

262.33A Fire and environmental safety report expenditures.

It is the intent of the general assembly that each institution of higher education under the control of the state board of regents shall, in consultation with the state fire marshal, identify and correct all critical fire and environmental safety deficiencies. The state fire marshal shall report annually to the joint subcommittee on education appropriations. The report shall include, but is not limited to, the identified deficiencies in fire and environmental safety at the institutions, and plans for correction of the deficiencies and for compliance with this section. Commencing July 1, 1993, each institution under the control of the state board of regents shall expend annually for fire safety and deferred maintenance at least the amount budgeted for these purposes for the fiscal year beginning July 1, 1992, in addition to any moneys appropriated from the general fund for these purposes in succeeding years.
