I have carefully reviewed the information provided in the attached booklet. I consent to my daughter/son serving as a Legislative Page during the next regular session of the Iowa General Assembly. I understand that, if selected, time will be lost from school.

I further understand that it is the Page's responsibility to make arrangements for housing and that these arrangements are not supervised and the hiring legislative chamber is not responsible in any way for the Pages when they are not officially engaged in legislative business. I understand that my daughter/son will be responsible for transportation to and from work, which may include evenings after midnight.

On an attached letter, please comment on your daughter's/son's ability to perform the work of a Page and her/his ability to live in Des Moines in unsupervised housing. Please describe the type of arrangements you might anticipate using for housing.
