a. “Capital project” means a project that consists of nonroutine repairs and replacements unrelated to new construction for which the cost is two hundred fifty thousand dollars or more, new construction, infrastructure or site development, equipment, or information technology, as defined in section 8B.1. “Capital project” includes land acquisition and projects that extend the useful life of or change the functional use of a facility. “Capital project” does not include highway and right-of-way projects or airport capital projects undertaken by the state department of transportation and financed from dedicated funds or capital projects funded by nonstate grants, gifts, or contracts obtained at or through state universities, if the projects do not require a commitment of additional state resources for maintenance, operations, or staffing.

Sec. 3. Section 8.4, Code 2024, is amended to read as follows:

8.4 Department of management.

The department of management is created, which is directly attached to the office of the governor and under the general direction, supervision, and control of the governor. The office is in immediate charge of an officer to be known as “the director”, who shall be appointed by the governor, subject to confirmation by the senate, and shall hold office at the governor’s pleasure and shall receive a salary as set by the governor. The director may establish, abolish, and consolidate divisions within the department of management when necessary for the efficient performance of the various functions and duties of the department of management. Before entering upon the discharge of duties, the director shall take the constitutional oath of office and give a surety bond in the penalty fixed by the governor, payable to the state, which shall not be less than twenty five thousand dollars, conditioned upon the faithful discharge of the director’s duties. ~~The premium on the bond shall be paid out of the state treasury.~~

Sec. 4. Section 8.5, subsection 1, Code 2024, is amended by striking the subsection and inserting in lieu thereof the following:

1. *Personnel.* Employ personnel as necessary for the performance of the duties and responsibilities assigned to the department of management.

Sec. 5. Section 8.5, Code 2024, is amended by adding the following new subsections:

NEW SUBSECTION. 5. Investigations. Make such investigations of the organization, activities, and methods of procedure of the several departments and establishments as the director of the department of management may be called upon to make by the governor or general assembly.

NEW SUBSECTION. 6. Legislative assistance.

a. Furnish to any committee of either house of the general assembly having jurisdiction over revenues or appropriations such assistance and information regarding the financial affairs of the government as the committee may request.

b. Develop and recommend legislative proposals deemed necessary for the continued efficiency of the department of management in performing information technology functions under subchapter XI, and review legislative proposals generated outside of the department which are related to matters within the department’s purview.

NEW SUBSECTION. 7. Rules. Make such rules, subject to the approval of the governor, as may be necessary for effectively carrying on the work of the department of management. The director may, with the approval of the executive council, require any state official,

agency, department, or commission, to require any applicant, registrant, filer, permit holder, or license holder, whether individual, partnership, trust, or corporation, to submit to said official, agency, department, or commission, the social security number or the tax number or both so assigned to said individual, partnership, trust, or corporation.

NEW SUBSECTION. 8. *Allotments.* Perform the necessary work involved in reviewing requests for allotments as are submitted to the governor for approval.

NEW SUBSECTION. 9. *Budget document.* Prepare the budget document and draft the legislation to make it effective.

NEW SUBSECTION. 10. *Taxation transparency and disclosure.* Exercise the powers and perform the duties and responsibilities of the director and the department as authorized or required under [chapter 8G](#).

NEW SUBSECTION. 11. *General control.* Perform such other duties as may be required to effectively control the financial operations of the government as limited by [this chapter](#).

NEW SUBSECTION. 12. *Capital project budgeting requests.* Compile annually all capital project budgeting requests of all state agencies, as those terms are defined in [section 8.3A](#), and to consolidate the requests, with individual state agency priorities noted, into a report for submission with the budget documents by the governor pursuant to [section 8.22](#). Any additional information regarding the capital project budgeting requests or priorities shall be compiled and submitted in the same report.

NEW SUBSECTION. 13. *Capital project planning and budgeting authority.* Call upon any state agency, as defined in [section 8.3A](#), for assistance the director may require in performing the director's duties under [subsection 12](#). All state agencies, upon the request of the director, shall assist the director and are authorized to make available to the director any existing studies, surveys, plans, data, and other materials in the possession of the state agencies which are relevant to the director's duties.

NEW SUBSECTION. 14. *State tort claims — risk management coordinator.* Designate a position within the department of management to serve as the executive branch's risk management coordinator.

a. The risk management coordinator shall have all of the following responsibilities:

(1) Coordinating and monitoring risk control policies and programs in the executive branch, including but not limited to coordination with the employees of departments who are responsible for the workers' compensation for state employees and management of state property.

(2) Consulting with the attorney general with respect to the risk control policies and programs and trends in claims and liability of the state under [chapter 669](#).

(3) Coordinating the state's central data repository for claims and risk information.

b. The costs of salary, benefits, and support for the risk management coordinator shall be authorized by the state appeal board established in [chapter 73A](#) and shall be paid as claims for services furnished to the state under [section 25.2](#).

NEW SUBSECTION. 15. *Salary model administrator.* Designate a position within the department of management to serve as the salary model administrator.

a. The salary model administrator shall work in conjunction with the legislative services agency to maintain the state's salary model used for analyzing, comparing, and projecting state employee salary and benefit information, including information relating to employees of the state board of regents.

b. The department of revenue, the department of administrative services, the institutions governed by the state board of regents pursuant to [section 262.7](#), each judicial district's department of correctional services, and the state department of transportation shall provide salary data to the department of management and the legislative services agency to operate the state's salary model. The format and frequency of provision of the salary data shall be determined by the department of management and the legislative services agency.

c. The information shall be used in collective bargaining processes under [chapter 20](#) and in calculating the funding needs contained within any annual salary adjustment legislation. A state employee organization as defined in [section 20.3, subsection 4](#), may request information produced by the model, but the information provided shall not contain information attributable to individual employees.

NEW SUBSECTION. 16. *Chief information officer.* Designate a position within the department of management to serve as the chief information officer for the department and supported entities, as defined in [section 8B.1](#), who shall be the sole chief information officer for the department and supported entities.

NEW SUBSECTION. 17. *Gubernatorial advice.* Provide advice to the governor, including advice related to information technology, as defined in [section 8B.1](#).

NEW SUBSECTION. 18. *Information technology consultation.* Consult with departments and establishments on issues related to information technology, as defined in [section 8B.1](#).

NEW SUBSECTION. 19. *Cybersecurity.* Exercise the sole authority in the executive branch of state government for convening cross-jurisdictional, multi-entity collaborations to address cybersecurity issues for supported entities, as defined in [section 8B.1](#).

NEW SUBSECTION. 20. *Designation of services — funding — customer council.*

a. Establish a process by which the department of management, in consultation with the department of administrative services, determines which services provided by the department of administrative services shall be funded by an appropriation and which services shall be funded by the governmental entity receiving the service.

b. Establish a process for determining whether the department of administrative services shall be the sole provider of a service for purposes of those services which the department of management determines under paragraph “a” are to be funded by the governmental entities receiving the service.

c. (1) Establish, by rule, a customer council responsible for overseeing the services provided solely by the department of administrative services. The rules adopted shall provide for all of the following:

(a) The method of appointment of members to the council by the governmental entities required to receive the services.

(b) The duties of the customer council which shall be as follows:

(i) Annual review and approval of the department of administrative services’ business plan regarding services provided solely by the department of administrative services.

(ii) Annual review and approval of the procedure for resolving complaints concerning services provided by the department of administrative services.

(iii) Annual review and approval of the procedure for setting rates for the services provided solely by the department of administrative services.

(c) A process for receiving input from affected governmental entities as well as for a biennial review by the customer council of the determinations made by the department of management of which services are funded by an appropriation to the department of administrative services and which services are funded by the governmental entities receiving the service, including any recommendations as to whether the department of administrative services shall be the sole provider of a service funded by the governmental entities receiving the service. The department of management, in consultation with the department of administrative services, may change the determination of a service if the change is in the best interests of those governmental entities receiving the service.

(2) If a service to be provided may also be provided to the judicial branch or legislative branch, then the rules shall provide that the chief justice of the supreme court may appoint a member to the customer council, and the legislative council may appoint a member from the senate and a member from the house of representatives to the customer council, respectively, at their discretion.

NEW SUBSECTION. 21. *Annual report.* On an annual basis, the department of management shall prepare a report to the governor and the general assembly regarding the total spending on technology for the previous fiscal year, the total amount appropriated for the current fiscal year, and an estimate of the amount to be requested for the succeeding fiscal year for all supported entities, as defined in [section 8B.1](#). The report must include a five-year projection of technology cost savings, an accounting of the level of technology cost savings for the current fiscal year, and a comparison of the level of technology cost savings for the current fiscal year with that of the previous fiscal year. The department shall file the report as soon as possible after the close of a fiscal year, and by no later than the second Monday of January of each year.

NEW SUBSECTION. 22. Other powers and duties. Exercise and perform such other powers and duties as may be prescribed by law.

Sec. 6. Section 8.8, Code 2024, is amended to read as follows:

8.8 Special olympics fund— appropriation.

~~A special olympics fund is created in the office of the treasurer of state under the control of the department of management. There is appropriated annually from the general fund of the state to the special olympics fund department of management one hundred thousand dollars for distribution to one or more organizations which administer special olympics programs benefiting the citizens of Iowa with disabilities.~~

Sec. 7. Section 8.9, subsection 1, Code 2024, is amended to read as follows:

1. The office of grants enterprise management is established in the department of management. The function of the office is to develop and administer a system process to track, identify, advocate for, and coordinate nonstate block grants as defined in section 8.2, subsections 1 and 3 and categorical grants. Staffing for the office of grants enterprise management shall be provided by a facilitator appointed by the director of the department of management. Additional staff may be hired, subject to the availability of funding.

Sec. 8. Section 8.10, Code 2024, is amended to read as follows:

8.10 Facilitator's duties.

The specific duties of the facilitator of the office of grants enterprise management may include the following:

1. ~~Establish~~ Coordinate a grants network representing all state agencies to assist the grants enterprise management office in an advisory capacity. ~~Each state agency shall designate an employee on the management or senior staff level to serve as the agency's federal funds coordinator and represent the agency on the grants network. An agency may not create a staff position for a federal funds coordinator. The coordinator's duties shall be in addition to the duties of the employee of the agency.~~

2. ~~Develop a plan for increased state access to funding sources other than the general fund of the state.~~

3. ~~Develop procedures to formally notify appropriate state and local agencies of the availability of discretionary federal funds and, when necessary, coordinate the application process.~~

4. ~~2.~~ Establish an automated information system process database for grants applied for and received and to track congressional activity.

5. ~~Provide information and counseling to state agencies and political subdivisions of the state concerning the availability and means of obtaining state, federal, and private grants.~~

6. ~~Provide grant application writing assistance and training to state agencies and political subdivisions of the state, directly or through interagency contracts, cooperative agreements, or contracts with third-party providers.~~

7. ~~3.~~ Monitor the federal register and other federal or state publications to identify funding opportunities, with special emphasis on discretionary grants or other funding opportunities available to the state.

8. ~~Periodically review the funding strategies and methods of those states that rank significantly above the national average in the per capita receipt of federal funds to determine whether those strategies and methods could be successfully employed by this state.~~

Sec. 9. Section 8.21, subsection 1, Code 2024, is amended to read as follows:

1. Not later than February 1 of each legislative regular session of the general assembly, the governor shall transmit to the legislature general assembly a document to be known as a budget, setting forth the governor's financial program for the ensuing fiscal year and having the character and scope set forth in sections 8.22 through 8.29 this subchapter.

Sec. 10. Section 8.22, subsection 1, Code 2024, is amended to read as follows:

1. Part I — Governor's budget message. Part I shall consist of the governor's budget message, in which the governor shall set forth all of the following:

a. ~~Part I shall consist of the governor's budget message, in which the governor shall set forth:~~

~~(1) (a) The governor's program for meeting all the expenditure needs of the government for the fiscal year, indicating the classes of funds, general or special, from which appropriations are to be made and the means through which the expenditures shall be financed. The governor's program shall include a single budget request for all capital projects proposed by the governor. The request shall include but is not limited to all of the following:~~

~~(b) The governor's program shall include a single budget request for all capital projects proposed by the governor. The request shall include but is not limited to the following:~~

~~(i) (1) The purpose and need for each capital project.~~

~~(ii) (2) A priority listing of capital projects.~~

~~(iii) (3) The costs of acquisition, lease, construction, renovation, or demolition of each capital project.~~

~~(iv) (4) The identification of the means and source of funding each capital project.~~

~~(v) (5) The estimated operating costs of each capital project after completion.~~

~~(vi) (6) The estimated maintenance costs of each capital project after completion.~~

~~(vii) (7) The consequences of delaying or abandoning each capital project.~~

~~(viii) (8) Alternative approaches to meeting the purpose or need for each capital project.~~

~~(ix) (9) Alternative financing mechanisms.~~

~~(x) (10) A cost-benefit analysis or economic impact of each capital project.~~

b. (1) Financial statements giving in summary form:

(a) The condition of the treasury at the end of the last completed fiscal year, the estimated condition of the treasury at the end of the year in progress, and the estimated condition of the treasury at the end of the following fiscal year if the governor's budget proposals are put into effect.

(b) Statements showing the bonded indebtedness of the government, debt authorized and unissued, debt redemption and interest requirements, and condition of the sinking funds, if any.

(c) A summary of appropriations recommended for the following fiscal year for each department and establishment and for the government as a whole, in comparison with the actual expenditures for the last completed fiscal year and the estimated expenditures for the year in progress.

(d) A summary of the revenue, estimated to be received by the government during the following fiscal year, classified according to sources, in comparison with the actual revenue received by the government during the last completed fiscal year and estimated income during the year in progress.

(e) A statement of federal funds received in the form of block or categorical grants which were not included in the governor's budget for the previous fiscal year and a statement of anticipated block grants and categorical grants. The budget shall indicate how the federal funds will be used and the programs to which they will be allocated. The amount of state government funds required to implement the programs to which the federal funds will apply shall also be indicated. The departments and establishments shall provide information to the director on the anticipated federal block grants and categorical grants to be received on or before November 1 of each year. The director shall use this information to develop an annual update of the statement of federal funds received which shall be provided to the general assembly.

(f) Other financial statements, data, and comments as in the governor's opinion are necessary or desirable in order to make known in all practicable detail the financial condition and operation of the government and the effect that the budget as proposed by the governor will have on the financial condition and operation.

(g) A separate report containing a complete list of all standing appropriations showing the amount or estimated amount of each appropriation and the purpose for which the appropriation is made.

(2) If the estimated revenues of the government for the ensuing fiscal year as set forth in the budget on the basis of existing laws, plus the estimated amounts in the treasury at the close of the year in progress, available for expenditure in the ensuing fiscal year are less than the

aggregate recommended for the ensuing fiscal year as contained in the budget, the governor shall make recommendations to the legislature in respect to the manner in which the deficit shall be met, whether by an increase in the state tax or the imposition of new taxes, increased rates on existing taxes, or otherwise, and if the aggregate of the estimated revenues, plus estimated balances in the treasury, is greater than the recommended appropriations for the ensuing fiscal year, the governor shall make recommendations in reference to the application of the surplus to the reduction of debt or otherwise, to the reduction in taxation, or to such other action as in the governor's opinion is in the interest of the public welfare.

c. Supplemental estimates for such appropriations as in the governor's judgment may be necessary on account of laws enacted after transmission of the budget, or as the governor deems otherwise in the public interest. The governor shall accompany such estimates with a statement of the reasons therefor, including the reasons for their omission from the budget. Whenever such supplemental estimates amount to an aggregate which, if they had been contained in the budget, would have required the governor to make a recommendation for the raising of additional revenue, the governor shall make such recommendation.

Sec. 11. [Section 8.22A, subsection 5](#), paragraph b, Code 2024, is amended to read as follows:

b. The amount of revenue for the following fiscal year from gambling revenues and from interest earned on the cash reserve fund and the economic emergency fund to be deposited in the rebuild Iowa infrastructure fund under [section 8.57, subsection 5](#), paragraph “e” “f”.

Sec. 12. [Section 8.23, subsection 1](#), unnumbered paragraph 1, Code 2024, is amended to read as follows:

On or before October 1, prior to each legislative regular session of the general assembly, all departments and establishments of the government shall transmit to the director of the department of management, ~~on blanks to be furnished in a format designated by the director,~~ estimates of their expenditure requirements, ~~including every proposed expenditure,~~ for the ensuing fiscal year, together with supporting data and explanations as called for by the director after consultation with the legislative services agency.

Sec. 13. [Section 8.23, subsection 1](#), paragraphs a and d, Code 2024, are amended to read as follows:

a. ~~The estimates of expenditure requirements shall be in a form specified by the director, and the expenditure requirements shall include all proposed expenditures and shall be prioritized by program or the results to be achieved. The estimates shall be accompanied by performance measures for evaluating the effectiveness of the programs or results.~~

d. The director shall ~~furnish~~ designate standard budget request ~~forms~~ formats to each department or agency establishment of state government.

Sec. 14. [Section 8.26](#), Code 2024, is amended to read as follows:

8.26 Hearings.

~~Immediately upon the receipt of the tentative budget provided for by [section 8.25](#) the~~ The governor shall make provision for public hearings ~~thereon~~ on the estimates of expenditure requirements required by [section 8.23](#), at which the governor may require the attendance of the heads and other officers of all departments, establishments, and other persons receiving or requesting the grant of state government funds and the giving by them of such explanations and suggestions as they may be called upon to give or as they may desire to offer in respect to items of requested appropriations in which they are interested. The governor shall also extend invitations to the governor-elect and the director of the department of management to be present at such hearings and to participate in the hearings through the asking of questions or the expression of opinion in regard to the items of the ~~tentative budget~~ estimates.

Sec. 15. [Section 8.29](#), Code 2024, is amended to read as follows:

8.29 Regents universities — uniform accounting system.

The state board of regents, with the approval of the director of the department of management, shall establish a uniform budgeting and accounting system for the institutions

of higher education under its control, and shall require each of the institutions of higher education to ~~begin operating~~ operate under the uniform system ~~not later than June 30, 1994.~~

Sec. 16. [Section 8.31, subsections 3 and 5](#), Code 2024, are amended to read as follows:

3. The allotment requests of all departments and establishments collecting governmental fees and other revenue which supplement a state appropriation shall attach to the summary of requests a statement showing how much of the proposed allotments are to be financed from state appropriations, stores, and ~~repayment~~ appropriated receipts.

5. If the governor determines that the estimated budget resources during the fiscal year are insufficient to pay all appropriations in full, the reductions shall be uniform and prorated between all departments, ~~agencies~~, and establishments upon the basis of their respective appropriations.

Sec. 17. [Section 8.32](#), Code 2024, is amended to read as follows:

8.32 Conditional availability of appropriations — applicability of chapter.

1. All appropriations made to any department or establishment of the government as ~~receive~~ receivable or ~~collect~~ collectable moneys available for expenditure by them under ~~present laws~~ law, are declared to be in addition to such ~~repayment~~ appropriated receipts, and such appropriations are to be available as and to the extent that such receipts are insufficient to meet the costs of administration, operation, and maintenance, ~~or and~~ public improvements of such departments or establishments, provided all of the following conditions are met:

a. ~~Provided, that such~~ Such receipts or collections shall ~~be~~ are deposited in the state treasury as part of the general fund or special revenue funds in all cases, except those collections made by the state fair board, the institutions under the state board of regents, and the natural resource commission.

b. ~~Provided further, that no repayment~~ Appropriated receipts shall be ~~are not~~ are not available for expenditures until allotted as provided in [section 8.31](#); ~~and.~~

c. ~~Provided further, that the~~ The collection of ~~repayment~~ appropriated receipts by the state fair board and the institutions under the state board of regents shall ~~be~~ are deposited in a bank or banks duly designated and qualified as state depositories, in the name of the state of Iowa, for the use of such boards and institutions, and such funds ~~shall be~~ are available only on the check of such boards or institutions depositing them, which are hereby authorized to withdraw such funds, but only after allotment by the governor as provided in [section 8.31](#); ~~and.~~

d. ~~2. a. Provided further, that this~~ This chapter shall ~~does not~~ does not apply to endowment or private purpose trust funds or to gifts to institutions owned or controlled by the state or to the income from such endowment or private purpose trust funds, or to private custodial funds belonging to students or inmates of state institutions.

2. ~~b. The provisions of this~~ This chapter shall not be construed to prohibit the state fair board from creating an emergency or sinking fund out of the receipts of the state fair and state appropriation for the purpose of taking care of any emergency that might arise beyond the control of the board of not to exceed three hundred thousand dollars. ~~Neither shall this~~

c. This chapter shall ~~not~~ not be construed to prohibit the state fair board from retaining an additional sum of not to exceed three hundred fifty thousand dollars to be used in carrying out the provisions of [chapter 173](#).

Sec. 18. [Section 8.35](#), Code 2024, is amended to read as follows:

8.35 General supervisory control.

The governor and the director of the department of management and any officer of the department of management, when authorized by the governor, are hereby authorized to make such inquiries regarding the receipts, custody, and application of state government funds, existing organization, activities, and methods of business of the departments and establishments, assignments of particular activities to particular services and regrouping of such services, as in the opinion of the governor, will enable the governor to make recommendations to the legislature general assembly, and, within the scope of the powers possessed by the governor, to order action to be taken, having for their purpose to bring about increased economy and efficiency in the conduct of the affairs of government.

Sec. 19. [Section 8.35A, subsection 4](#), Code 2024, is amended to read as follows:

4. A government agency which receives state government funds directly from the state or indirectly through a political subdivision as directed by statute and which is not a city, county, or school district is subject to [this subsection](#). A government agency which is subject to [this subsection](#) shall submit a copy of its budget to the legislative services agency, identifying it as being submitted under [this subsection](#), when the budget of that government agency has received approval from the governing head or body of that agency. The copy of the budget submitted to the legislative services agency shall be ~~on the budget forms provided in the format designated by the department of management to state agencies under [this chapter section 8.23](#)~~. The government agency shall also submit a statement identifying any funds available to the agency which are not included in the budget.

Sec. 20. **NEW SECTION. 8.48 Local budgets — forms and procedures.**

1. The director of the department of management shall consult with all state officers and agencies which receive reports and forms from county officers, in order to devise standardized reports and forms which will permit computer processing of the information submitted by county officers, and prescribe forms on which each municipality, at the time of preparing estimates required under [section 24.3](#), shall be required to compile in parallel columns all of the following data and estimates for immediate availability to any taxpayer upon request:

a. For the immediate prior fiscal year, revenue from all sources, other than revenue received from property taxation, allocated to each of the several funds and separately stated as to each such source, and for each fund the unencumbered cash balance thereof at the beginning and end of the year, the amount received by property taxation allocated to each fund, and the amount of actual expenditure for each fund.

b. For the current fiscal year, actual and estimated revenue, from all sources, other than revenue received from property taxation, and separately stated as to each such source, allocated to each of the several funds, and for each fund the actual unencumbered cash balance available at the beginning of the year, the amount to be received from property taxation allocated to each fund, and the amount of actual and estimated expenditures, whichever is applicable.

c. For the proposed budget year, an estimate of revenue from all sources, other than revenue to be received from property taxation, separately stated as to each such source, to be allocated to each of the several funds, and for each fund the actual or estimated unencumbered cash balance, whichever is applicable, to be available at the beginning of the year, the amount proposed to be received from property taxation allocated to each fund, and the amount proposed to be expended during the year plus the amount of cash reserve, based on actual experience of prior years, which shall be the necessary cash reserve of the budget adopted exclusive of capital outlay items. The estimated expenditures plus the required cash reserve for the ensuing fiscal year less all estimated or actual unencumbered balances at the beginning of the year and less the estimated income from all sources other than property taxation shall equal the amount to be received from property taxes, and such amount shall be shown on the proposed budget estimate.

2. To ensure uniformity, accuracy, and efficiency in the preparation of budget estimates by municipalities subject to [chapter 24](#), the director shall prescribe the procedures to be used and instruct the appropriate officials of the various municipalities on implementation of the procedures.

Sec. 21. [Section 8.55, subsection 3](#), paragraph f, Code 2024, is amended by striking the paragraph.

Sec. 22. [Section 8.56, subsections 1 and 3](#), Code 2024, are amended to read as follows:

1. A cash reserve fund is created in the state treasury. The cash reserve fund shall be separate from the general fund of the state and shall not be considered part of the general fund of the state ~~except in determining the cash position of the state as provided in [subsection 3](#)~~. The moneys in the cash reserve fund are not subject to [section 8.33](#) and shall not be transferred, used, obligated, appropriated, or otherwise encumbered except as provided in

[this section](#). Notwithstanding [section 12C.7, subsection 2](#), interest or earnings on moneys deposited in the cash reserve fund shall be credited to the rebuild Iowa infrastructure fund created in [section 8.57](#). Moneys in the cash reserve fund may be used for cash flow purposes during a fiscal year provided that any moneys so allocated are returned to the cash reserve fund by the end of that fiscal year.

3. The moneys in the cash reserve fund shall only be used pursuant to an appropriation made by the general assembly. An appropriation shall be made in accordance with [subsection 4](#) only for the fiscal year in which the appropriation is made. The moneys shall only be appropriated by the general assembly for nonrecurring emergency expenditures and shall not be appropriated for payment of any collective bargaining agreement or arbitrator's decision negotiated or awarded under [chapter 20](#). ~~Except as provided in [section 8.58](#), the cash reserve fund shall be considered a special account for the purposes of [section 8.53](#) in determining the cash position of the general fund of the state for the payment of state obligations.~~

Sec. 23. [Section 8.57, subsections 1 and 3](#), Code 2024, are amended to read as follows:

1. *a.* The “cash reserve goal percentage” for fiscal years beginning on or after July 1, 2004, is seven and one-half percent of the adjusted revenue estimate. For each fiscal year in which the ~~appropriation transfer~~ of the surplus existing in the general fund of the state at the conclusion of the prior fiscal year pursuant to paragraph “*b*” was not sufficient for the cash reserve fund to reach the cash reserve goal percentage for the current fiscal year, there is ~~appropriated transferred~~ from the general fund of the state an amount to be determined as follows:

(1) If the balance of the cash reserve fund in the current fiscal year is not more than six and one-half percent of the adjusted revenue estimate for the current fiscal year, the amount of the ~~appropriation transfer~~ under this lettered paragraph is one percent of the adjusted revenue estimate for the current fiscal year.

(2) If the balance of the cash reserve fund in the current fiscal year is more than six and one-half percent but less than seven and one-half percent of the adjusted revenue estimate for that fiscal year, the amount of the ~~appropriation transfer~~ under this lettered paragraph is the amount necessary for the cash reserve fund to reach seven and one-half percent of the adjusted revenue estimate for the current fiscal year.

(3) The moneys ~~appropriated transferred~~ under this lettered paragraph shall be credited in equal and proportionate amounts in each quarter of the current fiscal year.

b. The surplus existing in the general fund of the state at the conclusion of the fiscal year is ~~appropriated for distribution in the succeeding fiscal year as provided in [subsections 2 and 3](#)~~. Moneys credited to the cash reserve fund from the appropriation made in this paragraph shall transferred to the cash reserve fund, not to exceed the amount necessary for the cash reserve fund to reach the cash reserve goal percentage for the succeeding fiscal year. As used in this paragraph, “surplus” means the excess of revenues and other financing sources over expenditures and other financing uses for the general fund of the state in a fiscal year.

e. ~~The amount appropriated in [this section](#) is not subject to the provisions of [section 8.31](#), relating to requisitions and allotment, or to [section 8.32](#), relating to conditional availability of appropriations.~~

3. To the extent that moneys ~~appropriated transferred~~ under [subsection 1](#) exceed the amounts necessary for the cash reserve fund to reach its maximum balance and the amounts necessary to eliminate Iowa's GAAP deficit, including elimination of the making of any appropriation in an incorrect fiscal year, the moneys shall be ~~appropriated transferred~~ to the Iowa economic emergency fund.

Sec. 24. [Section 8.57, subsections 2, 4, and 6](#), Code 2024, are amended by striking the subsections.

Sec. 25. [Section 8.57, subsection 5](#), paragraph a, unnumbered paragraph 1, Code 2024, is amended to read as follows:

A rebuild Iowa infrastructure fund is created under the authority of the department of management. The fund shall consist of appropriations made to the fund and transfers of interest, earnings, and moneys from other funds as provided by law. The rebuild Iowa

infrastructure fund shall be separate from the general fund of the state and the balance in the rebuild Iowa infrastructure fund shall not be considered part of the balance of the general fund of the state. ~~However, the rebuild Iowa infrastructure fund shall be considered a special account for the purposes of [section 8.53](#), relating to generally accepted accounting principles.~~

Sec. 26. [Section 8.57, subsection 5](#), paragraphs d and e, Code 2024, are amended by striking the paragraphs.

The fund shall be separate from the general fund of the state and the balance in the fund shall not be considered part of the balance of the general fund of the state. ~~However, the fund shall be considered a special account for the purposes of [section 8.53](#), relating to generally accepted accounting principles.~~

Sec. 32. [Section 8.57B, subsection 2](#), Code 2024, is amended to read as follows:

2. The fund shall be separate from the general fund of the state and the balance in the fund shall not be considered part of the balance of the general fund of the state. ~~However, the fund shall be considered a special account for the purposes of [section 8.53](#), relating to generally accepted accounting principles.~~

Sec. 33. [Section 8.57C, subsection 1](#), Code 2024, is amended to read as follows:

1. A technology reinvestment fund is created under the authority of the department of management. The fund shall consist of appropriations made to the fund and transfers of interest, earnings, and moneys from other funds as provided by law. The fund shall be separate from the general fund of the state and the balance in the fund shall not be considered part of the balance of the general fund of the state. ~~However, the fund shall be considered a special account for the purposes of [section 8.53](#), relating to generally accepted accounting principles.~~

Sec. 34. [Section 8.57C, subsection 3](#), paragraph a, Code 2024, is amended by striking the paragraph and inserting in lieu thereof the following:

a. There is appropriated from the general fund of the state to the technology reinvestment fund for the fiscal year beginning July 1, 2025, and for each subsequent fiscal year thereafter, the sum of seventeen million five hundred thousand dollars.

Sec. 35. [Section 8.57C, subsection 3](#), paragraphs b, c, d, e, f, g, h, i, and j, Code 2024, are amended by striking the paragraphs.

Sec. 36. [Section 8.57D, subsection 3](#), Code 2024, is amended to read as follows:

3. The levee improvement fund shall be separate from the general fund of the state and the balance in the fund shall not be considered part of the balance of the general fund of the state. ~~However, the fund shall be considered a special account for the purposes of [section 8.53](#), relating to generally accepted accounting principles.~~

Sec. 37. [Section 8.57E, subsection 3](#), Code 2024, is amended to read as follows:

3. ~~a.~~ Moneys in the taxpayer relief fund may be used for cash flow purposes during a fiscal year provided that any moneys so allocated are returned to the fund by the end of that fiscal year.

~~b. Except as provided in [section 8.58](#), the taxpayer relief fund shall be considered a special account for the purposes of [section 8.53](#) in determining the cash position of the general fund of the state for the payment of state obligations.~~

Sec. 38. [Section 8.57F, subsection 1](#), paragraph d, Code 2024, is amended by striking the paragraph.

Sec. 39. [Section 8.57G, subsections 3 and 4](#), Code 2024, are amended to read as follows:

3. ~~Except as provided in [section 8.58](#), the fund shall be considered a special account for the purposes of [section 8.53](#) in determining the cash position of the general fund of the state for the payment of state obligations.~~ Notwithstanding [section 8.33](#), moneys in the fund that remain unencumbered or unobligated at the close of a fiscal year shall not revert but shall remain available for expenditure for the purposes designated. Notwithstanding [section 12C.7, subsection 2](#), interest or earnings on moneys in the fund shall be credited to the fund.

4. [This section](#) is repealed July 1, ~~2025~~ 2027.

Sec. 44. [Section 8.75, subsection 2](#), Code 2024, is amended to read as follows:

2. The Iowa skilled worker and job creation fund shall be separate from the general fund of the state and the balance in the Iowa skilled worker and job creation fund shall not be considered part of the balance of the general fund of the state. ~~However, the Iowa skilled worker and job creation fund shall be considered a special account for the purposes of [section 8.53](#), relating to generally accepted accounting principles.~~ Moneys in the fund may be used for cash flow purposes during a fiscal year provided that any moneys so allocated are returned to the fund by the end of that fiscal year. Notwithstanding [section 8.33](#), moneys in the fund at the end of each fiscal year shall not revert to any other fund but shall remain in the fund for expenditure in subsequent fiscal years.

Sec. 45. **NEW SECTION. 8.92 Cybersecurity.**

1. It is the intent of the general assembly that state and local governmental entities work collaboratively in a whole-of-state approach to protect against cybersecurity risks and threats to information systems owned or operated by, or on behalf of, state and local governmental entities. State and local governmental entities shall take steps to modernize their approach to cybersecurity, including by adopting cybersecurity best practices wherever possible.

2. A state or local governmental entity that complies with [chapter 554G](#) by implementing a cybersecurity program, as described in [chapter 554G](#), shall be deemed a covered entity, as defined in [section 554G.1](#).

3. The department shall establish a cybersecurity reporting function for local governments. The cybersecurity reporting function must include but is not limited to all of the following capabilities:

a. A hotline available continuously for local government reporting of cybersecurity incidents resulting in system outages or data breaches.

b. A method for the reporting of local government cybersecurity protections including the presence of multifactor authentication, event logging, use of data encryption at rest and in transit, the ability to reconstitute systems in the event of data loss, use of the “.gov” internet domain, and related cybersecurity practices.

4. The department is authorized to provide support to all state and local governmental entities in furtherance of [this section](#), in accordance with fee schedules established by the department. The department may retain fees collected under [this subsection](#) in a fund created under [section 8B.13](#).

5. The department is authorized to establish a grant program to support local governments and political subdivisions of the state in addressing cybersecurity for information systems owned or operated by, or on behalf of, state, local, or tribal governments. Contingent on a specific appropriation by the general assembly, the department may award grants to local governments and political subdivisions of the state under the program for such purposes. The department may establish criteria for grant program priorities, as well as policies and procedures relating to the program.

Sec. 46. [Section 8B.1](#), Code 2024, is amended by adding the following new subsections:
NEW SUBSECTION. 4A. “*Department*” means the department of management.
NEW SUBSECTION. 4B. “*Director*” means the director of the department of management.

Sec. 47. [Section 8B.1, subsection 8](#), paragraph b, subparagraphs (9) and (10), Code 2024, are amended to read as follows:

(9) Information technology planning and standards policies.

(10) Establishment of local area network and workstation management standards policies.

Sec. 48. [Section 8B.1, subsection 9](#), Code 2024, is amended to read as follows:

9. “*Information technology staff*” includes any employees performing information technology services, including but not limited to agency department or establishment employees in information technology classifications, contractors, temporary workers, and any other employees providing information technology services.

Sec. 49. [Section 8B.1, subsection 10](#), paragraph e, Code 2024, is amended to read as follows:

e. Network services, including equipment and software which support local area networks, campus area networks, wide area networks, and metro area networks. Network services also include data network services such as routers, switches, firewalls, virtual private networks, intrusion detection systems, access control, internet protocol load balancers, event logging and correlation, and content caching. Network services ~~do not also include services provided by cybersecurity support and information technology support for the public broadcasting division of the department of education.~~ “*Network services*” does not extend to control of the federally licensed television airwaves.

Sec. 50. [Section 8B.1, subsection 10](#), paragraph l, Code 2024, is amended by striking the paragraph and inserting in lieu thereof the following:

l. Cloud computing solutions including but not limited to solutions based on software as a service, platform as a service, and infrastructure as a service.

Sec. 51. [Section 8B.1, subsection 10](#), Code 2024, is amended by adding the following new paragraph:

NEW PARAGRAPH. m. Other similar or related services as determined by the director.

Sec. 52. [Section 8B.1, subsection 11](#), Code 2024, is amended by striking the subsection.

Sec. 53. [Section 8B.1, subsection 12](#), Code 2024, is amended by striking the subsection and inserting in lieu thereof the following:

12. “*Supported entity*” means a unit of state government, which is an authority, board, commission, committee, council, department, or independent agency as defined in [section](#)

7E.4, including but not limited to each principal central department enumerated in [section 7E.5](#). However, “supported entity” does not mean any of the following:

- a. The office of the governor or the office of an elective constitutional or statutory officer.
- b. The general assembly, or any office or unit under its administrative authority.
- c. The judicial branch, as provided in [section 602.1102](#).
- d. A political subdivision of the state or its offices or units, including but not limited to a county, city, or community college.
- e. The state board of regents and institutions operated under its authority.

Sec. 54. [Section 8B.1, subsection 13](#), paragraph a, unnumbered paragraph 1, Code 2024, is amended to read as follows:

A United States census bureau census block located in this state, including any crop operation located within the census block, or other geographic unit the office department sets by rule, within which no communications service provider offers or facilitates broadband service at or above the tier 1, tier 2, or tier 3 download and upload speeds. As used in [this subsection](#):

Sec. 55. [Section 8B.1, subsection 13](#), paragraph b, Code 2024, is amended to read as follows:

b. Any geographic area, as the office department sets by rule, that is materially underserved by broadband service such that tier 1, tier 2, and tier 3 download and upload speeds are not meaningfully available. The office’s department’s power to determine the geographic area by rule under this paragraph includes the power to define and interpret standards policies as to whether a geographic area is materially underserved and broadband service is meaningfully available.

Sec. 56. [Section 8B.1, subsection 15](#), Code 2024, is amended to read as follows:

15. “Value-added services” means services that offer or provide unique, special, or enhanced value, benefits, or features to the customer or user including but not limited to services in which information technology is specially designed, modified, or adapted to meet the special or requested needs of the user or customer; services involving the delivery, provision, or transmission of information or data that require or involve additional processing, formatting, enhancement, compilation, or security; services that provide the customer or user with enhanced accessibility, security, or convenience; research and development services; and services that are provided to support technological or statutory requirements imposed on participating agencies supported entities and other governmental entities, businesses, and the public.

Sec. 57. [Section 8B.4A](#), Code 2024, is amended to read as follows:

8B.4A Background checks.

An applicant for employment with the office department, or an applicant for employment with a participating agency supported entity for a position as information technology staff, may be subject to a background investigation by the office department. The background investigation may include, without limitation, a work history, financial review, request for criminal history data, and national criminal history check through the federal bureau of investigation. In addition, a contractor, vendor, employee, or any other individual performing work for the office department, or an individual on the information technology staff of a participating agency supported entity, may be subject to a national criminal history check through the federal bureau of investigation at least once every ten years, including, without limitation, any time the office department or participating agency supported entity has reason to believe an individual has been convicted of a crime. The office department may request the national criminal history check and, if requested, shall provide the individual’s fingerprints to the department of public safety for submission through the state criminal history repository to the federal bureau of investigation. The individual shall authorize release of the results of the national criminal history check to the office department and the applicable participating agency supported entity. The office department shall pay the actual cost of the fingerprinting and national criminal history check, if any, unless otherwise agreed as part of a contract between the office department or participating agency supported

entity and a vendor or contractor performing work for the office department or participating agency supported entity. The results of a criminal history check conducted pursuant to [this section](#) shall not be considered a public record under [chapter 22](#).

Sec. 58. [Section 8B.6](#), Code 2024, is amended to read as follows:

8B.6 Acceptance of funds.

The office department of management may receive and accept donations, grants, gifts, and contributions in the form of moneys, services, materials, or otherwise, from the United States or any of its agencies, from this state or any of its agencies, or from any other person, and expend such moneys, services, materials, or other contributions, or issue grants, in carrying out the operations of the office department. All federal grants to and the federal receipts of the office department are appropriated for the purpose set forth in such federal grants or receipts. The office department shall report annually to the general assembly on or before September 1 the donations, grants, gifts, and contributions with a monetary value of one thousand dollars or more that were received during the most recently concluded fiscal year.

Sec. 59. [Section 8B.10, subsections 1 and 2](#), Code 2024, are amended to read as follows:

1. The determination of whether a communications service provider facilitates broadband service meeting the tier 1, tier 2, or tier 3 download and upload speeds specified in the definition of targeted service area ~~in [section 8B.1](#)~~ shall be determined or ascertained by reference to broadband availability maps or data sources that are identified by the office department by rule. The office department shall periodically make renewed determinations of whether a communications service provider facilitates broadband service at or above the tier 1, tier 2, or tier 3 download and upload speeds specified in the definition of targeted service area ~~in [section 8B.1](#)~~, which shall, to the extent updated maps and data sources are available at the time, include making such determinations prior to each round of grant applications solicited by the office department pursuant to [section 8B.11](#). The office department is not required to make renewed determinations of whether a communications service provider facilitates broadband service at or above the tier 1, tier 2, or tier 3 download and upload speeds specified in the definition of targeted service area ~~in [section 8B.1](#)~~ more frequently than once in any calendar year.

2. The office department shall establish procedures to allow challenges to the office's department's finding on whether an area meets the definition of targeted service area.

Sec. 60. [Section 8B.11](#), Code 2024, is amended to read as follows:

8B.11 Empower rural Iowa — broadband grants — fund.

1. The office department shall administer a broadband grant program designed to reduce or eliminate unserved and underserved areas in the state, leveraging federal funds and public and private partnerships where possible, by awarding grants to communications service providers that reduce or eliminate targeted service areas by installing broadband infrastructure that facilitates broadband service in accordance with the following:

a. The broadband infrastructure facilitates broadband service that provides a minimum download speed of one hundred megabits per second and a minimum upload speed of one hundred megabits per second in a targeted service area within which no communications service provider offers or facilitates broadband service that provides download and upload speeds less than or equal to the tier 1 download and upload speeds specified in the definition of targeted service area ~~in [section 8B.1](#)~~.

b. The broadband infrastructure facilitates broadband service that provides a minimum download speed of one hundred megabits per second and a minimum upload speed of one hundred megabits per second in a targeted service area within which no communications service provider offers or facilitates broadband service that provides any of the following:

(1) Download speeds less than or equal to the tier 2 download speed specified in the definition of targeted service area ~~in [section 8B.1](#)~~.

(2) Download speeds less than or equal to the tier 3 download speed specified in the definition of targeted service area ~~in [section 8B.1](#)~~.

2. a. An empower rural Iowa broadband grant fund is established in the state treasury under the authority of the office department. The fund shall consist of moneys available to

and obtained or accepted by the office department. Moneys in the fund are appropriated to the office department to be used for the grant program, including for broadband mapping and the administration and operation of the grant program, and for the fiberoptic network conduit installation program established in [section 8B.25](#).

b. The office department shall use moneys in the fund to provide grants to communications service providers pursuant to [this section](#) and to lead and coordinate the fiberoptic network conduit installation program pursuant to [section 8B.25](#). The office department may use not more than two and one-half percent of the moneys in the fund at the beginning of the fiscal year to pay the costs and expenses associated with the administration and operation of the grant program and the fiberoptic network conduit installation program. The office department shall use moneys in the fund to leverage available federal moneys if possible.

c. Notwithstanding [section 8.33](#), moneys in the fund that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until three years following the last day of the fiscal year in which the funds were originally appropriated.

d. Notwithstanding paragraph “c” or any provision to the contrary, moneys in the fund that have been awarded but not paid to a communications service provider shall not revert but shall remain available to the office department for purposes of administering the award in a manner consistent with the terms and conditions of any corresponding contract or grant agreement governing the administration of the award.

3. Communications service providers may apply to the office department for a grant pursuant to [this section](#) for the installation of broadband infrastructure that facilitates broadband service in targeted service areas. The office department shall make available a public internet site identifying all publicly available information contained in the applications and any results of performance testing conducted after the project is completed. The office department shall devote one full-time equivalent position to evaluate applications submitted under [this section](#) and provide technical assistance to communications service providers in completing applications for federal funds, or any other funds from any public or private sources, related to improving broadband infrastructure.

4. a. The office department shall award grants on a competitive basis for the installation of broadband infrastructure that facilitates broadband service as provided in [subsection 3](#) in targeted service areas after considering the following:

(1) The relative need for broadband infrastructure in the area and the existing broadband service speeds, including whether the project serves a rural area or areas.

(2) The applicant’s total proposed budget for the project, including all of the following:

(a) The amount or percentage of local or federal matching funds, if any, and any funding obligations shared between public and private entities.

(b) The percentage of funding provided directly from the applicant, including whether the applicant requested from the office department an amount less than the maximum amount the office department could award pursuant to [subsection 5](#) and, if so, the percentage of the project cost that the applicant is requesting.

(3) The relative download and upload speeds of proposed projects for all applicants.

(4) The specific product attributes resulting from the proposed project, including technologies that provide higher qualities of service, such as service levels, latency, and other service attributes as determined by the office department.

(5) The percentage of the homes, farms, schools, and businesses in the targeted service area that will be provided access to broadband service.

(6) The proportion of proposed projects that will result in the installation of broadband infrastructure in a targeted service area within which the only broadband service available provides the tier 1 download and upload speeds specified in the definition of targeted service area in [section 8B.1](#).

(7) Other factors the office department deems relevant.

b. In considering the factors listed in paragraph “a” for awarding grants pursuant to [this section](#), the office department shall afford the greatest weight to the factors described in paragraph “a”, subparagraphs (1) through (3), and subparagraph (6).

5. The total amount of the grants the office department awards from the empower rural Iowa broadband grant fund pursuant to [this section](#) shall not exceed any of the following amounts:

a. Seventy-five percent of a communications service provider's project costs for projects that will result in the installation of broadband infrastructure in a targeted service area within which no communications service provider offers or facilitates broadband service that provides download and upload speeds less than or equal to the tier 1 download and upload speeds specified in the definition of targeted service area in [section 8B.1](#).

b. Fifty percent of a communications service provider's project costs for projects that will result in the installation of broadband infrastructure in a targeted service area within which no communications service provider offers or facilitates broadband service that provides download speeds less than or equal to the tier 2 download speeds specified in the definition of targeted service area in [section 8B.1](#).

c. Thirty-five percent of a communications service provider's project costs for projects that will result in the installation of broadband infrastructure in a targeted service area within which no communications service provider offers or facilitates broadband service that provides download speeds less than or equal to the tier 3 download speed specified in the definition of targeted service area in [section 8B.1](#).

6. Notwithstanding [subsections 3 and 5](#), communications service providers may apply to the office department for a grant pursuant to [this section](#) for the installation of broadband infrastructure that facilitates broadband service providing a minimum download speed of one hundred megabits per second and a minimum upload speed of twenty megabits per second in targeted service areas pursuant to [this subsection](#). The office department shall make available a public internet site identifying all publicly available information contained in the applications and any results of performance testing conducted after the project is completed.

a. The office department shall award grants under [this subsection](#) on a competitive basis after considering the factors provided in [subsection 4](#) and affording weight to the factors pursuant to [subsection 4](#), paragraph "b".

b. The total amount of the grants the office department shall award pursuant to [this subsection](#) shall not exceed fifty percent of a communications service provider's project costs for projects that will result in the installation of broadband infrastructure in a targeted service area within which no communications service provider offers or facilitates broadband service that provides download and upload speeds less than or equal to the tier 1 download and upload speeds specified in the definition of targeted service area in [section 8B.1](#).

7. Notwithstanding [subsections 5 and 6](#), at least twenty percent of the total amount of the grants the office department awards from the empower rural Iowa broadband grant fund pursuant to [this section](#) shall be allocated to projects that will result in the installation of broadband infrastructure in difficult to serve targeted service areas within which no communications service provider offers or facilitates broadband service that provides download and upload speeds less than or equal to the tier 1 download and upload speeds specified in the definition of targeted service area in [section 8B.1](#). For purposes of [this subsection](#), a targeted service area is difficult to serve if the soil conditions, topography, or other local conditions make the installation of broadband infrastructure in the targeted service area more time-consuming or labor-intensive compared to other areas of the state.

8. The office department shall provide public notice regarding the application process and receipt of funding.

9. The office department may adopt rules pursuant to [chapter 17A](#) interpreting [this chapter subchapter](#) or necessary for administering [this chapter subchapter](#), including but not limited to rules relating to the broadband grant program process, management, and measurements as deemed necessary by the office department.

10. The office department shall adopt rules establishing procedures to allow aggrieved applicants an opportunity to challenge the office's department's award of grants under [this section](#).

Sec. 61. [Section 8B.12, subsections 1 and 3](#), Code 2024, are amended to read as follows:

1. The ~~chief information officer~~ director shall enter into agreements with state agencies supported entities, and may enter into agreements with any other governmental entity, including a local governmental entity or entity created pursuant to [chapter 28E](#), or with a nonprofit organization, to furnish services and facilities of the office department to the applicable governmental entity or nonprofit organization under [this subchapter](#). The agreement shall must provide for the reimbursement to the office department of the reasonable cost of the services and facilities furnished. All governmental entities of this state may enter into such agreements. For purposes of this subsection, “*nonprofit organization*” means a nonprofit entity which is exempt from federal income taxation pursuant to section 501(c)(3) of the Internal Revenue Code and which is funded in whole or in part by public funds, and also includes the Iowa state association of counties, the Iowa league of cities, and the Iowa association of school boards.

3. The state board of regents shall not be required to obtain any service for the state board of regents or any institution under the control of the state board of regents that is provided by the office department pursuant to [this chapter subchapter](#) without the consent of the state board of regents.

Sec. 62. [Section 8B.13](#), Code 2024, is amended to read as follows:

8B.13 Office Department internal service funds — information technology.

1. ~~Activities of the office shall be accounted for within the general fund of the state, except that the chief information officer~~ The department may establish and maintain internal service funds in accordance with generally accepted accounting principles, as defined in [section 8.57, subsection 4](#), for activities of the office department which are primarily funded from billings to governmental entities for services rendered by the office department under [this subchapter](#). The establishment of an internal service fund is subject to the approval of the ~~director of the department of management~~ director of the department of management and the concurrence of the auditor of state. At least ninety days prior to the establishment of an internal service fund pursuant to this section, the ~~chief information officer~~ department shall notify in writing the general assembly, including the legislative council, legislative fiscal committee, and the legislative services agency.

2. Internal service funds shall be administered by the office department and shall consist of moneys collected by the office department from billings issued in accordance with [section 8B.15](#), fees collected under [section 8B.24](#), and any other moneys obtained or accepted by the office department under [this subchapter](#), including but not limited to gifts, loans, donations, grants, and contributions, which are designated to support the activities of the individual internal service funds in accordance with [this subchapter](#).

3. The proceeds of an internal service fund established pursuant to this section shall be used by the office department for the operations of the office department pursuant to and consistent with [this chapter subchapter](#). The ~~chief information officer~~ director may appoint the personnel necessary to ensure the efficient provision of services funded pursuant to an internal service fund established under this section. However, this usage requirement shall not limit or restrict the office department from using proceeds from gifts, loans, donations, grants, and contributions in conformance with any conditions, directions, limitations, or instructions attached or related thereto.

4. a. (1) [Section 8.33](#) does not apply to any moneys in internal service funds established pursuant to this section.

(2) This paragraph does not apply to moneys annually appropriated to the department by the general assembly in an Act of the general assembly. Such moneys shall be subject to reversion as otherwise provided by law.

b. Notwithstanding [section 12C.7, subsection 2](#), interest or earnings on moneys deposited in these funds shall be credited to these funds.

5. The office department shall submit an annual report not later than October 1 to the ~~members of the general assembly and the legislative services agency~~ of the activities funded by and expenditures made from an internal service fund established pursuant to [this section](#) during the preceding fiscal year.

Sec. 63. [Section 8B.15](#), Code 2024, is amended to read as follows:

8B.15 Billing — credit card payments.

1. The ~~chief information officer~~ director may bill a governmental entity for services rendered by the ~~office~~ department in accordance with the duties of the ~~office~~ department as provided in [this chapter subchapter](#). Bills may include direct, indirect, and developmental costs which have not been funded by an appropriation to the ~~office~~ department. The ~~office~~ department shall periodically render a billing statement to a governmental entity outlining the cost of services provided to the governmental entity. The amount indicated on the statement shall be paid by the governmental entity and amounts received by the ~~office~~ department shall be considered ~~repayment~~ appropriated receipts as defined in [section 8.2](#), and deposited into the accounts of the ~~office~~ department.

2. In addition to other forms of payment, a person may pay by credit card for services provided by the ~~office~~ department, according to rules adopted by the treasurer of state. The credit card fees to be charged shall not exceed those permitted by statute. A governmental entity may adjust its payment to reflect the costs of processing as determined by the treasurer of state. The discount charged by the credit card issuer may be included in determining the fees to be paid for completing a financial transaction under [this section](#) by using a credit card. All credit card payments shall be credited to the fund used to account for the services provided.

Sec. 64. [Section 8B.16](#), Code 2024, is amended to read as follows:

8B.16 Office Department debts and liabilities — appropriation request.

If a service provided by the ~~office~~ department and funded from an internal service fund established under [section 8B.13](#) ceases to be provided and insufficient funds remain in the ~~internal service~~ fund to pay any outstanding debts and liabilities relating to that service, the ~~chief information officer~~ director shall notify the ~~department of management~~ and the general assembly and request that moneys be appropriated from the general fund of the state to pay such debts and liabilities.

Sec. 65. [Section 8B.21, subsections 1, 2, and 3](#), Code 2024, are amended to read as follows:

1. ~~Powers and duties of office~~ the chief information officer. The powers and duties of the ~~chief information officer~~ as it relates to information technology services shall include but are not limited to all of the following:

c. Provide applications development, support, and training, and advice and assistance in developing and supporting business applications throughout state government.

3. *Information technology charges.* The office department shall render a statement to an agency, governmental entity, public official, or other person or entity to or for whom information technology, value-added services, or other items or services have been provided by or on behalf of, or otherwise made available through, the office department. Such an agency, governmental entity, public official, or other person or entity shall pay an amount indicated on such statement in a manner determined by the office department.

Sec. 66. [Section 8B.21, subsection 4](#), Code 2024, is amended by striking the subsection and inserting in lieu thereof the following:

4. *Exclusion.* The department of public defense is not required to obtain any information technology services pursuant to [this subchapter](#) where such services involve or impact interconnections with federal networks and systems.

Sec. 67. [Section 8B.21, subsections 5 and 6](#), Code 2024, are amended by striking the subsections.

Sec. 68. [Section 8B.22](#), Code 2024, is amended to read as follows:
8B.22 Digital government.

1. The office department is responsible for initiating and supporting the development of electronic commerce, electronic government, mobile applications, and internet applications across participating agencies supported entities and in cooperation with other governmental entities.

2. In developing the concept of digital government, the office department shall do all of the following:

a. Establish standards policies, consistent with other state law, for the implementation of electronic commerce, including standards policies for the technical implementation of electronic signatures pursuant to chapter 554D, electronic currency, and other items associated with electronic commerce.

b. Establish guidelines for the appearance and functioning of applications.

c. Establish standards policies for the integration of electronic data across state agencies.

d. Foster joint development of electronic commerce and electronic government involving the public and private sectors.

e. Develop customer surveys and citizen outreach and education programs and material, and provide for citizen input regarding the state's electronic commerce and electronic government applications.

f. Assist participating agencies supported entities in converting printed government materials to electronic materials which can be accessed through an internet searchable database.

g. Encourage participating agencies supported entities to utilize duplex printing and a print on demand strategy to reduce printing costs, publication overruns, excessive inventory, and obsolete printed materials.

Sec. 69. Section 8B.23, Code 2024, is amended to read as follows:

8B.23 Information technology standards policies.

1. The office department shall develop and adopt information technology standards policies applicable to the procurement of information technology by all participating agencies supported entities. Such standards policies, unless waived by the office department, shall apply to all information technology procurements for participating agencies supported entities.

2. The office of the governor or the office of an elective constitutional or statutory officer shall consult with the office department prior to procuring information technology and consider the information technology standards policies adopted by the office department, and provide a written report to the office department relating to the ~~other~~ office's decision regarding such acquisitions.

Sec. 70. Section 8B.24, Code 2024, is amended to read as follows:

8B.24 Procurement of information technology.

1. Standards Policies established by the office department, unless waived by the office department, shall apply to all information technology procurements for participating agencies supported entities.

2. The office department shall institute procedures to ensure effective and efficient compliance with standards policies established by the office department.

3. The office department shall develop policies and procedures that apply to all information technology goods and services acquisitions, and shall ensure the compliance of all participating agencies supported entities. The office department shall also be the sole provider of infrastructure information technology goods and services for participating agencies supported entities, the sole authority in state government for the procurement of information technology goods and services for supported entities, the sole authority in state government for the establishment of master agreements for information technology goods and services, and the sole authority in state government for determining whether any particular procurement is an information technology procurement.

4. The office department, by rule, may implement a prequalification procedure for contractors with which the office department has entered or intends to enter into agreements regarding the procurement of information technology.

5. Notwithstanding the provisions governing purchasing as provided in [chapter 8A, subchapter III](#), the office department may procure information technology as provided in [this section](#). The office department may cooperate with other governmental entities in the procurement of information technology in an effort to make such procurements in a cost-effective, efficient manner as provided in [this section](#). The office department, as deemed appropriate and cost effective, may procure information technology using any of the following methods:

a. *Cooperative procurement agreement.* The office department may enter into a cooperative procurement agreement with another governmental entity relating to the procurement of information technology, whether such information technology is for the use of the office department or other governmental entities. The cooperative procurement agreement shall ~~must~~ clearly specify the purpose of the agreement and the method by which such purpose will be accomplished. Any power exercised under such agreement shall not exceed the power granted to any party to the agreement.

b. *Negotiated contract.* The office department may enter into an agreement for the purchase of information technology if any of the following ~~applies apply~~:

(1) The contract price, terms, and conditions are pursuant to the current federal supply contract, and the purchase order adequately identifies the federal supply contract under which the procurement is to be made.

(2) The contract price, terms, and conditions are no less favorable than the contractor's current federal supply contract price, terms, and conditions; the contractor has indicated in writing a willingness to extend such price, terms, and conditions to the office department; and the purchase order adequately identifies the contract relied upon.

(3) The contract is with a vendor who has a current exclusive or nonexclusive price agreement with the state for the information technology to be procured, and such information technology meets the same standards and specifications as the items to be procured and ~~both~~ all of the following apply:

(a) The quantity purchased does not exceed the quantity which may be purchased under the applicable price agreement.

(b) The purchase order adequately identifies the price agreement relied upon.

c. *Contracts let by another governmental entity.* ~~The office, on its own behalf or on the behalf of another participating agency or governmental entity, may procure information technology under a contract let by another agency or other governmental entity, or approve such procurement in the same manner by a participating agency or governmental entity. The office, on its own behalf or on the behalf of another participating agency or governmental entity, may also procure information technology by leveraging an existing competitively procured contract, other than a contract associated with the state board of regents or an institution under the control of the state board of regents. The department may contract for information technology by leveraging an existing, competitively procured contract established by any other governmental entity or cooperative purchasing organization.~~

d. *Reverse auction.*

(1) The office department may enter into an agreement for the purchase of information technology utilizing a reverse auction process. Such process shall result in the purchase of information technology from the vendor submitting the lowest responsible bid amount for the information technology to be acquired. The office department, in establishing a reverse auction process, shall do all of the following:

(a) Determine the specifications and requirements of the information technology to be acquired.

(b) Identify and provide notice to potential vendors concerning the proposed acquisition.

(c) Establish prequalification requirements to be met by a vendor to be eligible to participate in the reverse auction.

(d) Conduct the reverse auction in a manner as deemed appropriate by the office department and consistent with rules adopted by the office department.

(2) Prior to conducting a reverse auction, the office department shall establish a threshold amount which shall be the maximum amount that the office department is willing to pay for the information technology to be acquired.

(3) The office department shall enter into an agreement with a vendor who is the lowest responsible bidder which meets the specifications or description of the information technology to be procured, or the office department may reject all bids and begin the process again. In determining the lowest responsible bidder, the office department may consider various factors including but not limited to the past performance of the vendor relative to quality of product or service, the past experience of the office department in relation to the product or service, the relative quality of products or services, the proposed terms of delivery, and the best interest of the state.

e. Competitive bidding. The office department may enter into an agreement for the procurement or acquisition of information technology in the same manner as provided under [chapter 8A, subchapter III](#), for the purchasing of service. The department may also contract for the purchase of information technology goods or services using a competitive bidding process that includes a vendor selection process that focuses on realized, efficiency-based competition models.

f. Other agreement. In addition to the competitive bidding procedure provided for under paragraph “e”, the office department may enter into an agreement for the purchase, disposal, or other disposition of information technology in the same manner and subject to the same limitations as otherwise provided in [this chapter subchapter](#). The office, by rule, shall provide for such procedures.

6. a. The department shall, when feasible, prioritize the procurement of cloud computing solutions and other information technology and related services that are not hosted on premises by the state. The department may contract for multiple cloud computing solutions. The ownership of state data stored within cloud computing solutions shall remain with the state.

b. The department shall make reasonable efforts to ensure the portability of state data stored within cloud computing solutions. The department shall develop contractual terms and conditions for cloud computing solutions to ensure the confidentiality, integrity, and availability of state data and to maximize cybersecurity protections.

c. For purposes of [this subsection](#), “cloud computing solutions” means the same as described in [section 8.2, subsection 20](#), paragraph “l”.

6. 7. The office department shall adopt rules pursuant to [chapter 17A](#) to implement the procurement methods and procedures provided for in [subsections 2 through 5 6](#).

8. The department may establish and collect administrative fees associated with purchases made from department information technology agreements. The department may retain fees collected under [this subsection](#) in a fund created pursuant to [section 8B.13](#).

Sec. 71. [Section 8B.25, subsections 2 and 3](#), Code 2024, are amended to read as follows:

2. The office department shall lead and coordinate a program to provide for the installation of fiberoptic network conduit where such conduit does not exist. The ~~chief information officer~~ director shall consult and coordinate with applicable agencies and entities, including public utilities as defined in [section 476.1](#), the state department of transportation, the economic development authority, county boards of supervisors, municipal governing bodies, the farm-to-market review board, county conservation boards, and the boards, commissions, or agencies in control of state parks, as determined appropriate to ensure that the opportunity is provided to lay or install fiberoptic network conduit wherever a state-funded construction project involves trenching, boring, a bridge, a roadway, or opening of the ground, or alongside any state-owned infrastructure.

3. Contingent upon the provision of funding for such purposes by the general assembly, the office department may contract with a nongovernmental third party to manage, lease, install, or otherwise provide fiberoptic network conduit access for projects described in [this section](#). [This section](#) does not require coordination with or approval from the office department pursuant to this program or installation of fiberoptic conduit as required by [this section](#) for construction projects not using public funding.

Sec. 72. [Section 8B.31, subsection 1](#), Code 2024, is amended to read as follows:

1. *lowAccess.* The office department shall establish lowAccess as a service to the citizens of this state that is the gateway for one-stop electronic access to government information and

transactions, whether federal, state, or local. Except as provided in [this section](#), IowAccess shall be a state-funded service providing access to government information and transactions. The office department, in establishing the fees for value-added services, shall consider the reasonable cost of creating and organizing such government information through IowAccess.

Sec. 73. [Section 8B.31, subsection 2](#), unnumbered paragraph 1, Code 2024, is amended to read as follows:

The office department shall do all of the following:

Sec. 74. [Section 8B.31, subsection 2](#), paragraph b, unnumbered paragraph 1, Code 2024, is amended to read as follows:

Approve and establish the priority of projects associated with IowAccess. The determination may also include requirements concerning funding for a project proposed by a political subdivision of the state or an association, the membership of which is comprised solely of political subdivisions of the state. Prior to approving a project proposed by a political subdivision, the office department shall verify that all of the following conditions are met:

Sec. 75. [Section 8B.31, subsection 2](#), paragraph d, Code 2024, is amended to read as follows:

d. Establish the IowAccess total budget request and ensure that such request reflects the priorities and goals of IowAccess as established by the office department.

Sec. 76. [Section 8B.32, subsection 1](#), unnumbered paragraph 1, Code 2024, is amended to read as follows:

Moneys paid to a ~~participating agency supported entity~~ from persons who complete an electronic financial transaction with the agency entity by accessing IowAccess shall be transferred to the treasurer of state for deposit in the general fund of the state, unless the disposition of the moneys is specifically provided for under other law. The moneys may include all of the following:

Sec. 77. [Section 8B.33](#), Code 2024, is amended to read as follows:

8B.33 IowAccess revolving fund.

1. An IowAccess revolving fund is created in the state treasury. The revolving fund shall be administered by the office department and shall consist of moneys collected by the office department as fees, moneys appropriated by the general assembly, and any other moneys obtained or accepted by the office department for deposit in the revolving fund. The proceeds of the revolving fund are appropriated to and shall be used by the office department to maintain, develop, operate, and expand IowAccess consistent with [this chapter subchapter](#).

2. The office department shall submit an annual report not later than January 31 to the ~~members of the general assembly and the legislative services agency~~ of the activities funded by and expenditures made from the revolving fund during the preceding fiscal year. [Section 8.33](#) does not apply to any moneys in the revolving fund, and, notwithstanding [section 12C.7, subsection 2](#), earnings or interest on moneys deposited in the revolving fund shall be credited to the revolving fund.

Sec. 78. [Section 28D.3, subsection 4](#), Code 2024, is amended to read as follows:

4. Persons employed by the department of management, department of natural resources, department of administrative services, ~~and the or~~ Iowa communications network under [this chapter](#) are not subject to the twenty-four-month time limitation specified in [subsection 2](#).

Sec. 79. [Section 97B.4, subsection 2](#), paragraph d, Code 2024, is amended by striking the paragraph.

Sec. 80. **NEW SECTION. 546.13 Confidential records and data.**

1. Notwithstanding [sections 8E.104](#) and [8E.209](#), the department of insurance and financial services shall not share or provide to the department of management any trade secrets,

information regulated by third parties, or information deemed confidential by law or contractual commitment.

2. The department of management shall not be the lawful custodian of any department of insurance and financial services records or data for purposes of [chapter 22](#). Information provided to the department of management pursuant to [sections 8E.104](#) and [8E.209](#) shall remain confidential information of the department of insurance and financial services, and any statistical information derived from such information shall only be disseminated by the department of management in anonymized and aggregate form.

Sec. 90. [Section 8A.123, subsection 1](#), Code 2024, is amended to read as follows:

1. Activities of the department shall be accounted for within the general fund of the state, except that the director may establish and maintain internal service funds, in accordance with generally accepted accounting principles, ~~as defined in [section 8.57, subsection 4](#)~~, for activities of the department which are primarily funded from billings to governmental entities for services rendered by the department. The establishment of an internal service fund is subject to the approval of the director of the department of management and the concurrence of the auditor of state. At least ninety days prior to the establishment of an internal service fund pursuant to [this section](#), the director shall notify in writing the general assembly, including the legislative council, legislative fiscal committee, and the legislative services agency.

Sec. 91. [Section 8A.125, subsection 1](#), Code 2024, is amended to read as follows:

1. The director may bill a governmental entity for services rendered by the department in accordance with the duties of the department as provided in [this chapter](#). Bills may include direct, indirect, and developmental costs which have not been funded by an appropriation to the department. The department shall periodically render a billing statement to a governmental entity outlining the cost of services provided to the governmental entity. The amount indicated on the statement shall be paid by the governmental entity and amounts received by the department shall be considered ~~repayment~~ appropriated receipts as defined in [section 8.2](#), and deposited into the accounts of the department.

Sec. 92. [Section 8A.502, subsection 7](#), Code 2024, is amended to read as follows:

The surcharge payments received by the collection services center shall be considered repayment appropriated receipts as defined in [section 8.2](#) and shall be used to pay the costs of any contracts with a collection entity.

Sec. 162. [Section 262.9, subsection 19](#), paragraph b, Code 2024, is amended to read as follows:

b. Authorize, at its discretion, each institution of higher education to retain the student fees and charges it collects to further the institution's purposes as authorized by the board. Notwithstanding any provision to the contrary, student fees and charges, as defined in [section 262A.2](#), shall not be considered repayment appropriated receipts as defined in [section 8.2](#).

Sec. 163. [Section 262.9B, subsections 1, 3, and 4](#), Code 2024, are amended to read as follows:

1. *Overview.* The state board of regents for institutions under its control shall coordinate interagency cooperation with state agencies, as defined in [section 8A.101](#), in the area of purchasing and information technology with the goal of annually increasing the amount of joint purchasing. The board and the institutions under the control of the board shall engage the department of administrative services, the ~~chief information officer of the state department of management~~, and other state agencies authorized to purchase goods and services in pursuing mutually beneficial activities relating to purchasing items and acquiring information technology. The board and the institutions shall explore ways to leverage resources, identify cost savings, implement efficiencies, and improve effectiveness without compromising the mission of the board and the institutions under the control of the board relative to students and research commitments.

3. *Information technology.*

a. The board shall direct institutions under its control to cooperate with the ~~chief information officer of the state department of management~~ in efforts to cooperatively obtain information technology and related services that result in mutual cost savings and efficiency improvements, and shall seek input from the ~~chief information officer of the state department of management~~ regarding specific areas of potential cooperation between the institutions under the control of the board and the ~~office of the chief information officer department of management~~.

b. The board shall convene at least quarterly an interagency information technology group meeting including the institutions under its control, the ~~state chief information officer department of management~~ and any other agency authorized to purchase goods and services, for purposes of timely cooperation in obtaining information technology and related services.

4. *Cooperative purchasing plan.* The board shall, before July 1 of each year, prepare a plan that identifies specific areas of cooperation between the institutions under its control, the department of administrative services, and the ~~chief information officer of the state department of management~~ that will be addressed for the next fiscal year including timelines for implementing, analyzing, and evaluating each of the areas of cooperation. The plan shall also identify the potential for greater interinstitutional cooperation in areas that would result in a net cost savings.

Sec. 164. [Section 272C.6, subsection 6](#), paragraph b, Code 2024, is amended to read as follows:

b. The department of agriculture and land stewardship, the department of insurance and financial services, the department of inspections, appeals, and licensing, and the department of health and human services shall each adopt rules pursuant to [chapter 17A](#) which provide for the allocation of fees and costs collected pursuant to [this section](#) to the board under its jurisdiction collecting the fees and costs. The fees and costs shall be considered repayment appropriated receipts as defined in [section 8.2](#).

Sec. 165. [Section 321.52, subsection 4](#), paragraph d, Code 2024, is amended to read as follows:

d. A salvage theft examination shall be made by a peace officer who has been specially certified and recertified when required by the Iowa law enforcement academy to do salvage theft examinations. The Iowa law enforcement academy shall determine standards for training and certification, conduct training, and may approve alternative training programs which satisfy the academy's standards for training and certification. The owner of the salvage vehicle shall make the vehicle available for examination at a time and location designated by the peace officer doing the examination. The owner may obtain a permit to drive the vehicle to and from the examination location by submitting a repair affidavit to the agency performing the examination stating that the vehicle is reasonably safe for operation and listing the repairs which have been made to the vehicle. The owner must be present for the examination and have available for inspection the salvage title, bills of sale for all essential parts changed, if applicable, and the repair affidavit. The examination shall be for the purposes of determining whether the vehicle or repair components have been stolen. The examination is not a safety inspection and a signed salvage theft examination certificate shall not be construed by any court of law to be a certification that the vehicle is safe to be operated. There shall be no cause of action against the peace officer or the agency conducting the examination or the county treasurer for failure to discover or note safety defects. If the vehicle passes the theft examination, the peace officer shall indicate that the vehicle passed examination on the salvage theft examination certificate. The permit and salvage theft examination certificate shall be on controlled forms prescribed and furnished by the department. The owner shall pay a fee of fifty dollars at the time the examination is scheduled. The agency performing the examinations shall retain forty dollars of the fee and shall pay five dollars of the fee to the department and five dollars of the fee to the treasurer of state for deposit in the general fund of the state. Moneys deposited to the general fund under this paragraph are ~~subject to the requirements of [section 8.60](#)~~ and shall be used by the Iowa law enforcement academy to provide for the special training, certification, and recertification of officers as required by [this subsection](#).

Sec. 166. [Section 321.491, subsection 2](#), paragraph b, Code 2024, is amended to read as follows:

b. A certified abstract of the record of the case prepared for the department shall only be available to the public from the department. A noncertified record of conviction or forfeiture of bail shall be available to the public from the judicial branch. The clerk of the district court shall collect a fee of fifty cents for each noncertified copy of any record of conviction or forfeiture of bail furnished to any requester except the department or other local, state, or federal government entity. Moneys collected under [this section](#) shall be transferred to the department as a ~~payment receipt~~ [appropriated receipts](#), as defined in [section 8.2](#), to enhance the efficiency of the department to process records and information between the department and the Iowa court information system.

Sec. 167. [Section 321A.3, subsection 1](#), Code 2024, is amended to read as follows:

1. The department of transportation shall upon request furnish any person a certified abstract of the operating record of a person subject to [chapter 321](#) or [321J](#), or [this chapter](#). The abstract shall also fully designate the motor vehicles, if any, registered in the name of the person. If there is no record of a conviction of the person having violated any law relating to the operation of a motor vehicle or of any injury or damage caused by the person, the department of transportation shall so certify. A fee of five dollars and fifty cents shall be paid for each abstract except for abstracts requested by state, county, or city officials, court officials, public transit officials, or other officials of a political subdivision of the state or a nonprofit charitable organization described in section 501(c)(3) of the Internal Revenue Code. Except for any additional access fee collected under [subsection 7](#), the department of transportation shall transfer the moneys collected under [this section](#) to the treasurer of state who shall credit to the general fund all moneys collected. If a fee established in [this subsection](#) is collected by the ~~office of the chief information officer, created in [section 8B.2](#)~~, department of management for a record furnished through an electronic portal maintained

by the ~~office of the chief information officer~~ department of management, the ~~office of the chief information officer~~ department of management shall transfer the moneys collected under [this subsection](#) to the treasurer of state who shall credit the moneys to the general fund.

Sec. 168. [Section 325A.5](#), Code 2024, is amended to read as follows:

325A.5 Fees — credited to road use tax fund — seminar receipts.

All fees received for applications and permits or certificates under [this chapter](#) shall be remitted to the treasurer of state and credited to the road use tax fund. All fees collected for the motor carrier safety education seminar shall be considered ~~a repayment receipt~~ appropriated receipts as defined in [section 8.2](#), and shall be remitted to the department to be used to pay for the seminars.

Sec. 169. [Section 421.17, subsection 2](#), paragraph d, Code 2024, is amended to read as follows:

d. To facilitate uniformity and equalization of assessments throughout the state of Iowa and to facilitate transfers of funds to local governments, the director of the department of revenue may use geographic information system technology and may require assessing authorities and local governments that have adopted compatible technology to provide information to the department of revenue electronically using electronic geographic information system file formats. The department of revenue shall act on behalf of political subdivisions and the state to deliver a consolidated response to the boundary and annexation survey and provide legal boundary geography data to the United States census bureau. The department of revenue shall coordinate with political subdivisions and the state to ensure that consistent, accurate, and integrated geography is provided to the United States census bureau. The ~~office of the chief information officer~~ department of management shall provide geographic information system and technical support to the department of revenue to facilitate the exchange.

Sec. 170. [Section 421.17, subsection 27](#), paragraph j, Code 2024, is amended to read as follows:

j. Of the amount of debt actually collected pursuant to [this subsection](#) an amount, not to exceed the amount collected, which is sufficient to pay for salaries, support, maintenance, services, and other costs incurred by the department related to the administration of [this subsection](#) shall be retained by the department. Revenues retained by the department pursuant to [this section](#) shall be considered ~~repayment~~ appropriated receipts as defined in [section 8.2](#). The director shall, in the annual budget request pursuant to [section 8.23](#), make an estimate as to the amount of receipts to be retained and the estimated amount of additional receipts to be collected. The director shall report annually to the department of management, the legislative fiscal committee, and the legislative services agency on any additional positions added and the costs incurred during the previous fiscal year pursuant to [this subsection](#).

Sec. 171. [Section 423.2A, subsection 3](#), Code 2024, is amended to read as follows:

3. Of the amount of sales tax revenue actually transferred per quarter pursuant to [subsection 2](#), paragraphs “e” and “f”, the department shall retain an amount equal to the actual cost of administering the transfers under [subsection 2](#), paragraphs “e” and “f”, or twenty-five thousand dollars, whichever is less. The amount retained by the department pursuant to [this subsection](#) shall be divided pro rata each quarter between the amounts that would have been transferred pursuant to [subsection 2](#), paragraphs “e” and “f”, without the deduction made by operation of [this subsection](#). Revenues retained by the department pursuant to [this subsection](#) shall be considered ~~repayment~~ appropriated receipts as defined in [section 8.2](#).

Sec. 172. [Section 426B.1, subsection 1](#), Code 2024, is amended to read as follows:

1. A property tax relief fund is created in the state treasury under the authority of the department of health and human services. The fund shall be separate from the general fund of the state and shall not be considered part of the general fund of the state except in determining the cash position of the state for payment of state obligations. The moneys in the fund are

not subject to the provisions of [section 8.33](#) and shall not be transferred, used, obligated, appropriated, or otherwise encumbered except as provided in [this chapter](#). Moneys in the fund may be used for cash flow purposes, provided that any moneys so allocated are returned to the fund by the end of each fiscal year. ~~However, the fund shall be considered a special account for the purposes of [section 8.53](#), relating to elimination of any GAAP deficit.~~ For the purposes of [this chapter](#), unless the context otherwise requires, “*property tax relief fund*” means the property tax relief fund created in [this section](#).

Sec. 173. [Section 427.1, subsection 40](#), paragraph a, Code 2024, is amended to read as follows:

a. The owner of broadband infrastructure shall be entitled to an exemption from taxation to the extent provided in [this subsection](#) for assessment years beginning before January 1, 2027. Unless the context otherwise requires, the words and phrases used in [this subsection](#) shall have the same meaning as the words and phrases used in [chapter 8B 8, subchapter XI](#), including but not limited to the words and phrases defined in [section 8B.1](#).

Sec. 174. [Section 427.1, subsection 40](#), paragraph f, subparagraph (1), subparagraph division (d), Code 2024, is amended to read as follows:

(d) Certification from the ~~office of the chief information officer~~ [department of management](#) that the installation will facilitate broadband service in a [targeted service area](#) at or above the download and upload speeds specified in the definition of targeted service area in [section 8B.1](#) ~~in a targeted service area~~.

Sec. 175. [Section 427.1, subsection 40](#), paragraph f, subparagraphs (2) and (7), Code 2024, are amended to read as follows:

(2) The department of revenue and the board of supervisors shall not approve applications that are missing any of the information or documentation required in subparagraph (1). The department of revenue or the board of supervisors may consult with the ~~office of the chief information officer~~ [department of management](#) to access additional information needed to review an application.

(7) At any time after the exemption is granted and the broadband service is available in a targeted service area, the department of revenue or the board of supervisors, as applicable, under the direction of the ~~office of the chief information officer~~ [department of management](#), may require the property owner receiving the exemption to substantiate that the owner continues to provide the service described in paragraph “b”. If the department of revenue or the board of supervisors determines that the property owner no longer provides the service described in paragraph “b”, the department of revenue or the board of supervisors shall revoke the exemption. An owner may appeal the decision to revoke the exemption in the same manner as provided in subparagraphs (5) and (6), as applicable.

Sec. 176. [Section 453A.35A, subsection 1](#), Code 2024, is amended to read as follows:

1. A health care trust fund is created in the office of the treasurer of state. The fund consists of the revenues generated from the tax on cigarettes pursuant to [section 453A.6, subsection 1](#), and from the tax on tobacco products as specified in [section 453A.43, subsections 1, 2, 3, and 4](#), that are credited to the health care trust fund, annually, pursuant to [section 453A.35](#). Moneys in the fund shall be separate from the general fund of the state and shall not be considered part of the general fund of the state. ~~However, the fund shall be considered a special account for the purposes of [section 8.53](#) relating to generally accepted accounting principles.~~ Moneys in the fund shall be used only as specified in [this section](#) and shall be appropriated only for the uses specified. Moneys in the fund are not subject to [section 8.33](#) and shall not be transferred, used, obligated, appropriated, or otherwise encumbered, except as provided in [this section](#). Notwithstanding [section 12C.7, subsection 2](#), interest or earnings on moneys deposited in the fund shall be credited to the fund.

Sec. 177. [Section 461A.79, subsection 4](#), Code 2024, is amended to read as follows:

4. Moneys available to be expended for purposes of [this section](#) for public outdoor recreation and resources shall be credited to or deposited to the general fund of the state and appropriations made for purposes of [this section](#) shall be allocated as provided in [this](#)

~~section. Moneys credited to or deposited to the general fund of the state pursuant to this subsection are subject to the requirements of section 8.60.~~

Sec. 178. [Section 473.19A, subsection 2](#), paragraph a, Code 2024, is amended to read as follows:

a. Any moneys awarded or allocated to the state, its citizens, or its political subdivisions as a result of the federal court decisions and United States department of energy settlements resulting from alleged violations of federal petroleum pricing regulations attributable to or contained within the Exxon fund. ~~Amounts remaining in the oil overcharge account established in [section 455E.11, subsection 2](#), paragraph “e”, Code 2007, and the energy conservation trust established in [section 473.11](#), Code 2007, as of June 30, 2008, shall be deposited into the building energy management fund pursuant to this paragraph, notwithstanding [section 8.60, subsection 15](#), Code 2007.~~

Sec. 179. [Section 475A.6, subsection 3](#), Code 2024, is amended to read as follows:

3. The office of consumer advocate may expend additional funds, including funds for outside consultants, if those additional expenditures are actual expenses which exceed the funds budgeted for the performance of the advocate’s duties. Before the office expends or encumbers an amount in excess of the funds budgeted, the director of the department of management shall approve the expenditure or encumbrance. Before approval is given, the director of the department of management shall determine that the expenses exceed the funds budgeted by the general assembly to the office of consumer advocate and that the office does not have other funds from which such expenses can be paid. Upon approval of the director of the department of management, the office may expend and encumber funds for excess expenses. The amounts necessary to fund the excess expenses shall be collected from those utilities or persons which caused the excess expenditures, and the collections shall be treated as repayment appropriated receipts as defined in [section 8.2, subsection 8](#).

Sec. 180. [Section 477C.7, subsection 2](#), Code 2024, is amended to read as follows:

2. The entities subject to assessment shall remit the assessed amounts, as determined by the board, to a special revenue fund, as defined under [section 8.2, subsection 9](#).
