

Sec. 2. Section 194.8, unnumbered paragraph 1, Code 1983, is amended to read as follows:

Milk acceptable from the standpoint of organoleptic examination, as specified in section 194.6, containing no excessive extraneous matter and classified in excess of three one million for bacterial estimate, may be used in the processing and manufacturing of dairy products for human consumption for a period of seven consecutive days.

Sec. 3. Section 194.9, Code 1983, is amended to read as follows:

194.9 UNLAWFUL MILK. Milk, which from the standpoint of organoleptic examination is not acceptable, or which contains excessive extraneous matter or which by four weekly bacterial estimate tests is classified in excess of three one million, or which contains material evidencing production from a mastitic cow, or which contains chemicals, medicines, or radioactive agents deleterious to health, ~~shall be deemed~~ is unlawful for the manufacture of dairy products for human consumption.

Sec. 4. This Act takes effect July 1, 1986.

Approved April 20, 1984

CHAPTER 1121

WASTE WATER DISPOSAL SYSTEMS

S.F. 2213

AN ACT relating to the authority of the department of water, air and waste management over waste water disposal systems.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 455B.171, Code Supplement 1983, is amended by adding the following new subsection:

NEW SUBSECTION. 23. "Semi-public sewage disposal system" means a system for the treatment or disposal of domestic sewage which is not a private sewage disposal system and which is not owned by a city, a sanitary sewer district, or a designated and approved management agency under section 1288 of the federal Water Pollution Control Act (33 U.S.C. sec. 1288).

Sec. 2. Section 455B.171, subsection 22, Code Supplement 1983, is amended to read as follows:

22. "Private sewage disposal system" means a system which provides for the treatment or disposal of domestic sewage from four or fewer dwelling units or the equivalent of less than sixteen individuals on a continuing basis, ~~which does not discharge into the waters of the state.~~

Sec. 3. Section 455B.172, subsection 2, Code Supplement 1983, is amended to read as follows:

2. The department is the state agency designated to carry out the state responsibilities related to private water supplies and private sewage disposal systems for the protection of

the health of the citizens of this state. The commission shall adopt minimum standards and provide model standards for private water supplies and private sewage disposal facilities for use of the local boards of health. Each local board of health is the agency to regulate private water supplies and private sewage disposal systems, but the department shall maintain jurisdiction over discharges to a water of the state. Each local board of health shall adopt standards relating to the design and construction of private water supplies and private sewage disposal facilities, which standards shall not be lower than the minimum standards adopted by the commission.

Sec. 4. Section 455B.183, subsection 3, unnumbered paragraph 1, Code Supplement 1983, is amended to read as follows:

The operation of any waste disposal system or public water supply system or any part of or extension or addition to such the system. This provision does not apply to any a pretreatment system the effluent of which is to be discharged directly to another disposal system for final treatment and disposal, a semi-public sewage disposal system, the construction of which has been approved by the department and which does not discharge into water of the state or any a private sewage disposal system which does not discharge into a water of the state. The exemption of this paragraph shall not apply to any industrial waste discharges.

Approved April 20, 1984

CHAPTER 1122
HEALTH CARE PROVIDERS
S.F. 414

AN ACT relating to health service and health care providers by providing for the licensing of a health service provider in psychology and the ability of a nonprofit medical service plan to contract with certain health care providers.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 154B.6, subsection 1, Code 1983, is amended to read as follows:

1. A licensed psychologist Except as provided in this section, after July 1, 1985 a new applicant for licensure as a psychologist shall possess a doctoral degree in psychology or its equivalent from an institution approved by the board and shall have completed at least one year of supervised professional experience under the supervision of a licensed psychologist or prior to July 1, 1976 any person holding a certificate as a psychologist from the board of examiners of the Iowa psychological association, following the granting of the doctoral degree, or predoctoral experience, as may be acceptable to the board; or shall possess a master's degree in psychology or its equivalent from an institution approved by the board and have completed at least five years of professional experience, at least two of which shall have been under the supervision of a licensed psychologist or prior to July 1, 1976 any person holding a certificate
