Iowa Legislative Page Program

Application Package
2020 Legislative Session

Internet Site: http://www.legis.iowa.gov

Deadline - Friday, October 4, 2019
GENERAL

Each year the Iowa Senate and the Iowa House of Representatives employ ambitious high school juniors and seniors of high academic standing to serve as Pages for the legislative session. To be eligible, applicants must be at least 16 years old by January 13, 2020. Pages will be allowed to participate in their official school functions and social activities whenever possible. Pages will begin work on January 13, 2020, and work the entire legislative session, which should be finished around the end of April 2020.

Serving as a Page is a professional working environment. Pages learn to accept a large degree of personal responsibility for their work, and the experience helps prepare them for the future demands of academic and professional careers. They learn to respond to organizational priorities and directives and to uphold the standards of confidentiality and professional service. Pages gain a greater understanding of the lawmaking process.

Pages also develop meaningful friendships with others and a sense of belonging to a time-honored tradition of public service. They meet and relate to a large group of people from around the state and begin learning how to make good personal decisions as they manage their finances, transportation, work demands, housing, and new friendships.

Pages will be expected to exercise extreme discretion throughout their stay in Des Moines. This includes being pleasant, courteous, and helpful to all persons. Adherence to all legislative policies and procedures is expected, including strict adherence to policies regarding gifts, sales of goods and services, sexual harassment, and substance abuse. **The use of drugs or alcohol may result in immediate dismissal.**

Pages report to work each morning at 8:00 a.m., unless a specific duty requires otherwise, and remain until 4:30 p.m. or the Legislature adjourns for the day.

The Legislature often does not work on Fridays during the early part of the legislative session and Pages would work for only four days during these weeks. Pages are paid for a minimum of 40 hours per week (whether or not they are required to work a full week) unless they are unavailable for work and not otherwise eligible for pay as provided in these guidelines.

Duties of a Senate Page

On a rotating basis, Pages are assigned to chamber benches for general assignments, and to the bill room, journal office, sergeant-at-arms desk, Senate telephone switchboard, and to assist the President and Secretary of the Senate in the well. General-duty Pages respond to requests from Senators and staff at their desks in the chamber, assist Senators and staff in committee meetings, and sometimes assist with the handling of Senate materials and supplies. Pages stationed at the switchboard take notices of incoming telephone calls to Senators. Bill room Pages assist in filing and distributing bills, calendars, and journals. Well Pages assist the President and Secretary of the Senate during debate. Page scheduling and work assignments are supervised directly by the sergeant-at-arms.

Duties of a House of Representatives Page

Pages provide invaluable assistance to Representatives and House staff by assisting with the switchboard, delivering messages, running errands, and distributing bills and amendments. Pages respond to individual requests from Representatives and staff. Pages also staff committee meetings and help the chairperson by handling materials needed during the meetings. Some Pages will be chosen to work directly for the Speaker of the House, the Republican and Democratic leaders, and the office of the Chief Clerk.

Duties of a Legislative Service Agency Page

The Legislative Services Agency is a nonpartisan agency whose purpose is to provide legal bill drafting, committee staffing, and fiscal analysis services to the Iowa General Assembly. Materials generated by LSA are of a confidential nature and must be treated as such. Pages provide an indispensable service by delivering documents to the legislators, LSA staff located in the Statehouse and Miller building, Governor’s Office, state agencies, and others.

UNIFORMS and SALARY

All Pages wear a uniform provided to them by the chamber they are employed with, as follows: Senate & Legislative Services Agency Pages wear a maroon blazer and gray dress slacks. House of Representatives Pages wear a navy blazer and gray dress slacks. Comfortable black, dress-type shoes and white shirts or blouses are also required for both male and female Pages. An appropriate tie is required for male Senate Pages.
Pages will receive $9.14 per hour for 40 hours per week. Pay periods are every two weeks.

While not covered by state health and life insurance benefits, Pages are covered under the Workers’ Compensation Law for any injuries that may occur on the job.

Unexcused absences will not be tolerated and may result in immediate dismissal. Pay will not be granted for unexcused absences.

**HOUSING and TRANSPORTATION**

**ALL LIVING ARRANGEMENTS ARE UNSUPERVISED.** It is suggested that, if possible, housing be arranged with family members, family friends, church members, or other groups with whom the Page or Page’s family members have known associations. Parents and guardians are asked to carefully consider this aspect of the program and not recommend students whom they believe should live and work in a supervised environment.

We urge parents and Pages to discuss how close to the Capitol Building Pages need to live and to investigate the types of tenants some housing arrangements attract and to plan accordingly. Various hotels and apartment buildings are available; however, it is becoming difficult to arrange for housing in Des Moines due to the short length of time Pages are here. Many apartment managers are reluctant to rent to groups of unsupervised high school students.

**PAGES MUST ARRANGE THEIR OWN TRANSPORTATION.** Although Pages are not required to drive their own cars to and from the Capitol, public transportation is only available in the evening on an hourly basis until 9:30 p.m. and the Legislature may work later than 9:30 p.m.

**SCHOOLING**

All individuals selected must make their own arrangements with school officials for fulfilling all high school requirements. Tutoring is not furnished. Students have often received assignments by correspondence or have returned home on weekends to attend classes or tutoring sessions. Many schools grant credit for a student's work in the Legislature. It is strongly recommended that Pages take only one or two courses for the semester they work as Pages in Des Moines. For most Pages it would be difficult to keep up with a greater workload. Please be certain that the implications of missing a semester of school have been thoroughly discussed with the appropriate school counselor, and that the school is willing to assist in whatever manner is necessary to maintain a Page's coursework and grade-point average.

**CONDUCT**

Pages are employees of the House, Senate, or LSA as appropriate. As such, Pages are expected to comply with all applicable employment laws and rules. In addition, Pages are expected to comply with the state ethics laws, Chamber rules, and the appropriate personnel handbook. Use of illegal alcohol, drugs, or the admitted or actual conviction of law may lend to termination.
APPLICATION PROCEDURE
All parts of the application must be returned **no later than October 4, 2019**. **All applications must be filed on-line.** On the first page of the application, check each chamber (including the one you are responding to) that you would like a copy of the application package given to. Also listed is a phone number for more information from each agency.

After the applications have been screened, some applicants will be invited to the Capitol Building in Des Moines for a personal interview. Pages are selected on a nonpartisan basis according to their apparent ability to perform the responsibilities assigned. The Senate and House of Representatives select Pages through in person interview processes.
