1. For purposes of [subsection 3](#), paragraph “p”, “insurer” means an entity providing a plan of health insurance, health care benefits, or health care services, or an entity subject to the jurisdiction of the commissioner performing utilization review, including an insurance company offering sickness and accident plans, a health maintenance organization, a nonprofit health service corporation, a plan established pursuant to [chapter 509A](#) for public employees, or any other entity providing a plan of health insurance, health care benefits, or health care services. However, “insurer” does not include an entity that sells disability income insurance.

2. a. For purposes of [subsection 3](#), paragraphs “k”, “l”, and “m”, “personal lines property and casualty insurance” means insurance sold to individuals and families primarily for noncommercial purposes as provided in [chapter 522B](#).

b. For purposes of [subsection 3](#), paragraph “i”, subparagraph (2), subparagraph division (d), “customer” means a policyholder, potential policyholder, certificate holder, potential certificate holder, an insured, potential insured, or an applicant.

(9) Misrepresents any insurance policy to consumers by using the terms “burial insurance”, “funeral insurance”, “burial plan”, or “funeral plan” in its names or titles, unless the policy is made with a funeral provider as beneficiary who specifies and fixes a price under contract with an insurance company. This subparagraph does not prevent insurers from stating or advertising that insurance benefits may provide cash for funeral or burial expenses.

(10) Is a misrepresentation, including any intentional misquote of premium rate, for the purpose of inducing or tending to induce the purchase of an insurance policy.

b. *False information and advertising.*

(1) *Generally.* Making, publishing, disseminating, circulating, or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio or television station, or in any other way, an advertisement, announcement, or statement containing any assertion, representation, or statement with respect to the business of insurance or with respect to

any person in the conduct of the person's insurance business, which is untrue, deceptive, or misleading.

(2) *False statement of assets.* In the case of a company transacting the business of fire insurance within the state, stating or representing by advertisement in any newspaper, magazine, or periodical, or by any sign, circular, card, policy of insurance, or renewal certificate thereof or otherwise, that any funds or assets are in its possession and held available for the protection of holders of its policies unless so held, except the policy of insurance or certificate of renewal thereof may state, as a single item, the amount of capital set forth in the charter, or articles of incorporation, or association, or deed of settlement under which it is authorized to transact business.

(3) *Statement of capital and surplus.*

(a) In the case of a foreign company transacting the business of casualty insurance in the state, or an officer, producer, or representative of such a company, issuing or publishing an advertisement, public announcement, sign, circular, or card that purports to disclose the company's financial standing and fails to exhibit the following:

(i) The capital actually paid in cash, and the amount of net surplus of assets over all the company's liabilities actually held and available for the payment of losses by fire and for the protection of holders of fire policies.

(ii) The amount of net surplus of assets over all liabilities in the United States actually available for the payment of losses by fire and held in the United States for the protection of holders of fire policies in the United States, including in such liabilities the fund reserved for reinsurance of outstanding risks.

(b) The amounts stated for capital and net surplus shall correspond with the latest verified statement made by the company or association to the commissioner of insurance.

c. *Defamation.* Making, publishing, disseminating, or circulating, directly or indirectly, or aiding, abetting or encouraging the making, publishing, disseminating, or circulating of any oral or written statement or any pamphlet, circular, article or literature which is false, or maliciously critical of or derogatory to the financial condition of any person, and which is calculated to injure such person.

d. *Boycott, coercion and intimidation.* Entering into any agreement to commit, or by any concerted action committing, any act of boycott, coercion or intimidation resulting in or tending to result in unreasonable restraint of, or monopoly in, the business of insurance.

f. *Stock operations and advisory board contracts.* Issuing or delivering or permitting agents, officers or employees to issue or deliver, agency company stock or other capital stock, or benefit certificates or shares in any common law corporation, or securities or any special or advisory board contracts or other contracts of any kind promising returns and profits as an inducement to insurance.

g. *Unfair discrimination.*

(1) Making or permitting any unfair discrimination between individuals of the same class and equal expectation of life in the rates charged for any contract of life insurance or of life annuity or in the dividends or other benefits payable thereon, or in any other of the terms and conditions of such contract.

(2) Making or permitting any unfair discrimination between insureds of the same class for essentially the same hazard in the amount of premium, policy fees, or rates charged for any policy or contract of insurance other than life or in the benefits payable thereunder, or in any of the terms or conditions of such contract, or in any other manner whatever.

(3) Making or permitting any discrimination in the sale of insurance solely on the basis of domestic abuse as defined in [section 236.2](#) or sexual abuse as defined in [section 236A.2](#).

h. Release or use of genetic information. Failure of a person to comply with [section 729.6, subsection 4](#).

i. Rebates.

(1) Except as otherwise expressly provided by law, knowingly permitting or offering to make or making any contract of life insurance, life annuity or accident and health insurance, or agreement as to such contract other than as plainly expressed in the contract issued thereon, or paying or allowing, or giving or offering to pay, allow, or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the dividends or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract; or giving, or selling, or purchasing or offering to give, sell, or purchase as inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities of any insurance company or other corporation, association, or partnership, or any dividends or profits accrued thereon, or any thing of value whatsoever not specified in the contract.

(2) Subparagraphs (1) and (3), and paragraph “g”, shall not be construed to include any of the following practices in the definition of unfair discrimination or rebates:

(a) In the case of any contract of life insurance or life annuity, paying bonuses to policyholders or otherwise rebating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, provided that any such bonuses or rebatement of premiums shall be fair and equitable to policyholders and for the best interests of the company and its policyholders.

(b) In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expenses.

(c) Readjustment of the rate of premium for a group insurance policy based on the loss or expense experienced thereunder, at the end of the first or any subsequent policy year of insurance thereunder, which may be made retroactive only for such policy year.

(d) The offer or provision, at no or reduced cost, by an insurer or producer by or through an employee, affiliate, or third-party representative, of a value-added product or service that is not specified in the policy of insurance if the value-added product or service that is offered or provided meets all of the following criteria:

(i) The product or service relates to the policy of insurance.

(ii) The product or service is designed primarily to accomplish at least one of the following:

(G) Provide the customer with post-loss services.

(H) Incentivize behavioral changes to improve the health of, or to reduce the risk of death or disability of, a customer.

(I) Assist in the administration of employee or retiree benefit insurance coverage.

(iii) The cost to the insurer or producer offering or providing the product or service to a customer must be reasonable in comparison to the customer’s premiums and insurance coverage for the policy class.

(iv) If the insurer or producer provides the product or service offered, the insurer or producer shall ensure that the customer is provided with contact information for customer

service or technical support personnel who can assist the customer with questions regarding the product or service.

(v) The availability of the value-added product or service shall be based on documented objective criteria and the value-added product or service must be offered to all customers in a nondiscriminatory manner. The documented objective criteria shall be maintained by the insurer or producer and provided to the commissioner upon request. If an insurer or producer does not have sufficient documented objective criteria, but has a good-faith belief that the product or service meets the criteria under subparagraph subdivision (ii), the insurer or producer may offer or provide the product or service in a nondiscriminatory manner to customers as part of a pilot program or a test program for up to one year. Prior to launching the pilot program or test program, the insurer or producer must notify the commissioner. If the commissioner does not object to the pilot program or test program within twenty-one calendar days from the date of notice, the insurer or producer may proceed with the pilot program or test program.

(vi) The commissioner may adopt rules pursuant to [chapter 17A](#) to administer this subparagraph division.

(3) (a) Paying, allowing, or giving, or offering to pay, allow, or give, directly or indirectly, as an inducement to purchase or acquire insurance other than life insurance, life annuity, or accident and health insurance, or after insurance has been effected, any rebate, discount, abatement, credit, or reduction of the premium named in a policy of insurance, or any special favor or advantage in the dividends or other benefits to accrue on the policy, or any valuable consideration or inducement, not specified in the policy, except to the extent provided for in an applicable filing. An insured named in a policy, or an employee of the insured, shall not knowingly receive or accept, directly or indirectly, any rebate, discount, abatement, credit, or reduction of premium, or any such special favor or advantage or valuable consideration or inducement.

(b) This subparagraph (3) shall not be construed to prohibit the payment of commissions or other compensation to duly licensed producers, or to prohibit any insurer from allowing or returning to its participating policyholders, members, or subscribers, dividends, savings, or unabsorbed premium deposits. As used in this subparagraph (3), “insurance” includes suretyship and “policy” includes bond.

j. *Unfair claim settlement practices.* Committing or performing with such frequency as to indicate a general business practice any of the following:

(1) Misrepresenting pertinent facts or insurance policy provisions relating to coverages of issue.

(2) Failing to acknowledge and act reasonably promptly upon communications with respect to claims arising under insurance policies.

(9) Attempting to settle claims on the basis of an application which was altered without notice to, or knowledge or consent of the insured.

(10) Making claims payments to insureds or beneficiaries not accompanied by a statement setting forth the coverage under which payments are being made.

(11) Making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration.

(12) Delaying the investigation or payment of claims by requiring an insured, claimant, or the physician of either to submit a preliminary claim report and then requiring the subsequent submission of formal proof of loss forms, both of which submissions contain substantially the same information.

(13) Failing to promptly settle claims, where liability has become reasonably clear, under one portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy coverage.

(14) Failing to promptly provide a reasonable explanation of the basis in the insurance policy in relation to the facts or applicable law for denial of a claim or for the offer of a compromise settlement.

(15) Failing to comply with the procedures for auditing claims submitted by health care providers as set forth by rule of the commissioner. However, this subparagraph shall have no applicability to liability insurance, workers' compensation or similar insurance, automobile or homeowners' medical payment insurance, disability income, or long-term care insurance.

m. Disclosure of use of claims history. Failing to inform an applicant at the time that an application for personal lines property and casualty insurance is made, in writing or in the same medium as the application is made, that the insurer will consider the applicant's or insured's claims history in determining whether to decline, cancel, nonrenew, or surcharge such a policy, and that a claim made by an insured will be reported to an insurance support organization.

n. Misrepresentation in insurance applications. Making false or fraudulent statements or representations on or relative to an application for an insurance policy, for the purpose of obtaining a fee, commission, money, or other benefit from any insurer, agent, broker, or individual.

b. If an insurer learns of the possible death of an authorized person through a death master file match or otherwise, the insurer shall, within ninety days, do all of the following:

(1) Complete a good-faith effort, which shall be documented by the insurer, to confirm the death of the authorized person against other available records and information.

(2) Review the insurer's records to determine whether the deceased authorized person had purchased any other products from the insurer.

(3) Determine whether benefits may be due in accordance with the applicable policy, annuity, or retained asset account.

(4) If the beneficiary or an authorized person has not communicated with the insurer within the ninety-day period, take reasonable steps, which shall be documented by the insurer, to locate and contact any beneficiary or other authorized person on the policy, annuity, or retained asset account, including sending the beneficiary or other authorized person information regarding the insurer's claims process and regarding the need to provide an official death certificate, if applicable under the policy, annuity, or retained asset account.

c. Every insurer shall implement procedures to account for all of the following:

(1) Common nicknames, initials used in lieu of a first or middle name, use of a middle name, compound first and middle names, and interchanged first and middle names.

(2) Compound last names, maiden or married names, and hyphens, blank spaces, or apostrophes in last names.

(3) Transposition of the month and date portions of the date of birth.

(4) Incomplete social security numbers.

d. An insurer may disclose minimum necessary personal information about a beneficiary or authorized person to an individual or entity whom the insurer reasonably believes may be able to assist the insurer in locating the beneficiary or authorized person entitled to payment of the claims proceeds.

e. An insurer or its service provider shall not charge a beneficiary or authorized person any fees or costs associated with a death master file search conducted pursuant to [this section](#).

f. The benefits from a policy, annuity, or retained asset account, plus any applicable accrued interest, shall first be payable to designated beneficiaries or authorized persons, and in the event that the beneficiaries or authorized persons cannot be found, shall be reported and remitted to the state as unclaimed property pursuant to [chapters 556](#) and [633](#).

4. *Rules.* The commissioner shall adopt rules to administer the provisions of [this section](#).

5. *Orders.* The commissioner may issue an order doing any of the following:

a. Limiting the death master file comparisons required under [subsection 3](#), paragraph "a", to an insurer's electronic searchable files or approving a plan and timeline for conversion of an insurer's files to electronic searchable files.

b. Exempting an insurer from the death master file comparisons required under [subsection 3](#), paragraph "a", or permitting an insurer to perform such comparisons less frequently than semiannually, upon a demonstration of financial hardship by the insurer.

c. Phasing in requirements for compliance with [this section](#) according to a plan and timeline approved by the commissioner.

6. *Unfair trade practice.* Failure to meet any requirement of this section with such frequency as to constitute a general business practice is an unfair method of competition and an unfair or deceptive act or practice in the business of insurance under [this chapter](#).

7. *Insurer unclaimed property reporting.*

a. If an insurer identifies a person as deceased through a death master file match as described in [subsection 3](#), paragraph "a", or other information source, and validates such information through a secondary information source, the insurer may report and remit the proceeds of the policy, annuity, or retained asset account due to the state prior to the dates required for such reporting and remittance under [chapter 556](#), without further notice to or consent by the state, after attempting to contact any beneficiary under either of the following circumstances:

(1) The insurer is unable to locate a beneficiary who is located in this state under the

policy, annuity contract, or retained asset account, after conducting reasonable search efforts of up to one year after the insurer's validation of the death master file match.

(2) No beneficiary or person, as applicable for unclaimed property reporting purposes under [chapter 556](#), has a last known address in this state.

b. Once the insurer has reported upon and remitted the proceeds of the policy, annuity, or retained asset account to the state pursuant to [chapter 556](#), the insurer is relieved from any and all additional liability to any beneficiary or authorized person relating to the proceeds reported upon and remitted.

507B.5 Favored agent or insurer — coercion of debtors.

1. No person may do any of the following:

a. Require, as a condition precedent to the lending of money or extension of credit, or any renewal thereof, that the person to whom such money or credit is extended or whose obligation the creditor is to acquire or finance, negotiate any policy or contract of insurance through a particular insurer or group of insurers or agent or broker or group of agents or brokers.

b. Unreasonably disapprove the insurance policy provided by a borrower for the protection of the property securing the credit or lien.

c. Require directly or indirectly that any borrower, mortgagor, purchaser, insurer, broker, or agent pay a separate charge in connection with the handling of any insurance policy required as security for a loan on real estate or pay a separate charge to substitute the insurance policy of one insurer for that of another.

d. Use or disclose information resulting from a requirement that a borrower, mortgagor or purchaser furnish insurance of any kind on real property being conveyed or used as collateral security to a loan, when such information is to the advantage of the mortgagee, vendor, or lender, or is to the detriment of the borrower, mortgagor, purchaser, insurer, or the agent or broker complying with such a requirement.

2. [Subsection 1](#), paragraph "c" of [this section](#) does not include the interest which may be charged on premium loans or premium advancements in accordance with the security instrument.

3. For purposes of [subsection 1](#), paragraph "b" of [this section](#), such disapproval shall be deemed unreasonable if it is not based solely on reasonable standards uniformly applied, relating to the extent of coverage required and the financial soundness and the services of an insurer. Such standards shall not discriminate against any particular type of insurer, nor shall such standards call for the disapproval of an insurance policy because such policy contains coverage in addition to that required.

4. If a violation of [this section](#) is found, the person in violation shall be subject to the same procedures and penalties as are applicable to other provisions of [this chapter](#).

5. For purposes of [this section](#), "person" includes any individual, corporation, association, partnership, or other legal entity.

507B.6 Hearings — service of process, attendance of witnesses, and production of documents.

1. Whenever the commissioner believes that any person has been engaged or is engaging in this state in any unfair method of competition or any unfair or deceptive act or practice whether or not defined in [section 507B.4, 507B.4A, or 507B.5](#) and that a proceeding by the commissioner in respect to such method of competition or unfair or deceptive act or practice would be in the public interest, the commissioner shall issue and serve upon such person a statement of the charges in that respect and a notice of a hearing on such charges to be held at a time and place fixed in the notice, which shall not be less than ten days after the date of the service of such notice.

2. At the time and place fixed for such hearing, such person shall have an opportunity to

be heard and to show cause why an order should not be made by the commissioner requiring such person to cease and desist from the acts, methods or practices so complained of. Upon good cause shown, the commissioner shall permit any person to intervene, appear and be heard at such hearing by counsel or in person.

3. Nothing contained in [this chapter](#) shall require the observance at any such hearing of formal rules of pleading or evidence.

4. The commissioner, upon such hearing, may administer oaths, examine and cross-examine witnesses, receive oral and documentary evidence, and shall have the power to subpoena witnesses, compel their attendance, and require the production of books, papers, records, correspondence, or other documents which the commissioner deems relevant to the inquiry. The commissioner, upon such hearing, may, and upon the request of any party shall, cause to be made a stenographic record of all the evidence and all the proceedings had at such hearing. If no stenographic record is made and if a judicial review is sought, the commissioner shall prepare a statement of the evidence and proceeding for use on review. In case of a refusal of any person to comply with any subpoena issued hereunder or to testify with respect to any matter concerning which the person may be lawfully interrogated, the district court of Polk county or the county where such party resides, on application of the commissioner, may issue an order requiring such person to comply with such subpoena and to testify; and any failure to obey any such order of the court may be punished by the court as a contempt thereof.

5. Statements of charges, notices, orders, subpoenas, and other processes of the commissioner under [this chapter](#) may be served by anyone authorized by the commissioner, either in the manner provided by law for service of process in civil actions, or by mailing a copy by restricted certified mail to the person affected by the statement, notice, order, subpoena, or other process at the person's residence or principal office or place of business. The verified return by the person serving the statement, notice, order, subpoena, or other process, setting forth the manner of such service, shall be proof of service, and the return receipt for the statement, notice, order, subpoena, or other process, mailed by restricted certified mail, shall be proof of the service.

507B.6A Summary orders.

1. Upon a determination by the commissioner that a person or insurer has engaged, is engaging, or is about to engage in any act or practice constituting a violation of [this chapter](#) or a rule adopted or order issued under [this chapter](#), the commissioner may issue a summary order, including a brief statement of findings of fact, conclusions of law, and policy reasons for the decision, and directing the person or insurer to cease and desist from engaging in the act or practice or to take other affirmative action as is in the judgment of the commissioner necessary to comply with the requirements of [this chapter](#).

2. A person who has been issued a summary order under [this section](#) may contest the order by filing a request for a contested case proceeding and hearing as provided in [chapter 17A](#) and in accordance with the rules adopted by the commissioner. However, the person shall have at least thirty days from the date that the order is issued in order to file the request. [Section 17A.18A](#) is inapplicable to a summary order issued under [this section](#). The order shall remain effective from the date of issuance unless overturned by a presiding officer or court following a request for hearing. If a hearing is not timely requested, the summary order becomes final by operation of law.

3. A person or insurer violating a summary order issued under [this section](#) shall be deemed in contempt of that order. The commissioner may petition the district court to enforce the order as certified by the commissioner. The district court shall adjudge the person in contempt of the order if the court finds after hearing that the person or insurer is not in compliance with

the order. The court may assess a civil penalty against the person or insurer and may issue further orders as it deems appropriate.

507B.7 Orders and penalties.

1. If, after hearing, the commissioner determines that a person has engaged in an unfair method of competition or an unfair or deceptive act or practice, the commissioner shall reduce the findings to writing and shall issue and cause to be served upon the person charged with the violation a copy of such findings, an order requiring such person to cease and desist from engaging in such method of competition, act, or practice, and the commissioner may at the commissioner's discretion order any one or more of the following:

Payment of a civil penalty of not more than one thousand dollars for each act or violation of [this subtitle](#), but not to exceed an aggregate of ten thousand dollars, unless the person knew or reasonably should have known the person was in violation of [this subtitle](#), in which case the penalty shall be not more than five thousand dollars for each act or violation, but not to exceed an aggregate penalty of fifty thousand dollars in any one six-month period. If the commissioner finds that a violation of [this subtitle](#) was directed, encouraged, condoned, ignored, or ratified by the employer of the person or by an insurer, the commissioner shall also assess a penalty to the employer or insurer.

b. Suspension or revocation of the license of a person as defined in [section 507B.2, subsection 1](#), if the person knew or reasonably should have known the person was in violation of [this subtitle](#).

c. Payment of interest at the rate of ten percent per annum if the commissioner finds that the insurer failed to pay interest as required under [section 507B.4, subsection 3](#), paragraph "p".

2. Until the expiration of the time allowed under [section 507B.8](#) for filing a petition for review if no such petition has been duly filed within such time, or, if a petition for review has been filed within such time, then until the transcript of the record in the proceeding has been filed in the district court, the commissioner may at any time, upon such notice and in such manner as the commissioner may deem proper, modify or set aside in whole or in part any order issued by the commissioner under [this section](#).

3. After the expiration of the time allowed for filing such a petition for review if no such petition has been duly filed within such time, the commissioner may at any time, after notice and opportunity for hearing, reopen and alter, modify, or set aside, in whole or in part, any order issued by the commissioner under [this section](#), whenever in the commissioner's opinion conditions of fact or of law have so changed as to require such action, or if the public interest shall so require.

4. Any person who violates an order of the commissioner, and while such order is in effect, may, after notice and hearing and upon order of the commissioner, be subject at the discretion of the commissioner to any one or more of the following:

a. A monetary penalty of not more than ten thousand dollars for each and every act or violation. A penalty collected under this lettered paragraph shall be deposited as provided in [section 505.7](#).

2. After the period for judicial review of an order of the commissioner has expired and no petition for judicial review has been filed, the attorney general upon request of the commissioner of insurance shall proceed in the Iowa district court to enforce an order of the commissioner. The court shall enter its order commanding obedience to the terms of the commissioner's order.

507B.13 Immunity from prosecution.

If any person shall ask to be excused from attending and testifying or from producing any books, papers, records, correspondence or other documents at any hearing on the ground that the testimony or evidence required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture, and shall notwithstanding be directed to give such testimony or produce such evidence, the person must nonetheless comply with such direction, but the person shall not thereafter be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which the person may testify or produce evidence pursuant thereto, and no testimony so given or evidence produced shall be received against the person upon any criminal action, investigation or proceeding, provided, however, that no such individual so testifying shall be exempt from prosecution or punishment for any perjury committed by the individual while so testifying and the testimony or evidence so given or produced shall be admissible against the individual upon any criminal action, investigation or proceeding concerning such perjury, nor shall the individual be exempt from the refusal, revocation or suspension of any license, permission or authority conferred, or to be conferred, pursuant to the insurance law of this state.
