CHAPTER 1185
PROCUREMENT OF STARCH-BASED PLASTICS AND SOYBEAN-BASED INKS
S.F. 2086

AN ACT relating to the procurement of starch-based plastics and soybean-based inks by the department of general services, the state board of regents, the commission for the blind, and the state department of transportation.

Be It Enacted by the General Assembly of the State of Iowa:

Section 1. Section 18.18, subsections 1 through 4, Code Supplement 1987, are amended to read as follows:

1. When purchasing paper products, the department of general services shall, ~~wherever~~ whenever the price is reasonably competitive and the quality intended, purchase the recycled

product. The department of general services shall also purchase, whenever the price is reasonably competitive and the quality intended, and in keeping with the schedule established in this subsection, soybean-based inks and starch-based plastics, including but not limited to starch-based plastic garbage can liners.

a. By July 1, 1989, a minimum of fifty percent of the purchases of inks which are used for newsprint printing services performed internally or contracted for by the department of general services shall be soybean-based.

b. By July 1, 1989, a minimum of fifteen percent of the purchases of garbage can liners made by the department of general services shall be starch-based plastic garbage can liners. The percentage purchased shall increase by five percent annually until fifty percent of the purchases of garbage can liners are purchases of starch-based plastic garbage can liners.

c. The department of general services shall report to the general assembly on January 1 of each year the plastic products which are regularly purchased by the department of general services for which starch-based product alternatives are available. The report shall also include the cost of the plastic products purchased and the cost of the starch-based product alternatives.

2. The department of general services, in conjunction with the department of natural resources, shall review the procurement specifications currently used by the state to eliminate, wherever possible, discrimination against the procurement of products manufactured with recovered materials, starch-based plastics, and soybean-based inks.

3. The department of natural resources shall assist the department of general services in locating suppliers of recycled products, starch-based plastics, and soybean-based inks and collecting data on recycled content, starch-based plastics, and soybean-based inks purchases.

4. Information on recycled content shall be requested on all bids for paper products issued by the state and on other bids for products which could have recycled content such as oil, plastic products, including but not limited to starch-based plastic products, compost materials, aggregate, solvents, soybean-based inks, and rubber products.

Sec. 2. Section 262.9, subsection 4, Code Supplement 1987, is amended to read as follows:

4. Manage and control the property, both real and personal, belonging to said the institutions. The board shall purchase or require the purchase of, whenever the price is reasonably competitive and the quality intended, and in keeping with the schedule established in this subsection, soybean-based inks and starch-based plastics, including but not limited to starch-based plastic garbage can liners.

a. By July 1, 1989, a minimum of fifty percent of the purchases of inks which are used for newsprint paper for printing services performed internally or contracted for by the board shall be soybean-based.

b. By July 1, 1989, a minimum of fifteen percent of the purchases of garbage can liners made by the board shall be starch-based plastic garbage can liners. The percentage purchased shall increase by five percent annually until fifty percent of the purchases of garbage can liners are purchases of starch-based plastic garbage can liners.

c. The board shall report to the general assembly on January 1 of each year, the plastic products which are regularly purchased by the board for which starch-based product alternatives are available. The report shall also include the cost of the plastic products purchased and the cost of the starch-based product alternatives.

Sec. 3. Section 307.21, subsection 4, Code 1987, is amended to read as follows:

4. Provide centralized purchasing services for the department, in co-operation with the department of general services. The administrator shall, whenever the price is reasonably competitive and the quality intended, purchase soybean-based inks and starch-based plastics, including but not limited to starch-based garbage can liners, and shall purchase these items in accordance with the schedule established in section 18.18.

Sec. 4. Section 601K.123, Code 1987, is amended by adding the following new subsection:
NEW SUBSECTION. 12. Whenever the price is reasonably competitive and the quality intended, and in keeping with the schedule established in this subsection, purchase soybean-based inks and starch-based plastics, including but not limited to starch-based garbage can liners.

a. By July 1, 1989, a minimum of fifty percent of the purchases of inks which are used for newsprint paper for printing services performed internally or contracted for by the commission shall be soybean-based.

b. By July 1, 1989, a minimum of fifteen percent of the purchases of garbage can liners made by the commission shall be starch-based plastic garbage can liners. The percentage purchased shall increase by five percent annually until fifty percent of the purchases of garbage can liners are purchases of starch-based plastic garbage can liners.

c. The commission shall report to the general assembly on January 1 of each year, the plastic products which are regularly purchased by the commission for which starch-based product alternatives are available. The report shall also include the cost of the plastic products purchased and the cost of the starch-based product alternatives.
