

157.5 Consent and reporting requirements.

1. A licensed cosmetologist or barber, esthetician, or electrologist who provides services relating to the use of a certified laser product, intense pulsed light device for hair removal, chemical peel, or microdermabrasion, shall obtain a consent in writing prior to the administration of the services. A consent in writing shall create a presumption that informed consent was given if the consent:

a. Sets forth in general terms the nature and purpose of the procedure or procedures, together with the known risks associated with the procedure or procedures, if reasonably determinable.

b. Acknowledges that the disclosure of that information has been made and that all questions asked about the procedure or procedures have been answered in a satisfactory manner.

c. Is signed by the client for whom the procedure is to be performed, or if the client for any reason lacks legal capacity to consent, is signed by a person who has legal authority to consent on behalf of that client in those circumstances.

2. A licensed cosmetologist or barber, esthetician, or electrologist who provides services related to the use of a certified laser product, intense pulsed light device for hair removal, chemical peel, or microdermabrasion, shall submit a report to the board within thirty days of any incident involving the provision of such services which results in physical injury requiring medical attention. Failure to comply with [this section](#) shall result in disciplinary action being taken by the board.
