reproduced record, enlargement, or facsimile, does not preclude admission of the original.

2. The electronically imaged, copied, or otherwise reproduced record or document maintained or received by ~~the unit child support services~~, when certified over the signature of a designated employee of ~~the unit child support services~~, shall be considered to be satisfactorily identified. Certified documents are deemed to have been imaged or copied or otherwise reproduced accurately and unaltered in the regular course of business, and such documents are admissible in any judicial or administrative proceeding as evidence.

a. The parents have reconciled and are cohabiting, and the child for whom support is ordered is living in the same residence as the parents, or the child is currently residing with the parent who is ordered to pay support. If the basis for suspension under this paragraph applies to at least one but not all of the children for whom support is ordered, the condition of this paragraph is met only if the support order includes a step change.

b. The child for whom support is ordered is not receiving public assistance pursuant to [chapter 239B](#), [249A](#), or a comparable law of another state or foreign country, unless the person against whom support is ordered is considered to be a member of the same household as the child for the purposes of public assistance eligibility.

c. The parents have signed a notarized affidavit attesting to the conditions under paragraphs "a" and "b", have consented to suspension of the support order or obligation, and have submitted the affidavit to ~~the unit child support services~~.

a. Deny the request and notify the parents in writing that the application is being denied, providing reasons for the denial and notifying the parents of the right to proceed through private counsel. Denial of the application is not subject to contested case proceedings or further review pursuant to [chapter 17A](#).

b. Approve the request and prepare an order which shall be submitted, along with the affidavit, to a judge of a district court for approval, suspending the accruing support obligation and, if requested by the obligee, and if not prohibited by [chapter 252K](#), satisfying the obligation of support due the obligee. If the basis for suspension applies to at least one but not all of the children for whom support is ordered and the support order includes a step change, ~~the unit child support services~~ shall prepare an order suspending the accruing support obligation for each child to whom the basis for suspension applies.

3. An order approved by the court for suspension of an accruing support obligation is effective upon the date of filing of the suspension order. The satisfaction of an obligation of support due the obligee shall be final upon the filing of the suspension order. A support obligation which is satisfied is not subject to the reinstatement provisions of [this section](#).

4. An order suspending an accruing support obligation entered by the court pursuant to [this section](#) shall be considered a temporary order for the period of six months from the date of filing of the suspension order. However, the six-month period shall not include any time during which an application for reinstatement is pending before the court.

5. During the six-month period ~~the unit child support services~~ may request that the court reinstate the accruing support order or obligation if any of the following conditions exist:

a. Upon application to ~~the unit child support services~~ by either parent or other person who has physical custody of the child.

b. Upon the receipt of public assistance benefits, pursuant to [chapter 239B, 249A](#), or a comparable law of another state or foreign country, by the person entitled to receive support and the child on whose behalf support is paid, provided that the person owing the support is not considered to be a member of the same household as the child for the purposes of public assistance eligibility.

6. If a condition under [subsection 5](#) exists, ~~the unit child support services~~ may request that the court reinstate an accruing support obligation as follows:

a. If the basis for the suspension no longer applies to any of the children for whom an accruing support obligation was suspended, ~~the unit child support services~~ shall request that the court reinstate the accruing support obligations for all of the children.

b. If the basis for the suspension continues to apply to at least one but not all of the children for whom an accruing support obligation was suspended and if the support order includes a step change, ~~the unit child support services~~ shall request that the court reinstate the accruing support obligation for each child for whom the basis for the suspension no longer applies.

7. Upon filing of an application for reinstatement, service of the application shall be made either in person or by first class mail upon both parents. Within ten days following the date of service, the parents may file a written objection with the clerk of the district court to the entry of an order for reinstatement.

a. If no objection is filed, the court may enter an order reinstating the accruing support obligation without additional notice.

b. If an objection is filed, the clerk of court shall set the matter for hearing and send notice of the hearing to both parents and ~~the unit child support services~~.

8. The reinstatement is effective as follows:

a. For reinstatements initiated under [subsection 5](#), paragraph “a”, the date the notices were served on both parents pursuant to [subsection 7](#).

b. For reinstatements initiated under [subsection 5](#), paragraph “b”, the date the child began receiving public assistance benefits during the suspension of the obligation.

c. Support which became due during the period of suspension but prior to the reinstatement is waived and not due and owing unless the parties requested and agreed to the suspension under false pretenses.

9. If the order suspending a support obligation has been on file with the court for a period exceeding six months as computed pursuant to [subsection 4](#), the order becomes final by operation of law and terminates the support obligation, and thereafter, a party seeking to establish a support obligation against either party shall bring a new action for support as provided by law.

10. [This section](#) shall not limit the rights of the parents or ~~the unit child support services~~ to proceed by other means to suspend, terminate, modify, reinstate, or establish support.

11. [This section](#) does not provide for the suspension or retroactive modification of support obligations which accrued prior to the entry of an order suspending enforcement and collection of support pursuant to [this section](#). However, if in the application for suspension, an obligee elects to satisfy an obligation of accrued support due the obligee, the suspension order may satisfy the obligation of accrued support due the obligee.

12. Nothing in [this section](#) shall prohibit or limit ~~the unit child support services~~ or a party entitled to receive support from enforcing and collecting any unpaid or unsatisfied support that accrued prior to the suspension of the accruing obligation.

13. For the purposes of [chapter 252H, subchapter II](#), regarding the criteria for a review or for a cost-of-living alteration under [chapter 252H, subchapter IV](#), if a support obligation is terminated or reinstated under [this section](#), such termination or reinstatement shall not be considered a modification of the support order.

14. As used in [this section](#), unless the context otherwise requires, “*step change*” means a change designated in a support order specifying the amount of the child support obligation as the number of children entitled to support under the order changes.

15. As specified in [this section](#), if the child for whom support is ordered is not receiving public assistance pursuant to [chapter 239B, 249A](#), or a comparable law of another state or foreign country, upon agreement of the parents, ~~the unit child support services~~ may facilitate the suspension of the child support order or obligation if the child is residing with a caretaker, who is a natural person, and who has not requested ~~the unit child support services~~ to provide

services under [this chapter](#). The parents and the caretaker shall sign a notarized affidavit attesting to the conditions under [this section](#), consent to the suspension of the support order or obligation, and submit the affidavit to ~~the unit child support services~~. Upon the receipt of public assistance benefits pursuant to [chapter 239B, 249A](#), or a comparable law of another state or foreign country, by the child on whose behalf support is ordered, or upon application to ~~the unit child support services~~ by either parent or the caretaker, ~~the unit child support services~~ may, within the time periods specified in [this section](#), request the reinstatement of the accruing support order or obligation pursuant to [this section](#).

16. The department may adopt all necessary and proper rules to administer and interpret [this section](#).

The request shall be received by ~~the office of the unit which issued the decision~~ child support services within ten days of ~~the unit's~~ child support services' written decision. The only grounds for a hearing shall be mistake of fact. Following receipt of the written request, ~~the unit which receives the request~~ child support services shall certify the matter for hearing in the district court in the county in which the underlying support order is filed.

i. The address of the collection services center for payment of the arrearages.

5. If the obligor pays the amount of arrearage within twenty days of the date of the notice of referral, referral of the arrearage to a collection entity shall not be made.

6. If the obligor requests a review or court hearing pursuant to [this section](#), referral of the arrearages shall be stayed pending the decision of ~~the unit~~ child support services or the court.

7. Actions of ~~the unit~~ child support services under [this section](#) shall not be subject to contested case proceedings or further review pursuant to [chapter 17A](#) and any resulting court hearing shall be an original hearing before the district court. However, the department shall establish, by rule pursuant to [chapter 17A](#), an internal process to provide an additional review by the ~~administrator of the child support recovery unit~~ director or the ~~administrator's~~ director's designee.

8. If an obligor does not pay the amount of the arrearage, does not contest the referral, or if following ~~the unit's~~ child support services' review and any court hearing ~~the unit~~ child support services or ~~the~~ court does not find a mistake of fact, the arrearages shall be referred to a collection entity. Following the review or hearing, if ~~the unit~~ child support services or the court finds a mistake in the amount of the arrearage, the arrearages shall be referred to the collection entity in the appropriate arrearage amount. For arrearages referred to a collection entity, the obligor shall pay a surcharge equal to a percent of the amount of the support arrearage due as of the date of the referral. The surcharge is in addition to the arrearages and any other fees or charges owed, and shall be enforced by the collection entity as provided under [section 252B.5](#). Upon referral to the collection entity, the surcharge is an automatic judgment against the obligor.

9. The director or the director's designee may file a notice of the surcharge with the clerk of the district court in the county in which the underlying support order is filed. Upon filing, the clerk shall enter the amount of the surcharge on the lien index and judgment docket.

10. Following referral of a support arrearage to a collection entity, the surcharge shall be due and owing and enforceable by a collection entity or ~~the unit~~ child support services notwithstanding satisfaction of the support obligation or whether the collection entity is enforcing a support arrearage. However, ~~the unit~~ child support services may waive payment of all or a portion of the surcharge if waiver will facilitate the collection of the support arrearage.

11. All surcharge payments shall be received and disbursed by the collection services center. The surcharge payments received by the collection services center shall be considered repayment receipts as defined in [section 8.2](#) and shall be used to pay the costs of any contracts with a collection entity.

12. a. A payment received by the collection services center which meets all the following conditions shall be allocated as specified in paragraph "b":

- (1) The payment is for a case in which arrearages have been referred to a collection entity.
- (2) A surcharge is assessed on the arrearages.

(3) The difference between the dividend and the quotient shall be the amount allocated to the surcharge.

13. Any computer or software programs developed and any records used in relation to a contract with a collection entity remain the property of the department.

The state case registry shall include records with respect to all of the following:

(2) The income of the obligor is subject to income withholding under [chapter 252D](#), including any support order for which the district court enters an ex parte order under [chapter 252D](#) on or after October 1, 1998.

2. The clerk of the district court shall provide ~~the unit~~ child support services with any information, orders, or documents requested by ~~the unit~~ child support services to establish or operate the state case registry, which are specified in the agreement described in [subsection 1](#), within the time frames specified in that agreement. The agreement shall include but is not limited to provisions to provide for all of the following:

Sec. 869. [Section 252B.25](#), Code 2023, is amended to read as follows:

252B.25 Contempt — combining actions.

Notwithstanding any provision of law to the contrary, if an obligor has been ordered to provide support in more than one order, ~~the unit~~ child support services may bring a single action for contempt to enforce the multiple orders. However, if the obligor objects to the consolidation of the actions regarding multiple orders into a single action for contempt, and the court determines that severance of the single action into multiple actions is in the interest of justice, ~~the unit~~ child support services shall bring multiple actions for contempt to enforce the multiple orders. If the single action is brought and the obligor does not object, ~~the unit~~ child support services shall file the action in the district court of a county where the obligor resides, or if the obligor does not reside in the state, in the district court of the county where at least one of the support orders was entered or registered. For the purposes of [this section](#), the district court where ~~the unit~~ child support services files the action shall have jurisdiction and authority over all other support orders for the obligor entered or registered by a court of this state and affected under [this section](#). In such case, ~~the unit~~ child support services shall also file a document with the clerk of court in each county affected specifying the county where the action under [this section](#) was filed and the disposition of the action.

Sec. 870. [Section 252B.26](#), Code 2023, is amended to read as follows:

252B.26 Service of process.

Notwithstanding any provision of law to the contrary, ~~the unit~~ child support services may serve a petition, notice, or rule to show cause under [this chapter](#) or [chapter 252A, 252C, 252F, 252H, 252K, 598, or 665](#) as specified in each chapter, or as follows:

1. ~~The unit~~ Child support services may serve a petition, notice, or rule to show cause by certified mail. Return acknowledgment is required to prove service by certified mail, [rules of civil procedure 1.303\(5\)](#) and [1.308\(5\)](#) shall not apply, and the return acknowledgment shall be filed with the clerk of court.

2. ~~The unit~~ Child support services may serve a notice of intent under [chapter 252H](#), or a notice of decision under [section 252H.14A](#), upon any party or parent who is receiving family investment program assistance for the parent or child by sending the notice by regular mail to the address maintained by the department. [Rules of civil procedure 1.303\(5\)](#) and [1.308\(5\)](#) shall not apply and ~~the unit~~ child support services shall file proof of service as provided in [chapter 252H](#). If the notice is determined to be undeliverable, ~~the unit~~ child support services shall serve the notice as otherwise provided in [this section](#) or by personal service.

Sec. 871. [Section 252B.27](#), Code 2023, is amended to read as follows:

252B.27 Use of funding for additional positions.

1. The director, within the limitations of the amount appropriated for ~~the unit~~ child support services, or moneys transferred for this purpose from the family investment program account created in [section 239B.11](#), may establish new positions and add employees to ~~the unit~~ child support services if the director determines that both the current and additional employees together can reasonably be expected to maintain or increase net state revenue at or beyond the budgeted level for the fiscal year.

2. a. The director may establish new positions and add state employees to ~~the unit~~ child support services or contract for delivery of services if the director determines the employees are necessary to replace county-funded positions eliminated due to termination, reduction, or nonrenewal of a [chapter 28E](#) contract. However, the director must also determine that the resulting increase in the state share of child support ~~recovery~~ services incentives exceeds the cost of the positions or contract, the positions or contract are necessary to ensure continued federal funding of ~~the unit~~ child support services, or the new positions or contract can reasonably be expected to recover at least twice the amount of money necessary to pay the salaries and support for the new positions or the contract will generate at least two hundred percent of the cost of the contract.

b. Employees in full-time positions that transition from county government to state government employment under [this subsection](#) are exempt from testing, selection, and appointment provisions of [chapter 8A, subchapter IV](#), and from the provisions of collective bargaining agreements relating to the filling of vacant positions.

Sec. 872. [Section 252C.1](#), Code 2023, is amended to read as follows:

252C.1 Definitions.

2. 1. “Caretaker” means a parent, relative, guardian, or another person who is responsible for paying foster care costs pursuant to [chapter 234](#) or whose needs are included in an assistance payment made pursuant to [chapter 239B](#).

2. “Child support services” means child support services created in [section 252B.2](#).

3. “Court order” means a judgment or order requiring the payment of a set or determinable amount of monetary support. 4. “Department” means the department of health and human services.

5. “Dependent child” means a person who meets the eligibility criteria established in [chapter 234](#) or [239B](#) and whose support is required by [chapter 234, 239B, 252A, 252F, 598, or 600B](#).

6. 7. “Medical support” means medical support as defined in [section 252E.1](#).

7. 8. “Public assistance” means foster care costs paid by the department pursuant to [chapter 234](#) or assistance provided pursuant to [chapter 239B](#).

Sec. 873. [Section 252C.2](#), Code 2023, is amended to read as follows:

252C.2 Assignment — creation of support debt — subrogation.

1. If public assistance is provided by the department to or on behalf of a dependent child or a dependent child’s caretaker, there is an assignment by operation of law to the department of any and all right in, title to, and interest in any support obligation, payment, and arrearages owed to or for the child or caretaker up to the amount of public assistance paid for or on behalf of the child or caretaker. Unless otherwise specified in the order, an equal and proportionate share of any child support awarded is presumed to be payable on behalf of each child subject to the order or judgment for purposes of an assignment under [this section](#). For family investment program assistance, [section 239B.6](#) shall apply.

2. The payment of public assistance to or for the benefit of a dependent child or a dependent child’s caretaker creates a support debt due and owing to the department by the responsible person in an amount equal to the public assistance payment, except that the support debt is limited to the amount of a support obligation established by court order or by the ~~administrator~~ department. The ~~administrator~~ department may establish a support debt as to amounts accrued and accruing pursuant to [section 598.21B](#). b. The child is living with the parent from whom support would otherwise be sought.

3. The provision of child support collection or paternity determination services under [chapter 252B](#) to an individual, even though the individual is ineligible for public assistance, creates a support debt due and owing to the individual or the individual’s child or ward by the responsible person in the amount of a support obligation established by court order or by the ~~administrator~~ department. The ~~administrator~~ department may establish a support debt in favor of the individual or the individual’s child or ward and against the responsible person, both as to amounts accrued and accruing, pursuant to [section 598.21B](#).

4. The payment of medical assistance pursuant to [chapter 249A](#) for the benefit of a dependent child or a dependent child’s caretaker creates a support debt due and owing to the department. The ~~administrator~~ department may establish an order for medical support.

5. The department is subrogated to the rights of a dependent child or a dependent child’s caretaker to bring a court action or to execute an administrative remedy for the collection of support. The ~~administrator~~ department may petition an appropriate court for modification of a court order on the same grounds as a party to the court order can petition the court for modification.

Sec. 874. [Section 252C.3](#), Code 2023, is amended to read as follows:

252C.3 Notice of support debt — failure to respond — hearing — order.

(3) A statement that after the holding of the negotiation conference, the administrator department may issue a new notice and finding of financial responsibility for child support or medical support, or both, to be sent to the responsible person by regular mail addressed to the responsible person's last known address, or if applicable, to the last known address of the responsible person's attorney.

(4) A statement that if the administrator department issues a new notice and finding of financial responsibility for child support or medical support, or both, then the responsible person shall have thirty days from the date of issuance of the new notice to send a request for a hearing to ~~the office of the child support recovery unit which issued the notice services~~. If the administrator department does not issue a new notice and finding of financial responsibility for child support or medical support, or both, the responsible party shall have ten days from the date of issuance of the conference report to send a request for a hearing to ~~the office of the child support recovery unit which issued the conference report services~~.

d. A statement that if the responsible person objects to all or any part of the notice or finding of financial responsibility for child support or medical support, or both, and a negotiation conference is not requested, the responsible person shall, within thirty days of the date of service send to ~~the office of the child support recovery unit which issued the notice services~~ a written response setting forth any objections and requesting a hearing.

e. A statement that if a timely written request for a hearing is received by ~~the office of the child support recovery unit which issued the notice services~~, the responsible person shall have the right to a hearing to be held in district court; and that if no timely written response is received, the administrator department may enter an order in accordance with the notice and finding of financial responsibility for child support or medical support, or both.

f. A statement that, as soon as the order is entered, the property of the responsible person is subject to collection action, including but not limited to wage withholding, garnishment, attachment of a lien, and execution.

g. A statement that the responsible person shall notify the administrator department of any change of address, employment, or medical coverage as required by [chapter 252E](#).

h. A statement that if the responsible person has any questions, the responsible person should telephone or visit an ~~office of the child support recovery unit services~~ or consult an attorney.

i. Such other information as the administrator department finds appropriate.

2. The time limitations for requesting a hearing in [subsection 1](#) may be extended by the administrator department.

3. If a timely written response setting forth objections and requesting a hearing is received by ~~the appropriate office of the child support recovery unit services~~, a hearing shall be held in district court.

4. If timely written response and request for hearing is not received by ~~the appropriate office of the child support recovery unit services~~, the administrator department may enter an order in accordance with the notice, and shall specify all of the following:

b. The amount of the support debt accrued and accruing in favor of the department.

c. The name of the custodial parent or agency having custody of the dependent child and the name and birth date of the dependent child for whom support is to be paid.

b. If the child or children received public assistance in Iowa, and ~~the unit~~ child support services is seeking only an accrued obligation, in the county in which the dependent child or children last received public assistance.

c. If the action is the result of a request from another state or foreign country to establish support by a responsible person located in Iowa, in the county in which the responsible person resides.

2. The certification shall include true copies of the notice and finding of financial responsibility or notice of the support debt accrued and accruing, the return of service, the written objections and request for hearing, and true copies of any administrative orders previously entered.

3. The court shall set the matter for hearing and notify the parties of the time and place of hearing.

4. The court shall establish the monthly child support payment and the amount of the support debt accrued and accruing pursuant to [section 598.21B](#), or medical support pursuant to [chapter 252E](#), or both.

5. If a party fails to appear at the hearing, upon a showing of proper notice to that party, the court shall find that party in default and enter an appropriate order.

6. Actions initiated by the ~~administrator~~ department under [this chapter](#) are not subject to [chapter 17A](#) and resulting court hearings following certification shall be an original hearing before the district court.

7. If a responsible person contests an action initiated under [this chapter](#) by denying paternity, the following shall apply, as necessary:

a. (1) If the prior determination of paternity is based on an affidavit of paternity filed pursuant to [section 252A.3A](#), or an administrative order entered pursuant to [chapter 252F](#), or an order by the courts of this state, or by operation of law when the mother and established father are or were married to each other, the provisions of [section 600B.41A](#) are applicable.

(2) If the court determines that the prior determination of paternity should not be overcome pursuant to [section 600B.41A](#), and that the responsible person has a duty to provide support, the court shall enter an order establishing the monthly child support payment and the amount of the support debt accrued and accruing pursuant to [section 598.21B](#), or medical support pursuant to [chapter 252E](#), or both.

b. 3. Upon filing, the clerk shall enter the order in the judgment docket.

4. If the responsible party appeals the order approved by the court under [this section](#), and the court on appeal establishes an amount of support which is less than the amount of support established under the approved order, the court, in the order issued on appeal, shall reconcile the amounts due and shall provide that any amount which represents the unpaid difference between the amount under the approved order and the amount under the order of the court on appeal is satisfied.

Sec. 877. [Section 252C.6](#), Code 2023, is amended to read as follows:

252C.6 Interest on support debts.

Interest accrues on support debts at the rate provided in [section 535.3](#) for court judgments. The ~~administrator department~~ may collect the accrued interest but is not required to maintain interest balance accounts. Sec. 878. [Section 252C.8](#), Code 2023, is amended to read as follows:

252C.8 Temporary restraining order or bond.

If the ~~administrator department~~ reasonably believes that the responsible person is not a resident of this state, is about to move from this state, or is concealing the responsible person's whereabouts, or that the responsible person has removed or is about to remove, secrete, waste, or otherwise dispose of property which could be made subject to collection procedures to satisfy the support debt, the ~~administrator department~~ may petition the district court for a temporary restraining order barring the removal, secretion, waste, or disposal. However, if the responsible person furnishes a bond satisfactory to the court, the temporary restraining order shall be vacated.

Sec. 879. [Section 252C.12](#), Code 2023, is amended to read as follows:

3. If a responsible person waives the time limitations established in [section 252C.3](#) and an order for support is entered under [this chapter](#), the signed statement of the responsible person waiving the time limitations shall be filed with the order for support.

Sec. 880. [Section 252D.1](#), Code 2023, is amended to read as follows:

252D.1 Delinquent support payments.

If support payments ordered under [this chapter](#) or [chapter 232](#), [234](#), [252A](#), [252C](#), [252E](#), [252F](#), [598](#), [600B](#), or any other applicable chapter, or under a comparable statute of another state or foreign country, as certified to the child support recovery unit established in [section 252B.2](#) services, are not paid to the clerk of the district court or the collection services center pursuant to [section 598.22](#) or, as appropriate, a comparable government entity in another state as provided in [chapter 252K](#), and become delinquent in an amount equal to the payment for one month, ~~the child support recovery unit services~~ may enter an ex parte order or, upon application of a person entitled to receive the support payments, the district court may enter an ex parte order, notifying the person whose income is to be withheld, of the delinquent amount, of the amount of income to be withheld, and of the procedure to file a motion to quash the order for income withholding, and ordering the withholding of specified sums to be deducted from the delinquent person's income as defined in [section 252D.16](#) sufficient to pay the support obligation and, except as provided in [section 598.22](#), requiring the payment of such sums to the clerk of the district court or the collection services center or, as appropriate, a comparable government entity in another state as provided in [chapter 252K](#). All income

Notification of income withholding shall be provided to the obligor and to the payor of income pursuant to [section 252D.17](#).

Sec. 881. [Section 252D.8](#), Code 2023, is amended to read as follows:

252D.8 Persons subject to immediate income withholding.

1. In a support order issued or modified on or after November 1, 1990, for which services are being provided by ~~the child support recovery unit services~~, and in any support orders issued or modified after January 1, 1994, for which services are not provided by ~~the child support recovery unit services~~, the income of a support obligor is subject to withholding, on the effective date of the order, regardless of whether support payments by the obligor are in arrears. If services are being provided pursuant to [chapter 252B](#), ~~the child support recovery unit services~~ may enter an ex parte order for an immediate withholding of income. The district court may enter an ex parte order for immediate income withholding for cases in which ~~the child support recovery unit services~~ is not providing services. The income of the obligor is subject to immediate withholding unless one of the following occurs:

a. One of the parties demonstrates and the court or ~~child support recovery unit services~~ finds there is good cause not to require immediate withholding. A finding of good cause shall be based on, at a minimum, written findings and conclusions by the court or administrative authority as to why implementing immediate withholding would not be in the best interests of the child. In cases involving modifications, the findings shall also include proof of timely payment of previously ordered support.

b. A written agreement is reached between both parties which provides for an alternative arrangement. If the support payments have been assigned to the department of ~~human services~~ pursuant to [chapter 234](#) or [239B](#), or a comparable statute of another jurisdiction, the department shall be considered a party to the support order, and a written agreement pursuant to [this section](#) to waive immediate withholding is void unless approved by ~~the child support recovery unit services~~. Any agreement existing at the time an assignment of support is made pursuant to [chapter 234](#) or [239B](#) or pursuant to a comparable statute of another jurisdiction shall not prevent ~~the child support recovery unit services~~ from implementing immediate withholding.

2. For an order not requiring immediate withholding, income of an obligor is subject to immediate withholding, without regard to whether there is an arrearage, on the earliest of the following:

a. The date the obligor requests that the withholding begin.

b. The date the custodial parent or party to the proceeding requests that the withholding begin, if the request is approved by the district court or, in cases in which services are being provided pursuant to [chapter 252B](#), if ~~the child support recovery unit services~~ approves the request.

Sec. 882. [Section 252D.16](#), Code 2023, is amended to read as follows:

252D.16 Definitions.

As used in [this chapter](#), unless the context otherwise requires:

1. “*Child support services*” means the same as child supported⁶ services created in [section 252B.2](#).

2. “*Department*” means the department of health and human services.

3. “*Income*” means all of the following:

(b) Twenty days from the date of service of the original notice.

(c) If paternity was contested and paternity testing was conducted, and a party does not deny paternity after the testing or challenge the paternity test results, twenty days from the date paternity test results are issued or mailed by ~~the unit~~ child support services to the party.

(3) A statement that after the holding of the conference, ~~the unit~~ child support services shall issue a new notice of alleged paternity and finding of financial responsibility for child support or medical support, or both, to be provided in person to each party or sent to each party by regular mail addressed to the party's last known address or, if applicable, to the last known address of the party's attorney.

(1) In the county in which the child or children reside if the action is for purposes of establishing paternity and future child or medical support, or both.

(2) In the county in which the child or children involved last received public assistance benefits in the state, if the action is for purposes of establishing paternity and child or medical support, or both, only for prior periods of time when the child or children received public assistance, and no ongoing child or medical support obligation is to be established by this action.

(3) If the action is the result of a request from another state or foreign country to establish paternity of a putative father located in Iowa, in the county in which the putative father resides.

b. All subsequent documents filed or court hearings held related to the action shall be in the district court in the county in which notice was filed pursuant to [this subsection](#). The clerk shall file and docket the action.

4. A party or ~~the child support recovery unit services~~ may request a court hearing regarding establishment of paternity or a determination of support, or both.

a. Upon receipt of a timely written response requesting a hearing or on its own initiative, ~~the unit child support services~~ shall certify the matter for hearing in the district court in the county where the original notice of alleged paternity and support debt is filed, in accordance with [section 252F.5](#).

b. If paternity establishment was contested and paternity tests conducted, a court hearing on the issue of paternity shall be held no earlier than thirty days from the date paternity test results are issued to all parties by ~~the unit child support services~~, unless the parties mutually agree to waive the time frame pursuant to [section 252F.8](#).

c. Any objection to the results of paternity tests shall be filed no later than twenty days after the date paternity test results are issued or mailed to each party by ~~the unit child support services~~. Any objection to paternity test results filed by a party more than twenty days after the date paternity tests are issued or mailed to the party by ~~the unit child support services~~ shall not be accepted or considered by the court.

5. If a timely written response and request for a court hearing is not received by ~~the unit child support services~~ and a party does not deny paternity, the ~~administrator department~~ shall enter an order in accordance with [section 252F.4](#).

6. *a.* If a party contests the establishment of paternity, the party shall submit, within twenty days of service of the notice on the party under [subsection 1](#), a written statement contesting paternity establishment to ~~the unit child support services~~. Upon receipt of a written challenge of paternity establishment, or upon initiation by ~~the unit child support services~~, the ~~administrator department~~ shall enter ex parte administrative orders requiring the mother, child or children involved, and the putative father to submit to paternity testing, except that if the mother and child or children previously submitted blood or genetic specimens in a prior action to establish paternity against a different putative father, the previously submitted specimens and prior results, if available, may be utilized for testing in this action. Either the mother or putative father may contest paternity under [this chapter](#).

b. The orders shall be filed with the clerk of the district court in the county where the notice was filed and have the same force and effect as a court order for paternity testing.

c. ~~The unit Child support services~~ shall issue copies of the respective administrative orders for paternity testing to the mother and putative father in person, or by regular mail to the last known address of each, or if applicable, to the last known address of the attorney for each.

d. If a paternity test is ordered under [this section](#), the ~~administrator department~~ shall direct that inherited characteristics be analyzed and interpreted, and shall appoint an expert qualified as an examiner of genetic markers to analyze and interpret the results. The test shall be of a type generally acknowledged as reliable by accreditation entities designated by the secretary of the United States department of health and human services and shall be performed by a laboratory approved by an accreditation entity.

e. The party contesting paternity shall be provided one opportunity to reschedule the paternity testing appointment if the testing is rescheduled prior to the date of the originally scheduled appointment.

f. An original copy of the test results shall be filed with the clerk of the district court in the county where the notice was filed. ~~The child~~ Child support recovery unit services shall issue a copy of the filed test results to each party in person, or by regular mail to the last known address of each, or if applicable, to the last known address of the attorney for each. However, if the action is the result of a request from another state or foreign country, ~~the unit child support services~~ shall issue a copy of the results to the initiating agency in that jurisdiction.

g. Verified documentation of the chain of custody of the blood or genetic specimens is competent evidence to establish the chain of custody. The testimony of the appointed expert is not required. A verified expert's report of test results which indicate a statistical probability of paternity is sufficient authenticity of the expert's conclusion.

h. A verified expert's report shall be admitted as evidence to establish administrative paternity, and, if a court hearing is scheduled to resolve the issue of paternity, shall be admitted as evidence and is admissible at trial.

i. If the verified expert concludes that the test results show that the putative father is not excluded and that the probability of the putative father's paternity is ninety-five percent or higher, there shall be a rebuttable presumption that the putative father is the biological father, and the evidence shall be sufficient as a basis for administrative establishment of paternity.

(1) In order to challenge the presumption of paternity, a party shall file a written notice of the challenge with the district court within twenty days from the date the paternity test results are issued or mailed to all parties by ~~the unit child support services~~. Any challenge to a presumption of paternity resulting from paternity tests, or to paternity test results filed after the lapse of the twenty-day time frame shall not be accepted or admissible by ~~the unit child support services~~ or the court.

(2) A copy of the notice challenging the presumption of paternity shall be provided to any other party in person, or by mailing the notice to the last known address of each party, or if applicable, to the last known address of each party's attorney.

(3) The party challenging the presumption of paternity has the burden of proving that the putative father is not the father of the child.

(4) The presumption of paternity may be rebutted only by clear and convincing evidence.

j. If the verified expert concludes that the test results indicate that the putative father is not excluded and that the probability of the putative father's paternity is less than ninety-five percent, the ~~administrator department~~ shall order a subsequent administrative paternity test or certify the case to the district court for resolution in accordance with the procedures and time frames specified in paragraph "i" and [section 252F.5](#).

k. If the results of the test or the verified expert's analysis are timely challenged as provided in [this subsection](#), the ~~administrator department~~, upon the request of a party and advance payment by the contestant or upon the ~~unit's own~~ initiative of child support services, shall order that an additional test be performed by the same laboratory or an independent laboratory. If the party requesting additional testing does not advance payment, the ~~administrator department~~ shall certify the case to the district court in accordance with paragraph "i" and [section 252F.5](#).

l. When a subsequent paternity test is conducted, the time frames in [this chapter](#) associated with paternity tests shall apply to the most recently completed test.

m. If the paternity test results exclude the putative father as a potential biological father of the child or children, and additional tests are not requested by either party or conducted on the ~~unit's~~ initiative of child support services, or if additional tests exclude the putative father as a potential biological father, ~~the unit child support services~~ shall withdraw its action against the putative father and shall file a notice of the withdrawal with the clerk of the district court, and shall provide a copy of the notice to each party in person, or by regular mail sent to each party's last known address, or if applicable, the last known address of the party's attorney.

n. Except as provided in paragraph "k", ~~the unit child support services~~ shall advance the costs of genetic testing. If paternity is established and paternity testing was conducted, ~~the unit child support services~~ shall enter an order or, if the action proceeded to a court hearing, request that the court enter a judgment for the costs of the paternity tests consistent with

applicable federal law. In a proceeding under [this chapter](#), a copy of a bill for genetic testing shall be admitted as evidence without requiring third-party foundation testimony and shall constitute prima facie evidence of the amount incurred for genetic testing.

In order to carry out the duties imposed upon it by law, the board may, at its discretion, allocate and charge directly the expenses attributable to its duties to the person bringing a proceeding before the board, to persons participating in matters before the board, or to persons subject to inspection by the board. The board shall ascertain the certified expenses incurred and directly chargeable by the consumer advocate division of the department of justice in the performance of its duties. The board and the consumer advocate separately may decide not to charge expenses to persons who, without expanding the scope of the proceeding or matter, intervene in good faith in a board proceeding initiated by a person subject to the board's jurisdiction, the consumer advocate, or the board on its own motion. For assessments in any proceedings or matters before the board, the board and the consumer advocate separately may consider the financial resources of the person, the impact of assessment on participation by intervenors, the nature of the proceeding or matter, and the contribution of a person's participation to the public interest. The board may present a bill for expenses under [this subsection](#) to the person, either at the conclusion of a proceeding or matter, or from time to time during its progress. Presentation of a bill for expenses under [this subsection](#) constitutes notice of direct assessment and request for payment in accordance with [this section](#).

b. The board shall ascertain the total of the ~~division's~~ board's expenses incurred during each fiscal year in the performance of its duties under law. The board shall add to the total of the ~~division's~~ board's expenses the certified expenses of the consumer advocate as provided under [section 475A.6](#). The board shall deduct all amounts charged directly to any person from the total expenses of the board and the consumer advocate. The board may assess the amount remaining after the deduction to all persons providing service over which the board has jurisdiction in proportion to the respective gross operating revenues of such persons from intrastate operations during the last calendar year over which the board has jurisdiction. For purposes of determining gross operating revenues under [this section](#), the board shall not include gross receipts received by a cooperative corporation or association for wholesale transactions with members of the cooperative corporation or association, provided that the members are subject to assessment by the board based upon the members' gross operating revenues, or provided that such a member is an association whose members are subject to assessment by the board based upon the members' gross operating revenues. If any portion of the remainder can be identified with a specific type of utility service, the board shall assess those expenses only to the entities providing that type of service over which the board has

jurisdiction. The board may make the remainder assessments under this paragraph to some or all persons providing service over which the board has jurisdiction, based upon estimates of the expenditures for the fiscal year for the utilities ~~division board~~ and the consumer advocate. Not more than ninety days following the close of the fiscal year, the utilities ~~division board~~ shall conform the amount of the prior fiscal year's assessments to the requirements of this paragraph. For gas and electric public utilities exempted from rate regulation pursuant to [this chapter](#), and for providers of telecommunications service required to register with the board pursuant to [section 476.95A](#) that are exempted from rate regulation pursuant to [this chapter](#), the remainder assessments under this paragraph shall be computed at one-half the rate used in computing the assessment for other persons.

2. a. A person subject to a charge or assessment shall pay the ~~division board~~ the amount charged or assessed against the person within thirty days from the time the ~~division board~~ provides notice to the person of the amount due, unless the person files an objection in writing with the board setting out the grounds upon which the person claims that such charge or assessment is excessive, unreasonable, erroneous, unlawful, or invalid. Upon receipt of an objection, the board shall set the matter for hearing and issue its order in accordance with its findings in the proceeding.

b. The order shall be subject to review in the manner provided in [this chapter](#). All amounts collected by the ~~division board~~ pursuant to the provisions of [this section](#) shall be deposited with the treasurer of state and credited to the ~~department of commerce~~ revolving fund created in [section 546.12](#). Before the board expends or encumbers an amount in excess of the funds budgeted for rate regulation and before the board increases quarterly assessments pursuant to [this subsection](#), the director of the department of management shall approve the expenditure or encumbrance. Before approval is given, the director of the department of management shall determine that the expenses exceed the funds budgeted by the general assembly to the board for rate regulation and that the board does not have other funds from which the expenses can be paid. Upon approval of the director of the department of management the board may expend and encumber funds for the excess expenses, and increase quarterly assessments to raise the additional funds. The board and the office of consumer advocate may add additional personnel or contract for additional assistance to review and evaluate energy efficiency plans and the implementation of energy efficiency programs including, but not limited to, professionally trained engineers, accountants, attorneys, skilled examiners and inspectors, and secretaries and clerks. The board and the office of consumer advocate may also contract for additional assistance in the evaluation and implementation of issues relating to telecommunication competition. The board and the office of the consumer advocate may expend additional sums beyond those sums appropriated. However, the authority to add additional personnel or contract for additional assistance must first be approved by the department of management. The additional sums for energy efficiency shall

be provided to the board and the office of the consumer advocate by the utilities subject to the energy efficiency requirements in [this chapter](#). Telephone companies shall pay any additional sums needed for assistance with telecommunication competition issues. The assessments shall be in addition to and separate from the quarterly assessment.
